## [KEC International wins a New Order of Rs. 1,082 crores](#)

**Mumbai, October 28, 2021:** KEC International Ltd., a global infrastructure EPC major, an RPG Group Company, has secured new orders of **Rs. 1,082 crores** in the T&D business as below:

- 400 kV Transmission line order in SAARC, from Power Grid Company of Bangladesh (PGCB)
- 400 kV Transmission line order in India, from a leading private developer under Tariff Based Competitive Bidding (TBCB) route

**Mr. Vimal Kejriwal, MD & CEO, KEC International Ltd. commented,** *“We are very happy with the continuous order wins, amidst a challenging environment. The order in SAARC is one of our largest T&D orders and significantly enhances our international T&D order book. We are also enthused by the TBCB order from a private developer, which further strengthens our presence in the domestic T&D market. Our YTD order inflows now stand at ~Rs. 8,500 crores, which is a staggering growth of ~100% vis-à-vis last year. With this, our share of international orders in the total order book increases to 41%. These orders along with the orders announced earlier, reaffirm our confidence in achieving the targeted growth going forward.”*
