Dear Sir,

SSWL has bagged firm exports orders for over 25,000 wheels for EU Caravan Trailer & US Mobile Home Market to be executed within July from its Chennai plant. This marks gradual re-start of operations in EU & US post COVID lockdown. Additional orders are expected in coming weeks from several other regular customers as the market begins to recover.

SSWL expects to have 5% YOY growth in June 2020 in its Exports numbers from Chennai plant.

Kindly take the same on your records for reference.

Thanking you.
