- RECORD DATE AND SHAREHOLDER'S ENTITLEMENT:
- As required under 9(i) of the SEBI Buyback Regulations, the Company has announced Friday, April 22, 2022 as the record date (the "Record Date") for the purpose of determining the entitlement and the names of the absorbed dear. of the shareholders, who are eligible to participate in the Buyback Offer.
- The equity shares to be bought back as a part of this Buyback Offer is divided into two categories:
- Reserved category for Small Shareholders; and General category for all other shareholders.

in terms of the SEBI Buyback Regulations

- As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" means a shareholder of a company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognized stock exchange in which highest trading volume in respect of such securities, as on record date is not more than two lakh rupees. Presently the equity shares of the Company are not traded on the CSE, thus the closing price for the same is not available. Hence, a shareholder who holds equity shares having market value on the basis of Buyback Offer Price of Rs. 30/- is not more than Rs. 2,0,0,000 (Rupees Two Lakhs Only) is considered for determination of Small Shareholders in terms of the SEBI Buyback Regulations. However, if on the Record Date the Closing price on the CSE would be available, then the same shall be considered for determination of Small Shareholders in terms of the SEBI Buyback Regulations.
- In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- On the basis of shareholdings as on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares the Company will purchase from the shareholders will be based on the equity shares tendered. Accordingly the Company may not purchase all of the equity shares tendered. Accordingly the Company may not purchase all of the equity shares tendered by the shareholders over and above their entitlement.

- After accepting equity shares tendered on the basis of entitlement, the equity shares left to be bought back, if any in one category shall first be accepted, in proportion to the equity shares tendered over and above the entitlement in the offer by the shareholders in that category and thereafter from shareholders who have
- tendered over and above their entitlement in other category.

 In order to ensure that the same shareholders with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shareholder category, the Company will club together the Equity Shareholder or General Category) and the Buyback Entitlement. In case of joint shareholding, the Company will club together the Equity Shareholder or General Category) and the Buyback Entitlement. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies, foreign institutional investors/ foreign portfolio investors etc., with normon PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- Participation in the Buyback shall be voluntary. Eligible Shareholders of the Company shall have the option to participate, in part or in full and get cash in lieu of equity shares to be accepted under the Buyback or they may choose not to participate and be benefitted from a resultant increase in their percentage shareholding in the Company post Buyback without additional investment. Further, Eligible Shareholders of the Company shall have the option of tendering additional Equity shares (over and above their entitlement) and participate in the shortfall due to non-participation by some other Eligible Shareholders of the Company, if at all. The maximum tender under the Buyback by any Eligible Shareholder of the Company cannot exceed the
- number of Equity shares held by such Eligible Shareholder of the Company as on the Record Date. The Equity shares tendered as per the entitlement by the Eligible Shareholders of the Company as well
- as additional Equity shares tendered, if any, will be accepted as per the procedure laid down in Buyback
- Detailed instructions for participation in the Buyback (tendering of Equity shares in the Buyback) as well as the relevant time table will be included in the letter of offer which will be sent in due course to the Eligible Shareholders of the Company.
