### **About Gujarat Mineral Development Corporation Ltd:-**

Gujarat Mineral Development Corporation Ltd. is a pioneering State Public Sector Undertaking of the Government of Gujarat, engaged in developing the mineral wealth of the State. Beginning in 1963, the Company has traversed a long journey to achieve a number of milestones in more than five decades.

- GMDC provides an invaluable and assured fuel alternative in the form of Lignite to various industries and thus fuels the growth of Gujarat. It is the largest merchant seller of lignite in the country. Apart from lignite, the company is also engaged in exploring, mining and value adding to various other secondary minerals.

GMDC is a recognized market player in the mining and mineral sector in India. GMDC's current project portfolio also comprises of a 250 MW of lignite fed power plant, 200.9 MW of wind power and 5 MW of solar power set up on a mined out reclaimed area.
