Independent Auditor's Review Report on the quarterly and year to date Unaudited Standalone Financial Results of Bank of Baroda pursuant to the regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

To the Board of Directors
Bank of Baroda
Mumbai

- 1) We have reviewed the accompanying statement of unaudited standalone financial results (the Statements) of Bank of Baroda ('the Bank') for the quarter and half year ended September 30, 2019. This statement is the responsibility of the Bank's Management and has been reviewed by the Audit committee of the Board and has been approved by the Board of Directors at their respective meetings held on November 8, 2019. Our responsibility is to issue a report on these financial statements based on our review. Further, the disclosures relating to "Pillar 3 under Basel III Capital Regulations" and "Leverage Ratio" as have been disclosed on the Bank's website and in respect of which a link has been provided in aforesaid Statement have not been reviewed or audited by us. Attention is drawn to the fact that the figures of net cash inflows for the corresponding half year ended September 30, 2018 as reported in the unaudited standalone financial results have been approved by the Board of Directors of the bank and is not subject to our review process.
- 2) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Bank personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3) In the conduct of our Review we have relied on the review reports of branch auditors of 25 foreign branches and review reports in respect of non-performing assets received from concurrent auditors of 200 branches specifically appointed for this purpose. These review reports cover 24.10% percent of the advances portfolio of the bank. Apart from these review reports, in the conduct of our review, we have also relied upon various returns received from the branches of the bank.
- 4) Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that

it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

5) We draw your attention to:

- a. Note No. 12 regarding change in the method of accounting with respect to provision for frauds over a period of four quarters by the Bank in terms of the RBI guidelines.
- b. Note no. 7 regarding the consideration of amalgamation reserve amounting to Rs. 340693 lakh as a part of CET1 capital for the purpose of calculation of Capital Adequacy Ratio for the half year ended September 30, 2019 in terms of the letter no DBR.CO.BP. No. 2368 /21.01.002/2019-20 dated September 24, 2019 issued by Reserve Bank of India
- c. Note no. 6 infusion of Rs. 700000 lakh being by Government of India on September 30, 2019 towards preferential allotment of equity shares. Pending allotment, the Bank has recorded this amount as Share application money. In terms of the Letter no 3018/21.01.002/2019-20 dated October 15, 2019 from Reserve Bank of India the bank has considered the amount infused for the calculation of CET-I capital for computation of CRAR.

Our opinion is not modified in respect of these matters.

Our opinion is not modified in respect of these matters.

All 44 branches of eDena Bank have been centralized for Trade Finance. All Zones have been covered for centralized processing of mortgage Loans.

Processes have been streamlined for agriculture loans for more than 1,800 branches through the Shared Services Centre. The recovery process has been strengthened through collections call-center especially for SMA borrowers. For SME borrowers, credit administration has been launched on pilot basis. On the liability product front, centralized opening of fixed deposit/recurring deposits is being implemented after initial success in pilot runs.

The end-state would culminate into a state-of-the-art centralization set-up for the amalgamated entity with optimal processes/functions leading to lower TAT and cost. This will free up time of branch staff to focus on Sales and Service and thus lead to higher productivity.

Accounts opened through TAB Banking crossed the 31 lakh milestone and continues to be a game changer in ease of banking. Tab Banking has been launched in ~500 branches of eDena and eVijaya Branches to garner new clientele base and customer delight.
