Airlines to make full refund of tickets

May 3, 2020, in all such cases, full refund shall be given by the airlines immediately (this is being mandated vide MoCA's OM dated April 16, 2020 as the airlines were not supposed to book such tickets)," it said.

The DGCA said that after various rounds of deliberations between the stakeholders including the airlines, they have arrived at a proposed workable solution keeping in view the interests of both passengers as well as companies.

On June 12, the top court, while hearing a PIL filed by NGO 'Pravasi Legal Cell', had asked the Centre, the DGCA and the airlines to discuss and work out modalities for full refund of tickets for domestic and international flights which were cancelled following the COVID-19 lockdown.

The aviation regulator in its affidavit said that if airlines are not able to refund the amount on account of financial distress, they shall provide a credit shell equal to the amount of fare collected and this shall be issued in the name of the passenger who has booked the ticket for domestic travel directly or through an agent including online platforms.

It said the passenger shall be able to consume the credit shell up to March 31, 2021 on any route of his choice and If the passenger wants to buy a ticket of value

more than the credit shell, then he can use cash to top it up.

"If he wants to buy a ticket of value less than the credit shell, he/she can do so and the balance amount of credit shell shall be available to him/her," it said, adding, there shall be an incentive mechanism to compensate the passenger if there is a delay in consuming the credit shell.

It said, "From the date of cancellation of ticket up to June 30, 2020 the value of credit shell shall be enhanced by 0.5 per cent of the face value (the amount of fare collected) for every month or part thereof between the date of cancellation and June 30, 2020. Thereafter, the value of credit shell shall be enhanced by 0.75 per cent of the face value per month, up to March 2021."

The regulator also proposed the credit shell shall be transferable and to any person, and the airlines shall honour such a transfer.

"The airlines shall devise a mechanism to facilitate such a transfer," it said, adding that by the end of March, 2021, the Airlines shall refund cash to the holder of the credit shell.

The DGCA said that the airlines shall also refund the full amount in case of travellers who have since expired to the account of the passenger or to his representative.(PTI)

BSF DG visits LoC areas

tricts of Rajouri and Poonch where he took stock of the prevailing situation, a BSF release said tonight.

Without naming China and Pakistan, the BSF chief in his address to 'Sainik Sammelan' at the force's Paloura camp here said, "This is a very crucial time for all, as both our neighbouring countries are planning against us."

"Our role has become more important now as we are the first line of Indian defence," Asthana added.

On the third day of his maiden tour, the release said, the DG was briefed by Deputy Inspector General, sector headquarters, Rajouri, I D Singh and field commanders on the LoC regarding the operational preparedness and the present situation.

He was accompanied by Additional Director General (WC) S S Panwar and Inspector General of BSF, Jammu frontier, N S

Jamwal. Appreciative of the measures adopted by the troops while maintaining domination along the LoC, Asthana emphasised on meeting the security challenges more effectively.

He lauded the excellent synergy amongst all the security forces and exhorted all ranks to maintain a high standard of discipline and professionalism.

He was very appreciative of the vigilant BSF jawans who guard the nation's border round the clock defying all hostile conditions, the release said.

Asthana, who took over as the chief of the border-guarding force recently, visited forward areas along the International Border including Samba where the BSF detected an underground tunnel last month and frustrated Pakistan's design to facilitate infiltration of terrorists and smuggling of narcotics.

Amid COVID-19 scare, hundreds throng Gulmarg

COVID-19 SOPs. The visitors, mainly families, said that they had come to the picnic spot for refreshment and to relieve the stress caused by the pandemic.

"If we follow the safety protocols there is no harm in visiting these places as it reduces the stress level and boosts the immunity," Mubashir Ahmad, a local said.

The kids who had come with their parents were seen enjoying the swings and slides. "My kids are getting fresh air after a long time. Such outings are necessary in the present times when everyone is in distress because of the pandemic," Farooq Ahmad, a parent said. He, however, stressed that parents should take all the precautionary measures while embarking on such an expedition.

The ponywallas who have been lying idle for the last six months because of the lack of tourists also welcomed local tourists. "The graveyard silence has finally ended here. I am happy to see some locals coming here on weekends. Although they are hesitant to go for a horse ride, it gives us hope," Ali Mohammad, a ponywalla said.

Some children were depressed with the condition of the swings and the slides and asked for their replacement. "Majority of them are broken. I could not enjoy fully as there was always the danger of getting hurt," Safoora, a girl said.

She said as schools are shut she has not got chances to play with her friends and such outings would compensate for the loss. "I miss playing with my friends and such outings help to shrug off that feeling. I pray to God that the disease ends soon so that we meet our friends again," she said.

Basic amenities missing in Panjgrain

I want to draw the kind attention of authorities towards the dilapidated condition of Ward No. 5, Karlah, Panchayat Panjgrain of Tehsil Ramnagar, Udhampur. As the area is facing lack of basic facilities, there is also no supply of water and people have to travel a long distance to fetch water for drinking and other purposes. Moreover, there is no proper way to reach the hamlet. People have to climb the hilly terrain on foot which becomes quite difficult for children and aged people especially in rainy season. In addition to it, there is no Anganwadi centre and Primary School in our ward. Children have to travel a long distance to reach the nearest school.

Our ward is the most neglected in the village. So it is requested to the concerned authorities to kindly look into this matter at the earliest and take necessary steps.

Unauthorised installation of towers in Samba

This is to draw the attention of the authorities towards unauthorised installation of mobile towers in thickly populated areas in Samba. These towers have been installed near Schools, banquet halls and religious places without taking any permission from the concerned authorities. It may not be out of place to mention here that installation of mobile towers in populated areas is a great health hazard, and as such are not allowed in these areas.

It is, therefore, requested to the administration to look into the matter, and do not permit installation in the populated areas.

Garbage dumps in Udhampur town

This is draw the attention of the District Administration Udhampur towards the heaps of garbage that have erupted in many places in the town.

These dumps have become a source of nuisance for the people as they not only emit offensive smell but one can see stray animals and dogs foraging for food there. As a result, the atmosphere in these places has vitiated to such an extent that one has to close nose and mouth with a handkerchief to pass by them.

As such it is requested that the town needs to be given a face-lift to overcome this problem.

SIF reiterates demand of Punjabi as official language

Excelsior Correspondent

JAMMU, Sept 6: All J&K1947 POJK Sharnarhi Intellectual Forum (SIF) today in a statement reiterated the demand of approval of Punjabi language as an official language in J&K UT. Forum president, Amrik Singh appealed the Lt. Governor, Manoj Sinha to reconsider the earlier decision and include Punjabi as an official language like Hindi; English, Dogri and Kashmiri. While elaborating Amrik Singh said that Punjabi is not related with any particular religion it is the language of every person of Northern India and almost more than 70% Northern Indians speak Punjabi.

He also urged upon all local organisations and NGOs irrespective of cast creed to insist this burning issue on their respective platforms in a very

peaceful and democratic way and not to give chance to anti national elements to exploit this issue in a wrong way. Singh also urged upon the Union HRD Minister to issue a separate circular in this regard for the best interest of justice with Punjabi language.

Surjit Singh, general secretary of the Forum complimented to Sukhbir Singh Badal president of Shiromani Akali Dal, Govind Singh Longowal, president Shiromani Gurdawara Parbandhak Committee Amritsar; Sukhminder Singh Grewal, president All India Kissan Sabha, Manjinder Singh Sirsa, president Delhi Sikh Gurdawara Management Committee and Bhagwant Maan member Parliament for taking this sensitive issue seriously with Union Government and UT.

Drug peddler held, heroin seized

Excelsior Correspondent

POONCH, Sept 6: The Excise team from Poonch led by Inspector Mohd Arif under the supervision of ETO Rajouri-Poonch Range, Virinder Singh Pawar nabbed a drug peddler and recovered some heroin from his possession.

Official sources said that Excise team during naka near Army Cantonment area intercepted one person who was coming from link road Shiv Khori. He was signaleed to stop, however, he tried to evade checking party but stopped.

During his search 2.26 gms of heroin like substance was recovered from his possession. He had some injections filled with heroin like substance. He was identified as Mohd Majid, son of Akbar Din, a resident of Ward No. 1 Mohallah Qazi Morha, Poonch. He was booked under section 08/21 of NDPS Act and further investigation is going on under Report number 35/ESRP-K in this regard. The operation was carried out under the direction of Excise Commissioner, Rajesh Kumar Shavan and close supervision of Amarjeet Singh, Deputy Commissioner Excise (Executive) Jammu.

Construct Dalsar-Ghordi road

The recent rains in the UT have wreaked havoc on the roads in Ramnagar area. Most of the roads have become traffic unworthy and cause a lot of inconvenience to residents of the area.

However, the condition of Dalsar-Ghordi road is indescribable. To highlight the situation, the local villagers had to protest against the PMGSY wing of the R&B Department and District Administration.

The 21 kms long road, which is right now marked by pot-holes and puddles, is source of great inconvenience to the local people who can't travel over it during rains. This is an important road, and needs to be constructed on priority basis.

We hope the protest lodged by the villagers would wake up the administration from its deep slumber.

Menace of stray dogs in Durga Nagar

The problem of stray dogs in Durga Nagar Roop Nagar has assumed alarming situation. The stray dogs, in groups, at times become so violent that young and old inhabitants do not dare to come in streets for purchasing essential commodities, medicines or vegetables. If you are driving a two wheeler and the mood of dogs is changed, you will be chased by these creatures right away in such a manner that you won't dare to drive again in the lanes.

The problem was discussed with Health Officer Jammu Municipal Corporation, who shifted it to Veterinary Officer who very smartly said that if someone is bitten by a dog, you should inform the local police and get their help. Now the other side of the story is that reportedly some people who claim to be sponsored by some NGOs feed some dogs with non-vegetarian stuff and invite dogs from other areas of the Colony to have a feast. - These people may be animal lovers and no one should raise a finger towards them, but then let them feed these dogs in a fenced area or a farm house and not pose risk to the lives of common people.

Smart City Project: Work begins on Command and Control Centre

Central team highlights importance of project in public service delivery

Srinagar, Sep 6: In a significant development, authorities have started the work on the ambitious Integrated Command and Control Centre (ICCC) project in Srinagar. The ICCC which also include a data centre will integrate all civic and essential services into a single platform aimed at monitoring and addressing public issues on real-time basis. It is being established under Smart Smart project.

While work on civil components, which also includes an Emergency Operation Centre, has been started, the project includes other key components including call centre, grievance management cell, operations planning and coordination cell, emergency response system and an IT unit.

Once operational, the ICCC headquarters will have representatives from all departments, the aim being to put in place a mechanism of synergy between departments for prompt coordination and redressal of public issues.

The centre will bring all of various proposed smart services and solutions under one umbrella. Some of the services and solutions that it will offer are emergency call box and panic button, city-wide CCTV surveillance, environment sensors for quality monitoring, solid waste management sensors for monitoring and timely disposal, smart parking and traffic management, early warning response system, efficiency in power and water supply and consumer complaints, smart governance and public grievance redressal.

Some of the other important components of the project include energy management and automation service and connection to the smart grid to be established as part of it, smart grid automation and flexible distribution enabling smart metering as well as LPG distribution management, smart planning and stakeholder management, integrated city management platform, intelligent weather system, smart public service delivery, public safety through city-wide video surveillance, emergency management, digital city services and WiFi internet service.

More than 45 departments have deployed around 80 officials to Srinagar administration for capacity building and later placement at IC&CC.

To sensitise the officials about the program, a stakeholders workshop was organised by Srinagar Smart City Limited at SKICC. Deputy Commissioner Srinagar (CEO SSSL) Shahid Iqbal Choudhary while

speaking on the occasion talked about the significance of this project and highlighted in detail the roles and functions of ICCC and DC being established under Smart City in Srinagar.

Stressing the importance of time-bound integration of various services offered by various departments in the district he said the ambitious project enables a coordination in administration that is key to efficient public service delivery. He said this common platform will lead to provision of desired service to citizens.

During the workshop a detailed presentation was made by an expert team from government of India about data acquisition, creation of sectoral infrastructure in city, inte-

gration of services, establishment of ICCC, services availability to citizens and data security.

Inspector General of Police, Kashmir Zone, Vijay Kumar, chaired the session on intelligent traffic management, power and water efficiency and law and order management.

Chief Engineer I&FC, Iftikhar Kakroo, and Director Disaster Management, Aamir Ali, who were also present on the occasion discussed requirements of flood management, city-wide alert system, preparedness, monitoring of various parameters, functioning of EOC and other aspects.

Joint Commissioner, Srinagar Municipal Corporation, held a discussion on an initiative required

for improving the monitoring of garbage collection and disposal, waste management, dewatering and drainage.

SSP Srinagar, Haseeb Mughal and SSP Traffic City Javid Koul, who were also present on the occasion, held relevant discussions.

ADC Syed Haneef Balkhi raised concerns surrounding data security during the workshop. The visiting expert team while responding to it informed that the inbuilt controls for data security do not allow access without high security codes.

Concluding the proceedings, the Deputy Commissioner asked the departments to project their concept notes for integration with ICCC, desired outcomes and also requirements for upgradation wherever required. The DC also talked about the initiative taken by the district administration in coordination with Srinagar Smart City Limited for a robust and dedicated public grievance redressal system being established shortly.

The ICCC project is expected to bring a paradigm shift in governance and working of the administration by bringing all departments under one umbrella for coordination and monitoring of public services and real-time redressal of grievances and solutions to disruptions.

Rapid Antigen Test drive held at KU

Srinagar, Sep 6: In continuation to its efforts to combat the spread of COVID19, District Disaster Management Authority (DDMA) Srinagar, through Health department conducted Rapid Antigen Test (RAT) drive at University of Kashmir (KU).

A statement said on the request of the varsity's Registrar, Dr Nisar A Mir, the district administration deputed a special team comprising officials from Health department who conducted the drive for teaching and non-teaching employees of the University's main campus and Zakura campus, at KU's Gandhi Bhawan auditorium.

During the drive, health

officials interacted with University employees and urged them to extend full cooperation to the administration during the COVID19 testing, adding the testing will be most beneficial in curbing the community transmission of the infection.

During the drive, awareness programme was held for the University staff about how to protect themselves from COVID19.

Meanwhile, as part of the precautionary measures against the threat of COVID19 the district administration also conducted a sanitation/fumigation drive at several places in and around the campus, including its various

academic blocks and departments, administrative block, various utilities and lawns of the campus.

The garbage collection points and dustbins were sterilized and sanitized. While expressing gratitude towards efforts of the district administration, Registrar KU, Dr Nisar A Mir said "I am thankful to the administration for this drive at our campus and spreading awareness about personal hygiene amongst the University staff and faculty."

Dr Mir said the RAT drive will continue and those employees who missed the testing earlier could present themselves for the same on Monday at the same venue.

14 flights with 2,089 passengers arrive at Srinagar airport

Srinagar, Sep 6: On day 105 of resumption of domestic operations in Jammu and Kashmir, 14 flights with 2,089 passengers on board landed at Srinagar airport on Sunday.

A statement said after arrival, all the passengers were tested for COVID19 and transported to their destinations amid strict observance of all necessary preventive protocols.

The statement said the government has made elaborate arrangements for the

arrival, screening, sampling and proper transportation of the passengers to the quarantine centers taking special care of guidelines and Standard Operating Procedures (SOPs) prescribed by the Union Ministries of Civil Aviation and Health and Family Welfare.

The statement said while Srinagar airport authorities have received 1,415 domestic flights with 1,93,004 passengers since May 25, Jammu airport authorities have received 884 domestic flights

with 76,644 passengers. It said till date the government has brought back 3,806 passengers from various countries to the Union Territory through special evacuation flights in the wake of global pandemic, till date.

Meanwhile, 1,372 passengers aboard 11 regular commercial flights and one charter flight arrived at the Jammu airport today, said the statement. "A total of 25 domestic flights with 3,461 passengers on board arrived at Jammu and Srinagar airports."

NOTICE OF 82ND ANNUAL GENERAL MEETING & E-VOTING

Sheikh-UI-Alam Memorial Degree College, Budgam (J&K-191111)

Hon'ble Commissioner/Secretary to the Government, J&K Higher Education Department, Mr. Talat Parvez Rohella visited Sheikh-UI-Alam Memorial Degree College, Budgam on 3rd September, 2020. He held a meeting of the Principals of the 07 Degree Colleges of the district Budgam. During the meeting the Commissioner/Secretary took a thorough review of the academic and developmental activities taking place in these colleges. He impressed upon the Principals to go about their work in a systematic manner so that the targets reflect the core priorities of their colleges and are achieved in a time bound manner. During the one by one review of the 07 Colleges, many things came up for the deliberation in the context of various Colleges. Commissioner Secretary stressed upon embedding the market oriented skill courses in the curriculum so that the students pursuing these courses are better able to compete in the job market. The skill courses in Sericulture, Mushroom Cultivation, Kangri Making and photography were proposed to be introduced in these colleges. The principals were asked to further explore potential areas which could be made part of the skill curriculum in these colleges. He accordingly sought details from the colleges regarding the student enrolment in different streams particularly skill courses. The Principals were directed to identify the infra structural needs and forward them to the Administrative Department along with the requisite DPRs. Being the newly established Colleges, the land acquisition and the construction of the Main buildings came up for discussion in the context of GDC Soibugh /GDC Chadoora. The C/S directed the concerned Principals to pursue the land acquisition in collaboration with the Revenue Department so that construction work is started at earliest. Furthermore, C/S also directed the Principals of these colleges to organise Admission Melas so that the local students are mobilised to seek admission in these Colleges. The principals of the colleges also flagged their academic and developmental needs and sought due support and cooperation from the Administrative department.
