Note on Qualification in Review Report
The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (together referred to as 'JV') of Rs. 6,346.68 lakhs including investments, loans and other assets (As on March 31, 2022 Rs. 6,650.53 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and period ended September 30, 2022, as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at September 30, 2022 and consequent impact thereon on the results. However, the Management believe that it will not have a material impact on the financial results for the quarter and period ended September 30, 2022.
