Sub: Extension of time for 1 month for filing of various compliances including financial result for the year ended 31.03.2019 in consideration of the severe damages due to the cyclone "Fani".

Dear Madam/Sir,
We would like draw your kind attention to the following:

1. As per SEBI (LODR) Regulations we need to approve our accounts as on 31.03.2019 and intimate the approved financial result to the BSE prior to 30.05.2019. But as you are aware of the fact that Bhubaneswar is very badly affected by the cyclone "Fani". The damage is of such a magnitude that Bhubaneswar is not yet recovered back till date. Even the power supply and the internet has totally stopped working from 03.05.2019. As per sources, to get back transmission and distribution of power supply another 46,000 poles are required, which will take more time. Also our office and factory infrastructure is severely damaged. We are working on it to get back our office and factory to normalcy. So in such a scenario we may not be able to prepare our accounts and put it before the Board for its approval before the due time.

So kindly please grant us an extension of time of 1 month in this regard, so that we can prepare our accounts and approve it and intimate it to your esteemed office within the extended time.

The letter could not be uploaded on listing portal due to network problem and non-availability of internet. The same will be uploaded as soon as the network and internet resumes.

Awaiting for your response.

Thanking You

Yours sincerely
