Dear Sir,

Pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 Signet industries Limited is happy to inform the successful expansion in its production capacity. The expanded capacities have now stabilized and are running smoothly.

The enhancement in the capacity has been implemented both in the infrastructure and as well as Irrigation lines. Irrigation capacity is increased by 35% where as capacity for production of HDPE high pressure pipeline was increased by close to 100 percent. The expanded technologies are "top of the line" and world class.

These additional capacities will speed up the delivery schedules of the current order book and aid in building up larger order books due to delivery visibility.

This is for the information of the Exchanges.

Thanking You.

Your Faithfully,
For Signet industries Limited

Preeti Singh
Company Secretary
