MANAGEMENT DISCUSSION AND ANALYSIS REPORT

I. INTRODUCTION

Coral Newsprints Ltd was incorporated as a Public Limited Company. The present installed capacity of the Company is 12600 Metric Ton per annum. In a constantly changing business scenario, maintaining a niche becomes even more challenging. In such a situation only with innovative leadership, state-of-the-art technology and committed people can make a company steal the lead over competition.

Presently, the Company is engaged in manufacturing of Newsprints and Absorbent Kraft Papers of different grammages at its existing factory located at Gajraula, Distt. Amroha (UP). The newsprint is used for the publication of newspaper and magazines while Absorbent Kraft is used for the manufacturing of Sunmica sheets.

II. INDUSTRY SCENERIO

Broadly, the industry is classified into four main segments - namely, writing and printing paper, Industrial packaging paper, specialty paper and newsprint. India holds 15th rank among paper producing countries in the world with a total installed capacity of 16 million tonnes. The demand is estimated at 17 million tonnes. The per capita consumption is around 13 kgs against the Asian average of 26 kgs and World average of 58 kgs. India is considered as the fastest growing market for paper in the world with an average annual growth of 6%. The domestic consumption is expected to rise to 25 million tonnes by 2022-23.

Indian Paper Industry is highly fragmented with over 750 paper mills of varying sizes spread across the Country. Only 50 mills are of a capacity of 50,000 tpa or more. The overall capacity utilization is estimated at 80-90 %.

The company is registered with Ministry of Industry & Commerce, New Delhi, under Newsprint Control Order 1962. Due to this, the Central Government exempted Central Excise duty and Central Sales-tax. IV. THE SUCCESS DRIVERS

Environment Management

Coral Newsprint Limited treats environment improvement as a priority area. Continuous studies are undertaken to reduce the water consumption with improvement in the quality of effluent. Compliance to pollution control norms and CREP regulations are strictly adhered to. The mill has implemented several water conservation measures and reduced water consumption to 35 KL per ton of paper during

2022-23 which is one of the lowest in the paper industry. Continuous efforts are taken to reduce the water consumption to maximum possible extent at all stages.

V. OUTLOOK, OPPORTUNITIES AND CHALLENGES

The Indian paper industry has close linkages with economic growth. India's growth in the fourth quarter of the fiscal year 2020 went down to 3.1% according to the Ministry of Statistics. This drop is mainly due to the coronavirus pandemic effect on the Indian economy.

Increasing literacy level increases the demand for writing and printing paper while higher industrial output leads to increased demand for industrial paper for packaging. The cumulative annual growth rate in paper consumption over the last five years has prompted Indian paper manufacturers to undertake significant capacity expansions. The cost of input material, primarily pulp and coal, has increased after remaining subdued for some time, though coal prices are highly fluctuating. The increase in pulp and waste paper prices have escalated the cost of production of paper for many mills across the globe. This trend of high input prices is also due to the growing demand in emerging economies. A strong upswing in the pulp and paper market is being forecast based on the general improvement in the economic situation and increasing literacy level in the developing countries.

In spite of the continual focus on digitization, India's requirement for paper is anticipated to rise 53 percent in the next six years, principally due to a sustained boost in the number of school-going children in rural areas. Growing consumerism, modern retailing, rising literacy and the growing use of documentation will continue to increase the demand for writing and printing paper.

The exponential enlargement of e-commerce in the nation has opened up the latest horizon and could contribute significantly to the demand where the paperboard is being predominantly used for packaging.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Coral Newsprints Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **CORAL NEWSPRINTS LIMITED** ("the Company") as of **March 31, 2023** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Proceedings under erstwhile SICA Act and BIFR Provisions

a) The company had already paid OTS amount of UPFC loan in the previous years. However in respect of the DADP interest demanded by UPFC (i.e, Rs. 51.83 Lacs) vide its letter dated 24.03.2011, the company has requested for a waiver of 75% of Interest demnded vide its letter dated 04.08.2011 in respect of which BIFR board had directed waiver of 50% of DADP demand as per its order dated 23.05.2012.

Hence, as per the BIFR board's order DADP demand would comes out to Rs. 25.92Lacs.

Further on the basis of BIFR direction, the company had also requested for waiver of 50% DADP Interest amount vide letter dated 09.02.2013 but UPFC rejected the request vide its letter dated 04.03.2013 stating that the waiver can not granted as per approved guidelines of the corporation.

However UPFC vide its letter dt 10.2.2014 has asked the company to submit fresh OTS with 10% amount of outstanding principal as earnest money with in fifteen days of issue of this letter.

The company has filed its objection against this letter and requested to follow the BIFR order for waiver of 50% of DADP interest

BIFR vide its order dt 12.11.2014 has approved Draft Rehabilitation Scheme of the company and waived of 50% of the DADP amounting which stood at Rs 25.92 lacs against which the company has paid Rs 21.82 till 31.03.2016. Against this order of BIFR, the UPFC has Approached AAIFR.

However the ministry of finance has appointed 1st December, 2016 as the date on which provisions of sick industrial companies (special provisions) Repeal Act, 2003 shall come into force. Therefore the SICA is repealed wef from 1st December, 2016. The BIFR and AIFR stand dissolved with effect from 1st December, 2016 and all the proceeding before them stand abated.

Further UPFC has tried to cancel the OTS proceedings but the assessee company has resisted the same vide it's reply dt 27th July, 2017,

Further UPFC has issue a recovery notice to recover outstanding amount which amounting to Rs 4.10 lacs although the liability of UPFC loan has not been written off till date for want of Closure letter.

b) No confirmation of closing balance was available in respect of interest due to UPFC and due to above facts no provision of DADP interest on UPFC loan was made in the books of accounts during the year.
