#### NOTES:

1. Above financial results have been reviewed by the Audit Committee at its meeting held on 4th November, 2023 and approved by the Board of Directors (Board) at their meeting held on that date. The Statutory Auditor has reviewed the same.

2. Following amendments made by the Finance Act, 2021 to the relevant sections of the Income Tax Act, 1961, whereby Goodwill arising on amalgamation will not be considered as a depreciable asset and depreciation on goodwill will not be allowable as deductible expenditure effective 1st April, 2020, the Holding Company has not claimed deduction of depreciation on such goodwill under Income Tax for period beginning on that date. The Holding Company management, supported by legal opinions, continues to believe that such deduction claimed in prior assessment years are sustainable and remain unaffected. During the previous year, the Holding Company's claim of ₹ 2,816 lakhs (tax impact of ₹ 984 lakhs) towards such deduction for Assessment Year 2020-21 has been disallowed. Being aggrieved thereby, the Holding Company has filed an appeal before the Commissioner of Income Tax (Appeals).

3. In the previous year, on 24th February, 2023, Monocon International Refractories Ltd, UK, (MIRL), being step down operating subsidiary of the Holding Company acquired 100% shareholding of Sheffield Refractories Ltd, UK (SRL) engaged in manufacturing of Monolithic Refractory Products for total consideration of ₹ 4,981 lakhs (equivalent to GBP 5.0 million cash consideration and GBP 0.1 million towards costs of acquisition) to offer bigger basket of products and acquire new customer relationships. Effective that date, SRL became Subsidiary of MIRL and consequently step down subsidiary of Holding Company. In accordance with Ind AS 103 – Business Combination, the aforesaid purchase consideration was allocated to the extent of ₹ 1,742 lakhs to Property, Plant and Equipment, ₹ 5,497 lakhs to Current Assets and Current Liabilities of ₹ 1,883 lakhs based on their respective fair values and ₹ 2,584 lakhs towards borrowings assumed. The Holding Company had also recognised Intangible Assets aggregating ₹ 1,765 lakhs towards Customer Relationships and Brand Name/Trade Marks, based on valuation carried out by an Independent Valuer in the previous year. The balance amount of purchase consideration being ₹ 444 lakhs was recognised as goodwill in the previous year.
