Dear Sir,

In continuation of our letters dated 27.03.2020 and 07.05.2020 we wish to inform you that we have received necessary approval for commencement of operations at our plant at NH 6 Howrah with limited resources. However, Cyclone “**Amphan**” has caused damage to our plant premises due to which there will be delay in commencement of operations at this plant.

The Company’s GT Road plant has not yet received the requisite permission to commence operations. As regards, the Company’s three plants located in Jamshedpur, they have all commenced operations after necessary approvals from authorities.

The Company is monitoring the situation and will continue to take appropriate measures in alignment with regulatory directives

This is for your information and records.

Thanking You,

Yours faithfully
