## **Datamatics TruCap+ IDP Platform Now Available in the Microsoft Azure Marketplace**

**Microsoft Azure customers worldwide now gain access to TruCap+ IDP to take advantage of the scalability, reliability and agility of Azure to drive application development and shape business strategies.**

**12<sup>th</sup> September 2023, Mumbai:** Datamatics, a leading global Digital Technologies, Operations, and Experiences Company, today announced the availability of TruCap + IDP in the Microsoft [Azure Marketplace](#), an online store providing applications and services for use on Azure. Datamatics TruCap+ IDP customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

Datamatics TruCap+ is AI-enabled Intelligent Document Processing (IDP) software that automates data extraction from structured, semi-structured and unstructured documents. With its template-free approach, TruCap+ delivers a greater percentage of straight-through processing (STP) with a high accuracy. TruCap+ offers an easy-to-use configurator, browser-based access, an intuitive GUI, adding-up to deliver a compelling user experience (UX) for business users. TruCap+ also integrates the power of Generative AI, to benefit today's data-intensive businesses across industries such as BFSI, healthcare, pharma, manufacturing, and logistics.

The availability of TruCap+ in Azure Marketplace makes it easy for TruCap+ customers to seamlessly license their software in the environments they use. Microsoft Azure customers can utilize their committed credits against TruCap+ subscription.

**Shashi Bhargava, Executive Vice President & Head-Intelligent Automation Products** at Datamatics, expressed that, "Intelligent Document Processing landscape is evolving continuously and at Datamatics we are proud to be at the forefront of it. We have now integrated Generative AI capabilities into TruCap+ which opens many possibilities in the field of document processing." He further added, "We are happy that TruCap+ is now available on Microsoft Azure Marketplace. With this, we're poised to broaden our reach and provide our customers with TruCap+ IDP that harnesses the capabilities of Microsoft Azure."

## DATAMATICS

**Jake Zborowski, General Manager, Microsoft Azure Platform** at Microsoft Corp., said, "We're pleased to welcome Datamatics TruCap+ IDP to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure."

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.
