Dear Sir,

Subject: Loss of share certificates. Request to dematerialize the shares.

I am a NRI and US citizen living in the United States in the address shown above and I am an ITC share holder. I own 10,350 shares of ITC with the following details. The shares were purchased many years ago. In order to dematerialize the shares, Stock Holding Corporation of India which is the Depository Participant had sent the certificates to you, and you sent it back for removing objections. The depository participant had mailed me the share certificates but it got lost on the way and I never received it. I am unable to track it as the tracker does not show beyond Indian borders. The whereabouts of the share certificates are unknown. Ten months have passed since then.

As per your request I am hereby attaching my self-attested copy of PAN card and utility bill for address proof.

Kindly do the needful to dematerialize the shares and let me know the next course of action.

My name on the share certificates: R.Ramakrishnan
