Sub: Intimation under Regulation 30 of LODR, 2015 - Commencement of commercial production.

Ref: Our Communication dated 08.02.2019.

Dear Sir/s,

We are glad to inform you that our new V-Boards Unit at Jhanswa Village, Jhajjar Dist., Haryana with an installed annual capacity of 50,000 MTS has been commissioned & is starting commercial production from today i.e. 11.03.2019.

The company utilised the delay in commencement of commercial production by completing all kinds of trials and established both good quality and rate of production. Necessary arrangements for the marketing like appointment of dealers, acceptance of samples etc have already been made and the response is very good. We expect the plant would reach 50% capacity utilisation within one month and reach its full capacity progressively in the next few months thereby making up for the delay to a larger extent.

This is for your information and records please.

Thanking you,

Yours faithfully,

for **VISAKA INDUSTRIES LIMITED**

I SRINIVAS

Vice President (Corporate Affairs)
& Company Secretary
