# Thousands of farmers march towards Karnal secretariat, threaten siege

Farmer union leaders

Thousandsoffarmersstarted marching towards the district headquarters here on Tuesday evening after union leaders said their talks with the local administration had failed.

Farmer unions had demanded action against officials over the lathi-charge against protesters on August 28 in Karnal. Otherwise, they had threatened farmers will lay siege on the Karnal minisecretariat a threat they appeared to be carrying out. Farmers reached the New Mandi for a mahapanchayat in the morning, riding tractors and motorcycles. As they gathered there, an 11-member delegation was invited by the local administration to discuss their demands and dissuade them from marching towards the secretariat. # Defence minister approves expansion of financial powers to armed forces for revenue procurement

NEW DELHI, SEPT 7 /--/ Defence minister Rajnath Singh today approved the expansion of financial powers to the armed forces for revenue procurement to cut delays in making purchases for operational preparedness and quickly meet requirements of the field for-

said the delegated financial powers of vice-chiefs of the services have been increased by 10 percent subject to an overall ceiling of Rs 500 crore. It said the primary focus of the enhanced delegation of financial powers is to empower field commanders and other officials to procure equipment and 'war-like stores" in a speedy manner for urgent operational necessities and meeting essential sustenance requirements. A new schedule on the hiring of aircraft and associated equipment has been introduced for the Indian Air Force which includes the hiring of air-to-air refuellers. Singh described the decision on expanding the financial powers as "another big step towards defence reforms".

The ministry said the enhanced delegation of financial powers to functionaries in service headquarters and lower formations would result in quicker decision-making at all levels and ensure better planning and operational preparedness. "Another big step towards defence reforms has been to strengthen security infrastructure. Financial powers have been devolved to field formations with focus on operational preparedness; promote ease of doing business and jointness

among Services," the defence minister tweeted. The last such enhancement at all levels for the defence serv-

ices was done in 2016. "A general enhancement of up to two times has been approved for the competent authorities financial (CFAs). In certain schedules, this enhancement at field formations is in the range of up to 5-10 times on account of operational requirements," the ministry said in a statement. "Delegated financial powers of vice chiefs of the services have been increased by 10 percent, subject to an overall ceiling of Rs 500 crore," it said. The ministry said the financial powers of Chief of Integrated Defence Staff to the Chairman Chiefs Of Staff Committee (CISC) as CFA has been enhanced substantially and aligned with that of the vice chiefs of the services. "New CFAs have been added namely Deputy Chief of Army Staff, Master General Sustenance, ADG (Procurement)/ DG Air Operations/DG Naval Operations, etc in service headquarters and in the field formations on account of reorganisation/restructuring/functional requirements," the ministry said.

It said new financial powers have been introduced for Navy and the Indian Air Force for their field commanders in line with the existing "Army schedule on 'Army Commanders Special Financial Powers'". "A new schedule on the hiring of aircraft and associated equipment has been introduced for Indian Air Force which includes the hiring of Air to Air refuellers," the ministry said. For the Indian Navy, powers for replenishment of disaster management equipment and materials have been delegated to the command level for immediate response to natural disasters and humanitarian assistance and disaster relief (HADR) operations. The ministry said an enabling provision of emergency financial powers to the field formations below command level for the defence services has now been incorporated in the emergency powers schedule that till present was available to vice chiefs and C-in-Cs (Commanding-in-Chief)/ equivalent.
