11. The SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in Securities Market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants (DPs) with whom they are maintaining their demat accounts. Members holding shares in Physical form can submit their PAN details to RTA viz. CIL Securities Ltd.
12. SEBI vide its Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8<sup>th</sup> June, 2018 & Notification No. SEBI/LAD-NRO/GN/2018/49 dated 30<sup>th</sup> November, 2018 amended Regulation 40 of SEBI (LODR) Regulations, 2015, which provides that from 1<sup>st</sup> April, 2019 transfer of Securities would not be processed unless the Securities are held in the dematerialized form with a depository. In view of the same, now the shares cannot be transferred in the physical mode. Hence, Members holding shares in physical form are requested to dematerialize their holdings immediately. However, Members can continue to make request for transmission or transposition of Securities held in physical form.
13. The Companies Act, 2013 in line with the measures undertaken by the Ministry of Corporate Affairs for promotion of Green Initiative, has introduced enabling provisions for sending Notice of the Meeting and other shareholder correspondences through electronic mode. Members holding shares in physical mode are requested to register their e-mail address with the Company and Members holding shares in demat mode are requested to register their e-mail address with their respective Depository Participants (DPs). If there is any change in the e-mail address already registered with the Company. Members are requested to immediately notify such change to the Company or its RTA in respect of shares held in physical form and to DPs in respect of shares held in electronic form.
14. **Instructions for voting through electronic means (e-voting), joining the AGM through VC/OAVM and other instructions relating thereto are as under;**

**CDSL e-Voting System – For e-voting and Joining Virtual meetings.**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the

companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated 13/01/2021, General Circular No. 2/2022 dated 05.05.2022 and other related Circulars on holding of Annual General Meeting. The forthcoming AGM will thus be held through through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the

website of the Company at [www.andhracements.com](http://www.andhracements.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM i.e. [www.evotingindia.com](http://www.evotingindia.com)).

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05<sup>th</sup> May, 2020 and General Circular No. 2/2022 dated 05.05.2022, after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020, as per MCA circular no. 02/2021 dated January,13,2021 and General Circular No. 2/2022 dated 05.05.2022.

**THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

- (i) The voting period begins on 13.09.2022 at 9.00 am and ends on 15.09.2022 at 5.00 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 09.09.2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their**

**demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

The Directors of the Company wish to state that though the Statutory Auditors of the Company has not given modified opinion on the Financial Statements of the Company for the year ended 31<sup>st</sup> March, 2022 but have expressed their view on Material Uncertainty Related to Going Concern and management response to the aforesaid view is given under:

Auditors /View Qualification	Management's Reply
<p>1. We draw attention to Note 35 to the financial statements which describe the status of Corporate Insolvency Resolution Process ("CIRP"). The Company has been referred to National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code (IBC). NCLT has admitted the case vide Order No. CP (IB) No. 37/7/AMR/2022 Dated 26.04.2022 and Insolvency Resolution Professional (IRP) has also been appointed. The process is currently underway as on date of report and consequently, effect in the financial statements will be given once the process is complete. These events indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern.</p>	<p>1. With the appointment of Resolution Professional (RP), Company is hopeful to find suitable resolution and to continue as going Concern.</p>
<p>2. (a) In our opinion and based on our examination, though the company is required to have and internal audit system under section 138 of the Act, it does not have the same established for the year.  (b) the Company did not have an internal audit system for the period under audit.</p>	<p>2. (a) &amp; (b) With a view to have independent Internal audit, Company appointed an external renowned CA Firm. However, there were no operations during the year due to non-availability of Power at plants and also there were no significant financial transactions, Internal Audit could not be carried out for the year under Audit.</p>

**Note:** The Auditors have also drawn attention to some items under Emphasis of matter in their report. However, they have not modified their opinion in respect of the said matters.

- c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors had prepared the annual accounts on a going concern basis;
- e) the Directors had laid proper internal financial controls to be followed and that such internal financial controls were adequate and were operating effectively; and
- f) Directors had devised proper systems to ensure compliance with the provisions of all applicable laws that such systems were adequate and operating effectively.

## WHISTLE BLOWER POLICY AND VIGIL MECHANISM

The Company has in terms of the provisions of Section 177(9) of the Companies Act, 2013 read with Rule 7 of the Companies (Meeting of Board and its Powers) Rules, 2014 and Regulation 22 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, formulated Whistle Blower Policy and Vigil Mechanism for Directors and employees under which protected disclosures can be made by a whistle blower. ([www.andhracemts.com](http://www.andhracemts.com))

## INTERNAL FINANCIAL CONTROL

The Internal Financial Controls with reference to financial statements as designed and implemented by the Company are adequate. During the year under review, no material or serious observation has been received from the Internal Auditors of the Company for insufficiency or inadequacy of such controls.

The information about internal financial controls is set out in the Management Discussion & Analysis Report which forms part of this Report.

## DEPOSITS

The Company has not accepted or renewed any amount falling within the purview of provisions of Section 73 of the Companies Act 2013 ("the Act") read with the Companies (Acceptance of Deposit) Rules, 2014 during the year under review. Hence, the details relating to deposits as also requirement for furnishing of details of deposits which are not in compliance with Chapter V of the Act is not applicable.

However, in accordance with the Modified Rehabilitation Scheme (MS-08), the Company is settling the claims lodged by fixed deposit holders. As per the provisions of Section 125 of the Companies Act, 2013 the company is in the process to transfer the Unclaimed Amount to the 'Investor Education and Protection Fund'.

**REDEMPTION OF PREFERENCE SHARES**

The payments against these shares are being made as and when claimed by the holders. It has not been possible to locate the addresses of the shareholders, despite notices being published in daily newspapers. No claims were received during the year. There is no liability for dividend on these shares.

**PARTICULARS OF EMPLOYEES AND RELATED DISCLOSURES**

In terms of the provisions of Section 197(12) of the Act read with Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, a statement showing the names and other particulars of the employees drawing remuneration in excess of the limits set out in the said Rules forms part of this Annual Report and is provided as "Annexure- D" in this report.

Disclosures pertaining to remuneration and other details as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are provided as "Annexure- D" to this Report.

**PARTICULARS OF ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO**

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Second Amendment Rules, 2015 (as per the notification dated 4<sup>th</sup> September, 2015), is annexed herewith as "Annexure-E".

**DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMAN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013**

The Company has in place an Anti Sexual Harassment Policy in line with the requirements of the Sexual Harassment of Woman at Workplace (Prevention, Prohibition and Redressal) Act, 2013. During the year under review, no complaints were received by the Company.

**FUTURE OUTLOOK**

GDP growth for the year 2021-22 was around 8% which is more than previous years before COVID-19 pandemic and

expected to increase in the year 2022-23. However, there are several uncertainties which can have an impact in the projected GDP. The outlook of oil prices continue to be hazy both on upside and downside. It is expected that the demand for cement would increase and will grow to a higher for the financial year 2022-23. Our plants are fully equipped and supported with grinding units at strategic locations. Our company will be able to make suitable measures to take advantage of the present economic momentum in the coming years.

**THREATS**

The Sanctions imposed on countries from where India is imposing maximum crude would adversely affect the fuel price, which would have negative impact on our manufacturing and transportation cost. The Mines and Minerals (Development & Regulation) Amendment Act, 2015, (MMDR) has made the Limestone as a notified mineral. Pursuant to the amendment act, grant of mining lease for all notified minerals shall be through public auction process by the respective State Governments. Since, several State Governments do not have the required geological data of availability of the reserves and they are not able to proceed with the auction. This is delaying the process of getting fresh mining leases allotted.

**OPPORTUNITIES**

The Company's products have always been perceived to possess superior quality standards in the market and the company has been enjoying a high-level customer satisfaction index. Hence, products will be sold at higher profitability and revenue. The Company is planning to introduce products catering to specific customers to meet their customized applications and requirements.

**ACKNOWLEDGMENT**

The Board places on record its sincere appreciation and gratitude to various Departments and Undertakings of the Central Government, and State Governments, Financial Institutions, Banks and other authorities for their continued co-operation and support to the Company. The Board sincerely acknowledges the faith and confidence reposed by the Shareholders in the Company.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(Forming part of the Report of Directors for the Year ended 31<sup>st</sup> March, 2022)

### 1. Indian Economy - Overview

India's economy has grown to 7.5% in fiscal year (FY) 2022 and 8% in FY 2023, supported by increased public investment in infrastructure and a pickup in private investment as per the forecast.

The outlook assumes sustained progress in coronavirus disease (COVID-19) vaccinations and that any new variants of the virus are of limited severity. It also factors in the impacts of Russia's invasion of Ukraine—primarily higher global oil and commodity prices that will contribute to rising inflation and a widening of the current account deficit.

India is on the path to a sustained economic recovery, thanks to the vigorous countrywide drive to deliver safe and wide-reaching COVID-19 vaccinations, which helped reduce the severity of the third pandemic wave with minimal disruptions to mobility and economic activity. The Government of India's policy to improve logistics infrastructure, incentives to facilitate industrial production, and measures to improve farmers' income will support the country's accelerated recovery.

Risks to the outlook include uncertain global economic conditions, potential new surges in COVID-19 cases, and sharp rises in commodity prices.

Large public infrastructure investments planned over the next 2 years will encourage more private investment. Together with the PM Gati Shakti initiative to improve India's logistics infrastructure, increased financial and technical support to states to expand capital investment will boost infrastructure spending and help spur economic growth. Private consumption will pick up as labor market conditions improve. Forecasts are based on a normal monsoon, which, coupled with rising wheat prices, is expected to boost agriculture output and improve farmers' income. The government's production-linked incentive scheme will provide a thrust to the manufacturing sector in FY2022 and FY2023.

Inflation will likely increase to 5.8% in FY2022 amid rising oil prices. While monetary policy will remain accommodative, the central bank may hike policy rates in the later part of the fiscal year due to tightening of the United States federal funds rate and elevated oil prices. The current account deficit is projected to widen to 2.8% of gross domestic product in FY2022 due to the rising oil import bill, and is expected to decline to 1.9% in FY2023 amid an uptick in export growth. Foreign direct investment inflow is expected to moderate amid rising global uncertainty and tightening of global economic and financial conditions.

### 2. Cement Industry

India's cement demand to rise by mid-to-high single digits over the medium term. This is after an estimated mid-teen rebound in the financial year ended March 2022 (FY22) from FY21 when demand declined by mid-single digits amid the Covid-19 pandemic. We believe sustained GDP growth after the 8.7% recovery in FY22 will underpin growth across various construction end-markets. We expect cement demand from infrastructure and affordable housing markets to increase by low double digits, largely on the government's growing impetus, evident from rising public spending and a significant project pipeline. The rebound in urban housing activity in the last few quarters from multi-year cyclical lows will be sustained, in our view, leading to mid-to-high single-digit cement sales growth from the end-market. Similarly, a revival in corporate capex after a focus on cash conservation during 2020-2021 will support growth in industrial construction. The impact of inflationary pressure on cement demand from the Russia-Ukraine war has been limited so far, but downside risks to our estimates will rise if macroeconomic conditions deteriorate significantly. We estimate the price hikes by cement producers will not fully counter the spike in energy prices since the start of the war. This will lead to markedly lower profitability in the April-June 2022 quarter.

The uncertainty around the continuation of the impact of the national and international issues makes it difficult to make any proposition about the outlook for the near future. While the short-term outlook is uncertain, the long-term outlook of the Cement Industry continues to be positive on account of the various economic reforms, increasing aspirations, sustained consumption momentum and persistent infra spending.

### 3. Outlook

India has a lot of potential for development in the infrastructure and construction sector and the cement sector is expected to largely benefit from it. Some of the recent major government initiatives such as development of infra projects are expected to provide a major boost to the sector.

In the next 10 years, India could become the main exporter of clinker and gray cement to the Middle East, Africa, and other developing nations of the world. Cement plants near the ports, for instance the plants in Gujarat and Visakhapatnam, will have an added advantage for exports and will logistically be well armed to face stiff competition from cement plants in the interior of the country.

With help from the government in terms of friendlier laws, lower taxation, and increased infrastructure spending, the sector will grow and take India's economy forward along with it.

#### 4. Opportunities and Threats

The Company's products have always been perceived to possess superior quality standards in the market and the company has been enjoying a high level customer satisfaction index. Hence, products will be sold at placed on higher profitability and revenue. The Company is planning to introduce products catering to specific customers to meet their customized applications and requirements in future.

The Sanctions imposed on countries from where India is imposing maximum crude would adversely affect the fuel price, which would have negative impact on our manufacturing and transportation cost. The Mines and Minerals (Development & Regulation) Amendment Act, 2015, (MMDR) has made the Limestone as a notified mineral. Pursuant to the amendment act, grant of mining lease for all notified minerals shall be through public auction process by the respective State Governments. Since, several State Governments do not have the required geological data of availability of the reserves and they are not able to proceed with the auction. This is delaying the process of getting fresh mining leases allotted.

#### 5. Risks and Concerns

The Indian Cement Industry is materially dependent for growth on the development of Infrastructure. Infrastructure development in the Country being predominantly in the hands of Government, any decline in Government spends adversely impacts the well being of cement. In addition, Government buying cannot always be divorced from an oligopolistic situation where prices tend to be dictated by the buyer. Access to insufficient quantities of sand adds a further discordant note to the overall scenario as the genesis of concrete or mortar which is the basic raw material for any building activity is contingent upon cement being mixed with sand. Certain India States seem perpetually stretched in making availability sufficient quantities of natural sand for the sector. A solution could probably lie in entering the area of artificial sand. That would benefit the cement industry.

The industry seems continually hamstrung in reining in energy and logistics costs. Present price trends of such key energy inputs, as fossil fuel in the form of coal and pet coke are unfavorable. While this has afforded industry the required stimulus to step up conservation through research, the process is, by its very nature, time consuming. Increases in the cost of the other fossil fuel, high speed diesel and hurt logistics cost since cement has to be transported in bulk.

#### 6. Financial and Operational Performance

##### Financial Performance

During the year under review the Company recorded a net loss of Rs. 23630 lakhs. Financial performance of the Company, in brief, is as under

##### Operational Performance

During the year your Company Plant operations were at halt due to financial and operational crises, but expecting to restart the production activities after come across all the hurdles and completion of the Insolvency Resolution Process. Your Company is primarily engaged in manufacture and sale of Cement including Ordinary Portland Cement, Portland Pozzolana Cement, and Portland Slag Cement. In the domestic market the company operates through a net work of dealers and agents for sale of its products. Its major markets include Andhra Pradesh, Telangana, Tamilnadu, Orissa, Karnataka and other nearby states.

## 7. Internal Control Systems and their adequacy

The Company has adequate system of Internal Financial Controls in place. It had adopted policies and procedures regarding financial and operating functions for ensuring the orderly and efficient conduct of its business including adherence to Company's assets, prevention & detection of frauds and errors and timely preparation of reliable financial information. The Internal Control Systems are commensurate with the size of operations of the Company and are manned by qualified and experienced personnel.

In addition to internal controls, the internal audit function has also been set up by a firm of Chartered Accountants, who conducts audit on the basis of the Accounting Standards and Annual Audit Plan. The process includes review and evaluation of effectiveness of the existing processes, controls and compliances. It also ensures adherence to Internal control policies and systems and mitigation of the operational risks perceived for each area under audit. The Internal Audit Report(s) are reviewed by the Audit Committee.

## 8. Human Resources/Industrial Relations

The Company recognizes its human resources as the most valued asset. The Company has appointed specialized professionals in the fields of engineering, finance, administration and technical and non-technical staff to take care of its operations and allied activities.

Necessary training was imparted to the staff for operations and maintenance of Machinery by specialist from related fields including the equipment suppliers from time to time.

During the period the Industrial Relations continued to be cordial.

## 9. Details of Significant Changes in Key financial ratios

Sl. No.	Particulars	31.03.2022	31.03.2021	Formula adopted
1	Debtors Turnover Ratio (Days)	(#)	49197.22	365 Days/(Net Revenue/ Average Trade Receivables)
2	Inventory Turnover Ratio (Days)	(#)	54064.22	365 Days/ Net Reveue/Average Inventories)

7	Net Profit Margin Ratio	(#)	1996.74)	Net Profit/Net Revenue
8	Return on Networkth	(**)	(**)	Total Comprehensive Income/Average Networkth

(#) Since Net Sales Revenue is zero, these ratios cannot be calculated.

(\*) Since equity is negative, ratio cannot be calculated.

(\*\*) Since Networkth is negative, ratio cannot be calculated

- EBITDA denotes Profit before Interest+Tax+Depreciation.
- Increase in Debtor Turnover Ratio is on account of reduction in Sales.
- Reduction in Interest Coverage Ratio is due to reduction in Sales and Profit.
- Current Ratio is reduced as current liability has increased due to reduction in Sales and Profit.

## 10. Future Outlook

There are several uncertainties which can have an impact in the projected GDP. The outlook of oil prices continues to be hazy both on upside and downside. It is expected that the demand for Cement would grow at around 8% for the financial year 2022-23. Our plants operations are temporally at halt and expecting to restart its productions activities at the earliest. Our Plants are fully equipped and supported with grinding units at strategic locations. Our company will be able to take full advantage of the economic momentum in the coming years.

### Cautionary Statement:

## INDEPENDENT AUDITOR'S REPORT

To  
The Members of,  
**ANDHRA CEMENTS LIMITED**

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Andhra Cements Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

#### Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Emphasis of Matters

We draw attention to Note 33(iv) to the financial statements, in respect of confiscation of imported capital goods having import value of ₹ 3,979 lakhs due to non-fulfillment of certain export obligations.

Our opinion on the financial statement is not modified in respect of above stated matter.

#### Material Uncertainty Related to Going Concern

We draw attention to Note 35 to the financial statements which describe the status of Corporate Insolvency Resolution Process ("CIRP"). The Company has been referred to National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code (IBC). NCLT has admitted the case vide Order No. CP (IB) No. 37/7/AMR/2022 Dated 26.04.2022 and Insolvency Resolution Professional (IRP) has also been appointed. The process is currently underway as on date of report and consequently, effect in the financial statements will be given once the process is complete. These events indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern.

The above assessment of the Company's ability to continue as going concern is by its nature considered as a key audit matter in accordance with SA 701. In relation to the above key audit matter, our audit work included, but was not limited to, the following procedures:

- a) Obtaining an understanding of the management's process for identifying all events or conditions that may cast significant doubt over the company's ability to continue as a going concern and a process to assess the corresponding mitigating factors existing against each such event or condition. Also, obtained an understanding around the methodology adopted by the Company to assess their future business performance including the preparation of a cash flow forecast for the business;
- b) Evaluating the design and tested the operating effectiveness of key controls around aforesaid identification of events or conditions and mitigating factors, and controls around cash flow projections prepared by the management;
- c) Obtaining from the management, its projected cash flows for the next twelve months basis their future business plans;
- d) Assessing the methodology used by the management to estimate the cash flow projections including the appropriateness of the key assumptions in the cash flow projections for next 12 months by considering our understanding of the business and past performance of the Company apart from discussing these assumptions with the management and the Audit Committee; and
- e) Assessing that the disclosures made by the management are in accordance with the applicable accounting standards.

Our opinion is not modified in respect of above matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the

standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Except for the Matter described in the Material Uncertainty Related to Going Concern section, we have determined that there are no other Key Audit Matters to communicate in our report.

### **Responsibilities of the Management and those charged with Governance for the Financial Statements**

The company is undergoing Corporate Insolvency Resolution Process ("CIRP") in terms of the provisions of the Insolvency & Bankruptcy Code, 2016 ("IBC") vide order dated 26.04.2022 passed by the National Company Law Tribunal ("NCLT") Hyderabad wide order no. CP (IB) No. 37/7/AMR/2022 in the matter of Andhra Cement Ltd. Vs. Pridhvi Assets Reconstruction and Securitization Company Ltd. As per Section 13(2), 15,17,18 and 20 of the Insolvency Code and rules made there under, Interim Resolution Professional (IRP) Mr. Nirav Kirit Pujara has been appointed and directed to take charge of the management of the company and take necessary steps in furtherance of the CIRP. IRP is currently managing the operations of the company and accordingly financial statement have been prepared on going concern basis.

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, Read with Rule 7 of Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

**ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT**

**(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Andhra Cement Limited of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Andhra Cements Limited** ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The company is undergoing Corporate Insolvency Resolution Process ("CIRP") in terms of the provisions of the Insolvency & Bankruptcy Code, 2016 ("IBC") vide order dated 26.04.2022 passed by the National Company Law Tribunal ("NCLT") Hyderabad vide order no. CP (IB) No. 377/AMR/2022 in the matter of Andhra Cements Ltd. Vs. Pridhvi Assets Reconstruction and Securitization Company Ltd. As per Section 13(2), 15,17,18 and 20 of the Insolvency Code and rules made there under, Interim Resolution Professional (IRP) Mr. Nirav Kirit Pujara has been appointed and directed to take charge of the management of the company and take necessary steps in furtherance of the CIRP.

National Company Law Tribunal ("NCLT") Hyderabad vide its order dated 26.04.2022 has directed the IRP to complete the CIRP within 180 days by inviting the creditors of Andhra Cements Limited to submit claims on or before 10<sup>th</sup> May 2022 to the IRP.

IRP is currently managing the operations of the company and financial statements have been prepared on going concern basis.

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the

Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls with reference to Financial Reporting**

A company's internal financial control with reference to financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference Financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the

possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential

components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

### 1. Company Overview

Andhra Cements Limited (the Company) is a Public Limited Company domiciled in India and is incorporated in India under the provisions of Companies Act, 1956. Its shares are listed on two stock exchanges in India i.e. Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company is engaged in the manufacturing and selling of Cement and Cement related products. The Company caters mainly to the domestic market.

### 2. Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

### 3. Significant Accounting policies

#### 3.1 Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended, the relevant provisions of Companies Act, 2013 and guidelines issued by the Security and Exchange Board of India (SEBI), as applicable.

#### 3.2 Basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and presentation requirements of Schedule III to the Act under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

On 23<sup>th</sup> March 2022, the Ministry of Corporate Affairs ("MCA") through a notification amended Companies (Indian Standards) Rules 2015. The amendments in following Ind AS are applicable from 1 April 2022.

- i) Ind AS 101 - First time adoption of Ind AS
- ii) Ind AS 103 - Business Combination
- iii) Ind AS 109 - Financial Instruments
- iv) Ind AS 16 - Property, Plant and Equipment
- v) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets
- vi) Ind AS 41 - Agriculture

The management anticipates that the amendment of the above Ind AS does not results in any significant changes to the Company's accounting policies or have any significant impact on the financial statements of the Company.

### 3.3 Critical accounting judgments and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

**Critical Judgments** In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements.

**Discount rate used to determine the carrying amount of the Company's defined benefit obligation:** The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**Contingences and commitments:** In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal

proceedings, the Company do not expect them to have a materially adverse impact on the financial position or profitability.

#### Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

- (a) **Income taxes:** The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.
- (b) **Useful lives of property, plant and equipment:** As described in Note 3.8, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.
- (c) **Allowances for doubtful debts:** The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgment and estimates.

#### 3.4 Operating Cycle and Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realised or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realised within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

#### 3.5 Revenue recognition

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts / incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

The Company has adopted Ind AS 115 using the cumulative catch-up method whereby the effect of applying this standard is recognised at the date of initial application (i.e. 1 April, 2018). Accordingly, the comparative information in the Statement of Profit and Loss is not restated. Impact on adoption of Ind AS 115 is not material.

#### Cost to obtain a contract

The Company pays sales commission to its selling agents for contracts that they obtain for the Company and same is expense out on the basis of sales took place. (Included in commission on Sales under "Other Expenses").

Costs to fulfill a contract i.e. freight, insurance and other selling expenses are recognized as an expense in the period in which related revenue is recognised.

**Interest income** Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

**Dividends** Dividend income from investments is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Profit/Loss on sale of units of Mutual funds /Bonds / Shares are accounted on transfer of ownership.

#### 3.6 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may

earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

### 3.7 Foreign Currencies

**Functional and presentation Currencies:** The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

**Transactions and translations:** Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

### 3.8 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The

carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and useful lives.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight-line method ("SLM") in the manner prescribed in schedule II to the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the Company reflect the periods over which these assets are expected to be used. Such classes of assets and their estimated useful lives are as under;

S. NO	Nature of Asset/Component of an Assets	Useful life of assets/ components of assets
1	Building	5-60
2	Plant and Machineries	
	-Power plant	30-40
	-Other than Power Plant	5-30
3	Furniture and Fixtures	3-10
4	Office Equipment	10
5	Vehicles	5-10
6	Railway Siding	25

Carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as

the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

### 3.9 Capital work-in-progress and intangible assets under development

Capital work-in-progress / intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

### 3.10 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortization and accumulated impairment losses, if any.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The Company amortises intangible assets with a finite useful life using the straight-line method over the useful lives determined by the terms of the agreement /contract. The estimated useful life is reviewed annually by the management.

### 3.11 Impairment of Non-Financial Assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in Statement of Profit and Loss, unless the relevant asset is carried at a revalued

amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

### 3.12 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

**Current tax:** Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

**Deferred tax:** Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or

substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

### 3.13 Leases

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

**Operating Lease:** Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding in inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

**Finance Lease:** Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

### 3.14 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.15 Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

### 3.16 Inventories

Inventories are valued as follows:

- **Raw materials, fuel, stores & spare parts and packing materials:**

Valued at lower of cost and net realisable value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on weighted average basis.

- **Work-in-progress (WIP), finished goods, stock-in-trade and trial run inventories:**

Valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

- **Waste / Scrap:**

Waste / Scrap inventory is valued at NRV.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

### 3.17 Financial instruments

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

#### Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

#### Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- The entity's business model for managing the financial assets and
- The contractual cash flow characteristics of the financial asset.

#### Amortised Cost:

A financial asset shall be classified and measured at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Fair Value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Fair Value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

#### Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL:

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

#### Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

#### Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognizes a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

#### Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers

nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognized in Statement of profit and loss if such gain or loss would have otherwise been recognised in Statement of profit and loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

#### Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### 3.18 Exceptional items

Items of income or expense from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company are disclosed as Exceptional items in the Statement of Profit & Loss.

### 3.19 Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

### 3.20 Employee Benefits

Employee benefits consist of contribution to employees' state insurance, provident fund, gratuity fund and compensated absences.

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees rendered the related services are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

#### Post-employment benefit plans

**Defined Contribution plans:** Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

**Defined benefit plans:** The Company operates defined benefit plan in the form of gratuity and compensated absence. The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated by actuaries using the projected unit credit method.

The interest expense is calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in Statement of profit and loss as past service cost.

The classification of the company's net obligation into current and non-current is as per the actuarial valuation report.

### **3.21 Earnings per share (EPS)**

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

**(iii) Excise authority,** although accepted payment of principal amount of ₹629 Lakhs under installment scheme in terms of BIFR Order (MS-08), has subsequently filed an appeal in AAIFR against the said order in respect of reliefs for interest etc., granted to the Company. AAIFR allowed the appeal which was contested by the Company before Hon'ble Delhi High Court. The Delhi High Court disposed the appeal by giving liberty to revenue to decide case on merits and as per guidelines applicable to sick Companies which later confirmed by AAIFR in its Final order. The Excise Department has issued a Show Cause Notice (SCN) on 19<sup>th</sup> June 2015 demanding ₹ 984.70 Lakhs towards interest on the principal amount against which Company file writ petition no. 27732 of 2015 in Hon'ble High Court, Hyderabad. Simultaneously, Company submitted the reply for the SCN on March 21, 2016. Excise Department confirmed the Demand against SCN on 04.10.2016 subjected to decision in writ petition no. 27732 of 2015. Company preferred Writ petition no 36553 of 2016 dated 28.10.2016 in the Hon'ble High Court, Hyderabad against the orders of Commissioner Excise confirming the Demand but the Hon'ble High Court, Hyderabad in its order dated 24.03.2017 has dismissed both the petition with mentioned that there are no merits in the writ petition. Against the order of the Hon'ble High Court, Hyderabad, the Company has filed SLP(C) with Hon'ble Supreme Court of India on 26-05-2017 which was registered as civil appeal no. 9332/2017 and the Company is confident of waiver of interest in terms of Hon'ble BIFR directions in MS08.

**(iv) Export obligation:** The Company has export obligation in connection with import of machineries under Export Promotion Capital Goods Scheme (EPCG). In the event of non-fulfillment of the export obligation upto FY 2016-17, the company may be held liable for differential custom duty of ₹838.16 Lakhs (approximately) and interest thereon. Further, the Company has made request on March 17, 2016 for 8 years extension from December 2014 for Export Commitments as the commercial production from the Plant started from December 2014. The concerned authorities had demanded payment of partial duty during the FY 2018-19 for considering the request for extension, which was not deposited by the company. Further, during the FY 2018-19, the Directorate of Revenue Intelligence has issued an order to the company u/s 110(1) of Customs Act, 1962 confiscating the capital goods having import value of ₹ 3,979 lakhs due to non-fulfillment of export obligations. The company has made adequate provision towards differential Custom Duty and interest thereon.

- (v) **Employee benefit:** The Company had entered into Memorandum of Settlement u/s 18(1) of the Industrial Dispute Act, 1947 with the Labour Unions on March 06, 2012 for settlement of salaries and wages arrears. However, some of the workers and staff have filed an application with Central Government Industrial Tribunal cum Labour Court under section 33(c) (2) of Industrial Dispute Act, 1947 in year 2013-14 of ₹59.34 Lakhs which had been waived off as per the above settlement.
- (vi) **Fuel Surcharge Adjustment (FSA)** of ₹ 550.65 lakhs levied by Andhra Pradesh Southern Power Distribution Company Limited (APSPDCL) in 2008-09 which is under disputed and challenged by all cement companies in the Hon'ble Supreme Court. The management is confident that decision will be in favor of Company. However, the Company has sufficiently provided the same along with interest as disclosed in Note No. 23(f) (iii).
- (vii) **The Ministry of Textiles** vide its Order dated June 30<sup>th</sup>, 1997 and July 1<sup>st</sup>, 1999, has deleted the Cement from the list of commodities to be packed in Jute bags, under the Jute Packaging Materials (Compulsory Use of Packing Materials), Act, 1987. In view of this, the Company does not expect any liability for non-dispatch of cement in jute bags in respect of earlier years.
- 34. Capital Commitments-** for the year ended on 31.03.2022 is ₹ Nil (Nil)
- 35** (i) The Company has incurred losses of ₹ 23,629.98 lakhs for the financial year ended March 31, 2022, resulting into accumulated losses of ₹ 1,31,159.69 lakhs against the paid up share capital of ₹ 29,352.44 lakhs as at March 31, 2022. Moreover, the Company has aggregate borrowing of ₹ 133,737.94 lakhs as on March 31, 2022 including working capital loans and interest accrued thereon.
- (ii) National Company Law Tribunal ("**NCLT**"), Amaravati Bench vide order dated April 26, 2022 ("**Order**") has initiated Corporate Insolvency Resolution Process ("**CIRP**") against **Company** pursuant to an application u/s 7 of the Insolvency and Bankruptcy Code, 2016 (the "**Code**") filed by Pridhvi Asset Reconstruction and Securitisation Company Limited, one of the financial creditors of the Company. ### 46.2 Financial-Risk-Management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

#### a) Market Risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates and changes in interest rates. There have been no changes to the Company's exposure to market risk or the manner in which it manages and measures the risk in recent past.

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include borrowings and bank deposits.

#### i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The particulars relating to Company's exposure to the risk of changes in market interest rates as at reporting date is given below:

#### a) Interest Sensitivity

50 bp decrease would Increase the profit before tax by	<b>465.69</b>	463.72

**ii) Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to import of store and spare and other materials. The Company's foreign currency risks are identified, measured and managed at periodic intervals in accordance with the Company's policies.

**b) Credit Risk:**

Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing with creditworthy customers.

In many cases an appropriate advance as security deposits or letter of credit / bank guarantee is taken from the customers to cover the risk. In other cases, credit limit is granted to customer after assessing the credit worthiness based on the information supplied by credit rating agencies, publicly available financial information or its own past trading records and trends.

At March 31, 2022, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.
