Govt detects ₹824 cr GST evasion by crypto firms

But only ₹122 cr recovered, FinMin tells Parliament

HARSH KUMAR
New Delhi, 2 December

The government has detected goods and services tax (GST) evasion worth ₹824.14 crore by crypto exchanges, such as Binance, WazirX, CoinDCX, and CoinSwitch Kuber, while it has recovered only ₹122.29 crore, including interest and penalty, according to a written reply in Parliament by Minister of State for Finance Pankaj Chaudhary on Monday.

The Binance group company, M/s Nest Services Limited, accounted for the largest amount of GST evasion, worth ₹722.43 crore, but no recovery has been made by the finance ministry so far. WazirX, operated by M/s Zannai Labs Pvt. Ltd, evaded GST worth ₹40.51 crore, of which the government has recovered ₹49.18 crore, including interest and penalty. CoinDCX and CoinSwitch Kuber evaded ₹16.84 crore and ₹14.13 crore, respectively, with recoveries of ₹20.86 crore from CoinDCX and ₹19.38 crore from CoinSwitch Kuber.

The finance ministry said 47 Virtual Digital Asset Service Providers had been registered as reporting entities with the Financial Intelligence Unit-India under the Prevention of Money Laundering Act, 2002. Income from cryptocurrency transactions is taxed at a flat rate of 30 per cent, along with a 1 per cent tax deducted at source (TDS) on transactions exceeding ₹50,000 annually.

Cryptocurrencies are classified as "Virtual Digital Assets" under Section 2(47A) of the Income Tax Act, covering most crypto assets, except for gift cards or vouchers.

Since March 2023, crypto assets have been brought under the Prevention of Money Laundering Act, requiring exchanges and crypto service providers to comply with anti-money laundering standards, including know your customer requirements. Enforcement is overseen by the Financial Intelligence Unit-India.

Currently, there is no specific HSN code or rate for digital assets. Instead, the HSN code 960899, which covers "other miscellaneous articles", is used, with a GST rate of 18 per cent, highest in this category. GST liability applies only to individuals or entities with sales or turnover exceeding the limit of ₹40 lakh during the financial year or those who voluntarily register for GST.

Insurance cost may drop if GST Council cuts taxes: FM

Finance Minister Nirmala Sitharaman on Monday said the cost of insurance to the policy holder is expected to come down if the GST Council recommends a reduction in GST rate on health and life insurance policies.

In a written reply in the Lok Sabha, she said the GST Council in its September 9 meeting had recommended to constitute a Group of Ministers (GoM) to holistically look into the issues pertaining to GST on life insurance and health insurance. "...The matter of review of GST rates on life and health insurance is pending

before the GoM. If a recommendation for a reduction in GST rate is made by the GST Council, the cost of insurance to the policy holder is expected to come down on account of reduction in GST," she said.

Meanwhile, Minister of State for Finance Pankaj Chaudhary shared the details of the proportion of GST collected (excluding compensation cess and other payments) under various tax slabs in FY24. About 70-75 per cent of GST revenues collected came from the 18 per cent slab, while just 5-6 per cent came from the 12 per cent bracket.

A Bill seeking to promote coastal trade and encourage the participation of Indian-flagged vessels owned and operated by Indian citizens for national security and commercial needs was introduced in the Lok Sabha on Monday. Union Ports, Shipping and Waterways Minister Sarbananda Sonowal introduced the Bill amid noisy protests by opposition members over the recent violence in Uttar Pradesh's Sambhal and the Adani issue.

FARMERS' MARCH TO DELHI ENDS AT UP BORDER

Farmers from Uttar Pradesh demanding adequate compensation for their lands acquired by the government arrived at the Noida-Delhi border on Monday during their march to the national capital. Carrying banners and flags of various farmer groups, hundreds of protesters crossed the initial barricades erected by the Noida Police. They were finally stopped by police near Dalit Prerna Sthal on Noida Link Road, around a kilometre from the Chilla border, an entry point to Delhi, where senior police officers

tried to pacify the protesting farmers. Meanwhile, the Supreme Court has asked Punjab farmer leader Jagjit Singh Dallewal, who is on a fast-unto-death at the Khanauri border point to press for the acceptance of farmers' demands, to persuade the protesting farmers not to obstruct highways and cause inconvenience to people. The Bench disposed of a habeas corpus petition filed on behalf of Dallewal, who was removed from the Khanauri protest site on the Punjab-Haryana border on November 26.

Maha CM name likely on Dec 4

The suspense over who will be Maharashtra chief minister will end on December 4, when the state Bharatiya Janata Party (BJP) legislature party elects its new leader, a senior party functionary said on Monday. Earlier in the day, the BJP named Finance Minister Nirmala Sitharaman and former Gujarat Chief Minister Vijay Rupani as its central observers for the legislature party meeting.

Devendra Fadnis, two-time former chief minister, is widely seen as the front-runner for the top post. The meeting will be held Wednesday morning, a party functionary said. The Mahayuti won 230 of the 288 seats, with the BJP leading with 132 seats, while the Shiv Sena got 57 and NCP 41 seats. National good vs lack of jobs: BJP, Oppn debate Bhagwat's population remarks

PRESS TRUST OF INDIA
New Delhi, 2 December

A day after Rashtriya Swayamsevak Sangh (RSS) Chief Mohan Bhagwat expressed concern over declining population growth, Bharatiya Janata Party (BJP) leaders welcomed his remarks while the Opposition asked where will additional resources come from in case of an increase. Food prices are high and the government has "failed" to create employment opportunities for people, they said.

Speaking at an event in Nagpur on Sunday, Bhagwat highlighted the vital role of families and warned that according to population science, if a society's total fertility rate dips below 2.1, it could face extinction. "So when we say 2.1, this means it should be more, at least three. The (population) science says so," the RSS chief said and described the

declining population growth as a "serious concern".

Asked about Bhagwat's remarks, BJP leader Manoj Tiwari said they are in national interest. "The RSS is a patriotic organisation. If Mohan Bhagwat ji has said something, then it would certainly be in the national interest. So it should be analysed positively," he said.

BJP MP from Meerut Arun Govil spoke on similar lines. "His ideas are in the national interest. He is a mature person, if he has given this statement, it is for the good of the country and it must be right," he said.

Opposition leaders, however, questioned Bhagwat and the BJP over his remarks.

Congress Lok Sabha MP from Katihar Tariq Anwar said Bhagwat's remarks were in contrast to what BJP leaders have been saying on the issue of population.

"What he (Bhagwat) is saying is contradictory because BJP leaders are saying the population should be

controlled. They should clear these contradictions and the government should come out with a policy on population," he said.

Azad Samaj Party (Kanshi Ram) MP Chandra Shekhar asked where will the additional resources to support an increased population come from.

"Such statements are made with a political agenda and people have to pay (the price) for them," the Nagina MP said. If managed properly, India's population is a useful resource, he said. "If we start manufacturing, people will get employment. But the government has failed in this," he added.

Congress Rajya Sabha MP Renuka Chowdhury said, "I respect Mohan Bhagwat ji, but

what experience does he have of bringing up a child?" She further said, "Everything is adulterated, food prices are high and when they (children) grow up, they don't get employment. What do people need more children for?"
