7. Litigations against the Company

(i) Litigation on the transaction with Brookfield for sale of Undertakings

ITC Limited and its subsidiary Russel Credit Limited, members of the Company holding 8.72% of the equity share capital, have on 22nd April, 2019 filed against the Company, a petition under Section 241 of the Companies Act, 2013 for oppression and mismanagement along with 2 applications for urgent hearing and for waiver of the requirement of minimum threshold of 10% shareholding in relation to the transaction with BSREP III India Ballet Pte. Ltd. or its affiliates ("Brookfield") for sale of hotel undertakings before the NCLT in May 2019 which is to be reheard in future as the Bench hearing the case is reconstituted and will be taken up in due course after the COVID Pandemic or as directed by the judiciary.

Two minority members i.e. ITC Limited and Life Insurance Corporation of India (LIC) had filed complaint with the Securities and Exchange Board of India (SEBI) against the aforesaid transaction with Brookfield, alleging violation of the provisions related to related party transactions and oppression and mismanagement by the majority members against minority members. Later LIC withdrew from contesting this case. On 23rd July, 2019, SEBI passed its detailed, reasoned and speaking order in the matter of “Complaints Filed by Minority Shareholder of Hotel Leela Venture Limited”.

Aggrieved by the aforesaid Order, ITC filed an appeal before the Hon’ble Securities Appellate Tribunal (“SAT”) challenging the findings in the Impugned Order.

On 14th August, 2019, ITC sought interim relief in the nature of a direction from the Hon’ble SAT that till the Appeal is finally heard, the Promoters of the Company and JM Financial Asset Reconstruction Company Limited should be restrained from voting in respect of the proposed sale of the Undertakings, failing which the captioned Appeal would be rendered infructuous. The Hon’ble SAT did not find it proper to grant a stay with respect to the Postal Ballot Notice and / or the voting process. The final judgment of the Hon’ble SAT was pronounced on 26th September, 2019, wherein the appeal of ITC has been rejected. Subsequently, ITC has filed a statutory appeal in the Supreme Court of India and reply has been filed by all the respondents. The matter will be listed in due course after COVID Pandemic.

(ii) Litigations with Airports Authority of India

In the ongoing disputes (regarding the exorbitant demand of rentals, Royalty and Minimum Guaranteed Amount) with Airport Authority of India (AAI) regarding the Mumbai Hotel and admeasuring 18,000 sq.m and the adjacent land of 11,000 sq.m, the Company initiated Arbitration Applications in the High Court of Bombay in 2017. AAI initiated Eviction Proceedings against this which is still continuing before the Eviction Officer at Mumbai. There are several litigations in this regard pending in the Bombay High Court, Supreme Court and the Local Court in Mumbai. The cases in the Bombay High Court and the Supreme Court are yet to be admitted. Due to COVID Pandemic all these cases will be listed in due course and heard in future.

In the meanwhile, the Company has initiated Settlement talks with AAI since December 2019 which is progressing before the Settlement Advisory Committee (SAC) duly constituted by the Board of AAI. The Company is awaiting the outcome of the same in the near future.

(iii) Litigations on the Company’s land in Hyderabad

The Company had entered into an MOU on 9th April, 2014, with PBSAMP Projects Private Limited (PBSAMP) for sale of land owned by the Company in Hyderabad admeasuring 3 acres and 28 guntas for a consideration

of ₹ 85 crores. As per the MOU, the Company had agreed to settle all pending litigations on the land and obtain permission under the Urban Land Ceiling Act (ULC) for change in land usage from hotel to residential and for permission to alienate the land within 180 days from the date of MOU. As per the MOU, PBSAMP had advanced ₹ 15.5 crores to the Company and the Company settled two claims out of this amount. However, the Company could not settle remaining claims and could not get permission from the State Government under the Urban Land Ceiling Act (ULC) for change in land usage and to alienate the land. At present, there are five suits pending in the City Civil Court against the Company, wherein the Plaintiffs claim to be the owners of certain portion of the aforesaid land.

PBSAMP terminated the MOU on completion of 180 days from the date of MOU and demanded refund of ₹ 15.5 crores together with interest @ 21% per annum. Since the Company could not make payment, they initiated legal proceedings against the Company and secured an arbitral award in their favour. As per the arbitral award dated 8th September, 2019 an amount of ₹ 35 Crores inclusive of interest needs to be paid to the Claimant within 90 days of the award. The Company has filed an appeal under section 34 of the Arbitration and Conciliation Act, 1996 against the said impugned award before City Civil Court at Hyderabad.

The judge heard the matter briefly on 31st January, 2020 and had kept the matter for arguments and disposal in the first week of March 2020. However due to COVID Pandemic it has been adjourned and will be listed in due course.

In the meantime, the Company is exploring the option of selling the land “as is where is basis” wherein the purchaser shall take care of all the disputes related to the land either by way of settlement or litigation.

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with:
 - a. BSE Limited
 - b. National Stock Exchange of India Limited.

To the best of my knowledge and belief, during the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors and a Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. However, I report the following:

1. The Company has been in default in payment of principal amount since September, 2016 and interest since March, 2017 to LIC of India, the debenture holder. However the Company has made the payment to LIC as a one-time settlement on 16th October, 2019. Although the payment has been made, the disqualification under Section 164(2)(b) of the Companies Act, 2013 still continues, for Mr. Vivek Nair, Mr. Dinesh Nair, Mr. Vijay Sharma and Mr. Vinay Kapadia during the year under review. Mr. Vivek Nair and Mr. Dinesh Nair have ceased to be directors of the Company from the close of business hours on 31st March, 2021 on expiry of their term. Mr. Vinay Kapadia and Mr. Vijay Sharma are serving their tenure of five years as Independent Directors as permitted under Section 167(1)(a) of the Companies Act, 2013.
2. The Company has not complied with the provisions of Section 152 of the Companies Act, 2013 read with Section 149 of the said Act, which require one third of directors to retire by rotation at every Annual General Meeting. The Company has appointed Mrs. Madhu Nair as a Non-executive Additional Director on 10th February, 2020 and her appointment was regularised at the Annual General Meeting held on 21st September, 2020. However, the Company could not comply with the requirements of Directors retiring by rotation due to non-availability of Directors at the last two Annual General Meetings held in 2019 and 2020.
3. The Company has received notices from BSE dated 3rd February, 2020 and 3rd July, 2020 and from NSE dated 3rd February, 2020 and 2nd July, 2020 regarding non-compliance of Regulation 17(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 for the period 1st October, 2019 to 9th February, 2020 pertaining to composition of Board of Directors. The Company has paid the fine amounting ₹ 7,78,800/- including GST each to BSE Limited and National Stock Exchange of India Limited separately.

Adequate notices of Board and Committee Meetings have been given to all the Directors. Agenda and detailed notes were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions are carried through while dissenting members' views are captured and recorded as part of the minutes.

Based on review of compliance mechanism established by the Company and on the basis of Compliance Certificates issued by the Company Secretary, I am of the opinion that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The members may note that during the period under review:

1. ITC Limited, shareholder of the Company, filed a petition under Section 241 of the Companies Act, 2013 for oppression and mismanagement and the matter is pending before NCLT. Since the Bench, which heard the case earlier has been reconstituted, the matter would be taken up by the reconstituted Bench in due course after the COVID Pandemic or as directed by the judiciary.
2. Two minority shareholders i.e. ITC Limited and LIC had filed a complaint with Securities and Exchange Board of India (SEBI) against the transaction with Brookfield for sale of hotel undertakings, alleging violation of the provisions related to related party transactions and oppression and mismanagement by the majority shareholders against minority shareholders. Later LIC withdrew from contesting this case. On 23rd July, 2019, SEBI passed its detailed, reasoned and speaking order in the matter of "Complaints Filed by Minority Shareholder of Hotel Leela Venture Limited".

Aggrieved by the aforesaid Impugned Order, ITC filed an appeal before the Hon'ble Securities Appellate Tribunal ("SAT") challenging the findings in the Impugned Order. On 14th August, 2019, ITC sought interim relief in the nature of a direction from the Hon'ble SAT that till the Appeal is finally heard, the Promoters of HVL and JMFARC should be restrained from voting in respect of the proposed sale of the Undertakings, failing which the captioned Appeal would be rendered infructuous.

The Hon'ble SAT did not find it proper to grant a stay with respect to the Postal Ballot Notice and / or the voting process. The final judgment of the Hon'ble SAT was pronounced on 26th September 2019, wherein the appeal of ITC has been rejected. Subsequently, ITC has filed a statutory appeal in the Supreme Court of India. Reply has been filed by all the respondents. The matter will be listed after COVID Pandemic in due course.

3. In the ongoing disputes (regarding the exorbitant demand of rentals, Royalty and Minimum Guaranteed Amount) with Airport Authority of India (AAI) regarding the Mumbai Hotel land admeasuring 18000 sq. m. and the adjacent land of 11,000 sq. m., HLV initiated Arbitration Applications in the High Court of Bombay in 2017. AAI initiated Eviction Proceedings against this which is still continuing before the Eviction Officer at Mumbai. There are several litigations in this regard pending in the Bombay High Court, Supreme Court and the Local Court in Mumbai. The cases in the Bombay High Court and the Supreme Court are yet to be admitted. Due to COVID Pandemic all these cases will be listed in due course and heard in future.

In the meanwhile, HLV has initiated Settlement talks with AAI since December 2019 which is progressing before the Settlement Advisory Committee (SAC) duly constituted by the Board of AAI.

4. The Company had entered into an MOU on 9th April, 2014, with PBSAMP Projects Private Limited (PBSAMP) for sale of land owned by the Company in Hyderabad for a consideration of ₹ 85 crores. As per the MOU, the Company had agreed to settle all pending litigations on the land and obtain permission under the Urban Land Ceiling Act (ULC) for change in land usage from hotel to residential and for permission to alienate the land within 180 days from the date of MOU. As per the MOU, PBSAMP had advanced ₹ 15.5 crores to the Company and the Company settled two claims out of this amount. However, the Company could not settle remaining claims and could not get permission from the State Government under the Urban Land Ceiling Act (ULC) for change in land usage and to alienate the land. At present, there are five suits pending in the City Civil Court against the Company, wherein the Plaintiffs claim to be the owners of certain portion of the aforesaid land.

PBSAMP terminated the MOU on completion of 180 days from the date of MOU and demanded refund of ₹ 15.5 crores together with interest @ 21% per annum. Since the Company could not make payment, they initiated legal proceedings against the Company and secured an arbitral award in their favour. As per the arbitral award dated 8th September, 2019 an amount of ₹ 35 Crores inclusive of interest needs to be paid to the Claimant within 90 days of the award. The Company has filed an appeal under section 34 of the Arbitration and Conciliation Act, 1996 against the said impugned award before City Civil Court at Hyderabad.

The judge heard the matter briefly on 31st January, 2020 and had kept the matter for arguments and disposal in the first week of March 2020. However due to COVID Pandemic it has been adjourned and will be listed in due course.

5. Appointment of Mr. Ashok Girdharidas Rajani as an Additional Independent Director with effect from 30th March, 2021.
6. Appointment of Ms. Amruda Nair, as an Additional Director (Non-executive) of the Company with effect from 30th March, 2021.

8. Appointment of Mr. Vivek Nair as Chief Executive Officer with effect from 1st April, 2021.

1. Overview of Industry

In 2020, the world experienced a crisis like no other and it continued in 2021. The Governments all over the world took bold steps to save lives and the economy with nearly USD 12 trillion in fiscal and about USD 7.5 trillion monetary action. The pandemic has caused heavy toll on life and livelihood and pushed millions into poverty. This may impact economic activities and the income level for some time.

The pandemic severely impacted travel and tourism globally, causing the industry a loss of almost USD 4.5 trillion in the year. Domestic visitor spends decreased by 45% while international visitor spends decreased by 69.4% compared to 2019 (Source: World Travel & Tourism Council, Economic Impact Reports 2020).

The Leela Mumbai, from the very start, has been on a continuous journey to delight every guest offering memorable and magical stays that reflect the essence of India. The signature promise and philosophy is 'Atithi Devo Bhava', or 'Guest is God', as laid down in the ancient Indian scriptures. And the commitment to stay true to this guiding principle has resulted in outstanding experiences for our guests.

Your Company operates in the luxury hotel segment. After the sale of the Company's hotel undertakings in Delhi, Bengaluru, Chennai and Udaipur as well as the Company's business of hotel management operations and sale of the 100% shareholdings of the Company in Leela Palaces and Resorts Limited (LPRL) to BSREP III India Ballet Pte. Ltd. ("Brookfield") in the financial year 2019-20 to repay the debts of the Company, the Company is left with only one Hotel "The Leela, Mumbai".

The operations at Hotel are badly affected by COVID 19 pandemic and lockdowns imposed by Central/State Government and other local authorities during the financial year under review. The Company suspended the operations of its hotel with effect from 25th March, 2020 following the National Lockdown announced by the Government of India and the guidelines issued by the Central /State Government and other regulatory authority(ies) for hospitality sector.

The Company commenced operations of its Hotel at Mumbai on 1st October, 2020 with all necessary care, precautions and preventive measures as recommended against COVID – 19.

Your Company continued to cut down its costs to sustain the operations and to optimize the use of its financial resources.

The Indian Hotel Industry has taken a hit of over ₹ 1.30 lakh crore in revenue for the fiscal year 2020-21 due to the impact of the Covid-19 pandemic as per the Federation of Hotel & Restaurant Associations of India.

The Indian hotel industry's total revenue in Financial Year 2019-20 stood at ₹ 1.82 lakh crore. In Financial Year 2020-21, approximately 75 per cent of the industry's revenues got wiped off. That is more than ₹ 1.30 lakh crore revenue hit. The businesses are steadily closing and NPAs are rising. The Reserve Bank of India reports about ₹ 45,000 Crores of debt given by Banks to hotels are in the throes of becoming NPAs.

Since March 2020, the industry has been struggling to manage its statutory and capital expenditure obligations.

2. Future Outlook

According to a Report, the domestic hospitality industry, which has been severely affected by the COVID -19 related disruptions, is likely to witness a decline of over 65% in 2020-21 with massive operating and net losses, wiping out the cumulative profits of the four past years.

However, a sharp demand recovery is possible in the later part of the financial year 2021-22, as vaccine rollouts gain traction. Much though will be contingent upon the spread of the pandemic and success of vaccination efforts.

The domestic hospitality industry has been one of the worst-hit sectors, severely affected by the COVID-19 pandemic and subsequent lockdowns, which restricted mobility and hotel occupancies in all the major markets. Pan-India occupancy hit an all-time low of 18-20% in eight months of the financial year 2020-21, down from 64-65% in the previous year. The average room rates (ARR)s was at ₹ 3,400-3,500 per night, a discount of 35-40 per cent, while the RevPAR declined by about 80 per cent during the period under consideration.

Although some sequential improvements have been witnessed since September 2020, recovery is slow and arduous, punctuated by setbacks, this will culminate in a weak financial year 2021-22. With closed international borders, foreign tourist arrivals are likely to stay muted well into 2021-22 in comparison to domestic tourism which is expected to recover faster. Nevertheless, the absence of corporate travel and big-box MICE events will cap recovery for most of the hotels in large cities.

We witnessed Financial Year 2020-21 RevPAR declined by 70-75 per cent pan-India. It will continue to be impacted by the lockdown, travel restrictions because of the virus spread.

It is expected that in Financial Year 2021-22 the industry may witness growth of 120% in revenues and operating margins clawing up to about 30% supported by pick-up in revenues and some continued benefits of the large-scale cost rationalisation measures undertaken during the pandemic, particularly in staffing.

However, to put these growth numbers in perspective, the optically high growth numbers for financial year 2021-22 will only place the industry on a recovery path to pre-COVID levels in 2-3 year.

3. Operations

At present, the Company operates only one hotel "The Leela, Mumbai" with 394 guest rooms.

4. Awards and Accolades

The Leela Mumbai has received the following awards and accolades during the financial year 2020-21:

Material uncertainty related to Going Concern

We draw attention to Note no.34.4 in the Financial Statements regarding the preparation of financial statements on going concern basis for the reasons stated therein. However, matters stated in Emphasis of Matter above indicate that a material uncertainty exists that may cast significant doubt on company's ability to continue as a going concern. As stated in Note no. 34.4, the appropriateness of assumption of going concern is dependent upon getting favorable judgment / orders / settlement in respect of disputes with Airports Authority of India and the impact of Covid-19 in continuing the Mumbai Hotel operations.

Our conclusion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in Para 2(g) under "Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HLV Limited (Formerly Known as Hotel Leelaventure Limited)** ("the Company") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 1: Corporate Information

HLV Ltd. (Formerly known as 'Hotel Leelaventure Limited') ("HLVL" or the "Company") is a public limited company incorporated in India and has its registered office situated at "The Leela Mumbai", Sahar, Mumbai 400 059.

The Company is primarily engaged in the business of owning, operating & managing hotels, palaces and resorts.

The financial statements for the year ended 31st March, 2021 were approved by the Board of Directors and authorised for issue on 19th June, 2021.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Significant Accounting Policies and Recent Accounting Pronouncements:

(i) Compliance with Ind AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Basis of preparation

These financial statements have been prepared on a historical cost basis, except for the following:

- i) Defined benefit plans – plan assets measured at fair value.
- ii) Certain financial instruments which are measured at fair value at the end of each reporting period.
- iii) Assets held for sale (or disposal groups) –measured at lower of carrying amount or fair value less cost to sell.

(iii) Critical accounting estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires, management to make judgements, estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

(a) Useful lives of property, plant and equipment and intangible assets:

The Company has estimated the useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(b) Impairment testing:

Property, plant and equipment and intangible assets that are subject to amortisation /depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which include turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, and future economic and market conditions.

(c) Income Taxes:

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

(d) Litigation:

From time to time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

(e) Defined benefit plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

(iv) Significant Accounting Policies:

(a) Revenue recognition:

(i) Income from operations

Revenue from operations is accounted on accrual, is net of indirect taxes, returns and discounts. Revenue is measured at the fair value of the consideration received or receivable. Revenue comprises of sale of rooms, food and beverages and allied services relating to hotel operations and management fees for the management of the hotels. Management fees earned from hotels managed by the Company are usually under long -term contracts with the hotel owner and is recognised when earned in accordance with the terms of the contract and collectability is reasonably certain.

(ii) Interest:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(b) Property, Plant and Equipment:

Property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

On transition to Ind AS, the Company has elected to continue with the carrying value of all property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(c) Investment Property:

Depreciation /amortisation is not provided on non-current assets held for sale or part of the disposal group from the date of such assets are classified as held for sale or part of disposal group.

(g) Investments in subsidiaries:

Investment in a subsidiary is a long-term investment and is carried at cost. On transition to Ind AS, previous GAAP carrying amount as on that date, i.e. April 1, 2016 is considered as cost. However the investments which are part of disposal group as defined in Ind AS 105, are measured at lower of carrying amount or fair value less cost to sell and grouped under assets held for sale

(h) Inventories:

Stock of food and beverages, stores and operating supplies are stated 'at cost or net realisable value, whichever is lower'. Cost comprise fair value of consideration paid including duties and taxes (other than those refundable), cost of conversion and other costs in bringing the inventories to their present location and condition computed under weighted average cost method. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

(i) Employee benefits:

(i) Short-term benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) The Company makes annual contributions to gratuity fund which is a defined benefit plan.

The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss. Remeasurement gains and losses arising from experience adjustments and

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

(b) Defined contribution plans such as provident fund are charged to the Statement of Profit and Loss as and when incurred.

(j) **Borrowing Costs:**

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets are capitalised. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use.

Interest cost for the borrowings is computed under effective interest method.

Foreign exchange difference relating to foreign currency borrowings regarded as an adjustment to borrowing cost to the extent not capitalised is disclosed under finance cost.

(k) **Taxation:**

(i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year considering the taxable income of both continued and discontinued operations.

(ii) Deferred tax is recognized on timing difference being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.

(l) **Impairment of assets:**

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceed its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

(m) **Foreign currency transaction:**

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transactions.

The monetary assets and liabilities in foreign currency as at balance sheet date are translated at rates prevailing at the year-end and the resultant net gains or losses are recognized as income or expense in the year in which they arise.

(n) **Leases :**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company's leases assets mainly comprise buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate. Generally, the Company uses incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments;

The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116 - Short-term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less, leases of low-value assets and lease where term of the lease is already expired and not yet renewed. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments are presented as follows in the Company's statement of cash flows:

- short-term lease payments, payments for leases of low-value assets and variable lease payments that are not included in the measurement of the lease liabilities are presented within cash flows from operating activities;
- payments for the interest element of recognised lease liabilities are included in 'interest paid' within cash flows from operating activities; and
- payments for the principal element of recognised lease liabilities are presented within cash flows from financing activities.

As practical expedient of Ind AS 116 "Leases", the company has considered Covid-19-related rent concessions not to be lease modification, hence the income towards rent concession is recognised in "Other Income" in the statement of profit and loss account.

Company as a lessor

Leases for which the Company is a lessor is classified as finance or operating lease. Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

(o) Government Grants/Incentives:

Government grants/incentives that the Company is entitled to on fulfilment of certain conditions, but are available to the Company only on completion of some other conditions, are recognised as income at fair value on completion of such other conditions.

Grants/incentives that the Company is entitled to unconditionally on fulfilment of certain conditions, such grants/incentives are recognised at fair value as income when there is reasonable assurance that the grant/incentive will be received.

(p) Income from Joint Development Agreement (JDA):

Income from JDA is accounted under percentage of completion method (POCM) as per the Guidance Note on Accounting for Real Estate Transactions. Balance cost of land and other expense related to JDA is grouped under Assets held for sale.

(q) Accounting for Provisions, Contingent Liabilities and Contingent Assets:

- (i) Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law because the Company created valid expectations on the part of the third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.
- (ii) Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

- (iii) Disclosure of the contingent assets are made when it is probable that there is an inflow of future economic benefits. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

(r) Exceptional items:

The company discloses certain financial information both including and excluding exceptional items. The presentation of information excluding exceptional items allows a better understanding of the underlying performance of the company and provides consistency with the company's internal management reporting. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the company.

(s) Statement of Cash Flows :

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

(t) Earnings per Share :

Basic earnings per share is computed, by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

(u) Financial Instruments:

(1) Financial assets

(i) Initial recognition and measurement

Financial assets are recognised when and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

(ii) Classification:

a. Cash and Cash Equivalents

Cash comprises cash/cheques on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

b. Debt Instruments

The Company classifies its debt instruments, as subsequently measured at amortised cost or fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive Income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised

in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

c. Equity Instruments

The Company subsequently measures equity investment in a wholly owned subsidiary and investment in certain power generation Companies at cost. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payment is established.

De-recognition

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continued involvement in the financial asset.

(2) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(3) Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired and allowance for losses on such assessment is made in the Statement of Profit and Loss.

(v) Recent accounting pronouncements:

- New and Amended Standards adopted by the Company:

The Company has applied the following amendments to Ind AS for the first time for their annual reporting period commencing April 01, 2020:

- Definition of Material – amendments to Ind AS 1 and Ind AS 8
- Definition of a Business – amendments to Ind AS 103
- COVID-19 related concessions – amendments to Ind AS 116

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

The amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

- New Standards or Other Amendments Issued but not yet Effective:

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

(vi) Discontinued Operations:

- (i) Assets are classified as “assets included in disposal group held for sale” when the appropriate level of the Company’s management is committed to a plan to sell the asset and an active plan to locate the buyer and complete the plan is initiated and the sale is highly probable and expected to complete within one year of such classification. The carrying amount of these assets will be principally recovered through a sale transaction rather than through continued use. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.
- (ii) Liabilities of disposal group are classified as “liabilities included in disposal groups(s) held for sale”
- (iii) Profit and loss from discontinued operations are separately disclosed in the Statement of Profit and loss.

34. Additional information to the Financial Statements

34.1 Disputes with Airports Authority of India (AAI)

- (a) The lease agreement with Airports Authority of India (AAI) relating to the Mumbai hotel for leasing of 18000 sq mtrs. of land was valid till 11th July 2012 and vide letter dated 31st March, 2011, AAI had offered to extend the lease by another 30 years, subject to revised terms, which the Company had accepted. Pending execution of the lease agreement, AAI had been provisionally extending the lease for 3 to 6 months at a time and the latest extension was till 11th January, 2016. AAI has arbitrarily increased the lease rental payable for

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

the Mumbai hotel, effective from 1st October 2014, the increased rentals on the basis of such arbitrary increase works out to by ₹ 8000 lakhs for the period upto 31st March 2021 (upto 31st March 2020 Rs 6592 lakhs). The Company has objected to this increase and has not provided for the same. AAI has unilaterally terminated the lease and commenced eviction proceedings and the Company is legally contesting the same. Depreciation on Mumbai hotel building is provided at the applicable rate, on the assumption that the lease will be renewed.

- (b) The Company had entered into a lease agreement on 7th February, 1996 with the AAI in respect of a land admeasuring 11,000 sqm intended for the construction of a 150-room Hotel at Mumbai based on terms stipulated in it of Royalty on turnover with minimum guaranteed amounts (MG) to be mutually agreed and annual ground rent between the parties. The percentage of Royalty and MG was stipulated in the Supplementary Agreement dated 7th February 1996. The MG was arrived at based on certain revenue projections. The terms and stipulations specified in the Supplemental Agreement became impossible of performance for various reasons. Further, the Company vide letter dated 6th April, 2017 requested AAI to take over immediate physical possession of the land pending restoration of FSI by the Company. No Provision has been made for the cost of FSI as it is not ascertainable. However, AAI commenced the eviction proceedings with their claim of MG and enhanced rent. As per the revised claim filed by the AAI in February 2019 before the eviction officer, the amount due to them as on 31st January 2019 is ₹80705 lakhs towards minimum guarantee and rent as against ₹ 28537 lakhs as on 31st January 2017 claimed earlier which Company is disputing. The eviction matter is pending with the eviction officer and the company is legally contesting the same. According to legal opinion received, the liability is contingent in nature and hence no provision is made in the books.
- (c) The company has initiated settlement talks in respect of above disputes with the Settlement Advisory Committee duly constituted by the Board of AAI. The Company in the meetings with them, putforth their views against the demand raised by them arbitrarily and awaiting the outcome of the same.
- (d) In view of the above the company has not adopted IND AS-116 on the above leased transactions.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

34.12 The World Health Organization (WHO) declared the outbreak of COVID-19 a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 25, 2020. As per the directives issued by Central and State Government, other Regulatory Authorities for hospitality sector, the company has suspended its operation from 25th March, 2020 to 30th September, 2020. The Company has taken several cost savings measures to optimize the use of its financial resources. The Covid-19 had significant impact on the Company's revenue and profitability throughout the year. The management has assessed the impact of existing and anticipated the effects of Covid-19 on the future cash flow projection and has prepared various alternatives to estimate the future financial requirements. In spite of these adversities, continuing Covid-19 situation, the management does not anticipate major challenge in company's ability to continue as a going concern on the assumption that situation will come to normal.

The Company on a prudent basis, assessed the possible impact of Covid-19 in the preparation of financial statement, its assessment of liquidity, assumption of going concern, recoverable value of financial and non-financial assets, impact on revenues and cost. The Company has considered internal and external source of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expect to recover the carrying amounts of these assets. The impact of Covid-19 may be different from the estimated as at the the date of approval of these financial statement and the Company will continue to closely monitor any material changes to future economic conditions.

Note 35: Fair value measurement:

- 1 The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- 2 The following methods and assumptions were used to estimate the fair values:
 - a The fair value of trade receivables, trade payables and other current financial assets and liabilities are considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3.
 - b Company has invested in certain power generating Companies pursuant to the contract for procuring electricity supply at the hotel units. Investment in said Companies are not usually traded in the market. Considering the terms of the electricity supply contract and best information available, cost of investment is considered as fair value of these investments.
 - c The fair value of security deposits are calculated using effective interest rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.
 - d Considering the contracted rate of interest, the carrying amounts of all other term borrowings that are measured at fair value are reasonable approximation of fair value.
 - e For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair values.
- 3 **Analysis of fair value measurement:**
 - a The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.
 - b During the period under review, level 3 hierarchy is considered for determination of fair value for all the financial assets and liabilities which are measured at fair value.
