**Review Report to
The Board of Directors
Aavas Financiers Limited**

Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

1. We have reviewed the accompanying statement of unaudited standalone financial results of Aavas Financiers Limited (the "Company") for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

5. We draw attention to Note 5 of the Statement, which describes the extent to which the COVID-19 pandemic will impact the Company's operations and its financial metrics which are dependent on uncertain future developments. Our conclusion is not modified in respect of this matter.

- 2 The above results for the quarter ended June 30, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on August 12, 2020 and subjected to limited review by the statutory auditors of the Company.
- 3 The figures for the quarter ended March 31, 2020 represent balancing figures between the audited figures for the year ended March 31, 2020 and year to date figures upto December 31, 2019 which were subjected to limited review by Statutory auditors.

- 5 COVID-19 is a global pandemic, which continues to spread across the world with India not being an exception and has contributed to a significant volatility in global and Indian financial markets and a unprecedented level of disruption on socio-economic activities. Based on the information available till date, the Company has used the principles of prudence to provide for the impact of the pandemic on the Financial Statements specifically while assessing the expected credit loss on financial assets. This has resulted in an additional provision of INR 462 lakh against financial assets during the quarter, taking the overall additional provision of INR 905.75 lakh as of June 30, 2020. The extent to which the COVID-19 pandemic will impact the Company's operations and financial metrics including the expected credit losses on financial assets will depend on future developments, which are highly uncertain.

- 6 The Company is engaged primarily in the business of housing finance and accordingly there are no separate reportable segments as per Ind AS 108 dealing with Operating Segments.
- 7 Figures for the previous year/period have been regrouped and / or reclassified wherever considered necessary.
