Dear Sirs,

**Subject: Clarification /Confirmation on news item appearing in "Media/Publication"**  
**Ref: Your emails dated 25<sup>th</sup> July, 2022**

With reference to the above, we humbly submit our reply / clarification point wise, as under:

- a. The installed capacity of the Process House at Ahmedabad was 1 lakh meter per day, i.e., 3 million meters per month, since inception. However, the installed capacity could never be fully utilized due to variety of factors, which the company is now trying to achieve by exploring new markets, both domestic and overseas.
- b. As stated above, the company, in the ordinary course of its business, is running its Process House at Ahmedabad, which does not warrant any disclosures under Regulation 30 of SEBI (LODR) Regulations, 2015.
- c. There is absolutely no impact of this news item/article on the company.

We further put on record that the Company is committed to all the compliances under the provisions of SEBI (LODR) Regulations, 2015, including Regulation 30 and we shall keep the Exchange(s) informed of all the material developments, as and when it happens.

Thanking you,

Yours faithfully,

For Swan Energy Limited
