Will regain lost position in world order, says Modi

AGENCIES
New Delhi, 26 May

Prime Minister Narendra Modi on Sunday said the next five years will be the time to regain the rightful position of India in the world order. He was speaking here at a function following the Lok Sabha election victory, which was kept simple and shorn of pomp because of the Surat fire tragedy. "Next five years will be very important in the history of the country, as was the period between 1942 to 1947," Modi said addressing a huge gathering. "Next five years will be the time to regain the rightful position of India in the world order. In the past our country had that place. I am sure India will regain its importance in the world order," he said.

He also expressed grief over the death of 22 students in Surat building fire tragedy.

"Till yesterday, I was in two minds whether to go for this felicitation function or not as on one hand, there was *kartavya* (duty) and on the other hand, there was *karuna* (compassion) for those who died in Surat. No amount of words can reduce the grief of the families who have lost their children in that tragedy," he said. The function was kept simple in the wake of the tragic incident in Surat, he noted. The prime minister addressed the gathering at JP Chowk outside the BJP office in Khanpur area, its former state headquarters before it shifted to the Gandhinagar. It now houses the party's city unit office.

Modi reminisced that he had spent many years in this small office during his initial days as a politician. He had last addressed a gathering at JP Chowk when BJP won the 2012 Assembly polls, he recalled.

The Lok Sabha results stunned all the political pundits, Modi said.

"During the campaigning for the sixth phase, I had, for the first time, said we will cross 300 seats. At that time, many people made fun of my statement... I saw during the campaigning that people were keen to reinstate this government. People wanted to strengthen the government. They knew that their votes will provide guarantee of security and bring prosperity," he said.

"This is a pro-incumbency vote. A vote to reinstate the present government. In the beginning of the poll campaign, I had told it is not BJP or its candidates who are contesting, it is the people who are contesting the polls... The word 'wave' is too small to describe the poll results this time," he said. This big mandate brings big responsibilities.

RBI gov meets Jaitley

PRESS TRUST OF INDIA
New Delhi, 26 May

Reserve Bank Governor Shaktikanta Das called on Finance Minister Arun Jaitley here on Sunday.

The governor in a tweet said that it was a courtesy meeting.

"Had a courtesy meeting with Hon'ble Union Minister @arunjaitley this evening," Das tweeted while posting a picture of the meeting. His tweet came amid speculations in some media on the state of Jaitley's health. Dispelling such rumours, the government Sunday said reports on the deteriorating health of Jaitley are false and baseless, and media should stay clear of rumour mongering.

of rumour mongering. "Reports in a section of media regarding Union Minister Shri Arun Jaitley's health condition are false and baseless. Media is advised to stay clear of rumour mongering," government spokesper-

son Sitanshu Kar tweeted. Jaitley's college friend and media baron Rajat Sharma as well as Rajya Sabha MP Swapan Dasgupta also rejected reports on deteriorating health of the senior BJP leader.

Fiat Chrysler, Renault in talks for a tie-up

BLOOMBERG
Milan/Italy, 26 May

Fiat Chrysler Automobiles is poised to announce a tie-up with Renault as soon as Monday, opening a path for the Italian-American automaker to eventually become part of the Renault-Nissan Motor alliance, according to people familiar with the matter.

The deal may include an exchange of equity, the people said, asking not to be identified because the discussions aren't public. Nissan isn't involved, though the transaction would allow the carmakers to join forces later, the people said. The talks with Fiat have

moved ahead despite tensions between Renault and Nissan, illustrating the intense pressure facing automakers to combine efforts and investments. With sales falling in the world's biggest car markets, manufacturers are being pushed by regulators to electrify and reduce fleet emissions. At the same time, they've been forced to spend heavily on self-driving technology or get left behind by deep-pocketed competitors like Alphabet Inc's Waymo.

Talks between Fiat and Renault have accelerated in recent days, as negotiators found a way to structure a deal, the people said.

Imran dials Modi, calls for 'terror-free environment'

In their first telephonic conversation after the Balakot airstrikes, PM Narendra Modi told his Pakistani counterpart Imran Khan on Sunday that creating trust and an environment free of violence and terrorism was essential for fostering peace and prosperity in the region. The Ministry of External Affairs said it was Khan who called Modi to congratulate him on his re-election. "The PM thanked Khan for his telephone call and greetings," it said. Recalling his initiatives in line with his government's "neighbourhood first" policy, Modi referred to his earlier suggestion to Khan to fight poverty jointly, the MEA said.

Exceptional growth is not an exception for us.
