Sonata Wins Three Microsoft India Partner of the Year Awards

Company recognized by Microsoft for outstanding achievement and innovation in Manufacturing & Conglomerates, ITES and Digital Natives categories.

Bangalore, 12th September 2023— Sonata Software [NSE: SONATSOFTW, BSE: 532221], the leading Modernization Engineering company has been named Microsoft India Partner of the Year across three verticals – Manufacturing & Conglomerates, ITES and Digital Natives.

The Microsoft India Partner of the Year Awards acknowledge outstanding successes and innovations by partners in a wide variety of categories, including partner competencies, cloud to edge technologies, entrepreneurial spirit and social impact. Sonata was recognized for its commitment to customers, the impact of their solutions and their exemplary use of Microsoft technologies.

“Sonata has consistently showcased its prowess in providing cutting-edge services on Microsoft technologies, and we are thrilled to be recognized by Microsoft India under the three categories,” said Sujit Mohanty, MD & CEO, Sonata India. “These distinctions are a testament to our commitment, advanced capabilities and fruitful three decades long association with Microsoft in enabling modernization, digital transformation and positive business outcomes for our customers. The awards further strengthen Sonata’s position as a credible technology partner in the marketplace.”

“The winners and finalists of the 2023 Microsoft India Partner of the Year Awards have demonstrated how partners can use Microsoft technology creatively, to make a positive difference and empower our customers to achieve more,” said Mithun Sundar, Chief Partner Officer & Executive Director – Global Partner Solutions, Microsoft India. “Congratulations to Sonata Software for this tremendous achievement and their outstanding business leadership.”

Sonata Software, a trusted partner of Microsoft, has been garnering prestigious recognitions & accolades like Member Inner Circle for Microsoft Business Applications, Microsoft Cloud Partner, and the Solutions Partner designations in Business Applications, Data & AI (Azure), Digital & App Innovation (Azure), Infrastructure (Azure), Modern Work and Security. Also, Sonata is a proud partner for Microsoft Fabric, the recently launched data analytics platform for the era of AI.
