Notes:

1. A statement pursuant to Section 102 of the Companies Act, 2013 (“the Act”) setting out all material facts relating to the relevant resolution of this Notice is annexed herewith and the same should be taken as part of this Notice.
2. The Register of Members of the Company and Transfer Books thereof will be closed from Wednesday, August 31, 2022 to Tuesday, September 6, 2022 (both days inclusive).
3. The Members whose names appear in the Register of Members of the Company on Tuesday, August 30, 2022 shall be entitled to participate in remote e-voting / e-voting at the AGM.
4. The dividend after declaration, will be paid to those Members whose names appear in the Register of Members of the Company on Tuesday, August 30, 2022 and to the Members holding shares in demat form whose names appear in the Register of Members beneficiary position with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as on Tuesday, August 30, 2022.
5. Members are requested to lodge change of address communication, mandates (if any) and are requested to register their email ids with the Company’s Registrar and Share Transfer Agents (RTA) Universal Capital Securities Private Limited (100% subsidiary of Link Intime India Private Limited) situated at C 101, 247 Park, LBS Road, Vikhroli West, Mumbai 400083 or email at info@unisec.in.
6. Pursuant to the Income-tax Act, 1961, as amended, dividend income is taxable in the hands of the Members with effect from April 1, 2020 and the Company is required to deduct tax at source from such dividend at the prescribed rates. A communication providing information and detailed instructions with respect to tax on the Final Dividend for the financial year ended March 31, 2022 is being sent separately to the Members.
7. The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the depositories for depositing dividend through National Electronic Clearing Service (NECS) to investors wherever NECS and bank details are available. In the absence of NECS facilities, the Company will print the bank account details if available, on the payment instrument for distribution of dividend. The SEBI has also mandated the submission of PAN by every participant in the securities market. Members holding shares in electronic form are requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the Company.
8. The Company was not required to transfer any amount of unpaid/ unclaimed dividends to Investor Education and Protection Fund, since the Company’s maiden dividend was declared only for the FY 2015-16. The Company has uploaded details of unpaid/ unclaimed dividend on the website of the Company www.snlbearings.in.
9. Adhering to the various requirements set out in the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company was not required to transfer shares in respect of which dividend had remained unpaid or unclaimed for 7 (seven) consecutive years or more as on financial year ended March 31, 2022, to the IEPF Authority as the Company’s maiden dividend was declared only for the FY 2015-16.

10. The statutory registers maintained under the Act will be available for inspection in electronic mode. Members seeking to inspect such registers are requested to write to the Company by sending an email at 42ndagm@snlbearings.in.
11. E-voting facility to all Members has been provided through the e-voting platform of CDSL and the Company has appointed Mr. Upendra Shukla, Practicing Company Secretary (Membership No. FCS 2727), as Scrutinizer for the e-voting process. Instructions and manner of the process have been detailed in the paragraph below. The Scrutinizer will make a report to the Chairperson of the Company, of the votes cast in favour and against and the results on the resolutions along with the scrutinizer's report will be available on the website of the Company at www.snlbearings.in and the website of the BSE Ltd at www.bseindia.com within 48 hours of the same being passed.
12. In view of the Covid-19 pandemic and pursuant to the MCA Circular No. 14/ 2020 dated April 8, 2020, MCA Circular No. 17/ 2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 5, 2020, MCA Circular No. 02/2021 dated January 13, 2021, MCA Circular No. 21/2021 dated December 14, 2021 and MCA Circular No. 3/2022 dated May 05, 2022, (collectively referred to as "MCA Circulars") and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, electronic copies of the Annual Report and this Notice inter alia indicating the process and manner of e-voting along with instructions to attend the AGM through VC/ OAVM are being sent by email to those Members whose email addresses have been made available to the RTA. For Members who have not registered their email addresses, kindly send an email at 42ndagm@snlbearings.in as copies of this Notice as well as the other documents will not be sent to them in physical mode and will be sent only by email, in view of the applicable circulars.

Members who have not updated their latest email addresses in the records of their depository participants or to the RTA are requested to complete the same at the earliest. The Notice and the documents will be sent by email only to those Members who have registered their email addresses.

13. **The Company is pleased to provide two-way facility of VC/OAVM and live webcast of the proceedings of the AGM on Tuesday, September 6, 2022 from 3:30 p.m. (IST) onwards. The Members are requested to log on to e-voting website, to access the web-link in order to join the proceedings of the AGM.**

The AGM is being convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 and the MCA Circulars.

14. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the relevant MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a Member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
15. Since the AGM will be held through VC/ OAVM, the Route Map is not annexed in this Notice.
16. Members can join the AGM in the VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available to atleast 1000

Members on first come first served basis. This will not include large Shareholders (Members holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

17. The attendance of the Members attending the AGM through VC/ OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
18. In view of the prevailing circumstances due to the COVID-19 pandemic, and also in conformity with the applicable regulatory requirements, the facility to appoint proxy to attend and cast vote for the Members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the Members such as the President of India or the Governor of a State or Body Corporate can attend the AGM through VC/ OAVM and cast their votes through e-voting.
19. The Notice calling the AGM has been uploaded on the website of the Company at www.snlbearings.in and can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the remote e-voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

INSTRUCTIONS FOR MEMBERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Saturday, September 3, 2022 at 9:00 a.m. (IST) and ends on Monday, September 5, 2022 at 5:00 p.m. (IST). During this period Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, August 30, 2022, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Electronic Voting Sequence Number (EVSN) : 220811010

- (ii) Members who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Members, in respect of all shareholders resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email id in their demat accounts in order to access e-voting facility.

Pursuant to above said SEBI Circular, login method for e-voting and joining virtual meetings for Individual Members holding securities in Demat mode CDSL/ NSDL is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 4

Re-Appointment of Mr. Claude Alex D’Gama Rose (DIN: 01494440), as an Independent Director of the Company.

At the 38th Annual General Meeting of the Members of the Company held on August 8, 2018, Mr. Claude Alex D’Gama Rose was appointed as an Independent Director for a period of 5 (five) years with effect from May 17, 2018. His existing term expires on May 16, 2023. Mr. Claude aged 65 (sixty five) years, is the Chairman of the Audit Committee of the Company. Mr. Claude has given his consent for re-appointment as an Independent Director of the Company for the second term beginning from May 17, 2023 to May 16, 2028 i.e. 5 (five) consecutive years. Pursuant to the provisions of sections 149 and 152 and other applicable provisions of the Companies Act, 2013, an Independent Director can be re-appointed for a second term up to 5 (five) consecutive years after obtaining the approval of the Members by passing a special resolution.

Mr Claude is a qualified cost accountant from Institute of Costs and Works Accountants of India. He was country head of the Continental group in India from January 2010 until his retirement in October 2017. As Managing Director of Continental Automotive Components India Private Ltd, he had a key role in building Continental brand in the Indian automotive industry. He was the Chief Financial Officer of the Company before taking over as Managing Director. Prior to his stint with the Continental group, Mr. Claude enjoyed a prolonged engagement with multiple business verticals of Siemens in India.

On the recommendations of Nomination and Remuneration Committee the Board has approved his re-appointment for a second term of 5 (five) consecutive years as Independent Director in terms of provisions of section 149 and 152 of the Companies Act, 2013. The Board considers that his association as Independent Director will be beneficial and in the interest of the company.

Mr. Claude does not hold any shares in the Company and is not related to any Director or Key Managerial Personnel of the Company. He was first appointed as an Independent Director of the Company w.e.f. May 17, 2018. During his second term as Independent Director, Mr. Claude will be entitled to receive sitting fees for attending meetings of the Board of Directors and the Committees thereof, of which he is a member and commission, as may be decided by the Board of Directors every year. In the opinion of the Board of Directors of the Company, Mr. Claude continues to fulfill the conditions specified in the Companies Act, 2013 and Rules made thereunder for re-appointment as an Independent Director. Having regard to his qualifications, knowledge and vast business experience, his re-appointment on the Board of the Company as an Independent Director will be in the interest of the Company. Mr. Claude is not debarred or disqualified from being appointed or continuing as Director of companies by SEBI / Ministry of Corporate Affairs or any such statutory authority. The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 from one of the Members proposing the candidature of Mr. Claude as the Director (Independent) of the Company. The relevant documents and the draft letter of appointment setting out terms and conditions relating to the appointment of Mr. Claude as Independent Director are open for inspection by the members at the Registered Office of the Company at SNL Bearings Limited, Dhannur, 15, Sir P. M. Road, Fort, Mumbai 400 001 on all working days, during business hours, except Saturdays, Sundays and public holidays, between 11:00 a.m. to 5:00 p.m. upto the date of the Annual General Meeting. The Board recommends passing of the resolution set out at Item No.4 of the accompanying notice as a Special Resolution. None of the directors and key managerial personnel and their relatives except Mr. Claude (being re-appointed), are in anyway, concerned or interested, financially or otherwise in the Special Resolution set out at Item No. 4 of the Notice.

BOARD'S REPORT

To,
The Members
SNL Bearings Limited

Your Directors have pleasure in presenting their Forty Second Annual Report together with Audited Financial Statements for the year ended March 31, 2022.

1. Financial Results

Particulars	March 31, 2022 (Rs. lakhs)	March 31, 2021 (Rs. lakhs)
Revenue from operations (Net)	4,351	3,647
Profit before tax	1,176	836
Provision for taxation:		
Current tax (net)	275	209
Deferred tax	18	2
Tax pertaining to earlier years	-	6
Profit after taxation	883	619
Add: Balance brought forward	2,740	2,113
Add: Other Comprehensive Income for the year	11	8
	3,634	2,740
Appropriation:		
Dividend	163	-
Profit & Loss Account	3,471	2,740

2. Dividend

Based on the Company's performance, your Board of Directors are pleased to recommend a final dividend of Rs. 6.50/- per equity share (i.e. 65.00 %) of face value of Rs. 10/- each involving an outgo of Rs. 235 lakhs for the FY 2021-22, subject to approval of the Members at the ensuing Annual General Meeting.

Your Directors have proposed not to transfer any sums to the General Reserve.

3. State of Company's Affairs, Operations & Future Outlook

FY 21-22 has been another challenging year for the Indian manufacturing industry, with the uncertainty overhang caused by fears of the pandemic recurring.

Right from the early months of the pandemic, when the worldwide lockdown disrupted economic activity across virtually all sectors, your Company responded with speed and agility to work out an operating model suited for meeting the challenges. After a gradual opening up began in June, 2021, the recovery was swift and much sharper than previously expected, boosted by strong pent-up demand followed by festive spending. Auto sales too witnessed a steady growth trend.

Thereafter during the last few months, the global chip shortage, high inflation rates leading to monetary controls by the Central Banks of various countries, the oil price hikes and

disruptions arising out of the Ukraine war, led to slowing demand from the auto industry. As we exit FY 21-22, we are better placed than we were at the start clocking full year revenues of Rs. 4,351 lakhs in FY 21-22, growing 19% over the previous year.

Profits after tax have grown 43% to Rs. 883 lakhs (previous year Rs. 619 lakhs) helped by the higher volumes and the continuing efforts to restrict operating and administrative expenses.

Future Outlook

Recovery in global growth will largely be a function of how countries contain the pandemic and bounce back from its negative impact. Access to medical interventions, effectiveness of monetary policy support, exposure to cross-country business are important to drive the recovery. With the world's largest vaccination drive currently underway in India, there is hope that the pandemic will stay in control and there would be no lockdowns to affect output and income.

FY 2023 is likely to be a better year with several economic indicators such as power demand, rail freight, e-way bills, GST collection, steel consumption, among others trending positively and could lead economic recovery. Favorable Government policies to support the Indian manufacturing industry and the emphasis on spending for building infrastructure for roads and mass rail transportation, vehicle scrappage policy and forecasts of a normal monsoon which will aid rural income are all expected to aid demand for new vehicles. Continuous innovations and new launches, by way of hybrid fuel efficient vehicles will further propel demand and allow the industry time to adjust their production facilities to meet the new requirements for the introduction of Electric vehicles, which are expected to constitute a reasonable proportion of vehicle production between 2025 and 2030.

4. Finance

Rating of your Company has been reaffirmed as 'CRISIL A1' for the short-term bank facilities and CRISIL A Stable for the Company's long-term facilities as on March 8, 2022. The Company continues to focus on judicious management of its working capital. Receivables, inventories and other working capital parameters are continuously monitored.

a. Public Deposits

During the year, the Company has not accepted any deposits from the public/ Members under Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules, 2014. As on March 31, 2022, there are no fixed deposits with the Company.

b. Particulars of Loans, Guarantees or Investments

During the year under review, the Company has not advanced any loans, given guarantees, only certain investments of temporary surplus funds in the units of Mutual Funds and Fixed Deposits of NBFCs have been made with the Board's approval.

5. Directors and Key Managerial Personnel

In accordance with the provisions of Section 152 and the Articles of Association of the Company, Ms. Harshbeena Zaveri (DIN. 00003948) will retire by rotation at the ensuing Annual General Meeting of the Company and being eligible, has offered herself for re-appointment.

During the year under review, Mr. Kaiyomarz Marfatia (DIN: 03449627) was appointed as a Director in the category of Independent Director for a term of 5 (five) years w.e.f. May 31, 2021 by the Board of Directors at their meeting held on May 31, 2021 which was regularized by the Members at the AGM held on September 20, 2021.

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The composition of the Board duly meets the criteria stipulated in Section 152 of the Companies Act, 2013 and Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Key Managerial Personnel

Mr. Kamlesh Sondigala has resigned as a Company Secretary and Compliance Officer of the Company w.e.f. November 10, 2022 and Mr. Harshal Patil has been appointed in his place as Company Secretary and Compliance Officer w.e.f. February 4, 2022.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule no.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
SNL Bearings Limited,

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SNL Bearings Limited (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. **I have conducted online verification and examination of records as facilitated by the Company due to Covid 19 and subsequent lockdown situation for the purpose of issuing this Report.**

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the SNL Bearings Limited for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowing – (as confirmed by the management of the Company, not applicable since the Company does not have any FDI, ODI or ECB);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

I report that during the year under review there was no action/event in pursuance of –

- a) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- b) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

- d) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021
- e) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
- f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with the client.
- (vi) The Acts / Guidelines specifically applicable to the Company: The management has confirmed that there is no specific law as identified and applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards with regard to Meeting of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of the Company Secretaries of India; and
- b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards mentioned above.

I further report that –

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed proposal on agenda were sent in advance duly complying with the time limits specified and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the minutes of the meeting duly recorded and signed by the chairperson, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that based on the information provided by the Company, its officers and authorised representatives during the conduct of the audit and also on the review of quarterly compliance reports by respective department heads / Company Secretary, which are reviewed by the Director and taken on record by the Board of Directors of the Company, in my opinion adequate systems and processes and control mechanism exists commensurate with the size and operation of the Company to monitor and ensure compliance with applicable general laws, rules, regulations and guidelines.

I further report that the compliance by the Company of applicable financial laws like direct and indirect tax laws has not been reviewed in this audit since the same has been subject to review by statutory financial auditors and other designated professionals.

I further report that during the audit period there was no specific event/action in pursuance to the above referred laws, rules, regulations, standard and guidelines, etc. referred to above, having major bearing on the Company's affairs.

MANAGEMENT DISCUSSION & ANALYSIS

Industry Structure and Development

Your Company operates in the anti-friction bearing industry and the major user industrial of anti-friction bearings are automobiles, general engineering, railways, electrical equipment manufactures etc. Your Company manufactures mostly needle bearing products and operates in the following market segments:

1. Automotive OEM
2. After Market
3. Exports

For your Company, the demand is approximately 90% from Original Equipment Manufacturers (OEM) and the balance is for supplies to the replacement market / exports.

Market growth in the Indian mobility industry has a very large potential given the geographical spread, size of population and the current low penetration. Growth in the goods mobility segment is being driven by the need to establish strong supply chains between producers and markets. Improvements in road infrastructure also assist this area of business. India has also strong potential to become export hub for all segments.

The outbreak of COVID-19 had a significant impact on the social and economic situation in India, putting its collective resilience to test. The Indian economy, which was recuperating well in early 2021 after the onset of COVID-19, was again impacted by the grueling second wave of the pandemic. This led to a contraction in India's Gross Value Added (GVA) by 6.2 per cent in 2021-22, with six out of eight key sectors witnessing a decline.

Fortunately, your Company's agility and responsiveness during the crisis earned it tremendous goodwill from its customers. After the initial impact from lockdown-related disruptions, it swiftly resumed its plant operations, gradually returning to its growth trajectory over the remaining months, and has closed the financial year under review on a strong note with higher sales revenues and profits.

The automotive industry is the largest consumer of bearing products and your Company supplies to all the segments viz; 2/3 wheeler, passenger cars, commercial vehicles and farm equipment segments. While the impact was felt by all segments, Commercial Vehicles (CVs) were particularly hit due to the slowing economic activity. Agriculture tractors performed much better than other segments as the agriculture sector was largely unaffected by the lockdown.

Roller bearings have wide ranging applications and are critical to industrial progress. With the world's industrial nations planning to move their supply chain away from China, and India likely to be one of the beneficiaries of such a move, it would continue to remain a fast growing major economy in the world and is expected to be one of the top three global economic powers over the next decade. Market growth in the Indian mobility industry for both people and goods has a very large potential given the geographical spread and size of population- an aspirational young population spurs personal mobility while the need to establish strong supply chains between producers and markets drives growth for goods mobility. Also new vehicle models are being constantly introduced; there is expansion of the public transport systems, dedicated freight corridors for movement of farm produce.

Your Company's installed manufacturing capacity will enable it to continue offering a wide range of products to its customers once demand revives. Customer relationships and contact are the focus areas to re-assure them that quality products delivered in a timely and cost efficient manner which will be our priority.

Economic Environment/Outlook

Global recovery in output in FY 2021-22 was largely driven by robust consumer spending and some uptake in investment, both aided by the financial easing and subsidies offered by the Governments. Trade in goods bounced back, but growth momentum slowed considerably by the end of 2021 including in big economies like China, the European Union and the United States of America, as the effects of fiscal and monetary stimuli dissipated and major supply-chain disruptions emerged. Growth impetus generally has been weaker in most developing countries and economies in transition. Global headline inflation rose to an estimated 5.2 percent in 2021, more than 2 percentage points above its trend rate in the past 10 years. Global economic growth projection for 2022 has decreased to 2.6% from 3.6% due to the Ukraine war and due to changes in macroeconomic policies made by countries in recent months.

In India, the government has initiated key structural changes in the policy and regulatory regime for improving the investment climate and boosting economic growth eg. a relief package of Rs. 1.10 lakh crore to help re-energise the affected sectors such as travel, hospitality and automobiles. Initiatives such as these are expected to play a pivotal role in the country's economic recovery, by providing the population income support, access to nourishment, and more employment opportunities.

Globalizing has opened newer avenues for the transportation industry, especially a shift towards electric, electronic and hybrid cars, which are deemed more efficient, safe, and reliable modes of transportation. Over the next decade, this will lead to newer verticals and opportunities for auto-component manufacturers, who would need to adapt to the change via systematic research and development.

Just as it did during the implementation of BS-VI norms, your Company will continue to leverage its competitive strength to capture all such opportunities.

Opportunities and Threats

The long term prospects for the Indian economy remain bright owing to the growth of internal consumption. Demand for personal vehicles will be driven by the aspirations of the rising middle class with improving purchasing power and disposable incomes. Rapid urbanization will drive the need for public transportation. As India addresses the twin challenges of inclusive growth and sustainability, even a normal monsoon, with improved availability of rural finance, will positively influence demand for motor cycles as well as agricultural tractors. The overall mobility sector is expected to benefit from continued growth in the longer term.

The domestic bearing industry is facing the following threats:

- a. The menace of spurious bearings continues to adversely affect the industry. As per estimates roughly one in every four bearings sold in the replacement market is fake/ of inferior quality presenting a threat to unsuspecting users. The problem continues owing to the slow legal process, in spite of industry wide efforts to thwart the unscrupulous suppliers.
- b. With global demand weakening resulting in idle/ low utilization of installed capacities, the industry has to work on enhancing operational efficiencies and flexing costs further with supply chain readiness to help counter these additional costs.
- c. Regulatory demands on emission levels, improved safety norms, higher expectations for improved reliability of the vehicles and the need for readiness to meet requirements for the new fuel efficient and environmental friendly vehicles may result in need for investments in newer technology, research and development. This could cause a higher burden of fixed costs.

Of course, the industry and your Company have to continuously explore ways and take all measures to produce consistently high quality products cost effectively to counter the threat of cheap imports.

Financials

Your Company's revenue (net) was at Rs. 4351 lakhs in FY 2021-22 (Previous Year: Rs. 3647 lakhs) representing a growth of 19%. Profit after tax was at Rs. 883 lakhs (Previous Year: Rs. 619 lakhs), an increase of 43%. There has been a renewed focus on broad basing the customers served so as to optimally utilize the company's installed capacities and also develop new products to be ready to service the new hybrid and electric vehicle models being introduced. This will help the Company to achieve its long term strategic objectives to grow rapidly.

With overall leveraging of operational efficiencies and under the given market conditions, the financial results during the year are considered satisfactory.

Risks and risk mitigation

To sustain long term competitive advantage for the Company, the Company has comprehensive risk management processes for identification, assessment and mitigation of all potential business risks which include operational, financial, legal and strategic risks. Depending on probability of occurrence and extent of potential damage, these risks are categorized as material risks and noncritical risks. These are periodically presented to the Board. Risk mitigation measures and their implementation are regularly reviewed and discussed, and after evaluation, improved and updated.

The macro concerns which could significantly impact industry performance during the year are inflation, fiscal deficit and currency risks, government's inability to build and expand critical infrastructure, and the adverse impact of the FTAs which have resulted in higher imports of auto components and could therefore negatively impact the industry's plans to achieve the targeted size of US\$ 200 billion (12% of GDP) by 2026 under the Automotive Mission Plan. On the positive front, we have the generous package announced by the Government to boost demand, the key measures being cut in corporate tax rates, reforms in banking and financial services, liberalized lending norms at substantially reduced rates, higher crop prices for farmers for their agricultural produce. The silver lining is the good monsoon forecast which should lead to rise in rural incomes and result in higher consumer demand, and the possible shift in manufacturing from China with India being one of the major beneficiaries.

Company's internal auditors review the internal controls, risk assessment and mitigation procedures, independently as part of their internal audit process and their observations and findings are presented, reviewed and discussed in the audit committee meeting.

The Plant head and his team with continuing interactions with the functional heads of the holding Company, is charged with driving operational efficiencies and optimizing efficient allocation of financial resources – prudent & judicious capex, better inventory management and minimizing overdues.

Internal control systems and adequacy

The Company has in place adequate internal control systems which ensures reliable financial reporting, safeguarding of assets, adherence to management policies, the detection and prevention of frauds and errors, adequacy and completeness of accounting records and timely preparation of reliable financial information. The efficacy of the internal checks and control systems are validated by internal as well as statutory auditors. The upgrade of the ERP system to NAV 16 has helped the Company to implement latest world class processes and make it more analytical.

The management assesses the appropriateness and effectiveness of the Controls in place on yearly basis.

Some of the significant features of the internal control systems are:

- a. Internal auditors who in addition to transaction audit cover operational audit and review business processes and performance.
- b. Standard operating procedures and guidelines have been reviewed in the light of the ERP upgrade to ensure tighter controls. Improvements / modifications are being effected to meet with changes in business conditions, statutory and accounting requirements.

The Audit Committee closely interacts with and guides management and along with statutory auditors and internal auditor's reviews significant findings and follows up thereon.

Segment wise Performance

During the current year, ball and roller bearings have been the primary business segment for the Company.

Industrial Relations and Human Resource management

The Company's industrial relations with employees at its Ranchi plant continued to be cordial and peaceful. The settlement with the workmen has been renewed on March 24, 2022 for 3 years with effect from January 1, 2022 to December 31, 2024, wherein the management's proposal for an overall production rise of 15% has been accepted and also provides for deductions for bad quality products produced. These provisions will help in keeping employee costs under check.

The Company has continued its efforts towards strengthening human resources by providing employees a better working atmosphere and creating a culture which nurtures personal and organizational growth.

Following the COVID-19 pandemic and lockdown relaxations, the Company's utmost priority has been health, safety and well-being of its employees and partners. The Company has rapidly implemented protocols for safe operations. Strict standards of access control, social distancing and use of Personal Protection Equipment (PPE) as well as strict hygiene and sanitization procedures are active across all operations and adequate training has been provided to the workforce.

Permanent employees directly employed by the Company currently are total 159 in number.

DEMATERIALIZATION OF SHARES AND LIQUIDITY

96.64 % of the equity shares of the Company have been dematerialized (NSDL:89.03% and CDSL: 7.61%) as on March 31, 2022. The Company has entered into agreements with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) whereby Members have an option to dematerialize their shares with either of the Depositories.

Dematerialization of Shares

Members who continue to hold shares in physical form are requested to dematerialize their shares at the earliest and avail the benefits of dealing in shares in demat form. For convenience of Members, the process of getting the shares dematerialized is given hereunder:

- a) Demat account should be opened with a Depository Participant (DP).
- b) Members should submit the Dematerialization Request Form (DRF) along with share certificates in original, to their DP.
- c) DP will process the DRF and will generate a Dematerialization Request Number (DRN).
- d) DP will submit the DRF and original share certificates to the Registrar and Transfer Agents (RTA), which is Universal Capital Securities Private Limited (100% subsidiary of Link Intime India Private Limited).
- e) RTA will process the DRF and confirm or reject the request to DP/ depositories.
- f) Upon confirmation of request, the Member will get credit of the equivalent number of shares in his demat account maintained with the DP.

Consolidation of folios and avoidance of multiple mailing

In order to enable the Company to reduce costs and duplicity of efforts for providing services to investors, members who have more than one folio in the same order of names are requested to consolidate their holdings under one folio. Members may write to the Registrars & Transfer Agents indicating the folio numbers to be consolidated along with the original shares certificates to be consolidated.

Reconciliation of Share Capital Audit Report

As stipulated by SEBI, a qualified Practicing Company Secretary carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. This audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges where the Company’s shares are listed. The audit confirms that the total listed and paid-up capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

INDEPENDENT AUDITOR'S REPORT

To The Members of SNL Bearings Limited

Report on the Audit of the Financial Statement

Opinion

1. We have audited the accompanying financial statements of **SNL Bearings Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Report on Corporate Governance, but does not include the financial statements and our auditor's report thereon which we obtained prior to the date of this auditor's report, and the Annual Report, which is expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

7. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to

modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

14. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
15. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.
16. Further to our comments in Annexure I, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2022 and the operating effectiveness of such controls, refer to our separate Report in Annexure II where in we have expressed an unmodified opinion; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position as at 31 March 2022 in the financial statements ;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2022;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2022;

- iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The final dividend paid by the Company during the year ended 31 March 2022 in respect of such dividend declared for the previous year, is in accordance with section 123 of the Act, to the extent it applies to payment of dividend.

As stated in note 41 to the accompanying financial statements, the Board of Directors of the Company have proposed final dividend for the year ended 31 March 2022 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

Annexure I referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of SNL Bearings Limited on the financial statements for the year ended 31 March 2022

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its property, plant and equipment and right of use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular program of physical verification of its property, plant and equipment under which the assets are physically verified once in every three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, no property, plant and equipment were required to be verified during the year.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is a lessee) disclosed in the financial statements are held in the name of the Company. For properties where the Company is a lessee, the lease arrangements have been duly executed in favour of the Company except in following cases:

Description of property	Right of Use Asset Value	Location	Details of Lessor	Period held	Reason for non-execution of lease agreement
Leasehold land (partial area referred in Note 4 to the financial statements)	Nil	Ranchi-India	SBL Industries Limited	From inception	Lessor under liquidation from the time the lease period came up for renewal.

- (d) The Company has not revalued its Property, Plant and Equipment and Right of Use assets or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and inventory lying with third parties as at the year end. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed. In respect of inventory lying with third parties, these have substantially been confirmed by the third parties.
- (b) The Company has a working capital limit in excess of Rs 5 crore sanctioned by bank based on the security of current assets of the Company. The quarterly statements, in respect of the working capital limits have been filed by the Company with such bank and such statements are in agreement with the books of account of the Company for the respective periods, which were subjected to audit/review.
- (iii) (a) The Company has provided loans (interest free loan) to other parties (employees) during the year of Rs 4.36 lakhs of which balance as at balance sheet date is Rs 2.83 lakhs.
- (b) The Company has not made any investment, provided any guarantee or given any security during the year. However, the Company has granted loans to other parties (employees) amounting to Rs 4.36 lakhs (year-end balance Rs 2.83 lakhs) and in our opinion, according to the information and explanations given to us, the loans provided are, prima facie, not prejudicial to the interest of the Company.

- (c) In respect of loans granted by the Company, the schedule of repayment of principal has been stipulated and the repayments/receipts of principal is regular.
- (d) There are no overdue amount in respect of loans granted to such other parties.
- (e) The Company has granted loans to other parties (employees) which had fallen due during the year and were repaid on or before the due date. Further, no fresh loans were granted to any party to settle the overdue loans or advances in nature of loan.
- (f) The Company has not granted any loan or advance in the nature of loan, which are repayable on demand or without specifying any terms or period of repayment.
- (iv) The Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) In our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, income-tax, service tax, duty of customs, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities, except for delay in certain amounts of provident fund. Further, the amount of provident fund outstanding at the year-end for a period of more than six months from the date they became payable are as follows

Independent Auditor's Report on the Audit of Financial Statements on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of **SNL Bearings Limited** ('the Company') as at and for the year ended 31 March 2022, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the guidance note issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance

with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8.. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

1 Company information

SNL Bearings Limited ('the Company') established in 1979, is engaged in the manufacture and marketing of antifriction bearing products. The holding Company NRB Bearings Limited acquired the Company on 1 June 2000.

The registered and corporate office of the Company is situated at Dhannur, 15, Sir P. M. Road, Fort, Mumbai 400 001, Maharashtra.

The financial statements were authorised for issue in accordance with the resolution of the Board of Directors on 24 May 2022.

2 Basis of Preparation

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 (as amended from time to time) notified under Section 133 of the Companies Act, 2013 ("the Act"), other relevant provisions of the Act and the presentation and disclosure requirement of Division II of Schedule III to the Act and guidelines issued by the Securities and Exchange Board of India (SEBI). The accounting policies have been consistently applied for all the periods presented in the financial statements.

These financial statements of the Company as at and for the year ended 31 March 2022 were approved and authorised by the Company's board of directors. The revision to the financial statement is permitted on 24 May 2022 by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per the provision of the act.

The financial statements have been prepared on an accrual basis using the historical cost convention, except for the following assets and liabilities:

- i) Certain financial assets and liabilities that are measured at fair value
- ii) Defined benefit plans-plan assets measured at fair value

All the amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs, as per the requirement of Schedule III unless otherwise stated.

iii) Current versus non-current classification

(i) An asset is considered as current when it is:

- a. Expected to be realised or intended to be sold or consumed in the normal operating cycle, or
- b. Held primarily for the purpose of trading, or
- c. Expected to be realised within twelve months after the reporting period, or
- d. Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

(ii) All other assets are classified as non-current.

(iii) Liability is considered as current when it is:

- a. Expected to be settled in the normal operating cycle, or
- b. Held primarily for the purpose of trading, or

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022**

- c. Due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- (iv) All other liabilities are classified as non-current.
- (v) Deferred tax assets and liabilities are classified as non-current assets and liabilities.
- (vi) All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

3 Significant accounting policies**a. Foreign currency transactions**

The functional currency of the Company is Indian national rupee (INR) which is also the presentation currency. All other currencies are accounted for as foreign currency.

Transactions denominated in foreign currencies are initially recorded at the exchange rate prevailing at the date of transaction.

Foreign currency monetary items are reported using the closing exchange rates. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange differences on monetary items are recognised in statement of profit and loss in the year in which they arise.

b. Revenue recognition

The Company derives revenues mainly from sale of manufactured goods. Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised goods to customers in an amount that reflects the consideration the Company expects to receive in exchange for those goods. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentives and returns, etc., if any. Revenue is recognised on satisfaction of performance obligation, i.e. upon transfer of control of promised products to customers for an amount that reflects the consideration the Company expects to receive in exchange for those products.

The Company does not expect to have any contracts where the period between the transfer of the promised goods to the customer and payment by the customer exceeds one year. As a consequence, it is not required to adjust any of the transaction prices for the time value of money.

Revenue in excess of invoicing are classified as contract asset while invoicing in excess of revenues are classified as contract liabilities.

c. Other income

Interest income for all debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022**

contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Apart from the above, the Company recognises interest income on its security deposits given to the Jharkhand State Electricity Board, on acknowledgement of credit by the Board.

Dividend are recognised in statement of profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

d. Current (Income) tax

The income tax expense or credit for the period is the tax payable on the current period (Current tax) taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted by the end of the reporting period. Deferred income tax is recognised in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

e. Leases**Measurement and recognition of leases**

The Company assesses at contract inception whether a contract is, or contains, a lease. A lease is defined as 'a contract, or part of a contract, that convey the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

To apply this definition, the Company assesses whether the contract meets three key criteria which are whether:

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022**

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Company.
- the Company has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract.
- the Company has the right to direct the use of the identified asset throughout the period of use. The Company assesses whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Company as a lessee

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company and any lease payments made in advance of the lease commencement date.

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance, fixed), and payments arising from options reasonably certain to be exercised. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest expenses. It is remeasured to reflect any reassessment or modification.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset or statement of profit and loss, as the case may be.

On the balance sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have disclosed under financial liabilities (non-current and current).

The Company has elected to account for short-term leases and leases of low-value assets using the exemption / practical expedient given under Ind AS 116, Leases. Instead of recognising a right-of-use asset and lease liabilities, the payments in relation to these are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term or on another systematic basis if that basis is more representative of the pattern of the Company's benefit.

f. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognised whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Impairment loss is recognised in the statement of profit and loss.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

After impairment, depreciation / amortisation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortisation if there were no impairment.

g. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (original maturity less than three months) that are readily convertible into known amounts of cash, and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash, balance in current accounts with banks and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

h. Inventories

Raw material and components, work in progress, finished goods and stores and spares are stated at "cost or net realisable value whichever is lower". Goods in transit are stated at cost. Cost formula used is weighted average cost. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company. Cost comprises of all cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition.

Costs of conversion and other costs are determined on the basis of standard cost method adjusted for variances between standard costs and actual costs, unless such costs are specifically identifiable, in which case they are included in the valuation at actuals.

i. Investments and financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Measurement of debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in statement of profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is derecognised only when

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

j. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

k. Property plant and equipment (including capital work-in-progress) and depreciation

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and accumulated impairment losses, if any. Historical costs include cost of acquisition inclusive of all attributable cost of bringing the assets to their working condition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is possible that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of these assets.

Schedule II to the Companies Act, 2013 prescribes useful lives for property, plant and equipment and allows Companies to use higher/lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements. The management believes that the depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of property, plant and equipment.

Depreciation/ amortisation on Property plant and equipment has been provided on the straight-line method as per the useful life assessed based on technical advice, taking into account the nature of the asset, the estimated use of the asset on the basis of management's best estimation of getting economic benefits from those class of assets. Depreciation is calculated pro-rata from the date of addition or upto the date of disposal as the case may be.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

The Company uses its external technical expertise along with historical and industry trends for arriving at the economic life of an asset.

Class of asset	Revised useful life based on SLM (Range)
Building on leasehold land	30 - 50 years
Plant and equipment	2 - 30 years
Furniture and fixtures	6 - 10 years
Vehicles	8 years
Office equipment	3 years
Computer software including servers	3 - 10 years

Assets not yet ready for use are recognized as capital work in progress.

Gains / losses arising from disposals of assets are measured as the difference between the net disposal proceeds and the carrying value of the asset on the date of disposal and are recognised in the statement of profit and loss, in the period of disposal.

i. Intangible assets and amortization

Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the intangible assets.

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Computer softwares are capitalised at the amounts paid to acquire the respective license for use and the costs incurred towards its development and are amortised over the period of their useful lives, which is generally considered to be a period not exceeding three/five years, depending upon the nature of the software. The assets' useful lives are reviewed at each financial year end. Amortisation is calculated pro-rata from the date of addition or upto the date of disposal, as the case may be.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset on the date of disposal and are recognised in the statement of profit and loss when the asset is derecognised.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

m. Borrowings and other financial liabilities

Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred). Initial difference between the fair value and the transaction proceeds is recognised as an asset / liability based on the underlying reason for the difference.

Subsequently all financial liabilities are measured at amortised cost using the effective interest rate method.

Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022**

any non-cash assets transferred or liabilities assumed, is recognised in statement of profit and loss. The gain / loss is recognised in other equity in case of transaction with shareholders.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

n. Borrowing costs

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

o. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent assets are not recognised, but disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

p. Employee Benefits

Short term obligations:

Short term employee benefits, including compensated absences that are expected to be settled within twelve months from the reporting date, are recognised as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered.

Post employment obligations:

The Company operates the following post employment schemes:

Defined benefit plans:

- i) **Gratuity:** The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to eligible employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting (eligibility) occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for funding this plan. The Company recognises such obligation net of fair value of plan assets as a liability/asset. Actuarial gains and losses arising on the remeasurement of defined benefit

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

obligation and experience adjustments are charged/ credited to other comprehensive income. All other costs / reversals are recognised in the statement of profit and loss.

- ii) Provident fund: For certain employees, the monthly contribution for Provident Fund is made to a Trust administered by the Company. Both the eligible employees and the Company make monthly contributions, equal to a specified percentage of the covered employee's salary, to the Employees' Provident Fund Trust ('The PF trust'). The PF trust invests in specific designated instruments as permitted by Indian Law. The rate at which the annual interest is payable to the beneficiaries by the PF trust is being administrated by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the PF trust and the notified interest rate.

Defined contribution plans:

Provident fund and family pension fund: Defined contribution plans such as Provident Fund and family pension fund are charged to the Statement of Profit and Loss as incurred. The Company's contribution to the Statutory Provident Fund and family pension fund is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis. The Company does not have any obligation other than the contribution made to the fund administered by the government.

Other long term employee benefit obligations:

Compensated absences (other than those considered short term): The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The Company makes provision for compensated absences based on an actuarial valuation by an actuary, using the projected unit credit method. Actuarial gains and losses are charged/credited to the Statement of Profit and loss.

q. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, shares split and reserve share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

r. Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as a period not exceeding 12 months for the purpose of classification of its assets and liabilities as current and non-current.

s. Critical estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the

SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022

reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The management believes that these estimates are prudent and reasonable and are based upon the management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

This note provides an overview of the areas that involved a comparatively, higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

i) Property, plant and equipment and intangible assets:

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The useful lives and residual values as per schedule II to the Companies Act, 2013 or a technical evaluation which are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, to the extent applicable to the asset.

ii) Deferred tax assets:

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the financial statements.

iii) Contingencies:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies / claim / litigations by / against the Company as it is not possible to predict the outcome of pending matters with accuracy.

iv) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period."

v) Defined benefit obligation:

The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rate of return on assets, future salary increases and mortality rates. Due to the long term nature of these plans such estimates are subject to significant uncertainty.

vi) Fair value measurements:

Management applies valuation techniques to determine fair value of equity shares (where active market quotes are not available). This involves developing estimates and assumptions around volatility, dividend yield which may affect the value of equity shares.

**SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2022****vii) Impairment of assets:**

In assessing impairment, management estimates the recoverable amounts of each asset (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate.

viii) Provisions:

Provisions are recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding defined benefit plan) are not discounted to their present value and are determined based on best estimate of the amount required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Estimates and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

t. Events after report date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Where the events are indicative of conditions that arose after the reporting period, the amounts are not adjusted, but are disclosed if those non-adjusting events are material.

u. Recent accounting pronouncements**i) Amendment to Ind AS 16, Property, plant and equipment:**

The Ministry of Corporate Affairs ("MCA") vide notification dated 23 March 2022, has issued an amendment to Ind AS 16 which specifies that an entity shall deduct from the cost of an item of property, plant and equipment any proceeds received from selling items produced while the entity is preparing the asset for its intended use (for example, the proceeds from selling samples produced when testing a machine to see if it is functioning properly). The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

ii) Amendments to Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets:

The Ministry of Corporate Affairs ("MCA") vide notification dated 23 March 2022, has issued an amendment to Ind AS 37 which specifies that the cost of fulfilling a contract comprises: the incremental costs of fulfilling that contract and an allocation of other costs that relate directly to fulfilling contracts. The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

iii) Amendments to Ind AS 109, Financial Instruments:

The Ministry of Corporate Affairs ("MCA") vide notification dated 23 March 2022, has issued an amendment to Ind AS 109 which clarifies the fees an entity should include when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf. The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

II Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include :

The fair values for investment in mutual fund are based on the published NAV's and other financial assets/liabilities are based on discounted cash flows using a discount rate determined considering Company's incremental borrowing rate.

The carrying amounts of all the above assets are considered to be approximately equal to the fair value.

Mutual fund investment have been categorised into level 1 (recurring fair value measurement) of fair value hierarchy. All the other items have been categorised into level 3.

43 Contingent liabilities (claims against the company not acknowledged as debt)

- (i) The Company had received an Order dated 6 September 2004 from the Employees Provident Fund Organisation raising a demand of ₹ 161 lakhs including interest of ₹ 47 lakhs for default in making payment of Employees Provident Fund and allied dues for the period April, 1986 to February, 2003. The Company had been making contributions to the 'SNL Officers Provident Fund Trust' and 'SNL Employee's Provident Fund Trust', being Trusts formed by the Company in earlier years; these Trusts have net assets of ₹ 166 lakhs and ₹ 76 lakhs respectively as at 31 March 2021 as reflected in their latest audited balance sheets. As per the order, the existence of the said Trusts and the act of switching over from Employees trust to the Officers trust on salary exceeding the statutory limit fixed by the Employees Provident Fund and Miscellaneous Act, 1952, have been considered violative of the Act. The authorities had attached one of the Company's bank accounts and had recovered an amount of ₹ 3 lakhs in an earlier year. The Company has contested the above demand and on a writ petition filed by the Company in the High Court of Jharkhand, Ranchi, the High Court has directed the authorities not to take coercive steps till the disposal of the petition. The Company denies all the allegations made against it since the Company had made the necessary applications to grant exemption to the Trusts which was neither granted nor rejected in spite of several reminders from time to time. In view of the facts of the case, the Company does not expect any liability in this regard.
- (ii) The Honourable Supreme Court, has passed a decision on 28 February 2019 in relation to inclusion of certain allowances within the scope of "Basic wages" for the purpose of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The Company, has been advised to wait for further clarifications in this matter in order to reasonably assess the impact on its financial statements, if any. Accordingly, the applicability of the judgement to the Company, with respect to the period and the nature of allowances to be covered, and

resultant impact on the past provident fund liability, cannot be reasonably ascertained, at present. From November 2020, the Company has started making the deduction and payment of provident fund basis the revised definition of "basic wages". For the period 1 April 2019 to 31 October 2020 the Company has recognised a provision of ₹ 14 lakhs as per the revised definition, for which it is awaiting further clarifications before depositing the same with the authorities.

(iii) Income tax matters**For Assessment year 2013-14:**

Income tax demand raised of ₹ 7 lakhs under Section 143(3) of the IT Act for AY 2013-14 for dividend distribution tax (DDT) payable by the Company on dividends distributed during financial year 2012-13. This dispute is pending with the forum of Assistant Commissioner of Income tax – Mumbai. The Company filed a letter with the income-tax department dated 24 October 2018 in response to the notice received for recovery of tax demand of earlier years. In view of the facts of the case, the Company does not expect any liability in this regard. In view of the facts of the case, the Company does not expect any liability in this regard.

For Assessment year 2017-18:

Income tax demand raised of ₹ 26 lakhs under Section 143(3) of the IT Act for AY 2017-18 for non collection of tax collected at source (TCS) and double disallowance of loss on sale of property, plant and equipment. This dispute is pending at the forum of Assistant Commissioner of Income tax – Mumbai. In view of the facts of the case, the Company does not expect any liability in this regard. In view of the facts of the case, the Company does not expect any liability in this regard.

Notes:

1. The above disclosure has been made on the basis of information available with the Company.
2. It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings.
3. The amounts disclosed above represent the best possible estimates arrived at on the basis of the available information and do not include any penalty payable.

44 Employee benefits

As per Indian Accounting Standard-19 'Employee Benefits', the disclosure of Employee benefits as defined in the standard are given below:

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in an assumptions occurring at the end of the reporting period while holding all other assumption constraint. In practice it is unlikely to occur and change in some of the assumption may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

(v) Sensitivity analysis:

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in an assumptions occurring at the end of the reporting period while holding all other assumption constraint. In practice it is unlikely to occur and change in some of the assumption may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

50 COVID-19 Impact

The World Health Organisation (WHO) declared COVID-19 as a global pandemic and Government of India declared nationwide lockdown from 24 March 2020. Subsequently, nationwide lock down restrictions were lifted by the government but business of the Company was impacted for quarter ended 30 June 2020. Although, the Company witnessed significant improvement in its operations during second half of the previous year, the Company remains watchful of the potential impact of COVID-19 on the operations. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying values of its property, plant and equipment, inventories and receivables and carried out a detailed assessment of its liquidity position for the next one year including recoverability of carrying value of its assets, as at 31 March 2022. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements, has used internal and external sources to estimate the impact on the expected future performance of the Company. The management believes it has taken into account all the possible impact of known events arising from COVID 19 pandemic in the preparation of its financial statements and does not foresee any incremental risk towards recoverability of its assets, at present. However, the estimated impact of the global health pandemic might vary from the date of approval of these financial statements, and the Company will continue to monitor any material changes due to future economic conditions.
