Dear Sir(s),

Sub: Disclosure under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 – COVID 19

This is to inform you that, due to the global outbreak of Coronavirus disease 2019 (COVID-19) pandemic, the Company has taken a series of proactive and preventive measures to ensure the safety and health of all its customers, employees and society. We appreciate the efforts of medical professionals, police personnel, local authorities, State and Central governments and in line with their various directives to prevent the spread of COVID-19, all of our retail stores except three, our corporate office and other zonal offices, are under temporary lock down. Our warehouse is operational at a bare minimum level, only to support our functional retail stores and to support various NGOs and local administration in distributing packed food items to the economically weaker sections in the catchment areas. The beta version of our ecommerce platform (www.vmartretail.com) is also partially operational to support our customers. The customers have appreciated these initiatives; however the sales from these channels are inconsequential.

We also applaud the efforts of our front end store staff in distributing packed food items to more than 20,000 families daily in the vicinity of all stores in different cities and towns, across India.
