The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on August 13th, 2021.

2. The company and its subsidiaries are engaged in the business of sale of Seeds & Micronutrients and there are no other reportable segments under Ind AS 108 "Operating Segments". 3. The outbreak of corona virus (COVID-19) pandemic globally and in India is continued during the period under review. The government has classified seed business as "Essential Commodity" and granted certain relaxations and guidelines so that production, processing and distribution of the seeds will not be affected during the lock down period. The Company has taken all possible impacts of COVID-19 in assessing the recoverability of receivables, inventories, certain investments and other financial assets considering the available internal and external information up to the date of approval of these financial results and believes that the impact is not material to these interim financial results. Considering the nature of these assets, the Company expects to recover the carrying amount of these assets.

In respect of one of the Subsidiary Company, the accumulated losses incurred of Rs. 534.42 Lakhs on June 30, 2021 (31.03.2021; Rs. 534.01 Lakhs) have resulted in the negative net worth of Rs. 492.49 lakhs (31.03.2021; Rs. 492.08 Lakhs). The Subsidiary's current liabilities, as on 30.06.2021, exceed its current assets by Rs. 527.29 Lakhs (31.03.2021: Rs. 526.94 Lakhs) and turnover during the quarter ended June 30, 2021 is Rs. NIL (FY 2020-21: Rs. NIL). Due to the lack of working capital required the operations of the Subsidiary Company have been substantially curtailed and its ability to continue as a going concern is solely dependent upon the infusion of funds for its operations.
