(II) OPERATIONAL HIGHLIGHTS :

COVID-19 global pandemic induced lockdown had gripped the operations pan-India in Financial Year 2020-21 and continued its impact till mid of first quarter of Financial Year 2022.

During the year ended March 31, 2022, your Company achieved a turnover of Rs. 378.68 crore on standalone basis as against Rs.377.76 crore during the previous year ended March 31, 2021. The Net loss for the year amounted to Rs. (386.35) Crore as against Net Loss of Rs (284.93) Crore during year ended March 31, 2021. The turnover is solely attributable to revenues generated from existing projects. The Company has completed three projects in Financial Year 2021-22. The Company continues defaulting on existing loans to lenders including on borrowings from promoter group entities.

The Non-fund liability stands reduced by Rs138.45. Crore in Financial Year 2021-22 from Rs 93 Crore in Financial Year 2020-21.

(III) DIVIDEND :

Due to accumulated losses of the Company coupled with a tough situation arising out of present state of affairs, your Directors express their inability to recommend any dividend for the year on Preference as well as on Equity Shares.

(IV) RESERVES :

No amount is recommended for transfer to Reserves of the Company for financial year ended March 31, 2022.

(V) STATE OF AFFAIRS OF THE COMPANY :

During the year under review, your Company has not bagged any orders. The Company already had orders worth Rs.880.30 crore (approx.) at the beginning of the year. Out of the total orders in hand, the un executed order value stands at Rs. 425 crore (approx.) at the end of the financial year. The detailed position on the order book and financial performance of the Company has been provided under Management Discussions & Analysis Report

Your Company is part of the Infrastructure Leasing and Financial Services Limited ("IL&FS") group. The Board of Directors of IL&FS has been reconstituted pursuant to the orders passed by the National Company Law Tribunal, Mumbai Bench ("NCLT") in Company Petition No. 3638 of 2018 filed by the Union of India, acting through the Ministry of Corporate Affairs under Sections 241 and 242 of the Companies Act, 2013, as amended ("Companies Act") on the grounds of mismanagement of public funds by the erstwhile board of IL&FS and the affairs of IL&FS being conducted in a manner prejudicial to the public interest.

Further, Hon'ble National Company Law Appellate Tribunal ("NCLAT") by way of its order on October 15, 2018 ("Interim Order") in the Company Appeal (AT) 346 of 2018 by way of which the NCLAT, after taking into consideration the nature of the case, larger public interest and economy of the nation and interest of IL&FS and its group companies (including IECCL) has stayed certain coercive and precipitate actions against IL&FS and its group companies including IECCL. IL&FS and its group companies are currently undergoing resolution process under the aegis of NCLAT and NCLT.

As part of the ongoing resolution for your Company, IL&FS had identified the sale of its stake in IECCL to a new promoter to take over the management control and revive the Company as a means for resolution. To this effect, a public process was initiated inviting Expression of Interests from interested parties by way of Advertisement in the newspapers. Even after two attempts, no binding bid from EOI applicants was received and hence the process was called off. Thereafter, IL&FS permitted for launching Swiss Challenge Process, in view of fresh interest received for the resolution of the Company. In January 2022, a bid was received from an unincorporated Consortium which will be subjected to challenge through counter bid under a Swiss Challenge method. The successful bid would then be taken to the Committee of Creditors for their approval. If accepted, the bid would then be placed for approvals from Justice D.K. Jain (Retd.) followed by approval of Hon'ble NCLT.

The developments at the IL&FS Group have had negative impact on IECCL and its brand equity. These developments severely impacted the ongoing projects and order book and pending the Resolution process, no new bidding for projects have been undertaken.

Your Company is having an overseas Subsidiary, Maytas Infra Saudi Arabia (MISA), which has ceased to be in operation as per the records of the Company. An application to the Reserve Bank of India seeking approval for writing off its investment held in MISA has been made by the Company. Once the approval is in place, steps for writing off the investment, followed by closure of MISA in Saudi Arabia would be initiated.

The future Business outlook of the Company is solely dependent on the approval of the Resolution Plan by all the stakeholders.

(VI) SHARE CAPITAL :

During the year under review, there was no change in the share capital of the Company

Shares held by Directors:

None of the Directors of the Company holds any Shares or convertible instruments of the Company.

(VII) DEPOSITS :

During the year under review, your Company had not accepted any deposit from public under Chapter V of the Companies Act, 2013

(VIII) DIRECTORS:

During Financial Year 2021-22, no new Directors were appointed. As per Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors of top 2000 listed Companies (wef. April 01, 2020) shall comprise of not less than six directors. The Board of Directors as on March 31, 2022, comprise the following five directors;

S. No.	Name of the Director	Date of Appointment
1.	Mr. Chandra Shekhar Rajan	October 25, 2018
2.	Mr. Dilip Lalchand Bhatia	December 24, 2018
3.	Mr. Manish Kumar Agarwal	January 15, 2021
4.	Dr. Jagadip Narayan Singh	January 15, 2021
5.	Mr. Subrata Kumar Mitra	January 15, 2021

As per Section 149(1) read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014 of the Companies Act, 2013, the Company is required to appoint a woman director. Hon'ble NCLT vide order dated April 26, 2019 has, inter alia, granted dispensation for complying with the said requirement by virtue of powers vested in them under Section 242(2(4) of the Companies Act, 2013. This was granted for resolution of financial problems, issues in the public interest in all group entities of IL&FS by the newly constituted Board of Directors, nominated by Union of India.

None of the Directors of the Company are inter-se related to each other.

Necessary declaration from Dr. Jagadip Narayan Singh and Mr. Subrata Kumar Mitra Independent Directors have been obtained under the provisions of the Companies Act, 2013.

The entire Board of Directors are non-retiring, in view of occupation of office by Directors, nominated by IL&FS and Independent Directors.

Non-Executive Directors:

The Non-Executive Directors are paid sitting fee for attending the Board and meetings of various committees.

Except as mentioned above, no other payments were made by the Company to Non-Executive Directors and the Company does not have any pecuniary relationship or transactions with the Non-Executive Directors. The details of amount paid to the Directors of the Company towards Sitting Fee are mentioned in the Form MGT-9 annexed to this Report as well as the Corporate Governance Section of this Annual Report.

(IX) MANAGERIAL REMUNERATION POLICY :

In terms of the provisions of Section 178 of the Companies Act, 2013 read with Rules made thereunder and Regulation 19 of Listing Regulations, the Board of Directors of the Company had framed Managerial Remuneration Policy which includes the criteria for determining qualifications, positive attributes, independence of directors and other matters as specified under Section 178(3) of the Companies Act, 2013 and Regulation 19 read with Part D of Schedule II of Listing Regulations. The policy is available on the website of the Company at <http://www.ilfsengg.com/html/policies.php>

(X) KEY MANAGERIAL PERSONNEL :

There was no change in Key Managerial Personnel during the year under review. However, on the date of this report, the Board of Directors had considered and approved the appointment of Mr. Rajib Kumar Routray, a senior compliance professional as Company Secretary & Compliance Officer in the capacity of Key Managerial Personnel with effect from midnight on 29th May, 2022.

Any member interested in obtaining copy of the same may write to Company Secretary.

(f) Material changes and comments, if any, affecting the financial position of the Company :

Due to the latest developments in the IL&FS Group and the Company, the debt burden has increased in a manner that is not commensurate with the size of its operations and there has been severe stress in terms of cash flows.

(g) Reporting of Fraud :

No cases found as per the Auditors Report issued for the Financial Year 2021-22.

(h) Investigations etc. by Regulatory/Investigative Agencies:

Subsequent to adverse developments at group level of Infrastructure Leasing and Financial Services Limited ("IL&FS"), as stated in earlier years, various regulatory and investigatory authorities are seeking information from the company as part of their investigations since 2018-19 onwards. The Company and the present management are cooperating with the respective authorities and submitting the information as sought from time to time.

Further, as per the directions of the reconstituted Board of IL&FS, forensic audit also was initiated for select entities including this Company. The forensic auditors had submitted their final reports during May 2021 detailing certain potential anomalies in the financial statements and operations of the Company. The report is hosted on the Company's websites and also filed with stock exchanges, submitted to SFIO etc. Based on the said report, SFIO

had sought additional information from the Company and also requested all the previous and present statutory auditors of the Company for submission of their respective audit working files.

(i) Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status of the Company :

The National Company Law Appellate Tribunal (“NCLAT”) by way of its order on October 15, 2018 (“Interim Order”) in the Company Appeal (AT) 346 of 2018, after taking into consideration the nature of the case, larger public interest and economy of the nation and interest of IL&FS and its group companies (including your Company) has stayed certain coercive and precipitated actions against IL&FS and its group companies including your Company.

IL&FS and its group companies are currently undergoing resolution process under the aegis of the NCLAT and NCLT which may impact the going concern status of the Company.

No new significant and material orders have been passed by Regulators or Courts or Tribunals impacting the going concern status of the Company.

While IL&FS is in the process of divestment of its equity stake through Swiss Challenge Method in a transparent manner, the nominated Board of Directors of Union of India in IL&FS and its group Companies (including your Company) have taken steps for completion of ongoing projects and provision of necessary services during Defect Liability Period in the face of various challenges, as per the terms of contractual obligations with Company’s valued Project Owners.

The Claims Management Agency M/s. Grant Thornton Bharat LLP, had crystalized the fourth list of Operational Creditors & Financial Creditors and the process for balance creditors is going on.

(m) Performance evaluation of the board, committees and directors

The purpose and intent of Board evaluation is in essence linked to extension or continuation of the term of the Directors appointed by the Members of the Company, based on the process of evaluation carried out by the Independent Directors and the Board. You are aware that on October 1, 2018, Union of India (“UOI”) (acting through the Ministry of Corporate Affairs) had filed a petition with Hon’ble NCLT seeking immediate suspension of the Board of Directors of IL&FS and appointment of a new Board of Directors, amongst others, on the grounds of mismanagement and compromise in corporate governance norms and risk management by the erstwhile Board of IL&FS and that the affairs of the Company being conducted in a manner prejudicial to the public interest. Pursuant to the above developments, the New Board of IL&FS also initiated reconstitution of the Board of Directors of the Group companies including your Company and nominated 3 Directors on the Board of your Company.

The New Board members appointed by the NCLT are akin to Independent Directors and not Independent Directors. Further, the requirement of appointing Independent Directors and Woman Director has been dispensed by NCLT order dated April 26, 2019 for IL&FS and the group companies.

In view thereof, the Board has not followed the process of performance evaluation of the Board, Committees and the Directors during the Financial Year 2021-22.

(XXIII) ACKNOWLEDGMENTS:

Your Directors place on record their gratitude to the Bankers, Media, Financial Institutions, various agencies of the State and the Central Government Authorities, Clients, Consultants, Suppliers, Sub-Contractors, Members and the Employees for their valuable support and co-operation and look forward to continued enriched relationships in the years to come.

MANAGEMENT DISCUSSION AND ANALYSIS

1. Introduction:

IL&FS Engineering and Construction Company Ltd (IECCL) has more than three decades of experience in the engineering and construction business with capabilities in providing integrated Engineering, Procurement and Construction (EPC) services. With engineering experience in several infrastructure segments and trained and qualified manpower, IECCL has been primarily executing infrastructure projects across India. IECCL has been delivering projects in the sectors of Power, Oil and Gas, Roads, Railways and Metros, Water and Irrigation, and Buildings & Structures.

Indian Infrastructure Industry:

Infrastructure sector that includes power, bridges, dams, roads, and urban infrastructure development is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country.

India is expected to become the world's third largest construction market by 2022. The Infrastructure in India is estimated to grow at a CAGR of approximately 7% during the 2022-27

India requires investment worth Rs. 50 trillion (US\$ 777.73 billion) in infrastructure by 2022 to have sustainable development in the country. India is witnessing significant interest from international investors in the infrastructure space.

Government Initiatives

The Government of India has invested highly in the infrastructure sector, mainly highways, renewable energy, and urban transport and reasonably in other sectors to have all round sustainable growth in the economy. Some of the major initiatives are:

- PM Gati Shakti National Master Plan to encompass the engines for economic transformation, seamless multi-modal connectivity and logistics efficiency.
- Government initiatives such the National Infrastructure Pipeline, National Monetisation Pipeline, Bharatmala Pariyojana, changes in the Hybrid Annuity Model (HAM) and fast pace of asset monetization to boost road construction.
- As a part of 'Atmanirbhar Bharat', 2,000 KM of rail network will be brought under 'Kavach' i.e. the indigenous world-class technology for safety and capacity augmentation in 2022-23
- Under One Nation One Gas Grid scheme, a total of 21735 Kms of pipelines have been laid up to September, 2021 as part of the Gas Grid. India targets increasing the pipeline coverage by ~60% by 34,500km by 2024-25. All states are targeted to be connected by a trunk national pipeline network by 2027.
- Under Pradhan Mantri Aatmanirbhar Swasth Bharat Yojana (PMANSY), the Government announced an outlay of Rs. 64,180 crore (US\$ 8.80 billion) over six years to strengthen the existing 'National Health Mission' by developing capacities of primary, secondary & tertiary care and healthcare systems & institutions to detect and cure new and emerging diseases.
- Indian railways received Rs. 1,10,055 crore (US\$ 15.09 billion), of which Rs. 1,07,100 crore (US\$ 14.69 billion) is for capital expenditure.
- The government announced Rs. 18,998 crore (US\$ 2.61 billion) for metro projects.
- The government announced Rs. 305,984 crore (US\$ 42 billion) over the next five years for a revamped, reforms-based and result-linked new power distribution sector scheme.
- Mega Investment Textiles Parks (MITRA) scheme was launched to establish world-class infrastructure in the textile sector and establish seven textile parks over three years.
- The government announced a long-term US\$ 82 billion plan to invest in the country's seaports. ~574 projects have been identified, under the Sagarmala project, for implementation through 2035.
- In July 2021, NTPC announced to invest Rs. 2-2.5 crore (US\$ 0.27-0.34 million) over the next 10 years to expand renewable capacity and invited bids for an engineering, procurement, and construction (EPC) package, with land development for 500 MW of grid-connected solar projects anywhere in India.

The project will be implemented in ~120 dams across Chhattisgarh, Gujarat, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Odisha, Rajasthan and Tamil Nadu, and at the national level through the CWC.

- Ministry of Road Transport Highways announced to launch 1,080-km (road construction) projects worth Rs. 25,370 crore (US\$ 3.4 billion) in Gujarat under the Bharatmala Pariyojana—the ambitious road and highways project that aims to build highways from Maharashtra, Gujarat, Rajasthan, Punjab, Haryana and then cover the entire string of Himalayan territories.

Road Ahead

India is presently known as one of the most important players in the global economic landscape. The country is growing rapidly and is expected to become a US\$ 5 trillion economy by 2025.

The current union Budget has focused on high impact areas and accelerating the capital expenditure cycle by providing for sharp increase in capex outlay by 35.4% (from INR 5.54 lakh crores to INR 7.50 lakh crores in FY 2022-23) which is likely to strongly augment infrastructure spend. Increased government investment is expected to attract private investments, coupled with the government's key Production-linked Incentive Scheme (PLI) providing significant support. The PLI scheme in 14 different sectors can lead to additional production of Rs. 30 lakh crore (US\$ 401 billion) over the next five years.

ROAD SECTOR:

- India has the second-largest road network in the world, spanning over 5.8 million kms.
- Under the Union Budget 2022-23, the Government of India has allocated Rs.199,107.71 crore (US\$ 26.04 billion) to the Ministry of Road Transport and Highways.
- PM Gati Shakti National Master Plan to encompass the engines for economic transformation, seamless multi-modal connectivity, and logistics efficiency
- The National Highways network to be expanded by 25,000 KM in 2022-23

POWER SECTOR:

- India is the third-largest producer and third-largest consumer of electricity worldwide, with an installed power capacity of 395.07 GW, as of January 2022.
- 100% FDI allowed in the power sector has boosted FDI inflow in this sector.
- Electrification in the country is increasing with support from schemes like Deen Dayal Upadhyay, Gram Jyoti Yojana (DDUGJY), Ujwal DISCOM Assurance Yojana (UDAY), and Integrated Power Development Scheme (IPDS).

OIL & GAS:

- In February 2021, Prime Minister Mr. Narendra Modi announced that the Government of India plans to invest Rs. 7.5 trillion (US\$ 102.49 billion) on oil and gas infrastructure in the next five years.
- In September 2021, the Indian government approved oil and gas projects worth Rs. 1 lakh crore (US\$ 13.46 billion) in Northeast India. These projects are expected to be completed by 2025.
- At present, about 17900 km long gas pipeline network is under operation in the country and around 16600 km pipeline is under construction.

RAILWAYS:

- Under the Union Budget 2022-23, the government allocated Rs.1,40,367.13 crore (US\$ 18.40 billion) to the Ministry of Railways.
- As part of the National Rail Plan for 2030, Indian Railways is expected to create a future-ready railway system by 2030 to bring down logistics cost and ensure 100% electrification of broad rail routes by December 2023.
- For FY 22, Indian Railways has set a target of 300 kms of new lines, 1,600 kms of doubling single-line sections and gauge conversion of 500 kms, totalling 2,400 kms.
- Metro rail projects are being envisaged across many cities over the next ten years.

REAL ESTATE:

- In a move to facilitate the Pradhan Mantri Awas Yojana (PMAY), the Finance Minister announced that INR 48,000 Crore will be allocated to the construction of 80 Lakh residential units across the country.
- Real estate contribution to India's GDP is expected to grow from \$200 Billion a year to \$500 Billion by 2025. This contributes to around 12-15 per cent of India's GDP and will be the largest employer in India.
- As per CBRE report real estate showing signs of revival, on the back of India's strong position as a driver of the global economy as well as promising growth projections across segments such as office, I&L, residential and alternative real estate segments.

2. Performance during the year:

1. Business Performance:

As in the past, your company is executing various EPC and Item Rate projects with both Government and Private clients in the sectors of Power, Oil & Gas, Railways & Metros, Water & Irrigation, Buildings & Structures and Roads situated pan India. The various projects being executed by the Company are mostly on the verge of Completion. Even though reeling under severe stress, your Company has been successful in completing various projects of national importance.

The Sector wise Order Book of the Company is as follows:

(Rs. in Crore)		
Sector	On hand as on 31-3-2022	On hand as on 31-3-2021
Roads	342	451
Railways & Metros	47	95
Buildings	-	-
Irrigation	0	148
Power	28	150
Oil & Gas	7	36
Total	424	880

2. Developments at IL&FS and its adverse impact on IECCL:

The development at the IL&FS Group has had an adverse impact on IECCL. The immediate and direct impact was stopping payments to financial creditors pending successful implementation of an acceptable Resolution Plan. Payments against liabilities to operational creditors prior to 1st October 2018 are also deferred till the resolution process is complete. IL&FS Group support to IECCL in the form of Corporate Guarantees/ Bank Guarantees are also stopped. Because of all these deferment of Payments/ support, subcontractors and suppliers stopped supply of their services / materials which affected the projects progress and Projects came to stand still for three months. Evidencing no progress in the Projects and news about IL&FS group defaults, few clients terminated the Projects.

3. Discussion on Financial Performance:

The adverse developments at the IL&FS Group and Covid 19 have significant direct impact on IECCL's business plans for revenue and profit growth. This has significant impact on its present revenue and future order book. In spite of adverse situations, all out efforts have been made for making the organization on sustainable basis.

In order to contain the adverse impact, the Company has effected stringent cost rationalization measures. These measures included manpower rationalization, skill enhancements for facilitating inter-function transfers and special efforts for early realization of long pending claims and receivables.

Overall Financial Performance:

Revenue	307.64	Reduction due to many projects getting completed and no new order book.
EBITDA	(147.36)	Same as above
PAT	(386.35)	Includes exceptional items of Rs.179 Cr
EPS	(29.46)	Same as above
Share Capital	131.12	
Debt	2668.83	
Net Worth	(2,977.89)	
Fixed Assets	401.71	(Gross Block – Acquisition value of Assets)
Inventory	21.74	Major change in inventory due to impairment
Debt Equity Ratio	-	Due to negative networth the ratio not calculated
Current Ratio	0.19	
Return on Equity	-	Due to negative PAT the ratio not calculated
Interest Coverage Ratio	-	Interest expenses not recognized due to moratorium

Highlights of the financial year 2021-22

1. Although the Company is experiencing turbulent times, the Company is making all out efforts in responding to these challenges.
2. Operating costs have been kept under a tight leash and the cash flows were managed efficiently, thus resulting into a breakeven before provisions and extraordinary items and cash flow remaining comfortable throughout the year.
3. Tremendous efforts have been put in to reduce the Non fund liabilities by Rs.138.45 Crore in Financial Year 2021-22. The same was reduced by Rs. 93 Crore in Financial Year 2020-21.

4. Risks and Concerns:

There are adequate opportunities for infrastructure and construction business in India in the coming years as mentioned under the heading 'Indian Infrastructure Industry'. IECCL is seeing the good opportunities in the sectors of Power, Oil & Gas, Metros, Roads and Housing. However, the Company is unable to bid for any new projects due to negative net worth and other financial constraints such as Bank Guarantees. The adverse developments at IL&FS Group have significantly impinged on IECCL's business plans for revenue growth. The newly constituted Board has been working on a resolution plan for IL&FS Group and this would enable IECCL to resume its bidding, win new projects and continue its business operations as earlier. The period of business realignment is expected to take few more months, during which period the Company would have to deal with a large degree of uncertainties. However, IECCL has the ability to undergo this metamorphosis.

Risk Management:

IECCL has an integrated Enterprise Risk Management (ERM) framework in place for identification, assessment, mitigation and reporting of risks. Risk Management Committee / the Audit Committee/ the Board of Directors oversee the function by periodically reviewing the Critical Risks of the Business and its mitigation plans.

The critical enterprise level risks of the Company and the mitigation measures being taken are submitted below:

Liquidity Risk:

The debt burden has increased in a manner that is not commensurate with the size of its operations and there has been severe stress in terms of cash flows. Your company is in discussion with its bank consortium for assessment of debt restructuring and incremental working capital requirement to support growth in business. Your Company is also in discussion with Vendors for extending credit period support in execution of current projects.

Order Book Risk:

IECCL has not won any new works for the last three years. The Company cannot bid new projects at present due to negative net worth and inadequate fund

and non-fund support from Banks. Your Company is in discussion with Banks Consortium for extending the Company fund and non-fund support for bidding new Projects. Your Company is also in discussion with other financially sound contracting agencies to form Joint Ventures for bidding for new works

Reputation and Brand Risk:

The overburdened debt in IL&FS group, its default in debt servicing and discussion of its corporate governance practices in public affect the impact of IL&FS group companies including IECCL. This negative reputation will affect IECCL in winning new EPC Projects, in getting new borrowings at lower interest rate and in getting project services from vendors with credit facility. Your Company, with its proven track record in providing qualitative delivery of EPC Projects and making timely payments as per the contract terms, will rebuild confidence in clients and vendors

Operational Risks:

In order to mitigate operational risks in Project execution, due care is exercised in the preparation of design and drawings, selection of sub-contractors, selection of suppliers, recruitment of technical and non-technical staff, utilization of resources, insurance coverage etc. The Company has documented and implemented Standard Operating Procedures for all important operations of the Company, Delegation of Authority, periodical business monitoring mechanism and risk identification and mitigation mechanism

Political Risk:

Your Company is operating in multiple Indian States with different political environments and consequently subject to Political risks. Appropriate and adequate mitigation strategies are in place to mitigate these risks. The Company is spreading its operations in all major sectors of Infrastructure and in various States avoiding business concentration in same region.

Contractual Risks:

The Company is exposed to several contractual risks with clients, subcontractors, suppliers and lenders in its day to day operations. In order to mitigate these risks, the Company has an exclusive Contracts and Claims Department to oversee contract documentation, major claims and arbitrations.

Subcontractors Risk and Joint Venture Risks:

The Company associated with several subcontractors and joint ventures for executive of their projects. Their non-performance may affect the revenue and profitability of the Company. The Company has a robust system for selection of back-to-back subcontractors and Joint Venture Partners and monitor their performance regularly.

Material Risk:

Materials lying at completed / foreclosed / terminated projects has could not be utilized as there no new projects won by the Company. The materials lying at some projects could not be sold out as projects face hindrances from old creditors who are yet to be paid

the long outstanding pre-Oct 2018 dues. Due to this, these materials are being deteriorated and are prone to theft/ pilferages. With the approval from Justice D.K. Jain (Retd.), the company successfully completed the sale of materials at certain projects; and will undertake sale of these materials balance materials.

5. Internal Control System and their Adequacy:

The Company's internal financial control framework, established in accordance with the framework, is commensurate with the size and operations of the business and is in line with requirements of the Companies Act 2013. M/s. TR Chadha & Co., LLP, an external independent audit firm carries out the internal audit of the Company and reports its findings to the Audit Committee on a quarterly basis as per the Audit Plan approved. Internal Audit provides assurance on functioning and quality of internal controls along with adequacy and effectiveness through periodic reporting. Internal Risk & Control function also evaluates organisational risk along with controls required for mitigating those risks. Apart from the above, the Company has institutionalized internal controls in the form of Delegation of Authority (DoA) and standard operating procedures (SOP) with an objective of orderly and efficient conduct of its business, safeguarding the Company's assets, prevention and detection of frauds, accuracy and completeness of accounting records and compliance with applicable statutory requirements. The Company is having Oracle e-Business Suite as Enterprise Resource Planning (ERP) System for recording transactions in an integrated way with complete audit trail The Company has also deployed an external firm of Chartered Accountants and the combined Internal Audit team consists of technical auditors (Engineers), Chartered Accountants and Cost Accountants.

6. Human Resources & Industrial Relations:

For the Management, safety and health of its employees is first and foremost thing. During this pandemic, the IECCL Management is taking all steps for the health and hygiene by following guidelines laid down by Central and respective State Governments for well-being of its employees. Human Resource (HR) Department, periodically, updates its policies in line with best practices in the Industry. It circulates renewed policies to all its Employees through email and trainings.

IECCL continues to maintain harmonious relations with all its employees across all its Project Sites and Offices in India and as on March 31, 2022, the Company had 264 Employees on rolls.

Independent Auditor's Report

To The Members of IL&FS Engineering and Construction Company Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion:

1. We have audited the accompanying standalone financial statements of IL&FS Engineering and Construction Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, loss and other comprehensive loss, changes in equity and its cash flows for the year then ended.

Basis for Qualified Opinion:

3. We draw attention to Note 52 relating to non-recognition of interest expense for the year amounting to Rs.422.13 Crores (excluding penal interest, etc) on borrowings availed by the Company in terms of the resolution framework process approved by NCLAT considering the process initiated for resolution.
 - a. Consequently, interest expense and loss for the year are understated by Rs.422.13 Crores (approximately); and
 - b. Retained earnings (accumulated loss) and interest payable as at March 31, 2022 are understated by Rs.1,284.80 Crores (approximately).
4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going Concern:

5. Attention is invited to Note 30 regarding continued losses, erosion of net-worth as at the year end, and significant reduction in the Company's income from operations and other matters detailed in the said paragraph. These events and conditions indicate a material uncertainty which cast a significant doubt on the Company's ability to continue as a going concern, and therefore it may not be able to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Company to continue as a going concern is solely dependent on the finalisation and approval of the resolution process, which is not wholly within the control of the Company.

The Management of the Company has prepared these financial results on going concern basis considering the various initiatives and developments and the period of calm granted by NCLAT.

Our opinion is not modified in respect of this matter.

Emphasis of Matter:

6. We draw attention to the following notes to the standalone financial statements:
 - a. Note 31 (v) regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Holding Company') and some of its subsidiaries (including the Company). The financial statements of the Company for the year ended on March 31, 2022 do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating and other agencies and Regulatory Authorities. The management, at this juncture, do not foresee any adjustments to be made in these financial statements of the Company as a result of any such investigations.
 - b. Note 51 regarding non-receipt of confirmation of balances as at March 31, 2022 from some lenders, customers and vendors. In the absence of confirmations, the adjustments, if any, on account of unsettled transactions, to the carrying values of assets and liabilities cannot be ascertained.

The adjustments, if any, arising out of the above matters to the carrying value of assets or to the amounts disclosed in financial statements, cannot be determined at this juncture for the reasons stated in respective notes.
 - c. Note 54 regarding exceptional items which comprise the reversal of Rs.242.99 Crores deferred tax asset, based on the management assessment and reversal of interest aggregating to Rs.63.56 Crores on statutory dues as on cut-off date fixed by NCLAT, based on the legal advice obtained by the management.

Our opinion is not modified in respect of the aforementioned matters.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the 'Basis for Qualified Opinion' and 'Material Uncertainty Related to Going Concern' section, we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Description of Key Audit Matters:

Key audit matter	How the matter was addressed in our audit
Estimated Cost to complete the Project:	
Refer note 3 (a) to the Standalone Financial Statements	
The Company recognises revenue under percentage of completion method as specified under Indian Accounting Standard (IND AS)-115 – Revenue from contract with customers. Recognition of revenue requires estimation of total contract cost which comprises of the actual cost incurred till date and estimated cost further to be incurred to complete the projects. Estimation of the cost to complete involves exercise of significant judgement by management including assessment of technical data and hence identified as Key Audit Matter.	<p>Our audit approach was a combination of test of compliance of company's internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Tested the design, implementation and operating effectiveness of the controls surrounding determination and approval of estimated cost. • Verified the contracts with customers on test check basis and the actual cost incurred and terms and condition related to the variation of the cost. • Obtained and relied on the internal assessments supporting the accuracy of the estimate of the total cost of the project for selected contracts on test check basis.
Trade receivables and Contract Assets	
Refer Note: 7 and 12 to the Standalone Financial Statements	
Trade receivables, retention money and contract assets (project work in progress) amounting to Rs.101.04 Crores, Rs.378.77 Crores and Rs.456.09 Crores respectively, represents approximately 43 % of the total assets of the Company as at March 31, 2022. In assessing the recoverability of the aforesaid balances, management's judgement involves consideration of aging status, evaluation of litigations and the likelihood of collection based on the terms of the contract. Management estimation is required in the measurement of work completed during the period for recognition of unbilled revenue. We considered this as key audit matter due to the materiality of the amounts and significant estimates and judgements as stated above.	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> • We understood and tested on a sample basis the design and operating effectiveness of management control over the recognition of the trade receivables, retention money and contract assets. • We performed test of details and tested relevant contracts, for the provisions made by the management towards doubtful and credit loss. • We tested the aging of trade receivables at year end. • We performed test of details and tested relevant contracts and documents with specific focus on measurement of work completed during the period for material unbilled revenue balances included in contract asset. • We performed additional procedures, in respect of material over-due trade receivables and long outstanding contract assets, i.e. tested historical payment records. • We assessed the allowance for impairment made by management.
Provisions and Contingent Liabilities:	
Refer note 3 (p) to the Standalone Financial Statements	
The Company is involved in various taxes and other disputes for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgements and such judgements relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area is a key matter for our audit.	<p>Our audit approach was combination of test of compliance of company's internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. • Examining the supporting documentation for the positions taken by the management, correspondence from in-house legal counsel and/or legal team and reviewing the minutes of Board and subcommittee, to confirm the operating effectiveness of these controls. • Review of assumptions used in the evaluation of potential risk and tax risks performed by the legal and tax department of the Company considering the legal precedence and other rulings in similar cases. • Consideration of recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.

Information Other than the standalone financial statements and Auditors' Report Thereon:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Director's Report, Management Discussion and Analysis and Corporate Governance Report but does not include the standalone and consolidated financial statements and our auditor's reports there on.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we perform, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone financial statements:

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, loss and other comprehensive loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone financial statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticisms throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. Except for the matters stated in the "Basis for qualified opinion" paragraph hereinabove, we have obtained all the information and explanations which we had sought and to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. Except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e. The matter relating to going concern described under Material Uncertainty Related to Going Concern paragraph above, and the matters stated at paragraphs 6 (a) and (b) under Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f. On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - g. The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - h. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - i. With respect to the matter to be included in the Auditors' Report under section 197 (16), according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the current year except sitting fee paid to the non- executive / independent directors, which is in accordance with the applicable provisions of the Companies Act, 2013.
 - j. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements (Refer Note – 31 to the Standalone Financial Statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. (a) the Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other

person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) the Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
3. The Company has not declared or paid any dividend during the year.

Re: IL&FS Engineering and Construction Company Limited

“Annexure A” to the Independent Auditor’s Report on the standalone financial statements

(Referred to in paragraph (1) under “Report on Other Legal and Regulatory Requirements” of our Report of even date to the members of IL&FS Engineering and Construction Company Limited on the standalone financial statements for the year ended March 31, 2022.)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. With respect to Property, Plant and Equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The property, plant and equipment have been physically verified during the year by the Management in accordance with a programme of verification, which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals having regard to the size of the Company and the nature of their assets, the discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
 - (c) The title deeds of immovable properties included under the head Property, Plant and Equipment in the financial statements have been lodged with the lenders for working capital facility as security, we have not been provided with confirmation by the lenders in respect of holding of these title deeds as at the year end.
 - (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year and accordingly, paragraph 3(i)(d) of the Order is not applicable.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii.
 - (a) The management has conducted physical verification of inventories at reasonable intervals during the year. Discrepancies noted on physical verification of inventories were not material and have been properly dealt with in the books of account.
 - (b) The Company had been sanctioned working capital limits in excess of Rs.5 crores, in aggregate, from lenders on the basis of security of current assets. The Company is generally regular in filing quarterly statements with the lenders. There were no material discrepancies noted on the reconciliation of monthly returns/statements with the books of accounts of the Company. Refer Note 53 (ix) of Notes to financial statements.
- iii. According to the information and explanations given to us, the Company has not made any investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties during the year and accordingly paragraph 3(iii) of the Order is not applicable, at present.
- iv. According to the information and explanations furnished to us and in our opinion, the Company has complied with the provisions of Section 185 and Section 186 of the Companies Act, 2013, in respect of grant of loans, investments made and providing guarantees and securities, as applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits to which the directions issued by the Reserve Bank of India and provisions of Section 73 to Section 76 or any other relevant provision of the Act and the Rules made there under, where applicable. Further no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal and accordingly paragraph 3(v) of the Order is not applicable, at present.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the construction industry and construction of roads and other infrastructure projects, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not made a detailed examination of the same.
- vii. With respect to statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees’ state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and any other material statutory dues applicable to it with the appropriate authorities during the year;

- xi.
- (a) During the course of our examination of the books and other records of the Company carried out in accordance with the generally accepted auditing practices in India, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year, nor have we been informed of such case by the management under report.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into non-cash transactions with directors or persons connected with them and hence provisions of Section 192 of the Act, are not applicable.
- xvi.
- a) Based on the information and explanations furnished to us, in our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934.
 - b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities.
 - c) In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - d) We have not received from the Company, necessary information / confirmation to enable us to state whether the Group of which it is a constituent, has any Core Investment Company in the Group.
- xvii. The Company has incurred Rs.611 Crores cash losses during the financial year covered by our audit and Rs.540 Crores immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year, accordingly paragraph 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, and significant reduction in the Company's future income from operations in the absence of new business orders and the other matters stated in the Note 30 to financial statements, in our opinion, there exists a material uncertainty which cast a significant doubt on the Company's ability to continue as a going concern, and therefore it may not be able to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Company to continue as a going concern is solely dependent on the finalisation and approval of the resolution plan, which is not wholly within the control of the Company.
- xx. In our opinion, provisions of Section 135 of the Act is not applicable to the Company at present. Accordingly, paragraph 3(xx) (a) and (b) of the Order is not applicable

IL&FS Engineering and Construction Company Limited

“Annexure B” to the Independent Auditor’s Report on the standalone financial statements

(Referred to in paragraph 2 (h) under “Report on Other Legal and Regulatory Requirements” of our Report of even date to the members of IL&FS Engineering and Construction Company Limited)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of IL&FS Engineering and Construction Company Limited (‘the Company’) as of March 31, 2022 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements

for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2022:

- a. The Company's internal financial control system with regard to non-recognition of interest expense on the borrowings without a formal approval from lenders was not operating effectively. This could potentially result in misstatement in the financial statement by way of company not providing for interest expenses that may be required.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended on March 31, 2022, and the material weaknesses has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the financial statements of the Company.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

1. Corporate information:

IL&FS Engineering and Construction Company Limited ("IECCL or "the Company") is a public company domiciled in India. The Company is primarily engaged in the business of erection / construction of roads, irrigation projects, buildings, oil & gas infrastructure, railway infrastructure, power plants, power transmission & distribution lines including rural electrification and development of ports. The equity shares of the Company are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

2. Basis for preparation of financial statements:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the 'Act'), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors at its meeting held on May 29, 2022.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated.

C. Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2022 is included in the following notes:

- Note 35 - measurement of defined benefit obligations: key actuarial assumptions;
- Notes 13, 20 and 31 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 4 - useful life and depreciation of property, plant and equipment
- Note 5 - useful life and amortisation of intangible assets.
- Note 6 to 9 - impairment of financial assets.
- Note 3(a), 22, 34, and 12 - Revenue recognition, cost to complete, profit margin
- Note 44 - Leases - Estimating the incremental borrowing rate

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

- Note 12 and 22 – The Company uses the percentage-of-completion method (POCM) in accounting for its long term construction contracts. Use of POCM requires the Company to estimate the contract revenue and total cost to complete a contract. Changes in the factors underlying the estimation of the contract revenue and total contract cost could affect the amount of revenue recognized.
- Note 13 – Deferred tax assets are recognized for unused unabsorbed depreciation to the extent it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.
- Note 44 - Determining the lease term of contracts with renewal, estimating incremental borrowing rate and termination options – Company as lessee
- Note 7, 8, 9 and 12 – Determining the amount of expected credit loss on financial assets (including trade receivables, loans and Contract assets).

E. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financials statement are categories within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Further information about the assumptions made in the measuring fair values is included in the note 47 on financial instruments.

3. Significant accounting policies

(a) Revenue Recognition

Revenue from construction contracts

Contract Revenue is recognised under 'percentage-of-completion method'. Use of the 'percentage-of-

completion method' requires the Company to measure the efforts or costs expended to date to the satisfaction of a performance obligation as a proportion of the total expected efforts or costs to be expended to the satisfaction of that performance obligation over the time. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Costs incurred in the year in connection with future activity on a contract are excluded from contract costs in determining the stage of completion.

Further, the Company uses significant judgements while determining the transaction price allocated to performance obligation using the expected cost plus margin approach.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

Variations in contract work, claims and incentive payments are included in contract revenue only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and are capable of being reliably measured.

Revenue from design and consultancy services

Revenue from the design and consultancy services is recognized as and when services are rendered in accordance with the terms of the agreement with the customers.

Revenue from hire charges

Revenue from hire charges is accounted for in accordance with the terms of agreement with the customers.

Interest

Interest income is accrued on a time basis, by reference to the principal amount using the effective interest rate applicable.

Dividend

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date.

(b) Property, plant and equipment:

- Property, plant and equipment and capital work in progress are carried at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.
- Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for use are included to the extent they relate to the period till such assets are ready for intended use. Any trade

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment.

- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.
- (iv) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (v) The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.
- (vi) Assets retired from active use and held for disposal are stated at their estimated net realizable values or net book values, whichever is lower.
- (vii) Assets acquired under finance lease are depreciated on a straight-line basis over the useful life of the asset or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower.
- (viii) Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- (ix) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (x) Capital work in progress includes the cost of property, plant and equipments that are not ready for their intended use at the balance sheet date.

Depreciation on property, plant and equipment

- (i) Depreciation on property, plant and equipment other than those mentioned in S.no.(ii) below, is calculated on straight-line basis using the rates arrived at, based on useful lives estimated by the management which coincides with rates prescribed under Schedule II of the Companies Act, 2013.
- (ii) Depreciation on the following property, plant and equipment is provided on a straight-line basis, at rates that are based on useful lives as estimated

by the management, which are different from the general rates prescribed under Schedule II of the Companies, Act 2013.

Category of asset	Estimated useful life
Plant and Machinery	
- construction equipment consisting of shuttering / scaffolding material and equipment given on hire	6 years
- shuttering/scaffolding material at project sites	6 years
Temporary erections – site offices	over the expected life of the respective project
Leasehold improvements	over the period of lease or useful life whichever is lower
Site infrastructure	6 years
Tools and implements	Fully in the year of purchase

- (iii) Assets costing five thousand rupees or less are fully depreciated in the year of purchase.
- (iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(c) Intangible assets:

Software - Computer software license cost is expensed in the year of purchase as there is no expected future economic benefit, except for enterprise wide/project based software license cost which is amortized over the period of license or six years, whichever is lower.

Mining rights – Mining rights are amortized in the proportion of material extracted during a year that bears to total estimated extraction over the contractual period.

(d) Investments:

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non-current investments

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition cost is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Investments in subsidiaries, associates and joint ventures:

The Company has elected to recognise its investments in subsidiary and associate companies at cost in accordance with the option available in Ind AS 27, Separate Financial Statements.

(e) Inventories:

Project materials at site are valued at the lower of cost and net realisable value. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to effect the sale.

(f) Employee benefits

Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service at the undiscounted amount of the benefits expected to be paid.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return

on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Compensated absences is a long-term employee benefit, and accrued based on an actuarial valuation done as per projected unit credit method as at the balance sheet date, carried out by a qualified independent actuary. Actuarial gains and losses arising during the year are immediately recognised in the statement of profit and loss. Remeasurement of defined benefit plans in respect of post employment are charged to other comprehensive income.

(g) Income taxes

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

(ii) Deferred tax:

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

(h) Foreign currency transactions and translations:

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(i) Leases:

Where the Company is a Lessor

Assets under operating leases are included in property, plant and equipment. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of profit and loss.

Where the Company is a Lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or

the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the following.

- Fixed payments, including in-substance Fixed payment
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is re-measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value asset

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of 12 months. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(j) Borrowing Costs:

Borrowing costs directly attributable to the acquisition or construction of an qualifying asset that necessarily

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are charged in the year they occur.

(k) Accounting for Joint Ventures:

Accounting for joint ventures undertaken by the Company has been done in accordance with the requirements of Ind AS – 28 “Investments in Associates and Joint Ventures” notified under section 133 of the Companies Act, 2013, and as follows:

Joint Operations:

In respect of joint venture contracts which are executed under work sharing arrangements, the Company's share of revenues, expenses, assets and liabilities are included in the separate financial statements as revenues, expenses, assets and liabilities respectively. In case of certain construction contracts in the irrigation sector, the share of work executed by the Company has been determined on the basis of certification by lead partner.

(l) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and taxes applicable) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue that have changed the number of outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results are anti-dilutive.

(m) Impairment:

(i) Financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Company assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise; or

- it is probable that the borrower will enter bankruptcy or other financial reorganization.

The Company measures loss allowances at an amount equal to lifetime expected credit losses (ECL), except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition, which are measured as 12 month expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(ii) Non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(n) Financial instruments:

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at

- amortised cost;

- Fair Value Through Other Comprehensive Income (FVTOCI)
- Fair Value Through Profit & Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

"A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL: • the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and • the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding."

"Investment in debt instruments is measured at FVTOCI if it meets both of the following conditions and is not designated at FVTPL: • the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and • the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding."

At present the Company does not have investment in any debt securities classified as FVTOCI.

On initial recognition of an investment in Equity Instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVTOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVTOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVTOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with sole payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses for financial assets held by the Company

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at FVTOCI	These assets are subsequently measured at fair value. Net gains and losses, including any interest are recognised in the OCI
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss. Presently, all the financial liabilities are measured at amortised cost.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains or losses (including impairment gains or losses) or interest.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(o) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. For the disclosure on reportable segments Refer note 33.

(p) Provisions and contingent liabilities:

i. General

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(q) Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short term investments with original maturity of three months or less.

(r) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and

tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(s) Current and non-current classification:

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it satisfies any of the following criteria:

- It is expected to be realised or intended to sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting year; or
- It is Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting year; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(t) Operating cycle:

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Accordingly, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(u) Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(i) Ind AS 16 - Property Plant and equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

(ii) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

(b) Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distributions will be in proportion to the number of equity shares held by the shareholders.

(c) Restrictions attached to equity shares

As per the Master Restructuring Agreement (MRA) entered into by the Company with its bankers, the promoter's shareholding would be retained at a minimum of 26% of issued equity share capital of the Company at any point of time for a maximum period of four years from the effective date i.e. September 27, 2010. Further vide letter dated September 30, 2015, Infrastructure Leasing and Financial Services Limited confirmed that the promoters will not, without the prior written consent of the Bank, dilute its equity holding in the Company below 26% of the paid up equity share capital of the Company.

(d) Terms of preference shares

For rights, preferences and restrictions attached to 6% Cumulative Redeemable Preference Shares (CRPS) and 6% Optionally Convertible Cumulative Redeemable Preference Shares (OCCRPS) of Rs. 100 each, classified as financial liability (refer note 16).

Preference shares of both classes carry a preferential right as to dividend over equity shareholders. The Company declares and pays dividends in Indian Rupees. The holder of preference shares are entitled to one vote per share only on resolutions placed before the Company which directly affect their rights attached to the preference shares. In the event of liquidation of the Company during the existence of preference shares, the holders of preference shares will have priority over equity shares in the payment of dividend and repayment of capital.

30. Going Concern

The Company has accumulated loss of Rs.3,394.25 as at March 31, 2022 (as at March 31, 2021: Rs. 3007.90). The Company has incurred loss of Rs. 386.52 during the year ended March 31, 2022. Company's net worth has been fully eroded and the current liabilities exceed its current assets as at the balance sheet date by Rs. 3736.72 (March 31, 2021: Rs. 3738.25). Existing projects being executed by the Company are nearing completion / or approaching their end of term, which is likely to result in significant reduction in the Company's operating revenue over the past three year. The Company has continued to default in payment of various loans to the lenders of the Company, including borrowings from promoter group entities.

As indicated in Note 31(v), the Reconstituted Board of Directors of IL&FS in their reports to National Company Law Tribunal (NCLT) categorized Company under the Group "Red" implying that the Company is unable to meet its contractual, statutory and debt obligations. The Company is currently not settling liabilities existing prior to the date of reconstitution of Board of Directors of IL&FS to its Financial Creditors and the Operational Creditors.

Adverse developments in promoter group entities impacted the operations of the company and also resulted in cancellation/ termination/suspension/foreclosure of certain contracts with customers.

The Reconstituted Board and the management of the Company have taken various steps to continue the operations at present level during the period of calm granted by the Hon'ble NCLAT as part of resolution process. Further, the Reconstituted Board is in the process of finalizing a comprehensive approach to manage the current situation including sale of existing equity share holding by IL & FS Group. In this process, the Reconstituted Board, as part of resolution process for the Company, has invited expression of interest for acquiring the equity stake in the Company. In January 2022, a bid has been received from an unincorporated Consortium which will be subjected to challenge through counter bid under a Swiss Challenge method. The successful bid would then be taken to the Committee of Creditors for their approval. If accepted, the bid would then be placed for approvals from Justice D.K. Jain (Retd.) and then NCLT.

The accompanying financial statement have been prepared on a going concern basis considering the cumulative impact of above stated matters and peace of calm granted by NCLAT.

31. Contingent liability

(a) Contingent liabilities on account of pending litigations

S. No.	Particulars	As at March 31, 2022	As at March 31, 2021
(i)	Claims against the Company not acknowledged as debts (interest, if any, not ascertainable after date of order)	12.11	12.11
(ii)	Direct taxes under dispute *	38.49	39.82
(iii)	Indirect taxes under dispute **#	185.59	104.71

*Income tax demand mainly comprises of demand from the Income Tax authorities upon completion of their assessment upto the financial year 2017-18. The tax demands are mainly on account of classification of waiver of interest and principal amount of loan as revenue receipt which has been considered as capital receipt by the Company, disallowance of expenditure incurred towards extra works/Labour cost on projects, disallowance of expenditure on which TDS is not deducted or short deducted, etc.

**The demands raised by the Sales Tax authorities and Central Excise and Service Tax authorities are mainly towards enhancement of taxable turnover due to certain disallowances, change in classification of services provided by the Company, interpretation of the provisions of the Acts etc.

#Excludes Rs. 6.52 (March 31, 2021: Rs. 6.52) where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. All these cases are under litigation and are pending with various authorities, and the expected timing of resulting outflow of economic benefits cannot be specified.

(iv) The Company formed Himachal Joint Venture (HJV) to execute an EPC project with National Hydro Power Corporation (Client). HJV subcontracted this work to SSJV Projects Private Limited (SSJV) and the work had been executed to the extent of Rs. 262.45 by SSJV. Due to the geographical conditions at site, work could not be done at the rates prescribed in the contract. HJV invoked arbitration clause for delays and extra-ordinary geological occurrence in executing the project. The Client en-cashed bank guarantees for an amount of Rs. 216.40 provided by SSJV and issued winding up notice to the Company as well as other joint venture partners. The Company vide its letter dated July 29, 2013 replied to the said notice stating that the matter is disputed and subjudice and would not be legally tenable. Client had filed a winding-up petition against Company and Joint venture partner vide CP 73/2014, which was dismissed. No appeal has been filed by client so far.

(v) Investigations etc by the Regulatory / Investigative Agencies:

Subsequent to adverse developments at Infrastructure Leasing and Financial Services Limited ("IL&FS") and IL&FS group level, as stated in earlier years, various regulatory and investigatory authorities are seeking information from the company as part of their investigations since 2018-19 onwards. Company and the present management are cooperating with the respective authorities and submitting the information as sought from time to time.

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

Further, as per the directions of the Reconstituted Board of IL&FS, forensic audit also has been initiated for select entities including this Company. The forensic auditors submitted their final reports during May 2021 detailing certain potential anomalies in the financial statements and operations of the Company. The report has been hosted on the Company's websites and also filed with stock exchanges, submitted to SFIO etc. Based on the said report SFIO sought additional information from the Company and also requested the statutory auditors of the Company past and present to submit their audit working files.

32. Commitments:

(a) Capital Commitments:

Estimated amount of contracts (net of advances) remaining to be executed on capital account and not provided for Rs. Nil (March 31, 2021: Nil).

(b) Other Commitments:

- i. The Company has made a commitment to make additional investment of Rs. 49.64 (March 31, 2021: Rs. 49.64) in Maytas Infra Saudi Arabia Company Limited Liability Company. Based on the latest available management certified financial statements of the aforesaid subsidiary as on March 31, 2018, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is undeterminable at this stage.

As the Company has not received any communication to meet any potential obligation to share further liability of the said subsidiary no provisions have been made in the books. An application to the Reserve Bank of India seeking approval to write-off its investment held in MISA has been made by the Company. Once the approval is in place, steps for writing off the investment, followed by closure of the MISA in Saudi would then be initiated.

- ii. Under a sponsors' support agreement, the Company (a co-sponsor) has obligation to the lenders' of a Special Purpose Vehicle (SPV), whose 26.10% Equity is held by Maytas Investment Trust (MIT), until financial year ending 2027-28, to meet shortfall in Debt service coverage ratio of the SPV on a term loan of Rs. 279.83 (March 31, 2021: Rs. 279.83)

33. Segment reporting :

The Company's operations fall into a single business segment "Construction and Infrastructure Development" and in accordance with Ind AS 108 - Operating Segments, segment information with respect to geographical segment has been given in the consolidated financial statements of the Company, therefore no separate disclosure on segment information is given in these financial statements.

34. Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers"

(a) Disaggregation of revenue:

The Company recognises revenue from contracts with customers which includes Government and Non-Government customers, for construction / project activities over a period of time. During the year substantial part of the Company's business has been carried out in India.

(b) Contract balances

(i) Opening and closing balances of contract balances

Particulars	March 31, 2022	March 31, 2021
Trade receivables	101.04	161.42
Contract assets - Project Work in progress	456.09	583.09
Contract assets - Retention money	378.77	433.86
Provision for estimated future losses on projects and liquidated damages	56.23	146.00
Contract liabilities	453.26	516.93

Notes to standalone financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

The credit period towards trade receivables generally ranges between 30 to 180 days. Further the customer retains certain amounts as per the contractual terms which usually fall due on the completion of defect liability period (DLP) of contract. These retentions are made to protect the customer from the Company failing to adequately complete all or some of its obligations under the contract. Contract assets are initially recognised for revenue earned from transfer of goods and services but not billed to customer because the work completed has to meet technical requirements as well as various milestones as set out in the contract with customers. Upon fulfilling the said requirements and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables. A contract liability is the obligation to transfer goods or services to a customer for which the Company has received advance payments from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the consideration received. Contract liabilities include advances received from customers towards mobilisation of resources, purchase of materials, etc. and advance billing.

Impairment losses recognised on contract assets and trade receivables have been disclosed in note 7

(ii) Revenue recognised during the year from opening balance of contract liabilities amounts to Rs. 33.45

(c) Reconciling the amount of revenue recognised in the statement of profit and loss with the contracted price

There is no difference in the contract price negotiated and the revenue recognised in the statement of profit and loss for the current year. There is no significant revenue recognised in the current year from performance obligations satisfied in previous periods.

(d) Performance obligation

The transaction price allocated to the remaining performance obligations is Rs. 425, which will be recognised as revenue over the respective project durations. Generally the project duration of contracts with customers is be 2 to 5 years.

35. Retirement benefits

(a) Disclosures related to defined contribution plan:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and Employees' State Insurance contribution (ESI), which are defined contribution plans. The contribution are charged to the Statement of profit and loss as they accrue.

(b) Disclosures related to defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service. The scheme is funded with Life Insurance Corporation of India.

The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date.

B. Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities other than those valued at Level 1 and Level 2 are considered to be the same as their fair values due to the current and short term nature of such balances and no material differences in the values.

(ii) Levels 1, 2 and 3

Level 1: It includes Investment in equity shares that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

- Interest rate risk**

The company is exposed to interest rate risk as it borrows funds at both fixed and floating interest rates. Due to the matters discussed in note no. 51, the company has not accrued interest expense post October, 2018. Accordingly, interest rate sensitivity analysis is not disclosed. The average interest rate on short-term bank deposits during the year was 6.40% (March 31, 2021: 6.40%).

The company exposure to interest rates on financial instruments is detailed below:

Particulars	As at March 31, 2022	As at March 31, 2021
Financial assets		
Cash and bank balances	103.95	66.94
Total interest rate dependent financial assets	103.95	66.94
Financial liabilities		
Borrowings	2,668.83	2,669.15
Other financial liabilities	1,000.94	1,049.83
Total interest rate dependent financial liabilities	3,669.78	3,718.99

The amounts included above for interest rate dependent financial assets are fixed interest bearing financial assets.

- Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The Group's presentation currency is the Indian Rupees. The Group's exposure to foreign currency arises in part when the Group holds financial assets and liabilities denominated in a currency different from the functional currency of the entity.

48. Trade receivables and Contract assets (Retention Money and Project work in progress):

An aggregate amount of Rs 252.63 included interest receivable, trade receivable and retention money recognized in earlier years and net of mobilization advance and interest payable on mobilization advance represents amount receivable from a contractee as per the arbitration award in favour of the Company. The contractee has referred the matter further to High Court of Delhi.

49. Inter-Corporate Deposits:

Prior to April 1, 2009, the erstwhile promoters had given certain Inter Corporate Deposits (ICDs) to various companies aggregating to Rs. 343.78. Of the foregoing, documentary evidences had been established that, for an amount of Rs 323.78, the then Satyam Computer Services Limited (SCSL) was the ultimate beneficiary and for which a claim together with compensation receivable had been lodged by the Company. During the earlier years, SCSL had merged into Tech Mahindra Limited (TML) pursuant to a Scheme of Arrangement u/s.391-394 of the Companies Act, 1956. As provided in the Scheme and as per the Judgment of Hon'ble High Court of Andhra Pradesh on the said Scheme, the aforesaid amount in books of SCSL was transferred to TML. The Company, through its subsidiaries, preferred an Appeal before the Division Bench of Hon'ble High Court of Andhra Pradesh against the single judge's Order approving the merger scheme of SCSL which is pending as on date. TML, in its Audited Financial Statement for the year ended March 31, 2022 continued to disclose as "Suspense Account (Net) Rs. 1,230.40" as disclosed by SCSL earlier. Management is of the opinion that the claim made by the Company on SCSL is included in the aforesaid amount disclosed by TML in its Audited Financial Statements. The Company is confident of recovering the said ICDs together with compensation due thereon from SCSL/TML. Further, based on internal evaluation and legal opinion, documentary evidences available

54. Exceptional item

Particulars	As at March 31, 2022	As at March 31, 2021
Interest reversal for GST and TDS on unpaid Pre October 2018 liabilities #	(63.56)	-
Deferred tax assets, net written off (refer Note 56)	242.99	
Covid -19 Impact - Provision for additional cost	-	47.58
	179.43	47.58

The Company has been legally advised that no interest is required to be paid on certain statutory dues post the cut-off date fixed by the NCLAT. Considering the same, the Company, during the year, reversed the interest accounted on such statutory dues in earlier period aggregating to Rs. 63.56 and treated the same as exceptional item.

55. The SARS –CoV-2 virus responsible for Covid - 19 continues to spread across the globe and India, which has contributed to a significant decline in global and local economic activities. The extent to which the Covid 19 pandemic will impact the company's results will depend on future developments, which are uncertain, including, among other things, any new information concerning the severity of the Covid 19 pandemic and any action to contain its spread or mitigate its impact whether government mandated or elected by the Company.
56. Deferred Tax amounting to Rs. Nil as at March 31, 2022 (Rs. 242.99 as at March 31, 2021), recognized by the Company in earlier years. Based on the management assessment, Rs 242.99 being the balance under deferred tax asset recognized in earlier years has been reversed since the threshold of reasonable certainty for carrying the deferred tax assets as at the year end has not been met (Refer note 54).

Independent Auditor's Report

To The Members of IL&FS Engineering and Construction Company Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion:

1. We have audited the accompanying Consolidated financial statements of IL&FS Engineering and Construction Company Limited ("Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and joint ventures, which comprise the Consolidated balance sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the Consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, of consolidated loss and other consolidated comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion:

3. We draw attention to the following notes to the Consolidated financial statements:
 - a. Note 51 relating to non-recognition of interest expense for the year amounting to Rs. 422.13 Crores (excluding penal interest) on borrowings availed by the Company considering the process initiated for submission of a resolution proposal to lenders for restructuring of existing debt.
 - i. Consequently, interest expense is understated, loss for the year are understated by Rs. 422.13 Crores approximately; and
 - ii. Retained earnings (accumulated loss) and interest payable as at March 31, 2022 are understated by Rs.1284.80 Crores approximately.
 - b. The consolidated financial statements do not include the financial statements and other financial information of an overseas entity "Maytas Infra Saudi Arabia Company" for the reasons stated in Note 3(a)(vii). We are unable to comment on impact on the financial results

for the year, carrying values of assets/ liabilities and retained earnings of the Group, had the subsidiary's financial results and other financial information been consolidated.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going concern:

5. Attention is invited to Note 30 regarding continued losses, erosion of net-worth as at the year end, and significant reduction in the Holding Company's income from operations and other matters detailed in the said paragraph. Further, all subsidiaries have not commenced their operations for a substantial period and their respective financial statements have been prepared not as a going concern. These events and conditions indicate a material uncertainty which cast a significant doubt on the Group's ability to continue as a going concern, and therefore it may not be able to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Holding Company to continue as a going concern is solely dependent on the finalisation and approval of the resolution process, which is not wholly within the control of the Group.

The Management of the Group has prepared these financial results on going concern basis considering the various initiatives and developments and the period of calm granted by NCLAT.

Our opinion is not modified in respect of this matter.

Emphasis of Matter:

6. We draw attention to the following notes to the consolidated financial statements:
 - a. Note 31 (v) regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Holding Company') and some of its subsidiaries (including the Company). The financial statements of the Holding Company for the year ended on March 31, 2022 do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating and other agencies and Regulatory Authorities. The management, at this juncture, do not foresee any adjustments to be made in these financial statements of the Holding Company as a result of any such investigations.

- b. Note 50 regarding non-receipt of confirmation of balances as at March 31, 2022 from some lenders, customers and vendors. In the absence of confirmations, the adjustments, if any, on account of unsettled transactions, to the carrying values of assets and liabilities cannot be ascertained.

The adjustments, if any, arising out of the above matters to the carrying value of assets or to the amounts disclosed in financial statements, cannot be determined at this juncture for the reasons stated in respective notes.

- c. Note 53 regarding exceptional items which comprise the reversal of Rs.242.99 Crores deferred tax asset, based on the management assessment and reversal of interest aggregating to Rs.63.56 Crores on statutory dues as on cut-off date fixed by NCLAT, based on the legal advice obtained by the management.

Our opinion is not modified in respect of the aforementioned matters.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the 'Basis for Qualified Opinion' and Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Description of Key Audit Matter:

Key audit matter	How the matter was addressed in our audit
Estimated Cost to complete the Project:	
Refer note 3 (c) to the consolidated financial statements	
The Company recognises revenue under percentage of completion method as specified under Indian Accounting Standard (IND AS)-115 – Revenue from contract with customers. Recognition of revenue requires estimation of total contract cost which comprises of the actual cost incurred till date and estimated cost further to be incurred to complete the projects. Estimation of the cost to complete involves exercise of significant judgement by management including assessment of technical data and hence identified as Key Audit Matter.	Our audit approach was a combination of test of compliance of company's internal controls and substantive procedures which included the following: <ul style="list-style-type: none"> • Tested the design, implementation and operating effectiveness of the controls surrounding determination and approval of estimated cost. • Verified the contracts with customers on test check basis and the actual cost incurred and terms and condition related to the variation of the cost. • Obtained and relied on the internal assessments supporting the accuracy of the estimate of the total cost of the project for selected contracts on test check basis.
Trade receivables and Contract Assets	
Refer Note: 7 and 12 to the consolidated financial statements	
Trade receivables, retention money and contract assets (project work in progress) amounting to Rs to Rs.101.04 Crores, Rs. 378.77 Crores and Rs.456.09 Crores respectively, represents approximately 43 % of the total assets of the Company as at March 31, 2022. In assessing the recoverability of the aforesaid balances, management's judgement involves consideration of aging status, evaluation of litigations and the likelihood of collection based on the terms of the contract. Management estimation is required in the measurement of work completed during the period for recognition of unbilled revenue. We considered this as key audit matter due to the materiality of the amounts and significant estimates and judgements as stated above.	Our audit procedures amongst others included the following: <ul style="list-style-type: none"> • We understood and tested on a sample basis the design and operating effectiveness of management control over the recognition of the trade receivables, retention money and contract assets. • We performed test of details and tested relevant contracts, for the provisions made by the management towards doubtful and credit loss. • We tested the aging of trade receivables at year end. • We performed test of details and tested relevant contracts and documents with specific focus on measurement of work completed during the period for material unbilled revenue balances included in contract asset. • We performed additional procedures, in respect of material over-due trade receivables and long outstanding contract assets, i.e. tested historical payment records. • We assessed the allowance for impairment made by management.

Provisions and Contingent Liabilities:	
Refer note 3 (p) to the consolidated financial statements	
<p>The Company is involved in various taxes and other disputes for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgements and such judgements relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area is a key matter for our audit.</p>	<p>Our audit approach was combination of test of compliance of company's internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. • Examining the supporting documentation for the positions taken by the management, correspondence from in-house legal counsel and/or legal team and reviewing the minutes of Board and subcommittee, to confirm the operating effectiveness of these controls. • Review of assumptions used in the evaluation of potential risk and tax risks performed by the legal and tax department of the Company considering the legal precedence and other rulings in similar cases. • Consideration of recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.

Information Other than the consolidated financial statements and Auditors' Report Thereon:

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Director's Report, Management Discussion and Analysis and Corporate Governance Report but does not include the consolidated and consolidated financial statements and our auditor's reports there on.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we perform, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated financial statements:

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and of its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for overseeing the financial reporting process of the Group and of its joint ventures.

Auditor's Responsibilities for the Audit of the consolidated financial statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the Group's share of net profit of Rs.22 Lakhs for year ended March 31, 2022, as considered in the consolidated financial statements, in respect of two joint ventures, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial Statements, in so far as it relates to the amounts and disclosures included in respect of these aforesaid joint ventures and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint ventures, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on other Legal and regulatory requirements:

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'Other Matters' paragraph, we report that:
 - a. Except for the matters stated in the "Basis for qualified opinion" paragraph hereinabove, we have obtained all the information and explanations which we had sought and to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. Except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e. The matter relating to going concern described under Material Uncertainty Related to Going Concern paragraph above, and the matters stated at paragraphs 6 (a) and (b) under Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f. On the basis of the written representations received from the directors as on March 31 2022 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group Companies incorporated in India is disqualified as on March 31 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - g. The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - h. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - i. With respect to the matter to be included in the Auditors' Report under section 197 (16), according to the information and explanations given to us, the company has not paid any remuneration to its directors during the current year except sitting fee paid to the non- executive / independent directors. The same is in accordance with the applicable provisions of the Companies Act, 2013.
 - j. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'Other matter' paragraph:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated Financial Statements (Refer Note – 31 to the Consolidated Financial Statements);
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group;
 - iv.
 - (a) the Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) the Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- v. The Group has not declared or paid any dividend during the year.
- vi. The Group has six subsidiaries wherein there are no substantial operations and there is material uncertainty related to going concern of those entities. The same has been reported under material uncertainty related to going concern para of the said entities.

IL&FS Engineering and Construction Company Limited

“Annexure A” to the Independent Auditors’ report on the consolidated financial statements

(Referred to in paragraph 2 (h) of Report on Other Legal and Regulatory Requirements of our Report of even date to the members of IL&FS Engineering and Construction Company Limited.)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of **IL&FS Engineering and Construction Company Limited** (‘the Company’) as of March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses has been identified in the operating effectiveness of the company's internal financial controls over financial reporting as at March 31, 2022:

- a. The Holding Company's internal financial control system with regard to non-recognition of interest expense on the borrowings without a formal approval from lenders was not operating effectively. This could potentially result in misstatement in the financial statement by way of Group not providing for interest expenses that may be required.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Group has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Company for the year ended on March 31, 2022, and these material weaknesses has affected our opinion on the consolidated financial statements of the Group and we have issued a qualified opinion on the financial statements of the Group.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

1. Corporate information:

IL&FS Engineering and Construction Company Limited ("IECCL" or "the Company") is a public company domiciled in India. The Company along with its subsidiaries (collectively termed as "the Group") and its associate and jointly controlled entities (collectively termed as "the Consolidated entities") is primarily engaged in the business of erection / construction of roads, irrigation projects, buildings, oil & gas infrastructure, railway infrastructure, power plants, power transmission & distribution lines including rural electrification and development of ports. The equity shares of the Company are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

2. Basis for preparation of Consolidated financial statements:

A. Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of Companies Act, 2013 (the 'Act'), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The consolidated financial statements were authorised for issue by the Company's Board of Directors at its meeting held on May 29, 2022.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated.

C. Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income

and expenses. Actual results may differ from these estimates.

Estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2022 is included in the following notes:

- Note 35 - measurement of defined benefit obligations: key actuarial assumptions;
- Notes 13, 20 and 31 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 4 - useful life and depreciation of property, plant and equipment;
- Note 5 - useful life and amortisation of intangible assets; and
- Note 6 to 9 - impairment of financial assets.
- Note 3(c), 22, 34, and 12 - Revenue recognition, cost to complete, profit margin
- Note 42 - Determining the lease term of contracts with renewal, estimating incremental borrowing rate and termination options – Company as lessee

Judgements

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the consolidated financial statements is included in the following notes:

- Note 12 and 22 – The Group uses the percentage-of-completion method (POCM) in accounting for its long term construction contracts. Use of POCM requires the Group to estimate the contract revenue and total cost to complete a contract. Changes in the factors underlying the estimation of the contract revenue and total contract cost could affect the amount of revenue recognized.
- Note 13 – Deferred tax assets are recognized for unused unabsorbed depreciation to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

- Note 7, 8, 9 and 12 – Determining the amount of expected credit loss on financial assets (including trade receivables, loans and unbilled revenue).
- Note 3(a) – Identification of whether the Group has significant control over Trust where the Trust is managed Independently by a third party.
- Note 33 – Identification of reportable operating segments.
- Note 42 - Determining the lease term of contracts with renewal, estimating incremental borrowing rate and termination options – Company as lessee

E. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financials statement are categories within in the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External values are involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Further information about the assumptions made in the measuring fair values is included in the following notes: Note 45 - financial instruments.

3. Significant accounting policies

(a) Basis of consolidation:

i. Subsidiaries

Subsidiaries are all entities over which the Company has control. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

ii. Non - controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

iii. Associates

Associates are all entities over which the Group has significant influence but not control or joint control over the financial and operating policies.

Interests in associates are accounted for using the equity method. They are initially recognised at cost which includes transaction cost. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and other comprehensive income of equity accounted investees until the date on which significant influence ceases.

iv. Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

v. Transactions eliminated on consolidation

Intra group balances and transactions, and any unrealised income and expenses arising from intra group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the Investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

vi. The financial statements of the entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended March 31, 2022.

vii. The consolidated financial statements for the year ended March 31, 2022 have been prepared

on the basis of the financial statements of the following subsidiaries, associate and joint venture:

Hill County Properties Limited (Refer note I)	India	31%	31%

Note I:

During the year 2010-11, the Company had invested Rs. 0.10 in equity shares of Hill County Properties Limited (HCPL) constituting 40% of the post issue paid up share capital of HCPL pursuant to the order passed by the Honorable Company Law Board on January 13, 2011 allowing IL&FS Group (consisting of Infrastructure Leasing and Financial Services Limited, IL&FS Financial Services Limited and the Company) to be the new promoters of HCPL. During the earlier year, the Company had sold Rs. 0.02 in equity shares (2,250 Equity Shares of Rs. 100 each) of HCPL constituting 9% of the paid up share capital of HCPL to Infrastructure Leasing and Financial Services Limited. HCPL was under the direct supervision of the Company Law Board (CLB), represented by a nominee

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

director and hence was operating under severe long-term restrictions that significantly impair its ability to transfer funds to the investor. Hence, the investment in HCPL was accounted in accordance with Ind AS 27 "Separate Financial Statements" instead of applying equity method in accounting for investments. During the earlier year, the term of the CLB nominee director had expired and HCPL ceased to operate under severe long-term restrictions. However, such acquisition of shares does not form part of a strategy to acquire and retain long term assets / investments. Hence the investment in HCPL is continued to be accounted in accordance with Ind AS 27 "Separate Financial Statements".

Further, there was a changes in the status of Hill County Properties Limited (HCPL) is made based on the changes to group structure by the Infrastructure Leasing & Financial Services Limited, HCPL is considered as subsidiary of Infrastructure Leasing & Financial Services Limited and accordingly classified as fellow subsidiary of IECCL in the year 2020 and the same status is continuing in the current year.

Note II:

The Group has not consolidated one subsidiary "Maytas Infra Saudi Arabia Company" in current year and previous year as the said subsidiary has ceased its operations for a period in excess of three years.

(b) Current and non-current classification:

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it satisfies any of the following criteria:

- It is expected to be realised or intended to sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting year; or
- It is Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting year; or
- There is no unconditional right to defer the

settlement of the liability for at least twelve months after the reporting period.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle:

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Accordingly, the Group has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(c) Revenue recognition:

Revenue from construction contracts

Contract Revenue is recognised under 'percentage-of-completion method'. Use of the 'percentage-of-completion method' requires the Group to measure the efforts or costs expended to date to the satisfaction of a performance obligation as a proportion of the total expected efforts or costs to be expended to the satisfaction of that performance obligation over the time. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Costs incurred in the year in connection with future activity on a contract are excluded from contract costs in determining the stage of completion.

Further, the Group uses significant judgements while determining the transaction price allocated to performance obligation using the expected cost plus margin approach.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

Variations in contract work, claims and incentive payments are included in contract revenue only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and are capable of being reliably measured.

Revenue from design and consultancy services

Revenue from the design and consultancy services is recognized as and when services are rendered in accordance with the terms of the agreement with the customers.

Revenue from hire charges

Revenue from hire charges is accounted for in accordance with the terms of agreement with the customers.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

Interest

Interest income is accrued on a time basis, by reference to the principal amount using the effective interest rate applicable.

Dividend

Dividend income is recognized when the Group's right to receive dividend is established by the reporting date.

(d) Property, plant and equipment:

- (i) Property, plant, and equipment and capital work in progress are carried at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.
- (ii) Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for use are included to the extent they relate to the period till such assets are ready for intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment.
- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.
- (iv) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (v) The Group identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.
- (vi) Assets retired from active use and held for disposal are stated at their estimated net realizable values or net book values, whichever is lower.
- (vii) Assets acquired under finance lease are depreciated on a straight-line basis over the useful life of the asset or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower.
- (viii) Gains or losses arising from derecognition of plant, property and equipment are measured

as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

- (ix) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- (x) Capital work in progress includes the cost of property, plant and equipments that are not ready for their intended use at the balance sheet date.

Depreciation on property, plant and equipment

- (i) Depreciation on property, plant and equipment other than those mentioned in S.no.(ii) below, is calculated on straight-line basis using the rates arrived at, based on useful lives estimated by the management which coincides with rates prescribed under Schedule II of the Companies Act, 2013.
- (ii) Depreciation on the following property, plant and equipment is provided on a straight-line basis, at rates that are based on useful lives as estimated by the management, which are different from the general rates prescribed under Schedule II of the Companies, Act 2013:

Category of asset	Estimated useful life
Plant and Machinery	
- construction equipment consisting of shuttering /scaffolding material and equipment given on hire	6 years
- shuttering/scaffolding material at project sites	6 years
Temporary erections – site offices	over the expected life of the respective project
Leasehold improvements	over the period of lease or useful life whichever is lower
Site infrastructure	6 years
Tools and implements	Fully in the year of purchase

- (iii) Assets costing five thousand rupees or less are fully depreciated in the year of purchase.
 - (iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (e) Intangible assets:**

Software - Computer software license cost is expensed in the year of purchase as there is no expected future economic benefit, except for enterprise wide/project based software license cost which is amortized over the period of license or six years, whichever is lower.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(f) Investments:

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(g) Inventories:

Project materials at site are valued at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to effect the sale.

(h) Retirement and other employee benefits:

Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service at the undiscounted amount of benefits expected to be paid.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in

the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Compensated absences is a long-term employee benefit, and accrued based on an actuarial valuation done as per projected unit credit method as at the balance sheet date, carried out by a qualified independent actuary. Actuarial gains and losses arising during the year are immediately recognised in the statement of profit and loss. Remeasurements of defined benefit plans in respect of post employment are charged to other comprehensive income.

(i) Segment reporting:

Identification of segments

The Group operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Group prepare its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(j) Income taxes:

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to

the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(k) Foreign currency transactions and translations:

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(l) Leases:

Where the Group is a Lessor

Assets under operating leases are included in property, plant and equipment. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of profit and loss.

Where the Group is a Lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Generally, the Company uses its incremental borrowing rate

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

as the discount rate. Lease payments included in the measurement of the lease liability comprise the following

- Fixed payments, including in-substance Fixed payment
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is re-measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value asset

The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of 12 months. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(m) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are charged in the year they occur.

(n) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and taxes applicable) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue that have changed the number of outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to

equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results are anti dilutive.

(o) Impairment:

(i) Financial assets

The Group recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Group assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition, which are measured as 12 month expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Group is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group procedures for recovery of amounts due.

(ii) Non-financial assets

The Group non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(p) Financial instruments:

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair Value Through Other Comprehensive Income (FVTOCI)
- Fair Value Through Profit & Loss (FVTPL)"

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

At present the Group does not have investment in any debt securities classified as FVTOCI.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination

of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses for financial assets held by the Group

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at FVTOCI	These assets are subsequently measured at fair value. Net gains and losses, including any interest are recognised in the OCI
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss. Presently, all the financial liabilities are measured at amortised cost.

Derecognition

Financial assets

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Reclassification of financial assets and liabilities

The Group determines classification of financial assets and liabilities on initial recognition.

After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations.

If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains or losses (including impairment gains or losses) or interest.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(q) Provisions and contingent liabilities:

i. General

A provision is recognised when the Group has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(r) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

(s) Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short term investments with original maturity of three months or less.

(t) Accounting for Joint Ventures:

Accounting for joint ventures undertaken by the Company has been done in accordance with the requirements of Ind AS – 28 "Investments in Associates and Joint Ventures" notified under section 133 of the Companies Act, 2013, and as follows:

Joint Operations:

In respect of joint venture contracts which are executed under work sharing arrangements, the Company's share of revenues, expenses, assets and liabilities are included in the separate financial statements as revenues, expenses, assets and liabilities respectively. In case of certain construction contracts in the irrigation sector, the share of work executed by the Company has been determined on the basis of certification by lead partner.

(u) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(i) Ind AS 16 - Property Plant and equipment

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

(ii) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

30. Going Concern

The Company has accumulated loss of Rs.3,648.87 as at March 31, 2022 (as at March 31, 2021: Rs. 3,262.74). The Company has incurred loss of Rs. 386.13 during the year ended March 31, 2022. Company's net worth has been fully eroded and the current liabilities exceed its current assets as at the balance sheet date by Rs. 3,743.07 (March 31, 2021: Rs. 3,744.59). Existing projects being executed by the Company are nearing completion / or approaching their end of term, which is likely to result in significant reduction in the Company's operating revenue over the past three year. The Company has continued to default in payment of various loans to the lenders of the Company, including borrowings from promoter group entities.

As indicated in Note 31(v), the Reconstituted Board of Directors of IL&FS in their reports to National Company Law Tribunal (NCLT) categorized Company under the Group "Red" implying that the Company is unable to meet its contractual, statutory and debt obligations. The Company is currently not settling liabilities existing prior to the date of reconstitution of Board of Directors of IL&FS to its Financial Creditors and the Operational Creditors.

Adverse developments in promoter group entities impacted the operations of the company and also resulted in cancellation/ termination/suspension/foreclosure of certain contracts with customers.

The Reconstituted Board and the management of the Company have taken various steps to continue the operations at present level during the period of calm granted by the Hon'ble NCLAT as part of resolution process. Further, the Reconstituted Board is in the process of finalizing a comprehensive approach to manage the current situation including sale of existing equity share holding by IL & FS Group. In this process, the Reconstituted Board, as part of resolution process for the Company, has invited expression of interest for acquiring the equity stake in the Company. In January 2022, a bid has been received from an unincorporated Consortium which will be subjected to challenge through counter bid under a Swiss Challenge method. The successful bid would then be taken to the Committee of Creditors for their approval. If accepted, the bid would then be placed for approvals from Justice D.K. Jain (Retd.) and then NCLT. The accompanying financial statement have been prepared on a going concern basis considering the cumulative impact of above stated matters and peace of calm granted by NCLAT.

31. Contingent liability

(a) Contingent liabilities on account of pending litigations

S. No.	Particulars	As at March 31, 2022	As at March 31, 2021
(i)	Claims against the Group not acknowledged as debts (interest, if any, not ascertainable after date of order)	12.11	12.11
(ii)	Direct taxes under dispute *	38.49	39.82
(iii)	Indirect taxes under dispute ** #	200.06	119.18

*Income tax demand mainly comprises of demand from the Income Tax authorities upon completion of their assessment upto the financial year 2017-18. The tax demands are mainly on account of classification of waiver of interest and principal amount of loan as revenue receipt which has been considered as capital receipt by the Company, disallowance of expenditure incurred towards extra works/Labour cost on projects, disallowance of expenditure on which TDS is not deducted or short deducted, etc.

**The demands raised by the Sales Tax authorities and Central Excise and Service Tax authorities are mainly towards enhancement of taxable turnover due to certain disallowances, change in classification of services provided by the Company, interpretation of the provisions of the Acts etc.

#Excludes Rs. 6.52 (March 31, 2021: Rs. 6.52) where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. All these cases are under litigation and are pending with various authorities, and the expected timing of resulting outflow of economic benefits cannot be specified.

(iv) The Company formed Himachal Joint Venture (HJV) to execute an EPC project with National Hydro Power Corporation (Client). HJV subcontracted this work to SSJV Projects Private Limited (SSJV) and the work had been executed to the extent of Rs. 262.45 by SSJV. Due to the geographical conditions at site, work could not be done at the rates prescribed in the contract. HJV invoked arbitration clause for delays and extra-ordinary geological occurrence in executing the project. The Client en-cashed bank guarantees for an amount of Rs. 216.40 provided by SSJV and issued winding up notice to the Company as well as other joint venture partners. The Company vide its letter dated July 29, 2013 replied to the said notice stating that the matter is disputed and subjudice and would not be legally tenable. Client had filed a winding-up petition against Company and Joint venture partner vide CP 73/2014, which was dismissed. No appeal has been filed by client so far.

(v) Investigations etc by the Regulatory / Investigative Agencies:

Subsequent to adverse developments at Infrastructure Leasing and Financial Services Limited ("IL&FS") and IL&FS group level, as stated in earlier years, various regulatory and investigatory authorities are seeking information from the company as part of their investigations since 2018-19 onwards. Company and the present management are cooperating with the respective authorities and submitting the information as sought from time to time. Further, as per the directions of the Reconstituted Board of IL&FS, forensic audit also has been initiated for select entities including this Company. The forensic auditors submitted their final reports during May 2021 detailing certain potential anomalies in the financial statements and operations of the Company. The report has been hosted on the Company's websites and also filed with stock exchanges, submitted to SFIO etc. Based on the said report SFIO is seeking additional information from the Company and also requested the statutory auditors of the Company past and present to submit their audit working files.

(b) Other contingent liabilities

S. No.	Particulars	As at March 31, 2022	As at March 31, 2021

(ii)	Guarantees issued by bankers and financial institutions on behalf of the Consolidating entities towards performance obligations	427.57	517.95
(iii)	Corporate guarantees (including guarantees towards performance obligations of the Company)	633.48	636.48
(iv)	Liquidated damages	1.16	7.89

32. Commitments:

(a) Capital Commitments:

Estimated amount of contracts (net of advances) remaining to be executed on capital account and not provided for Rs. Nil (March 31, 2021) Nil.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

(b) Other Commitments:

- i. The Company has made a commitment to make additional investment of Rs. 49.64 (March 31, 2021: Rs. 49.64) in Maytas Infra Saudi Arabia Company Limited Liability Company. Based on the latest available management certified financial statements of the aforesaid subsidiary as on March 31, 2018, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is presently under negotiation and hence undeterminable.

As the Company has not received any communication to meet any potential obligation to share further liability of the said subsidiary no provisions have been made in the books. On receipt of any communication in this regard, the Company will engage with the other shareholder of the subsidiary for a final settlement.

- ii. Under a sponsors' support agreement, the Company (a co-sponsor) has obligation to the lenders' of a Special Purpose Vehicle (SPV), whose 26.10% Equity is held by Maytas Investment Trust (MIT), until financial year ending 2027-28, to meet shortfall in Debt service coverage ratio of the SPV on a term loan of Rs. 279.83 (March 31, 2021: Rs. 279.83)

33. Segment reporting:

The Consolidating entities operations fall into a single business segment "Construction and Infrastructure Development" and in accordance with Ind AS 108 - Operating Segments, segment information with respect to geographical segment has been given below, therefore no separate disclosure on segment information is given in these financial statements.

Geographical segments:

Although the Consolidated entities major operating divisions are managed on a worldwide basis, they operate in two principal geographical areas of the world, in India, its home country, and rest of the world.

Segment	Segment revenue		Segment non-current assets*	
	For the year ended		As at	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
India	307.64	332.74	716.04	881.82
Rest of world	-	-	-	-
Total	307.64	332.74	716.04	881.82

* Non current assets are excluding financial instruments and deferred tax assets.

34. Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers"

(a) Disaggregation of revenue:

The Group recognises revenue from contracts with customers which includes Government and Non-Government customers, for construction / project activities over a period of time. During the year substantial part of the Company's business has been carried out in India. Geographical disaggregation has been given in the consolidated financial statements of the Company.

(b) Contract balances

(i) Opening and closing balances of contract balances

	March 31, 2022	March 31, 2021
Trade receivables	101.04	161.42
Contract assets - Project Work in progress	456.09	583.09
Contract assets - Retention money	378.77	433.86
Provision for estimated future losses on projects and liquidated damages	56.23	146.00
Contract liabilities	453.26	516.93

The credit period towards trade receivables generally ranges between 30 to 180 days. Further the customer retains certain amounts as per the contractual terms which usually fall due on the completion of defect liability period (DLP) of contract. These retentions are made to protect the customer from the Company failing to adequately complete all or some of its obligations under the contract.

Contract assets are initially recognised for revenue earned from transfer of goods and services but not billed to customer because the work completed has to meet technical requirements as well as various milestones as set out in the contract with customers. Upon fulfilling the said requirements and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

Notes to consolidated financial statements for the year ended March 31, 2022

(All amounts in Rs. Crore except for share data or as otherwise stated)

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received advance payments from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the consideration received. Contract liabilities include advances received from customers towards mobilisation of resources, purchase of materials, etc. and advance billing. Impairment losses recognised on contract assets and trade receivables have been disclosed in note 7

(ii) Revenue recognised during the year from opening balance of contract liabilities amounts to Rs. 33.45

(c) Reconciling the amount of revenue recognised in the statement of profit and loss with the contracted price

There is no difference in the contract price negotiated and the revenue recognised in the statement of profit and loss for the current year. There is no significant revenue recognised in the current year from performance obligations satisfied in previous periods.

(d) Performance obligation

The transaction price allocated to the remaining performance obligations is Rs. 425, which will be recognised as revenue over the respective project durations. Generally the project duration of contracts with customers is be 2 to 5 years.

35. Retirement benefits

(a) Disclosures related to defined contribution plan:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and Employees' State Insurance contribution (ESI), which are defined contribution plans. The contribution are charged to the Statement of profit and loss as they accrue.

(b) Disclosures related to defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service. The scheme is funded with Life Insurance Corporation of India.

The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date.

VI. The major categories of plan assets of the fair value of the total plan assets of Gratuity are as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
Insurance fund		
(%) of total plan assets	100%	100%

VII. The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

Particulars	As at March 31, 2022	As at March 31, 2021
Discount rate	6.96%	6.88%
Increase in compensation cost	5.00%	5.00%
Attrition rate	7.00%	5.00%
Estimated rate of return on plan assets	6.80%	6.80%
Retirement age (in years)	60	60
Mortality rate during employment	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)

Notes :

- The discount rate is based on the prevailing market yield on Government Securities as at the balance sheet date for the estimated term of obligations.
- The expected return on plan assets is determined considering several applicable factors mainly the composition of the plan assets and Company's policy for plan asset management.
- The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

VIII. A quantitative sensitivity analysis for significant assumption is as shown below:

	(increase)/ decrease in defined benefit obligation		
	Sensitivity level	As at March 31, 2022	As at March 31, 2021
Discount rate	1% increase	3.38	2.86
	1% decrease	3.78	3.32
Salary escalation rate	1% increase	3.77	3.33
	1% decrease	3.39	2.86

36. The consolidated financial statements include aggregate assets amounting of Rs. Nil (March 31, 2021: Nil) aggregate revenue (including other income) of Rs. Nil (March 31, 2021 Nil) and net cash inflows of Rs. Nil (March 31, 2021: Nil) of an overseas subsidiary consolidated based on its unaudited financial statements. Management is of the view that adjustment, if any, that may have been required had the audited financial statements of the subsidiaries been made available would not be material.

B. Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities other than those valued at Level 1 and Level 2 are considered to be the same as their fair values due to the current and short term nature of such balances and no material differences in the values.

(ii) Levels 1, 2 and 3

Level 1: It includes Investment in equity shares that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

- Interest rate risk**

The company is exposed to interest rate risk as it borrows funds at both fixed and floating interest rates. Due to the matters discussed in note no. 51, the company has not accrued interest expense post October, 2018. Accordingly, interest rate sensitivity analysis is not disclosed. The average interest rate on short-term bank deposits during the year was 6.40% (March 31, 2021: 6.40%).

The Group's exposure to interest rates on financial instruments is detailed below:

An aggregate amount of Rs 252.63 included interest receivable, trade receivable and retention money recognized in earlier years and net of mobilization advance and interest payable on mobilization advance represents amount receivable from a contractee as per the arbitration award in favour of the Company. The contractee has referred the matter further to High Court of Delhi

48. Inter-Corporate Deposits:

Prior to April 1, 2009, the erstwhile promoters had given certain Inter Corporate Deposits (ICDs) to various companies aggregating to Rs. 343.78. Of the foregoing, documentary evidences had been established that, for an amount of Rs 323.78, the then Satyam Computer Services Limited (SCSL) was the ultimate beneficiary and for which a claim together with compensation receivable had been lodged by the Group. During the earlier years, SCSL had merged into Tech Mahindra Limited (TML) pursuant to a Scheme of Arrangement u/s.391-394 of the Companies Act, 1956. As provided in the Scheme and as per the Judgment of Hon'ble High Court of Andhra Pradesh on the said Scheme, the aforesaid amount in books of SCSL was transferred to TML. The Group, through its subsidiaries, preferred an Appeal before the Division Bench of Hon'ble High Court of Andhra Pradesh against the single judge's Order approving the merger scheme of SCSL which is pending as on date. TML, in its Audited Financial statement for the year ended March 31, 2022 continued to disclose as "Suspense Account (Net) Rs. 1,230.40" as disclosed by SCSL earlier. Management is of the opinion that the claim made by the Group on SCSL is included in the aforesaid amount disclosed by TML in its Audited Financial Statements. The Group is confident of recovering the said ICDs together with compensation due thereon from SCSL/TML. Further, based on internal evaluation and legal opinion, documentary evidences available with the Group and in view of the observations of the Special Court in its verdict dated April 9, 2015 on the criminal case filed by the Central Bureau of Investigation, confirming that an amount of Rs. 1,425 was transferred to SCSL through the intermediary companies, out of which an amount of Rs. 1,230.40 continues to subsist with SCSL. During the previous year, the Group had recognised a impairment of Rs. 323.78 towards diminution in the value of these ICD Considering the uncertainty in recovering the ICDs in future.
