Notes on standalone financials results:

- 1 The above standalone financial results have been reviewed and considered by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 06th July, 2020.
- 2 The above standalone financial results are extracted from the Audited Standalone Financial Statements of the Company, which are prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder.
- 3 On 1st April, 2019, the Company has adopted Ind AS 116 "Leases", using modified retrospective method. Accordingly, the comparative figures have not been retrospectively adjusted. The adoption of Ind AS 116, did not have any material impact on the standalone results for the quarter and year ended 31st March, 2020.
- 4 Pursuant to the Taxation Law (Amendment) Ordinance, 2019 ("Ordinance") issued by Ministry of Law and Justice (Legislative Department) on 20th September, 2019 effective from 01st April, 2019, domestic companies have an option to pay Corporate income tax rate at 22% plus applicable surcharge and cess ("New tax rate") subject to certain conditions. Based on the assessment, the Company has chosen to exercise the option of New tax. Accordingly, the Company had accounted the provision for current tax and deferred tax at the rate of 25.17% during the year ended 31st March, 2020.

Further, Ind AS - 12 requires deferred tax assets and liabilities to be measured using the enacted (or substantively enacted) tax rates expected to apply to taxable income in the years in which the temporary differences are expected to reverse. The Company has made estimates, based on its budget, regarding income anticipated in foreseeable future years when those temporary differences are expected to reverse and measured the same at New tax rate. Accordingly, the Company has re-measured the outstanding deferred tax balances that is expected to be reversed in future at New tax rate and impact of this change (Reversal of Deferred Tax Liability of Rs. 123.54 million) has been recognized in the Statement of Profit and Loss for the year ended 31st March, 2020.

- 5 During the year, Şener Boya Kimya Tekstil Sanayi Ve Ticaret Anonim Şirketi, subsidiary of Bodal Chemicals Ltd at Turkey, had incorporated Senpa Dis Ticaret Anonim Sirketi as a wholly owned subsidiary at Istanbul, Turkey on 05th December, 2019. Hence, Senpa Dis Ticaret Anonim Sirketi is the step down subsidiary of Bodal Chemicals Ltd.
- 6(i) The Company acquired further shares in Trion Chemicals Private Limited ("Trion") and raised its shareholding to 100% during the month of March, 2020. Accordingly Trion has been considered as a wholly Owned Subsidiary of Bodal Chemicals Ltd.
- 6(ii) A Scheme of Amalgamation of Trion Chemicals Private Limited (a wholly owned subsidiary) with the Company (the "Scheme") has been approved by the Board of Directors of the Company at their meeting held on 27th May, 2020, with effect from appointed date of 1st April, 2019. The Scheme is yet to be filled with the National Company Law Tribunal (NCLT). Pending the necessary regulatory approvals, the effect of the Scheme has not been given in the financial results.
- 7 Process for closing the Manufacturing facilities of the Company in Gujarat were started on 22nd March, 2020 following countrywide lockdown due to COVID-19. The Company has since obtained required permissions and restarted its manufacturing facilities partially on 11th May, 2020. Based on the immediate assessment of the impact of COVID-19 on the operations of the Company and on-going discussions with customers, vendors and service providers, the Management as of now believes of its ability to serve customers, obtain regular supply of raw materials and logistics services after resumption of the Operations. In assessing recoverability of trade receivables, the Company has considered subsequent recoveries, past trends, and internal and external information available up to the date of issuance of these results. In assessing recoverability of inventories, the Company has considered the latest selling prices and customers' orders on hand. The Company believes that there is no impact on its ability to meet its liabilities as and when they fall due. There is no material change in the internal control environment of the Company. However, the extent and duration of COVID-19 is currently unknown and depends on future development that are uncertain. Any resultant outcome and impact on business, due to this, is unpredictable. In developing the assumptions and estimates relating to the uncertainties as at the Balance Sheet date in relation to the recoverable amounts of the assets including investments, loans and other receivables, the management has used internal and external sources of information to the extent determined by it, including economic forecasts as at the date of approval of these financial results. The impact of the same may differ from that estimated as at the date of approval of these financial results due to the impact of the pandemic and the Company will continue to closely monitor the developments.

Emphasis of Matter

We draw attention to Note 7 to the Standalone Financial Results in which the Company describes the uncertainties arising from the COVID 19 pandemic. Our report is not modified in respect of this matter.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended 31st March, 2020

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended 31st March, 2020 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended 31st March, 2020

We conducted our review of the Standalone Financial Results for the quarter ended 31st March, 2020 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

On account of COVID-19 related lockdown restrictions, management was able to
perform year end physical verification of inventories, at some locations, prior to the
year-end and also subsequent to the year-end. Also, we were not able to physically
observe the stock verification, where carried out by the management. Consequently,
we have performed alternate procedure to audit the existence of inventory as per the
guidance provided in SA 501 "Audit Evidence – Specific Consideration for Selected
Items", which includes inspection of supporting documentations relating to Purchases,
sales, results of cyclical count performed by the management through the year and
have obtained sufficient appropriate audit evidence to issue our unmodified opinion
on these Standalone Financial Results. Our report on the Statement is not modified in
respect of this matter.

As stated in Note 9 of the Statement, the figures for the corresponding quarter ended March 31, 2019 are the balancing figures between the annual audited figures for the year then ended and the year to date figures for the 9 months period ended December 31, 2018. We have not issued a separate limited review report on the results and figures for the quarter ended 31st March, 2019. Our report on the Statement is not modified in respect of this matter.

• The Statement includes the results for the Quarter ended 31st March, 2020 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.

Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended 31st March, 2020

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended 31st March, 2020 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results/ Financial Information of the entities within the Group to express an opinion on the Annual Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Annual Consolidated Financial Results of which we are the independent auditors. For the other entities included in the Annual Consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Consolidated Financial Results for the quarter ended 31st March, 2020

We conducted our review of the Consolidated Financial Results for the quarter ended 31st March, 2020 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SA specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Opinion and Conclusion section above.

As part of our annual audit we also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

Other Matters

On account of COVID-19 related lockdown restrictions, management of Parent was able to perform year end physical verification of inventories, at some locations, prior to the year-end and also subsequent to the year end. Also, we were not able to physically observe the stock verification, where carried out by the management of Parent. Consequently, we have performed alternate procedure to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence – Specific Consideration for Selected Items", which includes inspection of supporting documentations relating to purchases, sales, results of cyclical count performed by the management through the year. Further, in respect of subsidiary companies, where the physical verification of inventories was done prior to the year-end and not observed by the other auditors, alternate audit procedures have been performed by the other auditors, to test the existence of inventories as at year end. Based on above, we have obtained sufficient appropriate audit evidence to issue our unmodified opinion on these Consolidated Financial Results.
