Limited review report on unaudited quarterly standalone financial results and unaudited standalone year-to-date results of PVR Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of **PVR Limited**

- 1. We have reviewed the accompanying Statement of unaudited standalone financial results of PVR Limited ("the Company") for the quarter ended 30 September 2021 and year to date results for the period from 01 April 2021 to 30 September 2021 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to Note 2 to the unaudited standalone financial results, which describes the economic and social disruptions as a result of COVID-19 pandemic on the Company's operations and financial results as assessed by the management.

Our conclusion is not modified in respect of this matter.

Notes to the Statement of unaudited standalone financial results for the quarter and six months ended September 30, 2021:-

- 1 The above statement of unaudited standalone financial results for the quarter and six months ended September 30, 2021 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on October 22, 2021. The Statutory Auditors of PVR Limited ("the Company") have carried out limited review of the above unaudited standalone financial results pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended and have issued an unmodified review report.
- 2 The Q2 FY'22 results continue to be impacted on account of COVID-19. Various state governments across the country started to give permissions to open cinemas from July'21 onwards with varying levels of capacity restrictions & social distancing norms. During the quarter, we re-opened our Cinema circuit in most states where we were allowed to re-open except for key states of Maharashtra, Kerala, Assam and the Union Territory of Jammu and Kashmir which continued to remain shut as on September 30, 2021 due to respective state government orders.

As on date, Government order to reopen cinemas in all the above states has been received and cinemas in these states are expected to open shortly.

We continued with our strategy on keeping the monthly cash burn rate low through various cost-saving initiatives and keeping adequate liquidity on our balance sheet.

We assessed the likely impact of the pandemic on our business and we believe it is not likely to impact the recoverability of the carrying value of our assets. We believe that the pandemic may adversely impact the business in the short term, but the long-term drivers of our business are intact and we do not anticipate any material medium to long term risks to the business.

3 Consequent to spurt of Second wave of COVID-19, we initiated discussions with our landlords for complete waiver of Rental and Common Area Maintenance (CAM) charges during the lockdown period as announced by various state governments or regulatory bodies. While we have been successful in getting relief from most landlords, in some cases discussion are still under progress. We have recognised these concessions/ rebates in accordance with applicable accounting standard and MCA notification as and when these negotiations are concluded

During the quarter and six months ended September 30, 2021 and quarter ended June 30, 2021 total rent concessions accounted for amounted to Rs 13,229 Lakhs, Rs 16,053 Lakhs and Rs 2,824 Lakhs respectively. Out of this Rs 13,209 Lakhs, Rs 15, 268 Lakhs and Rs 2,059 Lakhs is recognised in "Other income" after adjusting the rent expense of Rs. 20 Lakhs, Rs 785 Lakhs and Rs 765 Lakhs for the quarter and six months ended September 30, 2021 and quarter ended June 30, 2021 respectively.

- 2 The above statement of unaudited consolidated financial results for the quarter and six months ended September 30, 2021 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on October 22, 2021. The Statutory Auditors of PVR Limited ("the Company") have carried out limited review of the above unaudited consolidated financial results pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended and have issued an unmodified review report.
- 3 The Q2 FY'22 results continue to be impacted on account of COVID-19. Various state governments across the country started to give permissions to open cinemas from July'21 onwards with varying levels of capacity restrictions & social distancing norms. During the quarter, we re-opened our Cinema circuit in most states where we were allowed to re-open except for key states of Maharashtra, Kerala, Assam and the Union Territory of Jammu and Kashmir which continued to remain shut as on September 30, 2021 due to respective state government orders.

As on date, Government order to reopen cinemas in all the above states has been received and cinemas in these states are expected to open shortly.

We continued with our strategy on keeping the monthly cash burn rate low through various cost-saving initiatives and keeping adequate liquidity on our balance sheet.

We assessed the likely impact of the pandemic on our business and we believe it is not likely to impact the recoverability of the carrying value of our assets. We believe that the pandemic may adversely impact the business in the short term, but the long-term drivers of our business are intact and we do not anticipate any material medium to long term risks to the business.

4 Consequent to spurt of Second wave of COVID-19, we initiated discussions with our landlords for complete waiver of Rental and Common Area Maintenance (CAM) charges during the lockdown period as announced by various state governments or regulatory bodies. While we have been successful in getting relief from most landlords, in some cases discussion are still under progress. We have recognised these concessions/ rebates in accordance with applicable accounting standard and MCA notification as and when these negotiations are concluded.

During the quarter and six months ended September 30, 2021 and quarter ended June 30, 2021 total rent concessions accounted for amounted to Rs 13,340 Lakhs, Rs 16,276 Lakhs and Rs 2,936 Lakhs respectively. Out of this Rs 13,318 Lakhs, Rs 15,486 Lakhs and Rs. 2,168 Lakhs is recognised in "Other income" after adjusting the rent expense of Rs. 22 Lakhs, Rs 790 Lakhs and Rs 768 Lakhs for the quarter and six months ended September 30, 2021 and quarter ended June 30, 2021 respectively.
