## INDEPENDENT AUDITORS' LIMITED REVIEW REPORT

### Auditor's Report On consolidated unaudited quarterly and year to date financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of  
**Samtex Fashions limited**

We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **M/s Samtex Fashions Ltd** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its associates and joint ventures for the quarter ended June 2023 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

- i. M/s SSA International Ltd (along with its wholly owned subsidiary M/s Lina Global INC).
- ii. M/s Arlin Foods Ltd

Based on our review conducted and procedures performed as stated in paragraph 3 above nothing has come to our attention (other than basis of qualified conclusion and emphasis of matter mentioned below) that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## **Material Uncertainty to Going Concern:**

The Group has made losses during the current year and the preceding year. As a result of the losses, the liquidity position of the group has been substantially affected, the net worth of group has fully eroded and group's current liabilities exceeded its current assets as at the balance sheet date, adversely affecting the operations of the group. Moreover, no business activity has been undertaken throughout the year, indicating the existence of uncertainty about the ability of the group to continue as a going concern.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as going concern and therefore the group may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 31st December, 2022 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements. However, the financial statements of the group have been prepared on a going concern basis.

## Basis of Qualified Conclusion

- i. The wholly owned subsidiary M/s SSA International Ltd has defaulted in repayment obligations towards banking institutions.. As per the explanation and information furnished to us, the management was not in position to estimate or calculate the interest payable on debts due to bankers as since past many years they have not received any account statement or other relevant documentation from the bankers. Moreover the subsidiary company (M/s SSA International Ltd is of the opinion as per the Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, The policy of income recognition has to be objective and based on the record of recovery. Internationally income from non-performing assets (NPA) is not recognized on accrual basis but is booked as income only when it is actually received. Therefore, the banks should not charge and take to income account interest on any NPA. On an account turning NPA, banks should reverse the interest already charged and not collected by debiting Profit and Loss account, and stop further application of interest. Correspondingly the company has not recognized the interest expenses. However the non-recognition of interest expenses is not in accordance with Ind AS on borrowing costs requirement. In absence of information, we are not able to comment upon impact, if any. However, following the RBI Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, the company has not made provision for interest on debts due to bankers after adjudication by DRT.
- ii. The wholly owned subsidiary M/s SSA international Ltd had received notice of sale of assets situated at Samalkha, District, Panipat Haryana from IDBI Bank and further the company has informed that it has come to their knowledge through newspaper advertisement that the consortium member banks have executed auction of its assets at Samalkha plant. However, in absence of any information regarding the sale of assets i.e. detail of assets sold by bank, value at which the said sale transaction has been undertaken, bank wise utilization of amount received against said sale, the company has not taken into consideration the said transaction while preparing its financial results as on 31.12.2022 and had the company recorded the said transaction the value of property plant and equipment along with depreciation charged would not have been charged and instead profit and loss on disposal of fixed asset needs to provided for and the amount owed to the financial institutes would also reduced with the amount received on account of said auction sale. Further there would arise profit or loss on sale of assets and taxation implication on said transaction which will ultimately results in increase or decrease in current year profit/ loss as well as accumulated losses. Further it has come to our knowledge that similarly the consortium bankers have executed sale of assets of directors/ guarantors mortgaged with them during the year as well as earlier years and adjusted the amount received on said auction sale with amount owed by the company to the financial institutions, however the company has not recorded the effect of such transaction in its financial results. We are unable to comment on the consequential impact of adjustment arising there from in the results, if any, is not ascertainable.
