The accounts of the said subsidiary have been classified as NPA by the bankers of the company. The said company is under Corporate Insolvency Resolution Process and the probability of recovery of the dues is minimal. This will have material impact on financial position of the Company as the amount of the liability of the company against the corporate guarantees are much higher than the total net worth of the company.

Our opinion is not modified in respect of these matters.

Management's Responsibility for the Standalone Financial Results

These quarterly standalone financial results as well as the annual standalone financial results have been prepared on the basis of the annual standalone financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the these Standalone financial results that give a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliances with Regulations 33 of the Listing Regulations.

The Board of Directors of the company are responsible of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results the Board of Directors of the company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the company are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial results, including the disclosures, and whether the Standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The annual standalone financial results which state that the results for the quarter ended 31st March 2024 and 31st March 2023 are the balancing figures between the audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter to the relevant financial year, which are subject to limited review by us, as required under the Listing Regulations.

Our objectives are to obtain reasonable assurance about whether the Consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

We draw attention to the following matters:

- a. One Associate company whose interim consolidated financial results/financial information/financial statements include the Group's share of net profit after tax of Rs. 2.31 lakhs for the year ended 31st March 2024, as considered in the Statement whose interim financial results/financial information/financial statements have been reviewed by their respective auditors.

The independent auditor's reports on interim financial results/financial information/financial statements have been furnished to us by the Management and our conclusion on the Statement in so far as it relates to the amounts and disclosures in respect of this Associate company.

- b. One Subsidiary company namely India Denim Limited is under Corporate Insolvency Resolution Process as per the order number CP(IB)/361/AHM/2019 dated 22/09/2023 passed by the Hon'ble NCLT, Ahmedabad. The board of the company was suspended from the same date and the Resolution Professional (RP) was appointed for the same. The interim financial results/financial information/financial statements for the said company was not available and hence the profit/loss of the subsidiary company is not considered while preparing the Unaudited Consolidated Financial Results for the holding company. The company has already made full provision for the investment made in the same subsidiary company.

Our opinion is not modified in respect of these matters.

- c. The annual Consolidated financial results which state that the results for the quarter ended 31st March 2024 and 31st March 2023 are the balancing figures between the audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter to the relevant financial year, which are subject to limited review by us, as required under the Listing Regulations.
