ORDINARY BUSINESS:

1. **To receive, consider and adopt the Audited Balance Sheet as at 31st March, 2024, Statement of Profits & Loss together with Cash Flow Statement and Notes forming part thereto ("Financial Statement") for the year ended on 31st March, 2024 and Report of the Board of Directors and Auditors thereon.**
2. **To appoint Director in place of Mr. Parth Shivkumar Chauhan (DIN: 07571829), who retires by rotation and being eligible, offers himself for re-appointment as a Director of the Company.**

SPECIAL BUSINESS:

3. **Reduction of Share Capital and Capital Reserve:**

To consider and if thought fit, to give your assent/dissent to the following resolution as a **Special Resolution**:

"RESOLVED THAT pursuant to the Articles of Association of the Company, Section 66 and other applicable provisions of the Companies Act, 2013 read with rules, regulations, circulars and notifications, framed thereunder (including any statutory modification, amendment or re-enactment thereof for the time being in force), and subject to the requisite sanction and approval from the Hon'ble National Company Law Tribunal Ahmedabad Bench, ("**Tribunal**") and subject to such other consents, approvals, permissions, and sanctions of regulatory and other authorities, as may be necessary and subject to such terms, conditions, or modifications as may be prescribed or imposed by the Hon'ble Tribunal or by any statutory or regulatory authorities while granting such approvals or consents and which may be agreed to or accepted by the Board of Directors of the Company ("**Board**"), consent and approval of the members of the Company be and is hereby accorded for reducing 90% of the subscribed, issued and paid up equity Capital of the Company and the Capital Reserve of the Company in the following manner:

- i. The subscribed, issued and paid-up Capital shall stand reduced or otherwise altered from INR. 4,10,61,000/- divided into 41,06,100 Equity Shares of INR. 10/- each fully paid-up to INR.41,06,100/- divided into 41,06,100 equity shares of INR. 1/-each fully paid-up and that such reduction be effected by cancelling the paid up capital amounting to INR. 3,69,54,900/- which has lost or is unrepresented by available tangible assets ("**Capital Reduction**").
- ii. Further, the Capital Reserve account of INR.31,46,530/- shall stand reduced, written off and adjusted.
- iii. The debit balance of the Profit & Loss Account of the Company will be written off to the extent of INR. 4,01,01,430/- in line with the aforementioned reduction in Share Capital and Capital Reserve.
- iv. No consideration in cash or in kind shall be payable to the shareholders/members in lieu of the aforesaid reduction, cancellation and extinguishment of the equity share capital.

RESOLVED FURTHER THAT upon Reduction of the Share Capital being confirmed by the Hon'ble Tribunal and becoming effective and operative and/or the receipt of such other approvals as may be required, all those shareholders of the Company who continue to hold their shares in physical form as on the Record Date shall be issued and delivered fresh share certificate consequent upon the reorganization of capital irrespective of whether such Shareholders surrender their old share certificates or not. The old share certificates held by them in the Company shall be deemed to have been automatically cancelled and cease to be negotiable and be of no commercial or legal value and shall be non-usable and non-tradable on any stock exchange or otherwise on and from the Record Date. The Stock Exchanges shall also be intimated, on the Record Date in this regard. In the case of shares held in dematerialized and electronic form, the required procedure for reflecting the change in the holdings of the members of the Company, if and to the extent warranted, as a consequence of the sanctioning of this Scheme, shall be adopted for making the necessary alterations in the depository accounts of the shareholders.

RESOLVED FURTHER THAT for the purposes of giving effect to the Capital Reduction as aforesaid the Board is hereby authorised to agree to any modifications or conditions that may be imposed or stipulated by the Hon'ble Tribunal and to take all necessary steps and actions as the Board may in its discretion deem fit for the purposes of ensuring that the Capital Reduction is completed in a fair and equitable manner and as directed by the Hon'ble Tribunal.

RESOLVED FURTHER THAT the Company shall not be required to use the words "And Reduced" as part of its corporate name as there is neither any payment outgo nor it amount to extinguishing or reducing liability on its shares in respect of unpaid share capital.

RESOLVED FURTHER THAT any one of the Directors of the Company or any other person of the Company as may be nominated by the Board, be and is hereby authorized to file all applications, petitions and documents relating to the Capital Reduction or delegate such

authority to another person as deemed fit and to take all necessary steps and do all such acts, deeds, matters and things, as may be necessary to give effect to the aforesaid resolutions and as it may (in its absolute discretion) deem necessary, expedient, usual or proper, in the best interest of the Company and its members in connection with and relating to the Capital Reduction, including any directions for settling any question or doubt or difficulty whatsoever may arise, for the purpose of giving effect to the Capital Reduction, or to any modification thereof, and as the Board may in its absolute discretion deem fit and proper in the best interest of the Company without being required to seek any further consent or approval of the members or otherwise."

20. Notice of the AGM along with the Annual Report 2023-24 is being sent through electronic mode to those Members whose email addresses are registered with the Company /Depositories and physical copies to all other Members whose email is not registered. It is also note that the Notice and Annual Report 2023-24 is also available on the Company’s website <http://charmsindustries.co.in/>, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The Annual Report 2023-24 along with Notice is being sent to the members holding shares on cut-off date Friday, August 23, 2024.

In terms of Section 108 of the Companies Act, 2013 read with rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (“ICSI”) and Regulation 44 of Listing Regulations, the Company has engaged the services of NSDL to provide the facility of electronic voting (‘e-voting’) in respect of the Resolutions proposed at this AGM. M/s Vishwas Sharma & Associates, Company Secretaries, Ahmedabad shall act as the Scrutinizer for this purpose.

21. THE PROCEDURE AND INSTRUCTIONS FOR MEMBERS FOR VOTING ELECTRONICALLY ARE AS UNDER:

- (i) The voting period begins on Friday, September 20, 2024 at 9.00 a.m. and ends on Sunday, September 22, 2024 at 5.00 p.m.. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Monday, September 16, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013.

In conformity with the provisions of Section 102 of the Companies Act, 2013, following Explanatory Statement sets out all material facts relating to the Special Business mentioned.

ITEM 3: REDUCTION OF SHARE CAPITAL AND CAPITAL RESERVE**1. PREAMBLE:**

- 1.1 This Scheme provides for undertaking of capital reduction of **CHARMS INDUSTRIES LIMITED** (hereinafter referred as “**CIL**” or “**the Company**”), whereby the paid-up share capital of the Company shall be reduced from ₹ 4,10,61,000/- divided into 41,06,100 Equity Shares of ₹ 10/- each fully paid-up to ₹ 41,06,100/- divided into 41,06,100 equity shares of Re.1/-each fully paid-up and that such reduction be effected by cancelling the paid up capital amounting to ₹ 3,69,54,900/- which has lost or is unrepresented by available tangible assets. Further, the Company also propose to cancel the capital reserve account of ₹ 31,46,530/- by adjustment in debit balance of Profit & Loss Account and therefore the total amount of adjustment in debit balance of Profit & Loss Account is aggregating to ₹ 4,01,01,430/-.
- 1.2 Further the reduction will be to the extent of ₹ 9/- per share upon each of the 41,06,100 equity shares which have been issued by reducing the paid-up value of all the shares in the capital of the Company from ₹ 10/- per share to Re.1/- per share. The debit balance of Profit & Loss Account of the Company will be written off to the extent of amount of the aforesaid reduction of Share Capital and Capital Reserve. The purpose of the Scheme is the Reduction of Equity Share Capital to undertake financial restructuring and reconstruction of the Company whereby the Company would write off carried forward accumulated losses of past years by reduction of 90% of its paid-up equity shares capital, so as to give a true and realistic view of the value of the shares and present leaner balance sheet of the company. This has given rise to the need to re-adjust the relation between capital and assets and reflect the liabilities and assets of the Company accurately and fairly in its books of accounts and also to operate with a leaner base balance sheet.

Note: The members are requested to read the entire text of the Scheme to be fully acquainted with its provisions. The copy of the Scheme can be accessed through the following link - <https://charmsindustries.co.in/scheme-of-arrangement/>. The explanatory statement includes brief salient features of the said Scheme.

3. RATIONALE AND EFFECTS OF THE PROPOSED SCHEME:

The background and circumstances which justify the said scheme are inter- alia as follows:

- 3.1 The Board of Directors of the Company has considered necessary to undertake a scheme of Capital Reduction ("**Scheme**") so as to give a true and realistic view of the value of the shares and present leaner balance sheet of the Company.
- 3.2 The balance in Profit & Loss Account (debit) as at 31st March, 2023 was ₹ 4,12,35,570/- (Rupees Four Crores Twelve Lakhs Thirty-five Thousand Five Hundred Seventy Only).
- 3.3 The proposed reduction of the equity share capital of the Company is being undertaken in accordance with the provisions of Section 66 of the Companies Act, 2013 and the rules made thereunder and specifically the Rules, which permit a company to undertake a reduction of its share capital in any manner, read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"/ Listing Regulations"), SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR") and the SEBI Circular (as defined hereinafter).
- 3.4 The Company's shares are listed in Bombay Stock Exchange.
- 3.5 The Scheme does not provide any cash pay out to affect the Reduction of Capital, therefore the scheme will not adversely affect the liquidity and/or financial position of the Company.
- 3.6 The Company has been incurring continuous losses and the chances of recovery are remote. Hence it is prudent to write off part of the debit balance in Profit & Loss account to the extent of ₹ 4,01,01,430/- by cancelling the capital in which ₹ 3,69,54,900/- is a amount which is lost or is unrepresented by available tangible assets and capital reserve Accounts amounting to ₹ 31,46,530 aggregating to ₹ 4,01,01,430/-. The resultant paid-up capital of the Company will be ₹ 41,06,100/- divided into 41,06,100 equity shares of Re.1/- each fully paid-up.
- 3.7 The financial restructuring will help the Company to reflect better its operational efficiency, improvements in the future years and reflect the true share value.
- 3.8 As on 31st March, 2023 the Company does not have any secured creditor hence, NOC from secured creditor is not required. For the sake of clarity, the Company has taken certificate from **M/s. Ashit N. Shah & Co; Chartered Accountant (FRN: 100624W)**, who is the statutory auditor of the Company by stating that the Company has no secured creditors as on 31.03.2023. Further, it is specified that the reduction in Share Capital does not involve either the diminution of any liability in respect of any unpaid capital or the payment to any shareholder of any paid-up capital nor is any call being waived. The creditors of the Company are in no way affected by the proposed restructuring by way of the reduction of capital.
- 3.9 The Company shall reduce the existing Paid-Up Equity Share Capital from ₹ 4,10,61,000/- divided into 41,06,100 Equity Shares of ₹ 10/- each fully paid-up to ₹ 41,06,100/- divided into 41,06,100 equity shares of Re.1/-each fully paid-up and that such reduction be effected by cancelling the paid up capital amounting to ₹ 3,69,54,900/- which has lost or is unrepresented by available tangible assets. Further, the Company also propose to cancel the capital reserve account of ₹ 31,46,530/- by adjustment in debit balance of Profit & Loss Account and therefore the total amount of adjustment in debit balance of Profit & Loss Account is aggregating to ₹ 4,01,01,430/-.
- 3.10 To effect such reduction in issued, subscribed and paid-up equity share capital the shareholders of the Company on the Record Date will get 1 (One) equity shares of Re.1/- (rupee One Only) each fully paid-up against 1(One) equity shares of ₹ 10/- (Rupees Ten Only) each fully paid up. Record Date means the date to be fixed by the Board of Directors of the Company for the purpose of reckoning name of the Equity Shareholders, who shall be entitled to new share certificate, upon coming into effect of this Scheme.
- 3.11 The Issued, Subscribed and Paid-up Share Capital, post reduction will be ₹ 41,06,100/divided into 41,06,100 equity shares of ₹ 1/- each fully paid-up.

4. ACCOUNTING TREATMENT IN THE BOOKS OF ACCOUNT:

- 4.1 The Company shall reduce the existing paid-up equity share capital and cancel the Capital Reserve account in accordance with Clause 3.9 and 3.10 of the Explanatory Statement.
- 4.2 The cancellation of the shares is proportionately among the members of the Company and the same shall be utilized for adjusting the debit in Profit & Loss account.
- 4.3 Upon the Scheme becoming effective the paid up value of shares of the Company will be reduced from ₹ 10/- per share to ₹ 1/- per share, on 41,06,100 Equity Shares and consequently, the paid-up equity share capital of the Company as on the Effective Date shall become ₹ **41,06,100/-** divided into 41,06,100 equity shares of Re.1/- each fully paid up.
- 4.4 The Capital Reduction and the consequent cancellation of the share capital shall be effected as per the provisions of Section 66 of the Companies Act, 2013 and other applicable provisions of the Act, rules and regulations made thereunder upon the Scheme becoming effective.
- 4.5 The Scheme does not in any manner alter, vary or affect the payment of any dues or outstanding amounts, including all or any of the statutory dues payable or outstanding.
- 4.6 The Scheme does not envisage transfer or vesting of any of the properties and or liabilities of the Company to any person or entity.
- 4.7 The Scheme is merely a Capital Reduction and does not involve any conveyance or transfer of any property of the Company and does not involve any issuance of shares. Consequently, the order of National Company Law Tribunal ("**the Tribunal**") approving the Scheme will not attract any stamp duty.
- 4.8 The Company will comply with all relevant Accounting Policies and Accounting Standards as regards to accounting for the reduction of capital and writing off of debit balance of Profit and Loss Account. The Company will make and pass appropriate entries for all notional adjustments in a prudent and commercial accepted manner.

5. THE PRE REDUCTION AND POST REDUCTION CAPITAL STRUCTURE OF THE COMPANY IS AS UNDER:

The said report contains observation or qualification which is mentioned as below:

Qualification	Explanations
According to the Regulation 31(2) of the SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015, the listed entity has to ensure that hundred percent of the shareholding pattern of the promoters has to be in dematerialised form and company has failed to keep their certain percentage of shareholding in dematerialised form.	The board would like to clarify that the company has approached the concern promoter various time and she assured the company to finish the process of dematerialisation.
The company has failed to make disclosures of a material events under Regulation 30 of SEBI(Listing Obligation and Disclosure Requirement) Regulation, 2015 for revocation of FFMC license by the Reserve Bank of India (RBI) on 15/02/2022. The BSE Limited has issued an advisory letter on 06/11/2023 to the Company and subsequently an administrative warning is issued by SEBI on 20.11.2023 for said non-compliance.	The board would like to clarify that the FFMC License is renewable every year and we were under impression to renew the license hence the management interpreted as it was not material event under Regulation 30 of SEBI (LODR) Regulation, 2015 and we failed to make the disclosure for the same. The company have made inadvertent error with regard to non-disclosure of material event under Regulation 30 of SEBI (LODR) Regulation,2015. The Company has filed the said disclosure on 10/11/2023.
The company has failed to make disclosures of a material events under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 for adoption of new line of business i.e. trading of agriculture products. The BSE Limited has issued an advisory letter on 24/01/2024 to the Company.	The Company were under impression that the Company has already provided outcome of board meeting and shareholders' approval to change in Main Object Clause of the MoA therefore the non-submission of the disclosure under Regulation 30 (3), (4) & (6), read with Clause 2(b)(c) of Para B of Part A of Schedule III of LODR Regulations, 2015 and SEBI Circular CIR/CFD/1CMD /4/2015 was not intentional and result of interpretation error. The company have submitted the necessary disclosure on BSE on 20.01.2024 under regulation 30.
The website of the Company is not updated as per regulation 46(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, dissemination the required information's about listed entity. Further, SEBI has issued an administrative warning to the Company for such non-compliance on November 20, 2023.	The management has clarified that company has updated their website as per the regulation 46(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 except about the new line of business Company has adopted i.e. Dealing in Agricultural Product as already mentioned in the object clause of the Memorandum of Association of the Company. therefore on receipt the administrative warning from SEBI, the company has updated the website including about the new business within 24 hours
The company has failed to make disclosures of a material events under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 for Rejection of application of Full Fledge Money Changer (FFMC) License by RBI Dated 16/11/2023 (Received on 20/11/2023) within required time limited i.e. 24 hours from the date of occurrence of event.	The board would like to clarify that the company has made delay disclosure of material events as required under Regulation 30 under SEBI (LODR),2015 which is delayed by two (2) days and said delay was unintentional.
SEBI has issued show cause notice dated May 13, 2024 on the company for repeated non-compliance of regulation 30 under SEBI(Listing Obligation and Disclosure Requirement) Regulation, 2015, to called upon the company to show cause as to why an inquiry should not be held against the company.	The board would like to clarify that the non-disclosure was unintentional, inadvertent in nature with no malafide intention and the company has assured that the same error will not be repeated in future instances. Further, the company has provided its reply to show cause notice on June 06, 2024 showing cause as to why inquiry against the company should not be held and also appeared before the SEBI in the hearing conducted on June 25, 2024 and made all the necessary submission.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

INDIAN ECONOMIC OVERVIEW

Global economies which were impacted by uncertainties and volatility on account of Covid-19 fallout, prolonged geopolitical conflicts and monetary tightening by central banks amidst inflationary trends are witnessing gradual resurgence, marked by waning fears of recession and rebounding growth in major economies. However, there are some regional incongruences, with some regions experiencing subdued economic activity on account of geopolitical tensions. Globally, inflation management continues to remain a key priority. Despite these challenges, leading indicators suggest an overall expansion in economic activity driven by both manufacturing and service sectors. India remains a bright spot in the revival of the global economy. The Indian economy continued to exhibit robust economic performance with broad-based growth across sectors. RBI also, in its recent MPC meeting, noted the strong growth momentum in the economy and projected real GDP growth for 2024-25 at 7 percent, driven by a pickup in rural demand and sustained momentum in the manufacturing sector. In its April 2024 WEO, IMF revised upwards its estimate of India's GDP growth for FY 2023-24 to 7.8 percent and of estimated a growth rate 6.8 percent in 2024-25 based on its assessment of strength in domestic demand and demographic advantage. In March 2024, India witnessed a surge across multiple economic indicators, reflecting robust and resilient business activity. The month marked significant milestones, from record-breaking performances in the stock market to remarkable advancements in tax revenue collection. The buoyancy extended to the manufacturing and services sectors, as evidenced by the soaring HSBC India Manufacturing PMI and Services PMI. The gross GST collections for the month of April 2024 hit a record high of ₹2.10 lakh crore which is a growth of 12.4 per cent year-on-year. In March 2024, the HSBC India Manufacturing PMI surged to an impressive 59.2, a notable increase from the final figure of 56.9 recorded in the previous month. This marks the fastest growth in factory activity since February 2008. In March, India's services sector hit a peak, with exports surging to a fiscal year high. The HSBC India Services PMI soared to 61.2, marking one of the sector's most significant expansions in sales and business activity in nearly 14 years. The Index of Industrial Production (IIP) for February 2024 brought forth encouraging insights into India's industrial landscape. High inflation though, was a key challenge for the Government and this has resulted in RBI holding on to high policy rates and rise in lending rates. Overall, India continues to be the fastest-growing major economy with positive assessments of the growth outlook for the current financial year, for India by international organisations and RBI.

INDIAN AGRICULTURE SECTOR OVERVIEW

Agriculture and allied sectors continue to remain one of the most important sectors of the Indian economy and is the main source of livelihood for ~55% of India's population. India has the world's largest cattle herd, the largest area planted for wheat, rice, and cotton, and is the largest producer of milk, pulses, and spices in the world. It is the second-largest producer of fruit, vegetables, tea, farmed fish, cotton, sugarcane, wheat, rice, cotton, and sugar. The agriculture sector in India holds the record for second-largest agricultural land in the world generating employment for about half of the country's population. Thus, farmers become an integral part of the sector to provide us with a means of sustenance.

The agriculture and allied sectors have remained resilient throughout the pandemic and geopolitical conflicts and is estimated to have grown by 0.7% in Financial Year 2023-24, as per Second Advance Estimates by Central Statistical Office (CSO). Foodgrains production declined in kharif season due to deficient and unevenly distributed rainfall (both spatially and temporally) along with depleting reservoir levels. As of March 28, 2024 reservoir levels were at 36 per cent of the full capacity, below the last year's level of 43 percent. Foodgrains production for 2023-24 is estimated at 3,093.5 lakh tonnes, 1.3 per cent lower than the final estimates of last year (as per Second Advance Estimates). Among major crops, the output of rice declined while that of wheat rose. Pulses production dropped with a sharp decline recorded during the kharif season. Among commercial crops, the output of oilseeds, cotton and sugarcane registered a sharp decline vis-à-vis last year. As per the First Advance Estimates (FAE), the production of horticultural crops during 2023-24 was placed at 355.3 million tonnes, marginally lower than the final estimates of 2022-23 and 1.2 per cent higher than the FAE of 2022-23. The high frequency indicators exhibit a mixed picture of rural activity as two-wheeler sales, agriculture credit and MNRREGA demand indicate buoyancy while tractor sales and fertiliser sales suggest some softness in activity during H2. Prospects of rural activity, however, appear bright due to better prospects of agricultural output amidst the IMD's forecast of an above normal south-west monsoon in 2024 and accelerated pick up in informal sector activity. The interim budget for FY24-25 has promised stepping up of value addition in agricultural sector and boosting farmer's income and has made substantial budgetary allocations as below:

Interim Budget Financial Year 24-25 – Highlights for the agriculture sector:

- The allocation for the Agriculture ministry has been set at ₹1.27 lakh crore exhibiting an increase from revised estimates of ₹1.16 lakh crore in FY 23-24
- Outlay for agriculture and allied activities enhanced to ₹1.47 trillion in FY2025 Budget Estimates (BE) from ₹1.41 trillion in 2023-24 Revised Estimates (RE)

- Allocation towards modified interest subvention scheme increased to ₹226 billion for FY2025 BE from ₹185 billion for FY2024 RE
- Allocation for Rashtriya Krishi Vikas Yojna increased to ₹75.5 billion for FY2025 BE from ₹61 billion for FY2024 RE
- Allocation of ₹600 billion for FY2025 BE towards the Pradhan Mantri Kisan Samman Nidhi Yojna remains at similar levels as FY2024 RE
- Promotion of private and public investment in post-harvest activities, including aggregation, modern storage, efficient supply chains, primary and secondary processing, as well as marketing and branding.

COMPANY BUSINESS:

Earlier the Company was engaged in the Business of Full Fledged Money Changer (FFMC) in terms of the License issued by the Reserve Bank of India. Due to outbreak of Covid in the Financial Year 2020-21 and its effect on the international tours and travels, the business of the Company effected very badly and hence there was no revenue in the Financial Year 2021-22 and the Company also failed to apply for renewal of its FFMC License with RBI within the stipulated time period and hence the RBI cancelled the FFMC License of the Company, therefore the Company stopped the business/services of FFMC. Thereafter, the Board decided to explore other business opportunity.

Currently, the company is engaged in the business of agriculture produce since January 2023.

In Agriculture produce, the Company Deals in all or any types of products of agricultural, horticulture, herbals, industrial products, consumer products, consumer durables, building materials, pharmaceuticals, engineering, chemicals, petro-chemicals, rubber, plastics, polymers, textile, all type of precious metals, metalferrous and non-ferrous metal products, stones, semiprecious stones, precious stones of all shapes, specifications and varieties.

OPPORTUNITIES, STRENGTHS, CONCERNS

Strengths

- The Indian agriculture is large, competitive and well developed, offering products at low prices. The sector experiences a constant demand, as Indians have a strong preference for fresh rather than processed foods and for local spices and ingredients.
- Provides employment for a large Indian population, living in rural territories.
- Recent advances in technology and government initiatives support the development of the sector. In pursuance of the government policy to strengthen and promote IT led governance, the department of agriculture and cooperation has been taking various measures to promote the use and application of technology with the aim of making agriculture "online" for the use of farmers, exporters, and traders, etc.

Weakness

- One of the major weaknesses present for the agricultural sector in India is in the lack of government support. Unlike in East Asian countries, the shift of the labour force from agriculture to non-agriculture in India is peculiarly slow, largely attributable to rigid labour laws in both the agricultural and industrial sectors.
- Inadequate road linkages also remain a major constrain for the development of well- functioning agricultural markets. A continuing fragmentation of land-holdings, poor maintenance of existing irrigation systems and declining soil fertility in some areas are other factors.
- Another weakness is based on seasonality and the fact that agricultural sector output heavily depends on the annual monsoon, as less than one-third of cropland is irrigated. The main foodgrain crops, for example, and some cash crops (oilseeds, cotton, jute and sugar) depend on the south-west monsoon (This brings 80% of India's rain, usually within a three-month period from June to mid-September. The 2002 south-west monsoon was disastrous, causing the autumn grain harvest to fall by 18% year on year. In 2004 the sector stagnated in comparison to the previous year when the best monsoon rains in a decade generated growth of around 10% in the agricultural sector. Excessive rainfall in 2005 caused severe flooding in Maharashtra (The Economist Intelligence Unit Report, 2005a)).

Opportunities

- A growing population, rapid economic development, and political and social demands exceed the mandate and capabilities of any corporation in an emerging economy, and India is no exception to this. A growing population has made industrial development one of the Indian government's highest policy priorities; it is an important element of economic development as it assists in raising national income at a more rapid pace. It is also a precondition for continued agricultural development.
- The government continues to play a major role in assisting farmers through agricultural credits, subsidies, price support schemes and extension services. Although there are no food security concerns at present, better agricultural productivity will hold the key to stable growth in food production, given the limits of the resource base. There is an opportunity for the economic growth to benefit more

people only if the country raises agricultural productivity, improves its system of general education to help the millions who must leave farming, and encourages labor intensive manufacturing industries.

Threats

- About one-fifth of the country is covered by forests and woodland, and one-half of this area is reserved for the production of timber and other forestry products (Varshney, 1998). However, there are increasing concerns from environmentalists and local government over the rapid depletion of forest areas, ecological factors, and scarcity of natural resources.
- As income rises, India is becoming an increasingly important market for processed foods, especially in the cities and among young people. Aware of quality and international brands, consumers are less likely to support national products, and are more vulnerable to pay premium prices for foreign products of better quality. This represents a potential substitution to the local products, impacting the production levels of agriculture sector.
- Food support prices for wheat and rice have given farmers little incentive to diversify and have filled government storage facilities to overflowing, while keeping the market price of foodgrains artificially high. Current agricultural policy, which supports cereal production, is exceedingly expensive and will be unable to deal with the likely scenario of a shift in consumption from cereal food towards non-cereal food. A lack of market infrastructure also hampers the movement of crops, leading to sudden shortages. India has considerable potential as an exporter of rice, cotton, many types of fruit and even flowers, but this has so far not been tapped.
- The introduction of high-yield crop varieties and new fertilising and irrigation techniques over recent decades the so-called Green Revolution dramatically increased productivity in some regions. India has been self-sufficient in food since the mid-1970s, maintaining buffer stocks adequate to meet demand despite failed harvests and seasonal fluctuations (Ramakrishnan, 1993; The World Bank, 1997).

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying financial statements of **Charms Industries Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss (including the Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

Other information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the Financial Statements and Auditor's report there on. The Company's Annual report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flows dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the IND AS specified under Section 133 of the Act.
 - (e) On the basis of written representations received from the directors of the Company as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014.
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure

B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has disclosed the impact of pending litigations as at 31st March 2024 on its financial position in its financial statements.
- b. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. (1) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company
 - or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(2) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or

- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(3) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) of the Rule 11(e), as provided under (i) and (ii) above, contain any material mis-statement.

- e. The company has not declared or paid any dividend during the year, hence there is no noncompliance with Section 123 of the Act.

Annexure B to Independent Auditors' Report

(Referred to in paragraph 2(A)(f)] under the heading of
"Report on Other Legal and Regulatory Requirements" of our report of even date.)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls with reference to financial statements of **Charms Industries Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements

included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

COMPANY OVERVIEW & SIGNIFICANT ACCOUNTING POLICIES

1. REPORTING ENTITY

Charms Industries Limited (the 'Company') is a Company domiciled in India, with its registered office situated at 108/8-109, Sampada Complex, Mithakhali six roads, Opp. Harekrishna Complex, Ahmedabad - 380009, Gujarat. The Company has been incorporated under the provisions of Companies Act, 2013. The Company is primarily involved in trading activity.

2. BASIS OF PREPARATION

a. Statement of compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of Companies Act, 2013 (the 'Act') and other relevant provisions of the Act. The Company has adopted all the relevant Ind AS and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards". The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the functional currency.

Basis of Measurement

The financial statements have been prepared on the historical cost basis.

c. Use of Estimates and Judgments:

In preparing these financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates.

Estimates:

Estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to the accounting estimates are recognised prospectively.

Judgements:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the respective note.

Assumptions and Estimation Uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the respective note.

d. Measurement of Fair Values:

The Company has established control frame work with Respect to the measurement of

Fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to the Company's Board of Directors.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the respective note.

3. Significant Accounting Policies

1. Financial Instruments

A. Financial Assets:

i.) Classification:

The Company classifies its financial assets in the following measurement categories:

- Those measured at amortized cost and
- Those to be measured subsequently at either 'Fair value through other comprehensive income' (FVTOCI) or 'Fair value through profit or loss' (FVTPL).

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

- A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:
 - the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
 - the contractual terms of a financial asset give rise on specified dates to cash flows that are solely payments of Principal and interest on the principal amount outstanding.
- A debt investment is measured at FVOCI if it meets both following conditions and is not designated as at FVTPL:
 - the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
 - the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets are not reclassified subsequent to their initial recognition except if and in the period the Company changes its business model for managing financial assets.

ii.) Measurement

At initial recognition, the Company measures a financial asset when it becomes a party to the contractual provisions of the instruments and measures at its fair value. Transaction costs are incremental costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent Measurement and Gains and Losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

iii.) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

B. Financial Liabilities:**(i) Classification, Subsequent Measurement and Gains and losses**

Financial liabilities are classified as measured at Historical cost. Government of Gujarat, in capacity of the Promoter of the company, provides investment funds in form of interest free loans having specific directions to invest in equity shares of Group Entities of the company in terms of CIC directions. Investment funds, released as loan by GoG, when received for investment in equity are recognized as financial liabilities. There exist an obligation, however, the terms and conditions do not specify that whether the loan is repayable on demand and also fixed repayment schedule is not specified. Considering the said fact it is not possible to value such financial liability at amortized cost.

ii) De-recognition

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the profit or loss.

C. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

D. Investments in Associates and Subsidiaries

Investments in associates is carried at cost in the separate financial statements. Subsidiaries are valued at Fair Value.

2. Property, Plant and Equipment**i. Recognition and Measurement**

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the written down value method and is recognised in the statement of profit and loss.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

iv. Derecognition

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

3. Impairment

i. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for valuating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Measurement of Expected Credit Losses

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

ii. Impairment of Non-Financial Assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognised.

4. Employee Benefits

i. Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

ii. Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in future payments is available.

iii. Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount using market yields at the end of reporting period on government bonds.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the Asset Ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

5. Provisions (other than Employee Benefits), Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present legal obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the financial statements. A contingent asset is neither recognized nor disclosed if inflow of economic benefit is probable.

6. Recognition of Dividend Income, Interest Income

Income from dividend is accounted as and when such dividend has been declared and the company's right to receive payment is established.

Interest income is recognized on a time proportion basis, taking in the account the amount outstanding and the rate applicable.

7. Income Tax

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to setoff the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different taxable entities, but they intend to settle current tax liabilities and assets on net basis or their tax assets and liabilities will be realized simultaneously.

8. Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid Investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

9. Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax for the year attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity share holders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year plus potential equity shares.

10. Cash Flow Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below.

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk that affects the Company comprises of one element: Interest rate risk. Financial instruments affected by market risk include loans, borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to short term debt obligations with fixed interest rates.

(ii) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities including deposits with banks and other financial instruments.

Trade Receivables

Customer credit risk is managed by the Company's policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial asset disclosed in respective note. The Company does not hold collateral as security.

Cash deposits

Credit risk from balances with banks is managed by the Company in accordance with its policies. These policies are set to minimize concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity Risk

The Company manages its liquidity risk by using liquidity planning and balancing funds requirement vis-a-vis funds available. Various lines of credit available are used to optimize funding cost and ensuring that adequate funds are available for business operations.

(B) Capital Risk Management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern so that they can continue to provide return for shareholders and benefits for other stakeholders.
- maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital on the basis of the following debt equity ratio
