Report on the audit of the Standalone Financial Results

Adverse Opinion

We have audited the accompanying standalone quarterly financial results of Sri Adhikari Brothers Television Network Limited ("the Company") for the quarter ended March 31, 2022 and the year to date results for the period from April 1, 2021 to March 31, 2022 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters as described in the Basis of Adverse Opinion section and Emphasis of Matters section below, these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss, other comprehensive income and other financial information for the quarter ended March 31, 2022 as well as the year to date results for the period from April 1, 2021 to March 31, 2022.

Basis for Adverse Opinion

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts*

Overseas : Dubai, London, New York, Melbourne.

or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).

- ii) Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319 /- as on March 31, 2022 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the quarter and period ended March 31, 2022, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319 /- as on March 31, 2022. The said amount of Rs. 23,48,25,319 /- is the difference between Claims amounting to Rs. 2,02,33,93,274/- (including interest) received from banks by RP as on December 20, 2019 and amount of loan outstanding from banks amounting to Rs.178,85,67,955 /- reflected in books of accounts of the Company as on March 31, 2022. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on March 31, 2022.*
- iii) The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2022 is Rs. 69,29,33,536 /-. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2022 and in previous financial years, due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2022 and in previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 69,29,33,536/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2022. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2022 is understated to that extent.*
- iv) The Company has not provided for loss allowances on financial Corporate Guarantee contracts amounting to about Rs. 301,70,98,162/- (exact amount cannot be ascertained) as on March 31, 2022 given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109) and also not provided for claims amounting to about Rs. 136,07,97,232/- (exact amount cannot be ascertained) as on March 31, 2022 received from banks for security interest on the assets of the Company for Loans availed by the related group companies. The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2022 are understated to that extent.*

- v) *The Company's inventories are reflected in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2022. The Company has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2022. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2022 is understated to that extent.*
- vi) *The impact of Impairment, if any, of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,43,59,951 /- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should be accounted in the books of accounts by the Company at the quarter ended March 31, 2022 after conducting the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and by doing a valuation of the same. In the absence of physical verification of Property, Plant and Equipment and valuation report of assets by the third party valuers, we are unable to comment whether that the value of assets as reflected in Property, Plant and Equipment and Capital Work in Progress head is correct or impairment for the same is required as on March 31, 2022.*
- vii) *The Company / RP has received claims from some Operational Creditors amounting to Rs. 2,40,190 /- as on December 20, 2019 which has been accepted, however Rs. 1,25,782/- is the balance outstanding as per books as on March 31, 2022 for such operational creditors. The loss for the quarter and period ended March 31, 2022 and Trade Payables are understated to the extent of Rs. 1,14,408 /- as on March 31, 2022.*
- viii) *Inter-Company Related Party outstanding balance with TV Vision Limited and SAB Events and Governance Now Media Limited as on March 31, 2022 is subject to reconciliation. The impact, if any, due to non-reconciliation of Inter-Company accounts on the financial statements of the Company as on March 31, 2022 is unascertainable.*
- ix) *The amount of Depreciation and Amortization expenses for the quarter and period ended March 31, 2022 is assumed to be proportionate to the Depreciation and Amortization expenses as per the Audited financials of the Company for the year ended March 31, 2022, due to reasons as stated in Note No. 2 forming part of the results for the quarter ended March 31, 2022. The impact of differences, if any, between actual depreciation as per Fixed Asset Register and as per*

books of accounts, on the financial statements of the Company as on March 31, 2022 is unascertainable.

- x) No provision for doubtful debts for the sum of Rs. 26,81,000 /- has been made in books of accounts as on March 31, 2022 as required by Indian Accounting Standard (IND-AS 109) for amount recoverable from a debtor which is doubtful of recovery. The loss for the quarter and period ended March 31, 2022 is understated and Trade Receivables of the Company are overstated as on March 31, 2022 to the extent of Rs. 26,81,000 /-.*
- xi) Bank Balances totalling to Rs. 2,61,992 /- and unclaimed dividend account amounting to Rs. 1,82,687/- are subject to confirmation / reconciliation due to non-receipt of bank statements / bank confirmation / external confirmations as on March 31, 2022, as represented to us by the management. The impact, if any, on the financial statements as on March 31, 2022 could not be ascertained.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Material Uncertainty Relating to Going Concern

- i) Attention is drawn to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016 and substantial losses incurred by the Company for the quarter and year ended March 31, 2022 and negative Total Equity of Rs. 7,838.52 Lakhs as on March 31, 2022. However, we are unable to obtain sufficient and appropriate audit evidence regarding management's using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which is unascertainable as on date and uncertainty relating to other matters stated hereinabove.

Emphasis of Matters

- ii) Attention is drawn to Note No.2 forming part of the results wherein it is stated that the suspended management has not handed over the possession of the Corporate and Registered office of the Company, content library (intangible assets), inventories, other fixed assets, Fixed Assets Register and other such information and records / documents related to the Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. The outcome of such application is unascertainable as on date.

- iii) Attention is drawn to Note No. 7 forming part of the results wherein it is stated that the Transaction Audit of the Company for a period of 5 years was conducted by Transaction Auditor and the Transaction Audit Report has reported certain findings of Preferential, Undervalued and Fraudulent Transactions under section 43, 45 and 66 of IBC, undertaken by the erstwhile management of the Company. Such transactions, as reported in the said Transaction Auditor's report, were incurred in the previous financial years, when the financial statements / accounts of the Company were audited by predecessor auditors. Accordingly, the RP, with approval of Committee of Creditors, has filed a petition with Hon'ble NCLT, Mumbai, against the suspended management of the Company under section 43, 45 and 66 of IBC. However, an application has been filed by Mr. Markand Adhikari before Hon'ble NCLT, Mumbai for quashing the appointment and report of the Transaction Auditor.

Further, Attention is drawn to Note No. 9 forming part of results wherein it is stated that RP has served notice of termination of Leave and License agreement to the licensees from July 1, 2020 in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari, Suspended Director, before Hon'ble NCLT, Mumbai Bench, seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the licensees.

The outcomes of these applications are unascertainable as on date.

Also, RP has also appointed valuers to carry out valuation of all the assets (including intangible assets) of the Company. As per Note No. 7 forming part of the results for the quarter and year ended March 31, 2022, the valuation of the fixed assets, intangible assets, financial assets and inventory as disclosed in the financials of F.Y. 2021-22 are subject to the valuation reports of the valuers.

- iv) The impact of short / excess provision, if any, in all the pending direct and indirect tax assessments has not been accounted for the year ended March 31, 2022 due to non-receipt of final assessment order of direct and indirect tax demand received from the relevant tax authorities / court.

Our opinion is not modified in respect of these matters.

Other Matters

- i) The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition filed by one of the secured lenders against Sri Adhikari Brothers Television Network Limited and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.

Management s Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Management is responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Branches :

India : Mumbai, Vadodara, Kochi.

Overseas : Dubai, London, New York, Melbourne.

In preparing the standalone financial results, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

period from April 1, 2021 to March 31, 2022.

Basis for Adverse Opinion in Auditors report of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited)

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse conclusion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).*
- ii) *Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319 /- as on March 31, 2022 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the quarter and period ended March 31, 2022, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319 /- as on March 31, 2022. The said amount of Rs. 23,48,25,319 /- is the difference between Claims amounting to Rs. 2,02,33,93,274/- (including interest) received from banks by RP as on December 20, 2019 and amount of loan outstanding from banks amounting to Rs.178,85,67,955 /- reflected in books of accounts of the Company as on March 31, 2022. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on March 31, 2022.*
- iii) *The aggregate carrying value of Business and Commercial rights in the books of the Company as on March 31, 2022 is Rs. 69,29,33,536 /-. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2022 and in previous financial years, due to which the Company has incurred substantial losses during the quarter and period ended*

March 31, 2022 and in previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 69,29,33,536/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2022. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2022 is understated to that extent.

- iv) The Company has not provided for loss allowances on financial Corporate Guarantee contracts amounting to about Rs. 301,70,98,162/- (exact amount cannot be ascertained) as on March 31, 2022 given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109) and also not provided for claims amounting to about Rs. 136,07,97,232/- (exact amount cannot be ascertained) as on March 31, 2022 received from banks for security interest on the assets of the Company for Loans availed by the related group companies. The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2022 are understated to that extent.
- v) The Company's inventories are reflected in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2022. The Company has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2022. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2022 is understated to that extent.
- vi) The impact of Impairment, if any, of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,43,59,951 /- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should be accounted in the books of accounts by the Company at the quarter ended March 31, 2022 after conducting the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and by doing a valuation of the same. In the absence of physical verification of Property, Plant and Equipment and valuation report of assets by the third party valuers, we are unable to comment whether that the value of assets as reflected in Property, Plant and Equipment and Capital Work in Progress head is correct or impairment for the same is required as on March 31, 2022.
- vii) The Company / RP has received claims from some Operational Creditors amounting to Rs. 2,40,190 /- as on December 20, 2019 which has been accepted, however Rs. 1,25,782/- is the balance outstanding as per books as on March 31, 2022 for such operational creditors. The loss for

the quarter and period ended March 31, 2022 and Trade Payables are understated to the extent of Rs. 1,14,408 /- as on March 31, 2022.

- viii) Inter-Company Related Party outstanding balance with TV Vision Limited and SAB Events and Governance Now Media Limited as on March 31, 2022 is subject to reconciliation. The impact, if any, due to non-reconciliation of Inter-Company accounts on the financial statements of the Company as on March 31, 2022 is unascertainable.*
- ix) The amount of Depreciation and Amortization expenses for the quarter and period ended March 31, 2022 is assumed to be proportionate to the Depreciation and Amortization expenses as per the Audited financials of the Company for the year ended March 31, 2022, due to reasons as stated in Note No. 2 forming part of the results for the quarter ended March 31, 2022. The impact of differences, if any, between actual depreciation as per Fixed Asset Register and as per books of accounts, on the financial statements of the Company as on March 31, 2022 is unascertainable.*
- x) No provision for doubtful debts for the sum of Rs. 26,81,000 /- has been made in books of accounts as on March 31, 2022 as required by Indian Accounting Standard (IND-AS 109) for amount recoverable from a debtor which is doubtful of recovery. The loss for the quarter and period ended March 31, 2022 is understated and Trade Receivables of the Company are overstated as on March 31, 2022 to the extent of Rs. 26,81,000 /-.*
- xi) Bank Balances totalling to Rs. 2,61,992 /- and unclaimed dividend account amounting to Rs. 1,82,687/- are subject to confirmation / reconciliation due to non-receipt of bank statements / bank confirmation / external confirmations as on March 31, 2022, as represented to us by the management. The impact, if any, on the financial statements as on March 31, 2022 could not be ascertained.*

Material Uncertainty Relating to Going Concern

- i) Attention is drawn to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016 and substantial losses incurred by the Company for the quarter and year ended March 31, 2022 and negative Total Equity of Rs. 7,838.52 Lakhs as on March 31, 2022. The appropriateness of assumption of going concern is mainly dependent on the*

company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management's using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which is unascertainable as on date and uncertainty relating to other matters stated hereinabove.

Emphasis of Matters

ii) Attention is drawn to Note No.2 forming part of the results wherein it is stated that the suspended management has not handed over the possession of the Corporate and Registered office of the Company, content library (intangible assets), inventories, other fixed assets, Fixed Assets Register and other such information and records / documents related to the Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. The outcome of such application is unascertainable as on date.

iii) Attention is drawn to Note No.7 forming part of the results wherein it is stated that the Transaction Audit of the Company for a period of 5 years was conducted by Transaction Auditor and the Transaction Audit Report has reported certain findings of Preferential, Undervalued and Fraudulent Transactions under section 43, 45 and 66 of IBC, undertaken by the erstwhile management of the Company. Such transactions, as reported in the said Transaction Auditor's report, were incurred in the previous financial years, when the financial statements / accounts of the Company were audited by predecessor auditors. Accordingly, the RP, with approval of Committee of Creditors, has filed a petition with Hon'ble NCLT, Mumbai, against the suspended management of the Company under section 43, 45 and 66 of IBC. However, an application has been filed by Mr. Markand Adhikari before Hon'ble NCLT, Mumbai for quashing the appointment and report of the Transaction Auditor.

Further, Attention is drawn to Note No. 9 forming part of results wherein it is stated that RP has served notice of termination of Leave and License agreement to the licensees from July 1, 2020 in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari, Suspended Director, before Hon'ble NCLT, Mumbai Bench, seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the licensees.

The outcomes of these applications are unascertainable as on date.

Also, RP has also appointed valuers to carry out valuation of all the assets (including intangible assets) of the Company. As per Note No. 7 forming part of the results for the quarter and year ended March 31, 2022, the valuation of the fixed assets, intangible assets, financial assets and inventory as disclosed in the financials of F.Y. 2021-22 are subject to the valuation reports of the valuers.

- iv) The impact of short / excess provision, if any, in all the pending direct and indirect tax assessments has not been accounted for the year ended March 31, 2022 due to non-receipt of final assessment order of direct and indirect tax demand received from the relevant tax authorities / court.

Our opinion is not modified in respect of these matters.

Basis of Adverse Opinion for accounts of Associate Company (i.e. SAB Media Networks Private Limited):

- i) *The aggregate carrying value of Business and Commercial rights and Channel Development costs in the books of the Company as on March 31, 2022 is Rs. 68,71,96,054/-. There is no revenue generation from monetization of these assets during the quarter and year ended March 31, 2022 due to which the Company has incurred substantial losses during the quarter and year ended March 31, 2022 and previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 68,71,96,054/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2022. The assets of the Company are overstated and net loss for the quarter and year ended March 31, 2022 is understated to that extent.*
- ii) *Due to default in repayment of loans taken from Bank, the Account of the Company has been classified as Non-Performing Asset by Bank in the previous financial years. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group and its associates to express an opinion on the consolidated Financial Results. II.	Audit Qualification (each audit qualification separately):			
1	<p>a. Details of Audit Qualification: Written management representation as per SA 580 not provided. We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse conclusion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).</p>

Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to approximately Rs. 23,48,25,319 /- as on March 31, 2022 (exact amount cannot be determined), hence to that extent, finance cost, total loss for the quarter and period ended March 31, 2022, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by approximately Rs. 23,48,25,319 /- as on March 31, 2022. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2022 and in previous financial years, due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2022 and in previous financial years. There is a strong indication of Impairment in the value of these Business and Commercial rights and therefore we are of the opinion that the Impairment loss of Rs. 69,29,33,536/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2022. The Committee of Creditors approved the Liquidation of the Company in the COC meeting held on 24th August, 2021. Pursuant to this approval, Hon'ble NCLT approved the liquidation vide order dated 16th December 2021 and the liquidator, namely "Mr. Ashish Vyas" was appointed vide modification order dated 4th January, 2022. The modified liquidation order was uploaded and received on 21st January 2022.

An Appeal was filed by the suspended management against the Hon'ble NCLT order. With reference to this appeal, the Hon'ble NCLAT, vide its order dated 31st January, 2022, has stayed the liquidation proceedings, and the matter is directed to be further listed on 14th July, 2022.

The RP has not been handed over the accounts upto the F.Y 2017-18. Further, a non-co-operation application is pending against the suspended management for non-handover of various critical data. II. Audit Qualification (each audit qualification separately):

1 a. **Details of Audit Qualification: Written management representation as per SA 580 not provided.**
We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse conclusion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).
