# Sundaram Finance net profit up 43% at Rs. 299 cr, disbursements up 13% at Rs. 3751 cr

Chennai May 26: Non Banking Finance Company Sundaram Finance registered a 43% rise in its net profit for the quarter ended 31st March 2022 at Rs. 299crores as compared to Rs.209crores registered in the corresponding period last year. Disbursements for Q4 ended 31st March 2022 went up 13% to Rs. 3751crores as compared to Rs. 3305crores in the same period the previous year. Adjusting for the pandemic induced ECLGS scheme, disbursements in Q4 FY22 grew 16% over Q4 FY21.

Net Profit for the full year ended 31st March 2022 went up 12% to Rs. 903crores as compared to Rs. 809crores in the full year ended 31st March 2021. Disbursements for FY22 recorded a growth of 13% to Rs.13275crores as compared to Rs.11742crores registered in FY21. Adjusting for the ECLGS scheme core

Rajiv Lochan, MD, Sundaram Finance

disbursements, a one-time Covid dispensation, core business grew by 23% YOY in FY22.

The Board of the Company has recommended a final dividend of Rs. 10 per share (100%) which along with the interim dividend of Rs.10 per share takes the total dividend for the year to Rs. 20 per share (200%).

Commenting on the performance, Harsha Viji, Executive Vice Chairman, Sundaram Finance said, "Overall economic activity improved in FY22 after a difficult first quarter due to Wave 2 of the pandemic, and demand

Harsha Viji, Executive Vice Chairman

remained robust across segments in the rest of the year. We regained share across most asset classes and grew our core business by 23% year-on-year, closed the year with best-in-class asset quality levels despite adversity, and delivered double digit profit growth. This balance, consistent with our philosophy of Growth with Quality & Profitability (GQP), provides us confidence and optimism as we head into FY23."

Offering a positive outlook, Rajiv Lochan,

Managing Director, Sundaram Finance said, "With the pandemic seemingly behind us thanks to robust vaccination and improving immunity, we go into FY23 with tailwind from a strong close to FY22. While geopolitical tensions globally and consequent inflation domestically create near-term macroeconomic uncertainty, we are geared up to extend our market share across all asset classes while continuing to ensure industry-best asset quality & continued delivery of the Sundaram experience. In addition to our traditional strengths in commercial vehicle & passenger car segments, the areas that we have diversified and grown in the last few years - Construction Equipment, Tractors & Farm Equipment and SME financing - are strong growth drivers for us going forward."

# Infinix launches smartphone with entertainment experience

Chennai, May 26: After the grand success of its HOT 10 Play last year, Infinix - the premium smartphone brand from Transsion Group unveiled a new addition to its fully loaded budget-friendly smartphone segment with first-in-segment upgrades. The newest entrant in the block, HOT 12 Play, promises an uninterrupted entertainment experience to the new-age users and will be available on Flipkart on sale from May 30th onwards at an introductory price

of Rs.8499/-. Available in 4GB RAM/64GB with 3GB of expandable memory variant, HOT 12 Play will come in four exciting colour alternatives: Racing Black, Horizon Blue (Hero Colour), Champagne Gold and Daylight Green.

Anish Kapoor, CEO - Infinix India, said, "The HOT Series epitomises that belief by making flagship-like features accessible at aggressive price points. By democratizing technology, we strive to create strong connections with our

customers through game-changing innovations and enhanced smartphone experience. Our fans have shown a strong affinity towards the HOT Series consistently and this has led to us being recommended by their friends and family, which is our core strength. The immersive and robust experience of the HOT 12 Play is a result of constant fan and consumer engagements to craft a device that is the right fit for the larger audience."

# Glenmark conducts 8,000 screening camps during Hypertension Awareness Month

Chennai, May 26: Glenmark Pharmaceuticals Limited (Glenmark), an innovation-driven, global pharmaceutical company marked May as the Hypertension Awareness Month. Glenmark partnered with more 18,000 healthcare professionals (HCPs) from more than 8000 hospitals and clinics in 50 cities across the country, and organized more than 110 public awareness rallies and 8000 screening camps to create mass awareness around Hypertension (High Blood Pressure).

The rallies comprised a detailed session by an HCP on the signs, symptoms as well as preventive measures around Hypertension; and were followed by screening camps for the general public. The

whole activity was widely appreciated by the medical fraternity and public. Through this initiative, the company was able to spread awareness amongst more than 2 lakh adults.

While talking about this program, Alok Malik, Group Vice President & Head of India

Formulations, Glenmark, said, "This month-long initiative is our endeavor to create awareness about this silent killer disease in the country, which has little or no warning signs or symptoms. As per the recent survey conducted by the India Council for Medical Research, one

out of every three Indian adults is hypertensive. As a leader in Hypertension management, Glenmark is committed to taking every possible step in the country's fight against this disease, which affects millions of people every year"

# CoinSwitch plans to double headcount by end of 2022

Chennai, May 26: CoinSwitch, India's largest Crypto investing app, plans to be 1000 employees strong by the end of 2022. The company plans to hire across levels with key focus on engineering, information security, product and analytics. Founded in 2017 by Ashish Singhal, Govind Soni, and Vimal Sagar Tiwari as an aggregator,

CoinSwitch launched CoinSwitch Kuber for India in June 2020 to create a simplified crypto investing ecosystem and enable users to start their crypto investing journey in a safe and secure manner. CoinSwitch has hired 500 people since its India launch in June 2020. "The new Internet wave is here and the future big tech companies will be

built on Web3. India is a talent rich country and we would like to play an active role in hiring the best minds and preparing them to make India the largest hub of web3 specialists. Our hiring process is designed to ensure we hire the best candidates, nurture and induct them to build for the future", said Ashish Singhal, Co-Founder and CEO of CoinSwitch.

# Sirona donates 5,000 menstrual cups to underprivileged

Chennai, May 26: On the occasion of Menstrual Hygiene Day (28th May 2022), Sirona - a disruptive leading Indian feminine hygiene brand with the Sirona Hygiene Foundation, announces the donation of 5000 menstrual cups to underprivileged menstruators

across India along with training over 3 menstrual cycles on how to use the cup to ensure adoption.

The Sirona Hygiene Foundation is the social responsibility arm of Sirona which works towards reducing period poverty and gender equality in India. The

foundation aims to end period poverty in the country, by giving menstrual cup accessibility and training to over 1 Lakh underprivileged women, through its flagship project-Lakhon Khwaishein. In the last one year, the foundation has donated 5000 cups and this Menstrual Hygiene Day, 28th May, 2022, it pledges to donate another 5000 cups to achieve its goal of reducing period poverty. To support the foundation's efforts,

the brand Sirona contributes INR 1 per product sold towards initiatives that improve menstrual health and hygiene of underprivileged women across India.

Deep Bajaj, CEO & Co-Founder, Sirona, said, "Our initiatives aim to break the cycle of age-old taboos and social norms that still dictate how a woman feels about and approaches her menstrual hygiene."

# Zee Tamil hosts biggest talent hunt show

Chennai, May 26: Zee Tamil, one of the leading Tamil General Entertainment Channels, has provided viewers with several thought-provoking narratives and entertaining shows since its inception.

Now, the channel is giving you a chance to live your dreams! Zee Tamil is all set to kickstart one of the biggest talent auditions in Tamil

Nadu television history within the age group of 18 - 45 years eligible to participate in this mega audition to find the next superstar of the television.

Talented people who are keen to make a mark on Television across Tamil Nadu can grab this once-in-a-lifetime opportunity to be the main lead, comedian, anchor or supporting actor in upcoming

Zee Tamil shows. The on-ground mega auditions kickstart in Chennai at Santhome Higher Secondary School, Santhome High Road, Mylapore on 29th May from 8 am onwards. The participants will not only be given a chance to showcase their talent, but also the golden opportunity to live their dream of acting in a TV show and in the process, gaining fans of their own.

# T1 Pro 5G designed to meet needs of aspirational Gen Z users

Vivo's latest mid-range smartphone, T1 Pro 5G, is now available in India. It has an aesthetic appeal and a package of features that makes it one of the best picks under Rs 25,000. T1 Pro 5G is designed to meet the needs of aspirational Gen Z users and young millennials, the smartphone is the rightful successors of the vivo T1 5G launched earlier in the year. For the

past few days, we have been putting the vivo T1 Pro 5G to the test. The vivo T1 Pro 5G is a treat for mobile gamers, with the fastest Snapdragon® 778G 5G Chipset in the segment, an AMOLED Display with a peak brightness of 1300 nits, and 8-Layer Liquid Cooling Technology with a 66W Flash charge. The build quality and design of the vivo T1 Pro 5G is extremely evident. The new vivo smartphone is ultra-thin and have an AG Glass design. The design is simpler, but it is still stylish and comfortable to use.

Vivo smartphones have long been a prominent contender in the market, particularly in the budget segment. The price-to-performance ratio is excellent, and it covers all fundamentals vivo T1 Pro 5G feature excellent camera capabilities that rival higher-end flagships. In terms of the battery, vivo T1 Pro 5G boasts a 4700mAh battery that can easily withstand a day with moderate use. The charger is a 66W flash charger that can turbocharge the battery to 50% in only 18 minutes.

The vivo T1 Pro 5G is a capable smartphone that ticks all the areas of performance. If you are looking for a powerful phone under Rs. 25,000, this could be your best shot. The smartphone is equipped with flagship-level features and a trendy design to provide Turbo performance, camera and fast-charging capabilities that will not fail to amaze you. The vivo T1 Pro 5G, which costs Rs. 23,999 for (6GB + 128 GB), and Rs. 24,999 for (8GB + 128 GB), is designed keeping high performance in mind, which means gamers are going to appreciate what the T1 Pro 5G bring to the table at the price it is offered.

# ICICIdirect unveils LIFEY

Chennai, May 26: ICICIdirect, an online platform for investments, protection and loan products, today announced the launch of LIFEY - Lifestage Investments for You. This is an innovative new tool aimed at helping customers to accomplish their "lifestage" milestones. Anupam Guha, Head - Private Wealth, ICICI Securities said, "Every individual seeks to achieve financial freedom. In this journey there are 'lifestage milestones' - like owning a new car, purchase of a house, saving for marriage expenses, higher education for

children or wealth accumulation for retirement. ICICIdirect, through the launch of this new tool - LIFEY, will help customers take a well-planned step forward in this direction. LIFEY will assist customers in smart asset allocation and construction of carefully curated portfolios primarily consisting of mutual funds based on fund selection by ICICIdirect's research. The recommendations are data-driven, based on customer's risk taking appetite, and aims to guide them in their financial journey."
