Millennial Travellers Opt for Loans to See Dream Destinations

With many financing avenues available, travel gets affordable for globetrotters

Anumeha.Chaturvedi

New Delhi: Whether it's a trip to the Game of Thrones sets or skydiving in Pattaya, more Indian travellers are opting for travel loans to tick the boxes of their dream destinations and bucket lists.

While Thomas Cook and Cox & Kings have been offering travel loans to customers for a while, operators say the quantum of such advances has been going up steadily on the back of the growing millennial travel base and online accessibility, which has spawned digital startups.

Startups including Paytm and BigBreaks have started offering EMI facilities to customers over the past few months.

Depending on the travel agent and a customer's risk profile, the interest rate varies from 9% to 13% and in some cases even 0%, for up to 18 months.

SanKash, a Gurgaon-based startup that began offering travel loans six months ago, now generates about 100 loan requests daily.

"We have seen customers moving from domestic tours to international travel and shift vacations from Asia to Europe. They are able to enjoy the one vacation they take ex-

and group head, marketing, service quality, value added services and innovation at Thomas Cook.

Cox & Kings said the percentage of travellers opting for loans through them has gone up to about 12% from 5% over the past two to three years.

"There are reasons for it. One, easy availability of credit and second is the understanding that taking a loan for a holiday is no longer frowned upon. There is no specific destination or tour package. It all boils down to affordability. Ideally, travel loans are taken by people when the ticket size of the holiday is over ₹50,000 per person," said Karan Anand, head of relationships.

According to Anand, earlier, it was primarily banks that offered loans for travel but now many NBFCs are also offering loans at zero per cent interest.

Digital loan platform IndiaLends said personal loans for travel have grown 55% over the past year. Millennials account for 85% of loan seekers on IndiaLends, looking to borrow amounts ranging from ₹30,000 to ₹2.5 lakh.

The company said many travel plans are the result of long weekends and last-minute holiday planning, which require quick, accessible financing options.

"It's not just those who don't have enough savings, but also those who want better travel experiences or wish to visit finer destinations who are opting for loans," said Gaurav Chopra, founder of IndiaLends.

Heena Akhtar, cofounder of TripXOXO, a digital platform for travellers to book experiences and sightseeing tours, said popular activities in the itineraries of loan-seeking customers include skydiving in Pattaya and a tour of the Game of Thrones sets in Spain, Ireland and Croatia.

On Paytm, interest rates for EMI options depend on the credit cards and could range from 13% to 17%.

"It is uncommon for people to take loans to travel but there is a gradual change in how travellers think. As more money is infused into the economy, the market has opened up new avenues for travellers," said Kapil Goswami, MD of BigBreaks.com.

Around Temple of Lord of Universe, Tarpaulins and Generators Help to Get By

Election results more eagerly awaited than the annual yatra in Puri, **Rahul Tripathi** reports

All roads in this coastal town of Odisha lead to the Jagannath temple, the abode of the powerful trinity of Jagannath, Balabhadra and Subhadra, who, according to local lore, prevent the city and its residents from any catastrophe. But not so this time, as cyclone Fani reached the doors of the temple amid murmurs in the city that the deity was upset with the natives.

Whatever the cause, the cyclone made landfall at Puri, causing the deaths of 30 people in the city alone, as per the records of the district headquarters hospital.

"We conducted 30 post-mortems and treated over 300 injured after the cyclone. It's been a week since the power cables went down. The hospital is being run on diesel generators. For the first two days, the hospital was being run on small gensets. Later, we asked for industrial generators as we were flooded with calls and requests. The situation has improved now, but water supply has been poor," chief medical superintendent BK Mishra told ET.

The scene at the medical ward was no different from any government-run hospital. Patients were forced to share beds, but they did not complain as they felt the worst was over. "Everyone admitted here got injured during the cyclone. My husband was brought here on the first day and it's been a week now. The doctors said that he will have to stay at the hospital for a few more days. The first two days were tough on everyone, but it has improved now. This place (hospital ward) at least has power supply," said Tarini Jali, who has been staying at the hospital with her 10-year-old son and injured husband. Her husband Surya is an autorickshaw driver who was injured when strong winds toppled his vehicle.

Besides providing treatment at the hospital, the Puri administration has deployed up to 32 medical teams and opened as many medical relief centres. "For treatment of cattle, 45 veterinary teams have been deployed and we have distributed 2,799.82 quintals of chivda, 468 quintals of jaggery and 30,280 polythene sheets till Thursday," an official from the state administration told ET.

CANDIDATES

Though they have faced hardships since cyclone Fani walloped the town, the locals are hopeful the situation will improve gradually, and they will be able to watch the count-

The temple road that was cleared after the cyclone

ing of votes cast in the general elections on May 23. Puri was among the six Lok Sabha constituencies in Odisha that went to the polls on April 23. The BJP's Sambit Patra contested against sitting MP Pinaki Misra of the BJD. While Mishra, a Supreme Court advocate has been a three-time MP from Puri, Patra's entry was backed by Prime Minister Narendra Modi.

Puri has about 1.4 million voters – 742,939 males and 661,592 females. It has an estimated Scheduled Caste population of 15.57% and a Scheduled Tribe population of 1.48%.

With their fates sealed, the two candidates have not been very visible in the wake of the cyclone, according to locals. Anant Kumar, the owner of a shop opposite the Puri temple, said, "The option for both BJP and BJD in Puri is open. Majority of us see Modi (BJP) for Delhi and Naveen (BJD) for Bhubaneswar. The local BJD MLA visits us, but overall, the business is bad and essentials like vegetables and milk are in short supply and prices are soaring."

Kumar also complained that the administration supplied chivda and jaggery only for the first few days. The state government had ordered immediate distribution of 50 kg of rice, Rs 2,000 in cash and a tarpaulin to all those affected. "Yesterday, over 5,000 men were deployed to clean the city," he said.

Shops open only during daylight hours because there is no electricity supply. "If you come to this city after sunset, it's

darkness everywhere. We have people coming from Andhra Pradesh to help us restore the city," he said. Puri authorities said 64 roads of the 560 affected had been cleared as of Thursday.

PROTESTS

Every May, the town witnesses the Chandan Yatra, a religious procession that is celebrated with fanfare and enthusiasm. This year, the yatra started on May 7 and will end on May 25, but the fervour is missing.

"The footfall has come down 1/10. There is no power and every time we need to recharge our walkie-talkies, we have to go to police headquarters where generators have been installed," said assistant commissioner of police Kaushik Naik, who heads the temple security. "Police also faces public ire every day as the situation has not improved even after a week. There have been daily protests in front of the Collector's office. Angry residents block the roads to protest the delay in return to normalcy. We have to deal with everything."

Naik has been posted with the temple security for the past four years and said he had never witnessed this kind of a crisis.

Ashish Kumar, 25, who works in Puri, said he cannot believe that this is the same city in which he has lived for so many years.

"My family has been staying in Puri for the last 50 years. I was born here but even my father says he has not witnessed anything

of this magnitude since the time he began staying in Puri. The relief work is slow and restoration is taking time. Those who could afford it left the city before the storm came. Hotels, lodges, everything is down and we have no support from the administration for daily chores," Kumar complained.

Still, Prabhat Singh, who plies his rickshaw near the Puri temple, thinks the situation is improving. Singh said he availed of a tarpaulin to cover the damaged portion of his house.

"It has been tough here, but the situation is gradually improving," Singh said.

AFTERMATH

According to State Emergency Response Commission (SERC), Puri has suffered extensive damage, with the worst-hit being kutcha houses. Stalls of temporary street vendors have been completely damaged. The special circuit house, office and residence of the SP and the Collector have been badly damaged, like many other buildings, according to SERC. Officials estimate that more than 5,200 primary school buildings, over 500 secondary school buildings and close to 180 higher education institutes were damaged due to the cyclone.

Cyclone fury damaged the entire summer crop, orchards and plantations on a large scale. The state administration claimed to have evacuated 24,889 tourists safely from Puri, Ganjam, Cuttack and Balasore districts.

Restoring the power supply in the cyclone-hit areas of Odisha is the biggest challenge for the National Disaster Relief Force (NDRF). In an interview with ET's **Rahul Tripathi**, NDRF's director-general **Satya Narayan Pradhan** discusses the ground situation in the aftermath of cyclone Fani and why it is time to start thinking about building disaster-resilient cities. Edited excerpts.

It's Time to Build Disaster-Resilient Cities: Pradhan

What is your assessment of the cyclone-hit areas?

The eye of the storm passed through Puri and Bhubaneswar. Damage has been most extensive in areas of communication lines, power supply and water. Water supply will probably be fine in a few days. Telecom lines will also be up in a week. Mobile connectivity is partially restored. I got a sense that people are optimistic about telecom lines, as they are able to talk to people outside Bhubaneswar. The problem lies in restoration of power lines. The major hurdles are uprooted trees, as they have power lines wrapped around them. It will take a week to 10 days to come close to near normal in power supply.

How was Fani different from cyclone Hud or Phailin?

The principal differentiating point is that this cyclone hit in peak summer. The usual time for cyclones in Odisha is October-November. When a cyclone develops 800 miles south of the equator and hits the coast of Odisha, it has built into a system that is laden with moisture. The second is that half of the cyclonic eye went over land and half of it was in the sea. Because of the heat differential and being more moisture-laden, it hit harder. Thirdly, this cyclone passed parallel to the coastline but covered half of Puri near Chilika. There is a bulge in land mass up to Balasore and above. These are built up and that's why there was so much damage.

Do you think the administration could have been better prepared?

Even if we had six months' advance warning, this could not have been prevented, primarily because we have not built disaster-resilient towns. Such towns have underground cables and wind directional hoardings. It would mean poles of a certain level which will not bend during a cyclone. It will mean planting trees which will not get uprooted. It is time for us to think about disaster-resilient coastal cities.

Why wasn't the army called in for help?

The army, navy and coast guard have been part of the operation, but it has been made clear that NDRF has to play a frontline role in disaster management. A major role of the NDRF is to get hold of prediction from the IMD and other inputs. We had pre-positioned troops in all high-impact areas and that's why we could help in evacuation. I think this is the role that we have taken and now have specialisation in various fields.

NDRF doesn't have nationwide presence. Your view?

That was the case till five years ago. Now, we have bases all over the country. We have a battalion in Odisha. We work 24x7, 365 days. When NDRF is not operating, it is conducting mock drills, training the community, working with governments. By August 2019, every state will have footprints of NDRF. Each NDRF team is designed to be self-sufficient. They (team) have 280 equipment. क्रांति दिवस

‘धनसिंह गुर्जर ने शुरू किया था देश का पहला स्वतंत्रता संग्राम’

मोहित चन्दोला, नई दिल्ली

समाज के लोगों ने शुक्रवार को राष्ट्रीय क्रांति दिवस के दिन प्रथम स्वतंत्रता आंदोलन के नायक रहे अमर शहीद गुर्जर धनसिंह कोतवाल को याद किया। गाजियाबाद, मवाना और ग्रेटर नोएडा में कार्यक्रम का आयोजन किया गया। वहीं दिल्ली के रामपुरा गांव में अखिल भारतीय वीर गुर्जर महासभा के प्रदेश अध्यक्ष अमित खारी की अध्यक्षता में चंद्रवल गांव के क्रांतिकारी दयाराम खारी के योगदान पर प्रकाश डाला गया। अखिल भारतीय गुर्जर विकास मंच मेरठ के अध्यक्ष जगदीश कुमार ने बताया कि आजादी के आंदोलन का आगाज मेरठ से शुरू हुआ और देखते ही देखते यह आंदोलन भारतीय इतिहास में प्रथम स्वतंत्रता आंदोलन बन गया। इस प्रथम आंदोलन के जनक थे अमर शहीद गुर्जर धन सिंह कोतवाल। अखिल भारतीय वीर गुर्जर महासभा की ओर से आयोजित कार्यक्रम में धन सिंह कोतवाल के बारे में लोगों को जागरूक किया गया। महासभा के जिला अध्यक्ष श्याम सिंह भाटी ने कहा धन सिंह कोतवाल देश के महान क्रांतिकारी नेता रहे। उन्होंने 1857 की क्रांति शुरूआत की। उनका दावा है कि 10 मई 1857 को मेरठ में विद्रोही सैनिकों और पुलिस फोर्स ने अंग्रेजों के खिलाफ साझा मोर्चा गठित कर क्रांतिकारी घटनाओं को अंजाम दिया। धन सिंह कोतवाल क्रांतिकारी भीड़ में एक प्राकृतिक नेता के रूप में उभरे। उन्होंने क्रांतिकारी भीड़ का नेतृत्व किया और अंग्रेजों की मेरठ जेल पर हमला कर दिया। जेल तोड़कर 836 कैदियों को छुड़ा लिया। छुड़ाए कैदी भी क्रांति में शामिल हो गए। इस मौके पर डॉ. अजय भाटी, अनिल कसाना, अक्षय सिंह, प्रवीण भारतीय, आलोक नागर आदि मौजूद रहे।

जहां से होते थे करतारपुर गुरुद्वारे के दर्शन उस स्थल को तोड़ दिया गया

कॉरिडोर के काम के चलते तोड़ा गया, कुछ दिनों के लिए नहीं कर पाएंगे दूरबीन से दर्शन

नई दिल्ली : भारत और पाकिस्तान के बीच बनने जा रहे करतारपुर कॉरिडोर को लेकर भारत की तरफ से काम में तेजी देखने को मिल रही है। दूसरी ओर लोगों के लिए एक ऐसी खबर है जिससे उनको कुछ निराशा होगी। करतारपुर कॉरिडोर को पूरा करने के लिए भारत की तरफ से डेरा बाबा नानक पर जहां से लोग संगत दूरबीन के जरिए पाकिस्तान स्थित गुरुद्वारा श्री दरबार साहब करतारपुर के दर्शन करते हैं उस स्थल को तोड़ दिया गया है। ऐसे में अब जब तक कॉरिडोर का काम पूरा नहीं हो जाएगा तब तक लोग दूरबीन के द्वारा दर्शन नहीं कर पाएंगे।

दर्शन स्थल का निर्माण करने वाली संस्था से मिली जानकारी के मुताबिक नेशनल हाईवे अर्थोर्टी की तरफ से यह जानकारी दी गई है कि इस दर्शन स्थल को खत्म कर इस रास्ते को संगत के लिए बंद किया जा रहा है और मुख्य वजह है कि करतारपुर दर्शन स्थल पर पुल बनने जा रहा है जो पाकिस्तान

मेरी सरकार से अपील है कि संगत के लिए कोई ओर जगह देख कर दर्शन स्थल बनाने की अनुमति दी जाए। वहीं कॉरिडोर बन जाने के बाद यहीं एक दर्शन स्थल स्थायी तौर पर बनाया जाना चाहिए। ऐसा इसलिए क्योंकि बहुत से ऐसे भी लोग हैं जो किसी वजह के साथ पाकिस्तान में गुरुद्वारा साहब जाकर मत्था नहीं टेक पाएंगे। - डिपल चड्ढा

इसलिए क्योंकि गर्मियों की छुट्टियां पड़ने वाली हैं। न सिर्फ देश के बल्कि विदेशों से भी लोग अमृतसर श्री हरमंदर साहब मत्था टेकने आते हैं। हरमंदर साहब से कुछ 50-60 किमी दूर ही यह दर्शन स्थल बना हुआ है। अगर लोगों को करतारपुर साहब के दर्शन करने को नहीं मिलेंगे तो उन्हें निराशा हो सकती है। डिपल ने अपील की है कि जहां करतारपुर

कॉरिडोर का निर्माण हो रहा है वहां ही एक दर्शन स्थल जरूरी होना चाहिए। जो संगत सालों से दूरबीन के जरिए दर्शन कर रही थी वैसे ही कर सकें क्योंकि बहुत ऐसे भी लोग होंगे जो किसी वजह के साथ पाकिस्तान में गुरुद्वारा साहब जाकर मत्था नहीं टेक पाएंगे। इसलिए उनको वह सुविधा मिल सके जो पहला मिल रही है।

इबादत कर बताई वोट की अहमियत

रमजान के पाक महीने के पहले जुमे की नमाज में दिल्ली की मस्जिदों में नमाजियों का सैलाब नजर आया। ज्यादातर मस्जिदों के इमामों ने मुसलमानों से ज्यादा से ज्यादा तादाद में वोट डालने की अपील की ताकि जम्हूरियत की कद्र हो। फतेहपुरी मस्जिद के शाही इमाम डॉ. मुप्ती मोहम्मद मुकर्रम ने जुमे के खुतबे में बयान किया कि रमजान का पाक महीना चल रहा है और इस महीने में मुसलमानों के लिए अपनी नौकरी और कारोबार को बंद करने को नहीं कहा गया है, इसी तरह जरूरी है कि हर मुसलमान रोजा भी रखे और वोट करने भी जरूर जाए। उन्होंने बताया कि कहीं भी शरीयत में इस बात का जिक्र नहीं आया है कि रमजान में वोट देना मना है, ऐसी किसी भी बात पर मुसलमान ध्यान न दें और वोट जरूर दें।

उत्तराखंड के वीर सपूत को किया याद

■ विस, नई दिल्ली : देवभूमि उत्तराखंड के वीर सपूत, स्वतंत्रता सेनानी और पूर्व सांसद स्वर्गीय परिपूर्णानंद पैयूली की याद में गढ़वाल भवन में स्मृति सभा का आयोजन किया गया। 95 साल की उम्र में बीते महीने देहरादून में लंबे उपचार के बाद उनका निधन हुआ था।

इस मौके पर पैयूली के साथ काम कर चुके कई गणमान्य लोग भी मौजूद थे। इनमें मोहसिना किवदई से लेकर पूर्व सीएम हरीश रावत भी शामिल थे। वहीं पैयूली के परिजनों ने भी अपनी बात रखी। 4 मई को गढ़वाल हितैषिणी सभा की ओर से किए गए इस कार्यक्रम में पैयूली के संघर्ष और स्वतंत्रता संग्राम में उनके योगदान को याद किया गया। सभा के महासचिव पवन कुमार मैठाणी ने बताया कि पैयूली महज 18 साल की उम्र में 1942 में भारत छोड़ो आंदोलन

के समय लखनऊ, मेरठ, टिहरी जेलों में करीब छह साल तक बंद रहे। मेरठ जेल में वह चौधरी चरण सिंह के साथ बंद रहे। यही नहीं उन्होंने टिहरी रियासत के समंती शासन को खत्म करने के लिए टिहरी राज्य प्रजामंडल में शामिल होकर आंदोलन किया जिस पर उन्हें राजा ने जेल में डाल दिया। हालांकि 10 दिसंबर 1946 में वह जेल से भागे और आंदोलन को नए सिरे से जानदार बनाया। 1949 में टिहरी रियासत का भारतीय गणतंत्र में विलय हो गया मगर इसके पीछे जिन लोगों के अथक प्रयास रहे, उनमें पैयूली बड़ा नाम थे। कार्यक्रम में पैयूली को बतौर सांसद भी याद किया गया।

बता दें कि उन्होंने 1971 के चुनाव में टिहरी के राजा मानवेन्द्र सिंह को हराया था। इसके बाद वह संसद पहुंचे तो उत्तराखंड की जनजातियों और विकास के मुद्दों को प्रमुखता से उठाया।
