CHARTERED ACCOUNTANTS

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3.Going Concern

As stated in note no 6 of the statement, the Company has recorded accumulated losses of Rs. 2562.52 lakhs as at 30th June 2019, resulting in completed erosion of net worth and current liabilities exceed current assets by Rs.2428.20 Lakhs. Further there were lower cash inflows from existing business activities and the Company has defaulted in payment of dues to banks/ Financial Institutions and could not comply with the terms of sanction and /or repayment schedule of the lending institutions and banks. Banks have issued notices under *SARFAESI Act and* due to financial constraints' material uncertainty exists about the company's ability to continue as going concern and the decision of the management of the company to prepare the accounts of the company on going concern basis. This assessment of uncertainty is based on Resolution plan submitted to the Banks by company and interest shown by the Banks.

4.Basis of Qualified Conclusion

i) As stated in Note no 5 of the statement, the company has accounted an amount of Rs.86.61 Lakhs with regard to profit on sale of asset for which the sale deed was executed in the year 2018- 19 and now recorded in books of accounts in April 2019.

Due to this, loss for the quarter and year ended 31st March 2019 was overstated and fixed assets were overstated to this extent.

Due to the above loss for the quarter ended 30th June 2019, was understated by Rs.86.61Lakhs.

ii). As stated in note no 7 of the statement, regarding non-provisioning of interest on working capital loans and term loans with SBI, Andhra bank to the extent of Rs. 1283.51 lakhs (approx.) up to 31st March 2019 and Rs.173.34 lakhs for the Quarter ending30th June 2019.

iii). The company has not made any interest provision for the unpaid statutory dues. We are unable to comment upon possible impact on the Unaudited Financial Results for the Quarter ended 30thJune, 2019 and on accumulated losses.

5.Qualified Conclusion

Based on our review conducted as above, except in "Basis of Qualified conclusion" paragraph mentioned in para 4, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards (Ind AS) and other recognized accounting principles and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
