EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 FORMING PART OF THE NOTICE

1. APPROVAL FOR BUY BACK OF EQUITY SHARES

With an objective of rewarding members holding equity shares of the Company, through return of surplus cash, the Board at its meeting held on April 29, 2019 has approved the proposal of recommending buyback of equity shares as contained in the Resolution in the Notice. As per the relevant provisions of the Companies Act, 2013 (hereinafter “**Companies Act**”) and other applicable provisions of Companies Act and Buyback Regulations, the Explanatory Statement contains relevant and material information to enable the members holding equity shares of the Company to consider and approve the Special Resolution on the Buyback of the Company’s equity shares.

Requisite details relating to the Buyback are given below:

a) Date of the Board meeting at which the proposal for buy back was approved by the Board of Directors of the Company– April 29, 2019.

b) Necessity for the Buyback

Share buyback is the acquisition by a company of its own shares. The objective is to return surplus cash to the members holding equity shares of the Company. The Board at its meeting held on Monday, the April 29, 2019, considered the accumulated free reserves as well as the cash liquidity reflected in the latest audited standalone as well as consolidated financial statements for the financial year ended March 31, 2019 and considering these, the Board decided to allocate a sum of ₹ 263,30,50,368 (Rupees Two hundred sixty three crores thirty lakh fifty thousand three hundred and sixty eight only) for returning to the members holding equity shares of the Company through the Buyback.

After considering several factors and benefits to the members holding equity shares of the Company, the Board decided to recommend Buyback of not exceeding 37,50,784 (Thirty Seven lakh fifty thousand seven hundred and eighty four only) equity shares (representing 5.16% of the total number of equity shares in the paid up share capital of the Company) at a price of ₹ 702 (Rupees Seven hundred and two Only) per equity share for an aggregate consideration of ₹ 263,30,50,368 (Rupees Two hundred sixty three crores thirty lakh fifty thousand three hundred and sixty eight only). Buyback is a more efficient form of returning surplus cash to the members holding equity shares of the Company, inter-alia, for the following reasons:

- i. The Buyback will help the Company to return surplus cash to its members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- i. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholder. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”;
- ii. The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value;
- iv. The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.
- v. Optimizes the capital structure.

c) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis from all the members holding equity shares of the Company through the “Tender Offer” route, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with the Companies Act and the Share Capital Rules to the extent applicable and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the “**Record Date**”) for determining the names of the members holding equity shares of the Company who will be eligible to participate in the Buyback.

In due course, each shareholder as on the Record Date will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the shareholder for participating in the Buyback.

The equity shares to be bought back as a part of the buyback is divided in two categories:

- (i) Reserved category for small shareholders; and
- (ii) General category for all other shareholder.

As defined in Regulation 2(1) (1a) of the Buyback Regulations, a “small shareholder” is a shareholder who holds equity shares having market value, on the basis of closing price on stock exchanges as on Record Date, of not more than ₹ 2,00,000 (Rupees Two Lakhs only).

In accordance with the proviso to Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders as on the record date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”.

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Shareholders’ participation in Buyback will be voluntary. Members holding equity shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Members holding equity shares of the Company may also accept a part of their entitlement. Members holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any shareholder cannot exceed the number of equity shares held by the shareholder as on the Record Date.

The equity shares tendered as per the entitlement by members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the “Mechanism for acquisition of shares through Stock Exchange” notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 and CFD/DCR2/CIR/P/2016/131 dated December 09, 2016.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the members holding equity shares of the Company as on the Record Date.

The Buyback from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIs), and members of foreign nationality, if any, etc. shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any.

d). Maximum amount required under the Buyback, its percentage of the total paid up capital and free reserves and the sources of funds from which the Buyback would be financed

The maximum amount required under the Buyback will not be exceeding ₹ 263,30,50,368 (Rupees Two hundred sixty three crores thirty lakh fifty thousand three hundred and sixty eight only), which is not exceeding 25% of the aggregate of the fully paid-up share capital and free reserves as per the audited accounts of the Company for the financial year ended March 31, 2019. The Buyback would be financed out of free reserves of the Company.

The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited balance sheet.

The Company confirms that as required under Section 68(2) (d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid-up capital and free reserves after the Buyback.

e). Buyback Price and the basis of arriving at the Buyback Price

The equity shares of the Company are proposed to be bought back at a price of ₹ 702/- (Rupees Seven hundred and two only) per equity share (the “**Buyback Offer Price**”). The Buyback Offer Price has been arrived at after considering various factors such as the average closing prices of the equity shares of the Company on stock exchanges where the equity shares of the Company are listed, the net worth of the Company and the impact of the Buyback on the key financial ratios of the Company. The Buyback Offer Price of ₹ 702 (Rupees Seven hundred and two Only) per Equity Share represents (i) premium of 23.15% on BSE and 22.90% on NSE over the volume weighted average price of the equity Shares on BSE and NSE respectively for 2 weeks preceding the date of intimation to the BSE and NSE for the Board Meeting to consider the proposal of the Buyback; (ii) premium of 22.63% on BSE and 22.18% on NSE over the closing market price of the Equity Shares on BSE and NSE as on the date of the intimation to BSE and NSE for the Board Meeting to consider the proposal of the Buyback.
