RattanIndia backed Revolt Motors announces the 2nd retail outlet for electric bikes in Andhra Pradesh

December 13, 2021: RattanIndia backed Revolt Motors, India's next gen-mobility is expanding its retail presence in Southern India with the opening of their new store in Vijaywada, Andhra Pradesh. Last month the company opened its first outlet in Vizag and this is the 2nd store in the state and 20th retail outlet across the country.

The Andhra Pradesh government has also introduced policies to encourage faster adoption and manufacturing of EVs. The state government offers various subsidies for customers like 100% road tax exemption for newly-purchased EVs. Andhra Pradesh's EV policy supports every aspect of electric mobility and is focussed on accelerating the adoption of EVs.

The RV400 comes with a 3KW (Mid Drive) motor, powered by a 72V, 3.24KWh Lithium-Ion battery that can churn out a top speed of 85km/h. The bike can be operated through the MyRevolt App, which offers connectivity features such as bike locator/Geo fencing, customised sounds that you can change with just a tap on the screen, complete bike diagnostics, battery status, historical data on your rides and KMs done, and also the option of locating the nearest Revolt Switch Station to swap your Revolt's battery at, and be on-the-move in less than 60 seconds.

RV400 features three riding modes - Eco, Normal and Sport – each suiting to the riding style and needs of the driver. Also, comes with Upside Down (USD) forks up-front and a fully-adjustable mono shock at the rear to give an unparalleled riding experience.

Revolt Intellicorp

Revolt Intellicorp is the next-gen mobility company, created for the smart world. Revolt is working with a vision of democratizing clean commutes using next-gen mobility solutions and a mission to create a future of next-gen mobility with 100% accessibility and 0% fuel residue. With technology at its roots and class-apart products, Revolt has introduced India's first AI-enabled motorcycle without compromising on the performance or aesthetics of a regular ride.

Revolt Intellicorp commenced operations in 2019. The company offers two EV models in India currently, in addition to a full range of genuine parts and accessories available through its authorized dealerships.
