EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statement sets out the material facts relating to the business under Item No. 02 & 03 of the accompanying notice dated 30th May, 2022.

Item No. 02

This Explanatory Statement is in terms of Regulation 36(5) of SEBI Listing Regulations, 2015. Members at the 10th AGM of the Company held on 28th July, 2017, had approved appointment of M/s. Singhi & Co., Kolkata, Chartered Accountants (Firm Registration No. 302049E), as the Statutory Auditors of the Company to hold office from the conclusion of the 10th AGM till the conclusion of the 15th AGM of the Company.

Based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on 30th May, 2022 has further recommended the reappointment of M/s. Singhi & Co, Kolkata, Chartered Accountants, (Firm Registration No. 302049E), as the Statutory Auditors of the Company, for the second consecutive term of five years from the conclusion of 15th AGM till the conclusion of the 20th AGM of the Company to be held in the year 2027, at a remuneration as may be mutually agreed between the Board and the Statutory Auditors.

M/s.Singhi & Co. have consented to their reappointment as the Statutory Auditors and have confirmed that they are not disqualified to be appointed as the Statutory Auditors in terms of the provisions of Section 139 and 141 of the Act and the rules framed thereunder.

M/s. Singhi & Co. is a reputed chartered accountant firm established in the year 1971 with offices in New Delhi, Kolkata & Mumbai. The firm currently has experienced team led by partners and directors having professional experience ranging from 20 to 50 years in their respective fields. Their range of professional services includes Audit & Assurance, Tax & Regulatory Services, Business Advisory, Accounting & Business Support, IT Risk Advisory etc.

The Board recommends the Ordinary Resolution set out at Item No. 2 for approval of the members. None of the Directors, Key Managerial Personnel of the Company and their respective relatives, are concerned or interested, financially or otherwise, in the resolution set out in Item No. 2 of the Notice.

Item No. 03

Due to the demise of Lt. Radhe Shyam Saraf (DIN: 00017962), Non-Executive Chairman on 22nd March, 2022, a casual vacancy created on the Board of the Company.

The Board at its meeting held on 30th May, 2022 discussed the composition of the Board and found it to be in compliant with the SEBI Listing Regulations, 2015 and thereafter resolved not to fill the casual vacancy, subject to the approval of the members in the ensuing AGM and accordingly directed the Chief Legal Officer & Company Secretary to deal with the item in the notice calling the AGM. Also, with the demise of Lt. Radhe Shyam Saraf, none of the existing directors of the Company will be liable to retire by rotation as required under Section 152 of the Companies Act, 2013.

None of the Directors or Key Managerial Personnel (KMP) of the Company and their respective relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice.

Accordingly, the Board recommends the ordinary resolution as set out in item no. 3 for approval of the members.

IMPACT OF COVID-19 PANDEMIC ON THE COMPANY'S BUSINESS:

COVID-19 continues to have a material impact on our business and industry. The spread of COVID-19 variants, such as Delta and Omicron had constrained the pace of the recovery. However, Business and demands slowly improve in 2021 as compared to 2020, though this demand still remains meaningfully below pre-pandemic levels.

The Company has taken all possible and effective measures to limit and keep the impact of COVID-19 under control in order to ensure business continuity with minimal disruption. The Company has undertaken necessary cost saving measures and is exploring initiatives to further uplift revenue.

The Board and the Management will continue to closely monitor the situation as it evolves and do its best to take all necessary measures, in the interests of all stakeholders of the Company.

TRANSFER TO RESERVES:

During the financial year ended 31st March, 2022, no sum was transferred to General Reserve due to inadequate profit.

DIVIDEND:

Due to the ongoing effects of the Covid-19 pandemic which has created uncertainty and unpredictability for the Company, the Board has decided not to recommend any dividend for the financial year ended 2021-22 to conserve resources.

BUSINESS OVERVIEW AND OPERATING PERFORMANCE / STATE OF COMPANY'S AFFAIRS:

During the financial year ended 2021-22, Hyatt Regency Kolkata (the hotel) was successful in facing the challenges that 2021 posed and closed the year-end occupancy at 48.8% compared to the city average closure of 47%.

The hotel had shown agility by changing its business to market mix needs. The Hotel focused on online distributors to drive demand while traditional corporate business was secure in form of PSU. Group business was driven by wedding, Corporate MICE, Sports blocks and the hotel was successful in booking all the relevant wedding dates during the last year and have ended the year at rank 2 in RevPAR.

Board Report (contd.)

Further, financial year 2021-22 was challenging as the markets witnessed very low demand and travel restrictions on account of the second Covid-19 wave. However, the hotel maximized returns from ancillary streams like food and beverages (F&B) outlets, banquet services, spas and other retail outlets.

During the financial year 2021-22, there were no material changes and commitments affecting the financial position of the Company. Further, there has been no change in the nature of business of the Company since its incorporation.

SUBSIDIARY COMPANIES:

During the financial year ended 2021-22, the Company had three subsidiaries, namely, Robust Hotels Private Limited, Chennai, (RHPL) a wholly owned and a material unlisted Indian Subsidiary, GJS Hotels Limited, Kolkata, a wholly owned and unlisted Indian Subsidiary and Regency Convention Centre and Hotels Limited, Kolkata, a wholly owned and an unlisted Indian Subsidiary.

RHPL owns and operates Hyatt Regency Chennai (Chennai Hotel). On account of the second and third wave of Covid-19 pandemic, the revenue of the Chennai Hotel was impacted during the financial year ended 2021-22. Comparative performance of Chennai Hotel during the last two financial years is given below:

(Rs. in crores)

Details	2021-22	2020-21

With reference to GJS Hotels Limited, Kolkata as per the direction of the Government of Odisha, the Company is in process to submit performance bank guarantee of Rs.3.5 Crores in connection with the utilisation of the Government land allotted for the Company's Bhubaneswar Hotel Project.

With reference to Regency Convention Centre and Hotels Limited, Kolkata (Regency), pursuant to the share purchase agreement dated 20th April, 2019, the legal suit no. 6846 of 1999 was withdrawn by the Company. Upon such withdrawal, the balance purchase consideration of Rs.41 Crores was paid by MIAL on 29th April, 2022 and accordingly the entire shareholding (100%) of Regency i.e. 1,59,305 equity shares has been transferred to Mumbai International Airport Limited (MIAL) on 4th May, 2022. Pursuant to such transfer of shares, Regency has ceased to be a subsidiary of the Company.

In accordance with Section 129(3) of the Companies Act, 2013, a statement containing salient features of the financial statements of each of the subsidiaries of the Company in Form AOC-1 is annexed herewith marked as **Annexure-I** to this Report. The audited financial statements of the Company and each of the subsidiaries has also been uploaded on the website of the Company <http://www.ahleast.com/reports.html>.

The Consolidated Financial Statements of the Company are prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind-AS) and forms an integral part of this report.

The Policy for determining material subsidiaries of the Company has been provided in the following link: <http://www.ahleast.com/policiespdf/Policy%20on%20Material%20Subsidiary.pdf>

STATUS OF THE SCHEME OF ARRANGEMENT:

Regarding the Scheme of Arrangement, Demerger and Reduction of capital with the wholly owned subsidiary Robust Hotels Private Limited, Chennai (Robust) and their respective shareholders and creditors (the Scheme), both the Hon'ble NCLT, Chennai & Kolkata bench have sanctioned the Scheme vide their order dated 13th October, 2021 and 20th December, 2021 respectively.

The certified order copy of the Chennai Bench was received on 24th January, 2022 and the same was filed by Robust and the Company with their respective Registrar of Companies on 22nd February, 2022.

Board Report (contd.)

Further, the company is in process to file the schedule of assets with the NCLT Kolkata Bench in order to receive the certified copy of their order. Once the Kolkata certified copy is received and filed with the Registrar of Companies, the scheme would become effective.

On sanction and effectiveness of the Scheme, the shareholders of the Company will receive prescribed bonus shares of the Company and new equity shares of Robust. The wholly owned subsidiary Robust will be listed with BSE and NSE and accordingly the shareholders of the Company will be holding the equity shares of two listed hotel companies. In view of this, the shareholding pattern of Robust shall mirror the shareholding pattern of the Company. The Company expects the effects of the Scheme shall be given in the current financial year 2022-23 provided the corona pandemic situation does not become a hindrance to it.

Stakeholders can see all the Scheme related documents at the Company's web link <http://www.ahleast.com/index.html>.

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members,

ASIAN HOTELS (EAST) LIMITED

Hyatt Regency Kolkata, JA-1,
Sector – III, Salt Lake City,
Kolkata – 700 106

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **ASIAN HOTELS (EAST) LIMITED** (CIN: L15122WB2007PLC162762) (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company’s Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and Regulations.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022, to the extent applicable, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 and rules made thereunder;
- iii) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;
- iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct investment and External Commercial Borrowings;
- v) The Regulations and Guidelines prescribed under the Securities & Exchange Board of India Act, 1992 (“SEBI Act”) or by SEBI, as amended from time to time, to the extent applicable:
 - a) The Securities & Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011;
 - b) The Securities & Exchange Board of India (Prohibition of Insider Trading) Regulations 2015;
 - c) The Securities & Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - e) The Securities & Exchange Board of India (Issue and listing of Debt securities) Regulations, 2008;
 - f) The Securities & Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - g) The Securities & Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - h) The Securities & Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - i) The Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- vi) Apart from other fiscal and labour laws which are generally applicable to all companies, the following specific laws/acts are also, inter alia, applicable to the Company:
 - a) Tourism Policy of Government of India and Classification of Hotels.
 - b) The Food Safety and Standards Act, 2006 and the Food Safety and Standards Rules, 2011;
 - c) The Prevention of Food Adulteration Act, 1954

Board Report (contd.)

- d) The Air (Prevention and Control of Pollution) Act, 1981 and rules made there under.
- e) The Water (Prevention and Control of Pollution) Act, 1974 and rules made there under.
- f) Environment Protection Act, 1986
- g) India Boiler Act, 1923
- h) Petroleum Act, 1934
- i) Standard of Weights and Measures Act, 1976

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with all the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE, DEVELOPMENT, OPPORTUNITIES AND OUTLOOK

The hospitality industry witnessed steady recovery despite the COVID-19 related uncertainties because of the successful rollout of the world's largest vaccination drive, pick-up in government expenditure and better preparedness compared with the first wave limited the negative economic impact.

Although the financial year 2021-22 started with lockdown in the country which led to low occupancies in quarter 1 (Q1) in the Hyatt Regency Kolkata Hotel (the Hotel), but owing to the relatively shorter covid wave, the market saw a faster recovery than last year. Sight of recovery was seen from second quarter onwards as the Hotel focused on Sport, Weddings and MICE business. The Hotel closed the year-end occupancy at 48.8% compared to the city average closure of 47%.

The Hotel had also focused on maximizing returns from ancillary streams like food and beverages (F&B) outlets, banquet services, spas and other retail outlets and the hotel was successful in booking all the relevant wedding dates during the last year and the Hotel has ended the year at rank 2 in Revenue Per Available Room (RevPAR).

Further, to boost the business, the Hotel had come up with new policies and concepts in order to prioritise health and hygiene. The Hotel has also adopted the 'Digital' way forward and is promoting contactless methods for check-ins, check-outs and payments.

Your Board is hopeful that the hospitality industry will witness growth in revenues and in operating margins supported by the rationalization measures undertaken during the pandemic. However, it is going to be a long journey for the industry to reach pre-COVID levels.

RISKS, CONCERNS AND THREATS

Covid-19 continues to be a major challenge for the hotel industry. Covid-19 pandemic has had a devastating impact on the Hotel and in order to minimize the impact, the Hotel has adopted new policies, concepts, rebooting services, giving priority to health and hygiene, new cost structures organizing vaccination camp for its employees and their families. All is being done to ensure that the guests and the customers have a safe, healthy, enjoyable stay with the best food.

SEGMENTWISE, FINANCIAL AND OPERATIONAL PERFORMANCE

The Company is engaged in two lines of business through separate divisions namely Hotel Division and Investment division which in-turn consists of the "Securities Trading Unit" (comprising of treasury/liquid investments which is being regularly traded and bonds, mutual funds, and shares of certain companies, and the "Strategic Investments Unit" (comprising inter alia of investment in and loans given to Robust Hotels Private Limited and GJS Hotels Limited). For details please refer note no. 39 of the notes to the standalone audited financial statements.

EFFICIENT INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Your Company has in place an adequate system of internal controls, with documented procedures covering all corporate functions and hotel operating units. Systems of internal controls are designed to provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations. Adequate internal control measures are in the form of various policies and procedures issued by the Management covering all critical and important activities viz. Revenue Management, Hotel Operations, Purchase, Finance, Human Resources, Safety, etc. These policies and procedures are updated from time to time and compliance is monitored by Internal Audit.

The effectiveness of internal controls is reviewed through the internal audit process, which is undertaken for every operational unit and all major corporate functions under the direction of the Operations department. The Audit Committee of the Board oversees the adequacy of the internal control environment through regular reviews of the audit findings and monitoring implementations of internal audit recommendations through the compliance reports submitted to them. The Statutory Auditors of your Company have opined in their report that your Company has adequate internal controls over financial reporting.

DEVELOPMENT IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company continues to maintain a very cordial and healthy relationship with its workforce across all its units. The number of people employed on-roll by the hotel as on 31st March, 2022 was 212.

Board Report (contd.)

Hyatt India Covid-19 Relief Fund was introduced to provide the following financial support to the employees who have been impacted by Covid-19:

- Compensation for families of deceased colleagues
- Children's education assistance
- Medical expense assistance

We at Hyatt Regency Kolkata Hotel are striving towards attracting, retaining, training, multi-skilling employees, bring the HR practices on a par with allied sectors, redesign jobs and make it more exciting. In the meantime, all efforts are being made to control the cost and align it to business level to maintain present level of profitability.

Independent Auditor's Report

TO THE MEMBERS OF ASIAN HOTELS (EAST) LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Asian Hotels (East) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no	Key Audit Matter	Auditor's Response
1.	<p>Impact of COVID-19 pandemic on estimation uncertainty</p> <p>On 11 March 2021, the World Health Organization declared the Novel Coronavirus (COVID-19) outbreak to be a pandemic. The Indian Government had imposed lock-downs across the country from 22 March 2021 up to 30 June 2021. These lockdowns and restrictions due to COVID-19 pandemic had posed significant challenges to the businesses of the Company. This required the Company to assess impact of COVID-19 on its operations.</p> <p>The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. In view of the above, we have identified impact of COVID-19 on going concern as a key audit matter.</p> <p>Refer Note 48 to the standalone financial statement</p>	<p>Principal Audit Procedures</p> <p>Obtained an understanding of the key controls relating to the Company's forecasting process</p> <ul style="list-style-type: none"> • Assessed the forecasted statement of profit and loss and cash flows by considering plausible changes to the key assumptions adopted by the Company and compared them with the Company's business plan approved by the board of directors • Obtained an understanding of key assumptions adopted by the Company in preparing the forecasted statement of profit and loss and cash flow and assessed the consistency thereof with our expectations based on our understanding of the Company's business. • Performed the following procedures as mitigating factors: <ol style="list-style-type: none"> 1. Assessed impact of Government's announcement to lift the lockdown restrictions. 2. Assessed disclosures made in the standalone financial statements with regard to the above. Refer to Note 48 to the standalone financial statements.

Independent Auditor's Report (contd.)

S.no	Key Audit Matter	Auditor's Response
2.	<p>Evaluation of uncertain tax positions</p> <p>The Company is exposed to different laws, regulations and interpretations thereof. The company is also subject to number of significant claims and litigations. The assessment of the likelihood and quantum of any liability in respect of these matters can be judgmental due to the uncertainty inherent in their nature.</p> <p>We considered this to be a key audit matter, since the accounting and disclosure of claims and litigations is complex and judgmental, and the amounts involved are, or can be, material to the financial statements.</p> <p>Refer Note 40 to the Standalone Financial Statements.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures included among others:</p> <ol style="list-style-type: none"> I. Understanding and assessing the internal control environment relating to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities; II. Analyzed significant changes/ update from previous periods and obtained a detailed understanding of such items. Assessed recent judgments passed by the court authorities affecting such change; III. Discussed the status of significant known actual and potential litigations with the management & noted that information placed before the board for such cases and IV. Assessment of the management's assumptions and estimates related to the recognized provisions for disputes and disclosures of contingent liabilities in the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information etc., but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

Independent Auditor's Report (contd.)

they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ASIAN HOTELS (EAST) LIMITED)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statement of ASIAN HOTELS (EAST) LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial Statements reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are

Independent Auditor's Report (contd.)

subject to the risk that the internal financial control with reference financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the year ended March 31, 2022

1. Company Overview and Significant Accounting Policies

1.1 Company overview

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through "Hyatt Regency Kolkata" a five-star Hotel situated in the city of Kolkata.

1.2. Basis of preparation of financial statement

These standalone financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

Statement of Compliance :

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), as applicable to the Standalone Financial Statement.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are approved for issue by the Company's Board of Directors on May 30, 2022.

Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below-

- (i) Ind AS 16 – Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022.
- (ii) Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted.
- (iii) Ind AS 103 – Reference to Conceptual Framework - The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103.
- (iv) Ind AS 109 – Annual Improvements to Ind AS (2021)-The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability.

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

- (v) Ind AS 116 – Annual Improvements to Ind AS (2021)-The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration.”

1.3 Functional & Presentation Currency

These Financial statements are presented in Indian Rupees (INR in lakhs) which is also the company’s functional currency.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.5 Significant Accounting Policies

a. Property Plant & Equipment:

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and its cost can be measured reliably. Intangible assets are amortised on straight line basis over their estimated useful lives.

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase.

b. Investments in Subsidiaries

Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The Company’s investment in the equity shares of its subsidiaries are recognised at cost. The company has elected to apply previous GAAP carrying amount of its equity investment in subsidiaries as deemed cost as on the date of transition to Ind AS. However, the debt instruments in subsidiaries are recognized at fair value.

c. Inventories

Inventories are measured at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion & selling expenses.

d. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

NOTES TO THE FINANCIAL STATEMENTS *(contd.)*

as at and for the year ended March 31, 2022

e. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financials Asset

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (i) Financial Asset at amortized cost
- (ii) Financial Asset At Fair Value through other comprehensive income (OCI)
- (iii) Financial Asset at Fair value through profit and loss (PL)

Financial Asset at amortized cost

A 'Financial Asset' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss.

Financial Asset at Fair value through OCI

A 'Financial Asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial Asset at fair value through profit or loss

FVTPL is a residual category for Financial Assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a Financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable if the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI."

NOTES TO THE FINANCIAL STATEMENTS *(contd.)*

as at and for the year ended March 31, 2022

Derecognition of Financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

(a) the Company has transferred substantially all the risks and rewards of the asset, or

(b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset."

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets that are debt instruments and are measured as at FVTOCI.
- c) Lease receivables under Ind AS 17.
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables')
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. For financial liabilities maturing within one year from the balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

Subsequent Measurement

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss.

NOTES TO THE FINANCIAL STATEMENTS *(contd.)*

as at and for the year ended March 31, 2022

Financial Liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

f. Cash and Cash Equivalents

Cash and Cash Equivalent in balance sheet comprise cash at banks and on hand, unpaid dividend, fixed deposits and short - term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value

g. Trade Payables & Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

h. Provisions, Contingent liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is disclosed in case of;

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible ;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote."

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The normal credit term is 30 days upon delivery. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Sale of Services:

The Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering room booking and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price.

j. Other Income

Other income is comprised primarily of interest income, dividend income, gain on sale of investments and exchange gain/loss on translation of assets and liabilities. For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recognised using the effective interest rate (EIR). Dividend income is recognised when right to receive payment is established.

k. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Income taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.”

m. Earnings per share

Basic Earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of equity shares to the extent that they are entitled to participate in dividends relative to a fully paid equity shares during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2014, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing cost. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

o. Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

p. Employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. Gratuity & Leave Encashment (Unfunded): Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected

as at and for the year ended March 31, 2022

unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

q. Foreign Currencies

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date."

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

r. Dividend

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

s. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors of Asian Hotels (East) Limited generally assesses the financial performance and position of the company, and makes strategic decisions.

- t. **Impairment of non-current assets** - Ind AS 36 requires that the Company assesses conditions that could cause an asset or a Cash Generating Unit (CGU) to become impaired and to test recoverability of potentially impaired assets. These conditions include internal and external factors such as the Company's market capitalization, significant changes in the Company's planned use of the assets or a significant adverse change in the expected prices, sales volumes or raw material cost. The identification of CGUs involves judgment, including assessment of where active markets exist, and the level of interdependency of cash inflows. CGU is usually the individual plant, unless the asset or asset group is an integral part of a value chain where no independent prices for the intermediate products exist, a group of plants is combined and managed to serve a common market, or where circumstances otherwise indicate significant interdependencies. In accordance with Ind AS 36, goodwill and certain intangible assets are reviewed at least annually for impairment. If a loss in value is indicated, the recoverable amount is estimated as the higher of the CGU's fair value less cost to sell, or its value in use. Directly observable market prices rarely exist for the Company's assets, however, fair value may be estimated based on recent transactions on comparable assets, internal models used by the Company for transactions involving the same type of assets or other relevant information. Calculation of value in use is a discounted cash flow calculation based on continued use of the assets in its present condition, excluding potential exploitation of improvement or expansion potential. Determination of the recoverable amount involves management estimates on highly uncertain matters, such as commodity prices and their impact on markets and prices for upgraded products, development in demand, inflation, operating expenses and tax and legal systems. The Company uses internal business plans, quoted market prices and the Company's best estimate of commodity prices, currency rates, discount rates and other

relevant information. A detailed forecast is developed over the period of three years with projections thereafter. The Company does not include a general growth factor to volumes or cash flows for the purpose of impairment tests, however, cash flows are generally increased by expected inflation and market recovery towards previously observed volumes.

u. New Standards / Amendments to Existing Standard issued and adopted by the Company are disclosed below:

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Rounding Off: For the purpose of rounding off the figures appearing in the Financial Statements for financial year ending 31.03.2022 the total income of the Company shall be considered instead of Turnover.

Additional Disclosure in Notes to Balance Sheet:

Shareholding of Promoter: The note on Share Capital in the Financial Statements shall mention details of the Shareholding of the Promotes along with changes, if any, during the Financial Year.

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Current maturities of Long-term borrowings shall be disclosed separately under the heading Short Term Borrowing.
- Security Deposits to be shown under the head of Other Non-Current Assets instead of Long term Loan & Advances.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specific disclosure for title deeds of Immovable Property not held in name of the Company and disclosure on revaluation of Assets
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Ratios-Following Ratios to be disclosed: - (a) Current Ratio, (b) Debt-Equity Ratio, (c) Debt Service Coverage Ratio, (d) Return on Equity Ratio, (e) Inventory turnover ratio, (f) Trade Receivables turnover ratio, (g) Trade payables turnover ratio, (h) Net capital turnover ratio, (i) Net profit ratio, (j) Return on Capital employed, (k) Return on investment
- Specific Disclosure Borrowing & Wilful Defaulter."

Additional Disclosure in Notes to Profit & Loss Account:

Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments listed above did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

2. Key Accounting Estimates & Judgements

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimate uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

Deferred tax assets are recognized for unused tax losses/MAT carry forward to the extent it is possible that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies including amount expected to be paid / recovered for uncertain tax positions.

b. Property, Plant and Equipment and Useful Life of PPE and Intangible Assets

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of Companies' assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the products or service output of the asset.

c. Defined Benefit Plans

Post-employment benefits represents obligation that will be settled in future and require assumptions to project benefit obligations. Post-employment benefit accounting is intended to reflect the recognition of future benefit cost over the employee's approximate service period, based on the terms of plans and the investment and funding decisions made. The accounting require the Company to make assumptions regarding variables such as discount rate, rate of as at and for the year ended March 31, 2022.

d. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

e. Provisions and Contingencies

Legal proceedings covering a range of matters are pending against the Company. Due to the uncertainty inherent in such matters, it is often difficult to predict the final outcomes. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business. The Company consults with legal counsel and certain other experts on matters related to litigations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of Financial Instruments that are measured at fair value and amortised cost and for which fair values are disclosed in financial statements. To provide an indication about reliability of the inputs used in determining the fair values, the company has classified its financial instruments into the three levels prescribed under accounting standards. An explanation of each level follows underneath the table:

Level 1 : includes financial Instrument measured using quoted prices (unadjusted) in active markets for identical assets and liabilities that the entity can access at the measurement date.

Level 2 : Includes financial Instruments which are not traded in active market but for which all significant inputs required to fair value the instrument are observable. The fair value is calculated using the valuation technique which maximises the use of observable market data.

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

Level 3: Includes those instruments for which one or more significant input are not based on observable market data.

The following table presents fair value hierarchy of assets and liabilities measured at fair value as of March 31, 2022:

31. FINANCIAL RISK MANAGEMENT

Financial risk factors

The Company's activities expose it to a variety of financial risks : market risk, liquidity risk and credit risk.

Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a) Foreign Currency risk

The Company is exposed to foreign exchange risk through its purchases from overseas suppliers and payment for services availed in various foreign currencies. The Company pays off its foreign exchange exposure within a short period of time, thereby mitigates the risk of material changes in exchange rate on foreign currency exposure.

The following table analyses foreign currency risk from financial instruments as of 31st March 2022 and 31st March 2021.

Amount in lakhs

Particulars	31st March 2022	31st March 2021
	Amount	Amount
Trade payables (USD converted to INR)	189.78	197.00

For the year ended 31st March 2022 and 31st March 2021, the effect of every percentage point depreciation/appreciation in the exchange rate between the Indian rupee and U.S.dollar, is as under:

	Change in USD Rate	Effect on Profit before Tax	
		31st March 2022	31st March 2021
Appreciation in Exchange Rate	1%	(1.90)	(1.97)
Depreciation in Exchange Rate	-1%	1.90	1.97

b) Other Market Price Risks

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through Other Comprehensive Income and Fair value through profit/loss. If the equity prices of quoted investments are 1% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2022 would increase/ decrease by Rs 12.28 lakhs (for the year ended March 31, 2021: increase/ decrease by Rs 11.82 lakhs) and profit or loss for the year ended March 31, 2022 would increase/ decrease by Rs 76.50 lakhs (for the year ended March 31, 2021: increase/ decrease by Rs 82.55 lakhs)

c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities.

The Company's principle source of liquidity are cash and cash equivalent, cash flows from operations and investment in mutual funds. The Company has no outstanding bank borrowings as on 31st March 2022. The Company believes that working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

The table below provides details regarding the contractual maturities of financial liabilities as of March 31, 2022:

Amount in lakhs

Particulars	0-3 Months	3 Months- 1 yr	1-5 years	5-20 years	Total
Trade payables	59.19	520.48	108.15	-	687.82

Other Financial Liabilities	120.75	163.90	30.66	-	315.31

Credit Risk

Credit risk is the risk that counter party will not meet its obligation under a financial instrument leading to a financial loss. The company is exposed to credit risk from investments, trade receivables, cash and cash equivalents, loans and other financial assets.

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

The Company's credit risk is minimised as the Company's financial assets are carefully allocated to counter parties reflecting the credit worthiness.

The maximum exposure of financial asset to credit risk are as follows :

Amount in lakh

Particulars	31st March 2022	31st March 2021
Investments	59,975.43	63,454.02
Trade Receivables	566.77	172.01
Loans	5,437.31	4,661.38
Other financial assets	364.42	164.55

Credit risk on Investments primarily include investments in liquid mutual fund units, quoted bonds and investment in subsidiaries. Loans are provided to subsidiary and are in the nature of short term as the same is repayable on demand.

Risk towards Global Pandemic COVID-19

Financial instruments carried at fair value as at March 31, 2022 is Rs 16,187.77 lakhs and financial instruments carried at amortised cost as at March 31, 2022 is Rs 7,309.92 lakhs. A significant part of the financial assets are classified as Level 1 having fair value of Rs 7,258.74 lakhs as at March 31, 2022. The fair value of these assets is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the Company are mainly investments in equity shares of listed entities wherein the uncertainties arising out of COVID-19 has already been factored by the stock market as at March 31, 2022 and liquid debt securities wherein no material volatility is expected.

Trade receivables of Rs 566.77 lakhs as at March 31, 2022 forms a significant part of the financial assets carried at amortised cost. The Debtors do not have any concentrated risk and the Company does expect to recover these outstanding in due course. Further, adequate credit loss provision has been created based on the policy of the Company. The Company has specifically evaluated the potential impact with respect to customers in Airline and Travel Agents segments which could have an immediate impact though the outstanding is not significant. Further, we expect that there could be some delay in payments from debtors, over and above the credit cycle. Basis our internal assessment and the stringent provisioning policy of the Company, the management assessment for the allowance for doubtful trade receivables of Rs 35,01,647 as at March 31, 2022 is considered adequate.

32. CAPITAL MANAGEMENT

For the purpose of managing capital, Capital includes issued equity share capital and reserves attributable to the equity holders.

The objective of the company's capital management are to:

- Safeguard their ability to continue as going concern so that they can continue to provide benefits to their shareholders.
- Maximisation the wealth of the shareholder.
- Maintain optimum capital structure to reduce the cost of the capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirement of financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2022 and 31 March 2021.

33. Gratuity and other post-employment benefit plans

The Company has classified the various benefits provided to employees as under:-

- a) Defined contribution plans
 - i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:-

Amount in lakhs

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

- b) Defined benefit plans
 - i. Contribution to post-retirement Gratuity fund
 - ii. Compensated absences Earned leave

In accordance with Indian Accounting Standard 19, Employee Benefits, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions: -

Economic Assumptions

The discount rate and salary increase assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 7.18 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long- term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

NOTES TO THE FINANCIAL STATEMENTS (contd.)

as at and for the year ended March 31, 2022

47. The Company has significant strategic investments in the equity shares of Asian Hotels (West) Limited (AHWL). The market price of shares of AHWL has fallen considerably since the sudden closure of Hyatt Regency Mumbai Hotel effective from 7th June 2021 by its management. The Company expects a further substantial fall in the market value of shares till AHWL resumes its operations. The Company has filed Oppression & Mismanagement petitions under section 241-242 & 244 of the Companies Act, 2013 with the NCLT Principal Bench, New Delhi in order to protect its interest. Yes Bank Limited has also initiated CIRP resolution under section 7 of IBC, 2016 against AHWL. The Company has taken necessary steps in this regard to protect its interest.

48. IMPACT OF COVID-19

The business has been impacted during the year on account of COVID-19. During the first three months of the year, the Company witnessed softer revenues due to the second wave of COVID-19 and consequent lockdowns in several states across the country. Also there was a third wave in the month of January 2022, resulting in restrictions in some states, which also adversely impacted the revenues. However, with increased vaccinations and consequent reduction in number of cases and easing of all restrictions, the Company has witnessed recovery in both leisure and business segments in all the other months. The Company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of COVID-19 may be different from that estimated as at the date of approval of the financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has adequate funds at its disposal for the next 12 months to prevent any disruption of the operating cash flows and to enable the Company meet its debts and obligations as they fall due. Accordingly, the financial statements of the Company have been prepared on a going concern basis.

Independent Auditor's Report

TO THE MEMBERS OF ASIAN HOTELS (EAST) LIMITED REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of ASIAN HOTELS (EAST) LIMITED ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of changes in equity for the year then ended, the notes to the consolidated financial statements and a summary of significant accounting policies and other explanatory information (herein referred to as the "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2022, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of the report referred to in the other matter section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

S.no	Key Audit Matter	Auditor's Response
1.	<p>Evaluation of uncertain tax positions</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Note 42 to the Financial Statements</p>	<p>Principal Audit Procedures</p> <p>We have obtained details of completed tax assessments and demands for the year ended March 31, 2022 from management. We involved our internal experts to examine the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2021 to evaluate whether any change was required to management's position on these uncertainties.</p>

Independent Auditor's Report (contd.)

S.no	Key Audit Matter	Auditor's Response
2.	<p>Impact of COVID-19 pandemic on estimation uncertainty</p> <p>On 11 March 2021, the World Health Organization declared the Novel Coronavirus (COVID-19) outbreak to be a pandemic. The Indian Government had imposed lock-downs across the country during the year at various states. These lockdowns and restrictions due to COVID-19 pandemic had posed significant challenges to the businesses of the Company. This required the Company to assess impact of COVID-19 on its operations.</p> <p>The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. In view of the above, we identified impact of COVID-19 on going concern as a key audit matter.</p> <p>Refer Note 47 to the consolidated financial statements.</p>	<p>Principal Audit Procedures</p> <ul style="list-style-type: none"> • Obtained an understanding of the key controls relating to the Company's forecasting process • Assessed the forecasted statement of profit and loss and cash flows by considering plausible changes to the key assumptions adopted by the Company and compared them with the Company's business plan approved by the board of directors • Obtained an understanding of key assumptions adopted by the Company in preparing the forecasted statement of profit and loss and cash flow and assessed the consistency thereof with our expectations based on our understanding of the Company's business. • Performed the following procedures as mitigating factors: <ol style="list-style-type: none"> 1. Assessed impact of Government's announcement to lift the lockdown restrictions and Company's plan to re-open hotels in a phased manner. 2. Assessed disclosures made in the consolidated financial statements with regard to the above. Refer to Note 47 to the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information etc., but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information compare with financial statements of subsidiaries audited by other auditors, to the extent it relates to these entities and, in doing so place reliance on the work of other auditor and, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Independent Auditor's Report (contd.)

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

That respective Board of Directors of the companies included in the are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

Independent Auditor's Report (contd.)

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets of Rs. 53,635.12 Lakhs and net assets of Rs 8,525.15 Lakhs as at March 31, 2022 total revenues of Rs. 4,050.59 Lakhs and net cash inflow amounting to Rs.19.44 Lakhs for the year ended on that date, as considered in these consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Financial Statements, in so far it relates to the amounts and disclosures included in respect of these subsidiaries and our report on the consolidated financial statements, to the extent they have been derived from such financial statements is based solely on reports of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of other auditors and financial statements certified by the management.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **ASIAN HOTELS (EAST) LIMITED** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") as on 31st March 2022 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Board of Directors of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference

Independent Auditor's Report (contd.)

to financial statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the holding Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to three subsidiaries, which are companies incorporated in India, is based on the corresponding reports of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

Consolidated Notes to the Financial Statements

as at and for the year ended March 31, 2022

1. Summary of significant accounting policies and other explanatory information

1.1 Group overview

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through "Hyatt Regency Kolkata" a five-star Hotel situated in the city of Kolkata.

1.2. Basis of preparation of financial statement

These consolidated financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

Statement of Compliance :

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), as applicable to the Consolidated Financial Statement.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The consolidated financial statements relate to Asian Hotels (East) Limited and its subsidiaries (collectively referred as "the Group") as per details given below:

Name of the Company	Country of Incorporation	% of Holding as on 31st March 2022
GJS Hotels Limited	India	100%
Regency Convention Centre & Hotels Limited	India	100%
Robust Hotels Private Limited	India	100%

The Group is primarily engaged in the business of Hotels, Restaurants & providing Hospitality services.

The consolidated financial statements of the Group for the year ended 31 March 2022 were approved for issue in accordance with the resolution of the Board of Directors on 30 May 2022.

Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below-

- (i) Ind AS 16 – Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022.
- (ii) Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted.
- (iii) Ind AS 103 – Reference to Conceptual Framework -The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and

liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103.

- (iv) Ind AS 109 – Annual Improvements to Ind AS (2021)-The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability.
- (v) Ind AS 116 – Annual Improvements to Ind AS (2021)-The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration.

1.3 Functional & Presentation Currency

These Financial statements are presented in Indian Rupees (INR in lakhs) which is also the company's functional currency.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.5 Significant Accounting Policies

a. Property Plant & Equipment:

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase. .

Intangibles

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and its cost can be measured reliably. Intangible assets are amortised on straight line basis over their estimated useful lives.

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase.

b. Investments in Subsidiaries

Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has rights to,

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The Company's investment in the equity shares of its subsidiaries are recognised at cost. The company has elected to apply previous GAAP carrying amount of its equity investment in subsidiaries as deemed cost as on the date of transition to Ind AS. However, the debt instruments in subsidiaries are recognized at fair value.

c. Inventories

Inventories are measured at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion & selling expenses.

d. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

e. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financials Asset

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (i) Financial Asset at amortized cost
- (ii) Financial Asset At Fair Value through other comprehensive income (OCI)
- (iii) Financial Asset at Fair value through profit and loss (PL)

Financial Asset at amortized cost

A 'Financial Asset' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss.

Financial Asset at Fair value through OCI

A 'Financial Asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial Asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial Asset at fair value through profit or loss

FVTPL is a residual category for Financial Assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a Financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable if the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

Derecognition of Financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets that are debt instruments and are measured as at FVTOCI.
- c) Lease receivables under Ind AS 17.
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables')
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. For financial liabilities maturing within one year from the balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

Subsequent Measurement

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

Financial Liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

f. Cash and Cash Equivalents

Cash and Cash Equivalent in balance sheet comprise cash at banks and on hand, unpaid dividend, money margin deposit, fixed deposits and short - term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

g. Trade Payables & Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

h. Provisions, Contingent liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is disclosed in case of;

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible ;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The normal credit term is 30 days upon delivery. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

Sale of Services:

The Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering room booking and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price.

j. Other Income

Other income is comprised primarily of interest income, dividend income, gain on sale of investments and exchange gain/loss on translation of assets and liabilities. For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recognised using the effective interest rate (EIR). Dividend income is recognised when right to receive payment is established.

k. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Income taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

m. Earnings per share

Basic Earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of equity shares to the extent that they are entitled to participate in dividends relative to a fully paid equity shares during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

n. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2014, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing cost. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

o. Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

p. Employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Gratuity & Leave Encashment (Unfunded): Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

q. Foreign Currencies

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

r. Dividend

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

- s. **Impairment of non-current assets** - Ind AS 36 requires that the Company assesses conditions that could cause an asset or a Cash Generating Unit (CGU) to become impaired and to test recoverability of potentially impaired assets. These conditions include internal and external factors such as the Company's market capitalization, significant changes in the Company's planned use of the assets or a significant adverse change in the expected prices, sales volumes or raw material cost. The identification of CGUs involves judgment, including assessment of where active markets exist, and the level of interdependency of cash inflows. CGU is usually the individual plant, unless the asset or asset group is an integral part of a value chain where no independent prices for the intermediate products exist, a group of plants is combined and managed to serve a common market, or where circumstances otherwise indicate significant interdependencies.

In accordance with Ind AS 36, goodwill and certain intangible assets are reviewed at least annually for impairment. If a loss in value is indicated, the recoverable amount is estimated as the higher of the CGU's fair value less cost to sell, or its value in use. Directly observable market prices rarely exist for the Company's assets, however, fair value may be estimated based on recent transactions on comparable assets, internal models used by the Company for transactions involving the same type of assets or other relevant information. Calculation of value in use is a discounted cash flow calculation based on continued use of the assets in its present condition, excluding potential exploitation of improvement or expansion potential.

Determination of the recoverable amount involves management estimates on highly uncertain matters, such as commodity prices and their impact on markets and prices for upgraded products, development in demand, inflation, operating expenses and tax and legal systems. The Company uses internal business plans, quoted market prices and the Company's best estimate of commodity prices, currency rates, discount rates and other relevant information. A detailed forecast is developed over the period of three years with projections thereafter. The Company does not include a general growth factor to volumes or cash flows for the purpose of impairment tests, however, cash flows are generally increased by expected inflation and market recovery towards previously observed volumes.

t. New Standards / Amendments to Existing Standard issued and adopted by the Company are disclosed below:

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Rounding Off: For the purpose of rounding off the figures appearing in the Financial Statements for financial year ending 31.03.2022 the total income of the Company shall be considered instead of Turnover.

Additional Disclosure in Notes to Balance Sheet:

Shareholding of Promoter: The note on Share Capital in the Financial Statements shall mention details of the Shareholding of the Promotes along with changes, if any, during the Financial Year.

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Current maturities of Long-term borrowings shall be disclosed separately under the heading Short Term Borrowing.
- Security Deposits to be shown under the head of Other Non-Current Assets instead of Long term Loan & Advances.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specific disclosure for title deeds of Immovable Property not held in name of the Company and disclosure on revaluation of Assets
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific Disclosure Borrowing & Wilful Defaulter.

Additional Disclosure in Notes to Profit & Loss Account:

Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the consolidated financial statements.

The amendments listed above did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

u. Principles of Consolidation

The Consolidated Financial Statements have been prepared in accordance with Ind AS 110 – "Consolidated Financial Statements".

The consolidated financial statements comprise the financial statements of the Group and its subsidiaries. Control is achieved when the Group has:

- Power over the investee;
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its return.

The Parent Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Parent Company gains control until the date the Parent Company ceases to control the subsidiary.

The consolidated financial statements have been prepared on accrual and going concern basis. They are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

v. Consolidation procedure

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The consolidated financial statements of the Group have been prepared based on a line-by-line consolidation by adding together the book value of like items of assets and liabilities, revenue and expenses as per the respective financial statements. Intra group balances and intra group transactions have been eliminated.

Offset (eliminate) the carrying amount of the Parent Company's investment in each subsidiary and the Parent's portion of equity of each subsidiary.

Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intra group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intra group transactions.

The translation of financial statements of the foreign subsidiaries from the local currency to the functional currency of the Parent is performed for the Balance Sheet items using the exchange rate in effect at the Balance Sheet date and for revenue, expenses items using a weighted average exchange rate for the respective periods and the resulting difference is presented as foreign currency translation reserve included in "Other Equity".

The financial statements of the subsidiaries have been incorporated in the consolidated financial statements of the Group based on audited financial statements as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') and have been audited by other auditors duly qualified to act as auditors in those countries and the conversion adjustments prepared by the management.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

Goodwill arising in Consolidated Financial Statements on consolidation of Financial Statements of the Company and its subsidiary companies have been capitalised to the extent not impaired in the books of the Company. The Company has elected to measure the value of goodwill at previous IGAAP value as on the transition date.

2. Key Accounting Estimates & Judgements

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimate uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

Deferred tax assets are recognized for unused tax losses/MAT carry forward to the extent it is possible that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies including amount expected to be paid / recovered for uncertain tax positions.

b. Property, Plant and Equipment and Useful Life of PPE and Intangible Assets

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the products or service output of the asset.

c. Defined Benefit Plans

Post-employment benefits represents obligation that will be settled in future and require assumptions to project benefit obligations. Post-employment benefit accounting is intended to reflect the recognition of future benefit cost over the employee's approximate service period, based on the terms of plans and the investment and funding decisions made. The accounting requires the Company to make assumptions regarding variables such as discount rate, rate of return, etc. as at and for the year ended March 31, 2019.

d. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

e. Provisions and Contingencies

Legal proceedings covering a range of matters are pending against the Company. Due to the uncertainty inherent in such matters, it is often difficult to predict the final outcomes. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business. The Company consults with legal counsel and certain other experts on matters related to litigations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

General Reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General Reserve is created by a transfer from one component of equity to another and is not an item of Other Comprehensive Income.

c. Retained earnings

Amount of retained earnings represents accumulated profit and losses of the Company as on reporting date. Such profits and losses are after adjustment of payment of dividend, transfer to any reserves as statutorily required and adjustment for realised gain/loss on derecognition of equity instruments measured at FVTOCI. Reameasurement of defined benefit is also adjusted.

d. Capital Redemption Reserve represents redemption of 1% cumulative Redeemable non-convertible preference shares transferred to the company pursuant to the scheme of Arrangement & Demerger approved by the Hon'ble High Court of Delhi vide order dated 13-01-2010.

e. FVTOCI reserve has arisen out of measuring equity instruments through Other Comprehensive Income (OCI).

Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of Financial Instruments that are measured at fair value and amortised cost and for which fair values are disclosed in financial statements. To provide an indication about reliability of the inputs used in determining the fair values, the group has classified its financial instruments into the three levels prescribed under accounting standards. An explanation of each level follows underneath the table:

30. FINANCIAL RISK MANAGEMENT

Financial risk factors

The Group's activities expose it to a variety of financial risks : market risk, liquidity risk and credit risk.

Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates and equity prices will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a) Foreign Currency risk

The Group is exposed to foreign exchange risk through its purchases from overseas suppliers and payment for services availed in various foreign currencies. The Group pays off its foreign exchange exposure within a short period of time, thereby mitigates the risk of material changes in exchange rate on foreign currency exposure.

The following table analyses foreign currency risk from financial instruments as of 31st March 2022 and 31st March 2021.

Rs in lakhs

	31st March 2022	31st March 2021
Particulars		
Trade payables (USD Converted to INR)	1,180.45	1,187.67

For the year ended 31st March 2022 and 31st March 2021, the effect of every percentage point depreciation/appreciation in the exchange rate between the Indian rupee and U.S. dollar on profit before tax is as under:

	Change in USD rate	Effect on profit before tax	
		31st March 2022	31st March 2021
Appreciation in exchange rate	1%	(11.80)	(11.88)
Depreciation on exchange rate	-1%	11.80	11.88

b) Other Market Price Risks

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the balance sheet as fair value through Other Comprehensive Income and Fair value through profit/loss. If the equity prices of quoted investments are 1% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2022 would increase/ decrease by Rs 12.28 lakhs (for the year ended March 31, 2021: increase/ decrease by Rs 11.82 lakhs) and profit or loss for the year ended March 31, 2022 would increase/ decrease by Rs 79.15 lakhs (for the year ended March 31, 2021: increase/ decrease by Rs 83.56 lakhs)

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting its obligations associated with its financial liabilities.

The Group's principle source of liquidity are cash and cash equivalent, cash flows from operations and investment in mutual funds. The Group believes that working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

The table below provides details regarding the contractual maturities of financial liabilities as of March 31, 2022:

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

The table below provides details regarding the contractual maturities of financial liabilities as of March 31, 2021: *Rs in lakhs*

Particulars	Less than 1 year	1-2 years	2-5 years	More than 5 years	Total
Borrowings	2,379.53	2,218.47	7,330.50	625.50	12,554.01
Trade payables	1,025.73	-	-	-	1,025.73
Other financial liabilities	2,193.00	18.72	-	-	2,211.72

Credit Risk

Credit risk is the risk that counter party will not meet its obligation under a financial instrument leading to a financial loss. The Group is exposed to credit risk from investments, trade receivables, cash and cash equivalents, loans and other financial assets.

The Group's credit risk is minimised as the Group's financial assets are carefully allocated to counter parties reflecting the credit worthiness.

The maximum exposure of financial asset to credit risk are as follows :

Rs in lakhs

Particulars	31st March 2022	31st March 2021
Investments	9,143.41	9,538.10
Trade receivables	1,166.15	768.92
Cash & cash equivalents	160.36	263.37
Loans	1.54	7.56
Other financial assets	318.01	358.53

Credit risk on cash and cash equivalent is limited as the Group generally invest in deposits with nationalised banks. Investments primarily include investments in liquid mutual fund units, fixed maturity plans, short term fund, quoted bonds and equity shares.

Risk towards Global Pandemic COVID-19

Financial instruments carried at fair value as at March 31, 2022 is Rs 11,652.12 lakhs and financial instruments carried at amortised cost as at March 31, 2022 is Rs 2,508.75 lakhs. A significant part of the financial assets are classified as Level 1 having fair value of Rs 8,877.85 lakhs as at March 31, 2022. The fair value of these assets is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the Group are mainly investments in equity shares of listed entities wherein the uncertainties arising out of COVID-19 has already been factored by the stock market as at March 31, 2022 and liquid debt securities wherein no material volatility is expected.

Trade receivables of Rs 1,166.15 lakhs as at March 31, 2022 forms a significant part of the financial assets carried at amortised cost. The Debtors do not have any concentrated risk and the Group does expect to recover these outstanding in due course. Further, adequate credit loss provision has been created based on the policy of the Group. The Group has specifically evaluated the potential impact with respect to customers in Airline and Travel Agents segments which could have an immediate impact though the outstanding is not significant. Further, we expect that there could be some delay in payments from debtors, over and above the credit cycle. Basis our internal assessment and the stringent provisioning policy of the Group, the management assessment for the allowance for doubtful trade receivables of Rs 28.60 lakhs as at March 31, 2022 is considered adequate.

31. CAPITAL MANAGEMENT

For the purpose of managing capital, Capital includes issued equity share capital and reserves attributable to the equity holders.

The objective of the company's capital management are to:

- Safeguard their ability to continue as going concern so that they can continue to provide benefits to their shareholders.
- Maximisation the wealth of the shareholder.
- Maintain optimum capital structure to reduce the cost of the capital.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and requirement of financial covenants. In order to maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, loans and borrowings, less cash and cash equivalents.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

Gearing Ratio is as follows :

Rs in lakhs

Total net debt and equity	82,735.66	82,884.52
Gearing Ratio	17.00%	12.60%

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2022 and 31 March 2021.

39. Employment benefits

The Group has classified the various benefits provided to employees as under:-

- a) Defined contribution plans
 - i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:

(Rs in lakhs)

Particulars	31st March 2022	31st March 2021
Employer's Contribution to Provident Fund	116.59	77.56
Employer's Contribution to Pension Scheme	27.88	34.16

- b) Defined benefit plans
 - i. Contribution to post-retirement Gratuity fund
 - ii. Compensated absences Earned leave

In accordance with Indian Accounting Standard 19, Employee Benefits, actuarial valuation was done in respect of the aforesaid defined plans based on the following assumptions:-

Economic Assumptions

The discount rate and salary increases assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 7.18 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Group's philosophy towards employee remuneration are also to be taken into account. Again, a long- term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

Discount rate (p.a.)	1	7.18 %	6.80 %
Salary Escalation Rate (p.a.)	2	6.00 %	6.00 %

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.
- The gratuity plan and earned leave is unfunded.

Demographic assumptions:

- Retirement age : 58 years
- Mortality rate : Published rates under Indian Assured Lives Mortality (IALM) Ultimate table

Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow :-

- Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Consolidated Notes to the Financial Statements (contd.)

as at and for the year ended March 31, 2022

45. Status of ongoing Scheme of Arrangement:

The Scheme of Arrangement, Demerger and Reduction of capital filed by the Company and its wholly-owned subsidiary Robust Hotels Private Limited, Chennai (Robust) have been sanctioned by the Hon'ble NCLT Chennai Bench and NCLT Kolkata Bench vide orders dated 13th October, 2021 and 20th December, 2021 respectively. The said Scheme will be effective on filing the same with the respective Registrar of Companies, which is under process and the effect of the scheme is expected to be given in the current financial year 2022-23 upon its filing and thereupon Robust will cease to exist as a wholly-owned subsidiary of the Company.

46. Pursuant to the provisions of Section 124 & 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (the Rules), Rs. 7.34 lakhs and 23,261 shares have been transferred to the IEPF for the dividend declared in the financial year ended 2013-14 and the respective shares whose dividend remained unpaid or unclaimed for seven consecutive years. Further, Rs 0.12 lakhs of F.Y 2013-14 and its 4,130 shares of F.Y 2013-14 being restrained shares could not be transferred to the IEPF pursuant to Rule 6(3)(b) of the Rules, the due date of transfer of which was September 04, 2021.

47. The Company has significant strategic investments in the equity shares of Asian Hotels (West) Limited (AHWL). The market price of shares of AHWL has fallen considerably since the sudden closure of Hyatt Regency Mumbai Hotel effective from 7th June 2021 by its management. The Company expects a further substantial fall in the market value of shares till AHWL resumes its operations. The Company has filed Oppression & Mismanagement petitions under section 241-242 & 244 of the Companies Act, 2013 with the NCLT Principal Bench, New Delhi in order to protect its interest. Yes Bank Limited has also initiated CIRP resolution under section 7 of IBC, 2016 against AHWL. The Company has taken necessary steps in this regard to protect its interest.

48. Impact of COVID-19

The business has been impacted during the year on account of COVID-19. During the first three months of the year, the Company witnessed softer revenues due to the second wave of COVID-19 and consequent lockdowns in several states across the country. Also, there was a third wave in the month of January 2022, resulting in restrictions in some states, which also adversely impacted the revenues. However, with increased vaccinations and consequent reduction in number of cases and easing of all restrictions, the Company has witnessed recovery in both leisure and business segments in all the other months. The Company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of COVID-19 may be different from that estimated as at the date of approval of the financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has adequate funds at its disposal for the next 12 months to prevent any disruption of the operating cash flows and to enable the Company meet its debts and obligations as they fall due. Accordingly, the financial statements of the Company have been prepared on a going concern basis.

49. Outstanding balances of Trade Receivables and Trade Payables are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The Management, however, is of the view that there will be no material discrepancies in this regard.

50. Notes on number of Layer company
