Dear Sir/Madam,

Sub: Clerical error which was unintentional and not deliberate i.e mentioned the purpose of Board Meeting at the time of uploading intimation for Board Meeting on BSE Site as Dividend instead of Audited Results

Ref: In the matter of Jindal Leasefin Limited having CIN: L74899DL1994PLC059252

As per discussion with management of the Company and on behalf of the Company, I would like to inform you that the Company had filed intimation for Board Meeting for approval of Audited Financial Results of the company for the quarter and financial year ended on 31st March, 2021 on 11th June 2021 on BSE Site. However, while filing the intimation on BSE site, inadvertently was mentioned the purpose of Board Meeting at the time of uploading intimation for Board Meeting on BSE Site as Dividend instead of Audited Results.

I would like to further inform that it was a clerical error which was unintentional and not deliberate.

Further, it is hereby informed that the Company will select Audited Results as a purpose at the time of uploading of outcome of Board Meeting because Intimation can not be changed now and that's why the Company will select right purpose in order to remove the clerical error.

You are kindly requested to accept this application on behalf of Company i.e. Jindal Leasefin Limited and take into the records.
