General Instructions

- a. Since the Company is required to provide members the facility to cast their vote by electronic means, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st Sept, 2021 and not casting their vote electronically, may only cast their vote at the Annual General Meeting.

- b. Mrs. Ansu Thomas, Partner, M/s. DVM Associates, LLP Practicing Company Secretaries has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner
- c. The Scrutinizer shall, within a period of not exceeding three working days from the conclusion of the e-voting period, unlock the votes in the presence of at least two witnesses, not in the employment of the Company and make a Scrutinizer’s Report of the votes cast in favour of or against, if any, forthwith to the Chairman of the Company.
- d. The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on 21st Sept, 2021
- e. The results declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.gtnindustries.com and on the website of NSDL within two days of the passing of the resolutions at the 59th Annual General Meeting of the Company on 28th Sept, 2021 and communicated to the BSE Ltd.

All documents referred to in the accompanying Notice and the Statement pursuant to Section 102(1) of the Companies Act, 2013 will be available for inspection at the Registered Office of the Company during business hours on all working days up to the date of declaration of the result of the 59th Annual General Meeting of the Company.

Other Instructions

1. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast during the AGM, thereafter unblock the votes cast through remote e-voting and make, not later than 48 hours of conclusion of the AGM, a consolidated Scrutinizer’s Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.
2. The result declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.gtnindustries.com and on the website of NSDL <https://www.evoting.nsdl.com> immediately. The

GTN INDUSTRIES LIMITED**NOTICE (Contd.,)**

Company shall simultaneously forward the results to BSE Limited(BSE), where the shares of the Company are listed.

3. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM but shall not be entitled to cast their vote again

EXPLANATORY STATEMENT URSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**Item No.3**

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records And Audit) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified/approved by the shareholders of the Company at the General Meeting.

Place : Hyderabad
Date : 29-06-2021

The Board, on the recommendation of the Audit Committee and subject to the rules to be notified by the Ministry of Corporate Affairs in this regard, has approved the appointment of M/s.NSV Krishna Rao & Co., Cost Accountants, as Cost Auditor to conduct the audit of the cost records of the Company at a remuneration of Rs.1.00 lacs p.a. BOARDS' REPORT (Contd.)

ANNEXURE – II

**Form MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021**

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the
Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To
The Members,
GTN Industries Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GTN Industries Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021, complied with the statutory provisions listed hereunder and also the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations & Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I have also examined compliance with the applicable clauses/regulations of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with BSE Limited & National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

- a. As per the information and explanations provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we report that the provisions of the Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under to the extent of :

GTN INDUSTRIES LIMITED**BOARDS' REPORT (Contd.,)**

- (i) External Commercial Borrowings were not attracted to the Company under the financial year under report;
- (ii) Foreign Direct Investment (FDI) were not attracted to the company under the financial year under report;
- (iii) Overseas Direct Investment by Residents in Joint Venture / Wholly Owned Subsidiary abroad were not attracted to the company under the financial year under report.

b. As per the information and explanations provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, we report that the Company has not made any GDRs/ ADRs or any Commercial Instrument under the financial year under report.

further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions of the Board are carried through unanimously. As per the records provided by the Company, none of the members of the Board dissented on any resolution passed at the Meetings of the Board and any of its committees.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

GTN INDUSTRIES LIMITED

MANAGEMENT DISCUSSION & ANALYSIS**1. INDUSTRY STRUCTURE & DEVELOPMENTS:**

The Textile Industry is one of the oldest industry in the country and plays a pivotal role in the country's economy in terms of Industrial Production, Employment and foreign exchange earnings. The Textile Industry has achieved a good growth in last two decades in terms of installed spindles and yarn production and India's installed spindles were expanded to 50.00 million at the end of March, 2021 and much capacity not added during the year 2020-21. Second largest yarn production capacity in the world next to China. This could happen due to buoyant domestic and international demand, conducive Government Policies. Indian Textile sector contributes to over 2% to the country's Gross Domestic Product (GDP), accounting for 7% of Industrial Production, over 15% to the country's export and also employs about 4.5 crores workers directly. In addition, this industry provides indirect employment to large number of workforce and also helps to develop many related ancillaries which generates further employment. It is the second largest employment provider after the agricultural sector.

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. Cotton production is expected to reach 36.0 million bales and consumption is expected to reach 114 million bales in FY21-13% growth over the previous year.

Defence Research and Development Organisation (DRDO) is helping the Indian textile industry to produce yarns and eliminate dependence on import of Chinese and other foreign clothing for military uniforms. Indian defense sector has expressed support towards the Indian technical textile sector.

On September 2, 2020, the Union Cabinet approved signing an MOU between textile committee, India and M/s. Nissenken Quality Evaluation Centre, Japan, for improving quality and testing Indian textiles and clothing for the Japanese market. This India-Japan pact on cooperation in textiles will facilitate Indian exporters to meet the requirements of Japanese importers as per the latter's technical regulations.

Under Union Budget 2020-21, a National Technical Textiles Mission is proposed for a period from 2020-21 to 2023-24 at an estimated outlay of Rs. 1,480 crore (US\$ 211.76 million). In 2020, New Textiles Policy 2020 is expected to be released by the Ministry of Textiles.

The Directorate General of Foreign Trade (DGFT) has revised rates for incentives under the Merchandise Exports from India Scheme (MEIS) for two subsectors of Textiles Industry - readymade garments and made-ups - from 2% to 4%.

It is hoped that textile industry may perform better after arrival of new cotton crop in Oct-Nov 2021 since it is expected that cotton crop is likely to be stable and prices are forecasted to be relatively stable, as well as realization on exports due to stable Government. These are favourable indicators for the reasonable growth of textile industry in the country.

IMPACT OF COVID-19 ON THE INDIAN TEXTILE INDUSTRY

In the face of the unprecedented Covid-19 pandemic, declared as a global pandemic by the World Health Organization, has globally infected more than a million people and taken several lives. In addition to immense human grief, the virus is taking its toll on the global economy. The outbreak has affected the textile & apparel industry globally as well as in India. The spread of the virus is having serious implications and companies have started feeling the impact because of supply chain disruptions, declining exports and uncertainty in orders.

With the increasing spread of coronavirus in US & EU, the two major markets for apparel globally, there has been a significant reduction in demand. A growing number of retailers across the globe have announced temporary closure of their brick and mortar stores in an effort to prevent the spread of coronavirus. A large number of buyers have cancelled their running orders and frozen future buying as well. In US, fashion and specialty apparel stores have already seen a decline of 10% in sales in feb-march since the onset of the virus. Buyers typically start shipping in goods for the holiday season from Asia as early as in June. However, with the emerging health crisis and a period of uncertainty ahead, the COVID-19-induced economic slowdown could end up hitting the holiday sales, when many retailers make the bulk of their profits. The EU textile and apparel industry is also expecting more than 50% drop in sales and production this year. With uncertainty on the extent of duration of this virus, there is expected to be a prolonged impact on global apparel demand in the near future.

The nationwide shutdown for three weeks has brought India's textile & apparel industry to a standstill. The outbreak of coronavirus in China had disrupted the supply chain and Indian apparel manufacturers faced a shortage in supply of synthetic fabric and accessories. But after coronavirus moved to Europe and USA,

MANAGEMENT DISCUSSION & ANALYSIS (Contd.,)

production started slowing down. With retail stores in these markets temporarily closing down, brands started putting their orders on hold or cancelled them. The textile industry has been hit hard with brands holding payments and cancelling all the orders. With India under lockdown the domestic market has also come under complete halt and now facing an uncertain future. It is expected that this disruption is expected to reduce market demand by around 15-20% resulting in large scale loss in production and jobs.

The Government of India has announced a special economic package viz. Aatma Nirbhar Bharat Abhiyaan for boosting economy of the country and making India self-reliant. Relief and credit support measures have been announced for various sectors to revive their businesses which have suffered due to lock down necessitated by Covid-19 pandemic

COTTON SCENARIO:**Note on Indian Cotton Scenario for Season Ending 2020-21 & New Cotton Season 2021-22**

A recent report by ICAL estimated Indian Cotton Crop for 2020-21 at 343 lakh bales whereas CAI has put the figure at 357 lakh bales. Whatever the final figure might be, the pinch is being felt by the industry for sure.

The CCI is holding major quantity of cotton but with hardly any choice for quality. The left over stock with CCI is hardly a month's consumption with lot of inferior quality cotton. Majority of average to good quality cotton is now with traders who had bought it from CCI.

The cotton prices have increased by almost Rs.5000/- per candy in the last 1 month due to increasing demand from mills and exporters. The yarn prices have also been supportive prompting mills to buy and stock cotton.

Another factor is that new cotton is not expected before mid-September and carry over stock is very less. Available quantities are all of CCI cotton either with CCI or private traders/MNCs (like LD/OLAM). Cotton prices have slowed down a bit owing to timely monsoon rains & sowing, dip in NY futures followed by slight reduction in prices by CCI. But in the long run until the new cotton arrives, prices are expected to remain firm only.

Export of Indian Cotton has been pegged at 65-70 lakh bales of which 58 lakh bales have already been shipped out.

Monsoon rains have been favorable so far and very much within time enabling farmers to complete the sowing. There have been mixed reports with regard to sowing area as some sources say the area under cotton will increase whereas some say it may remain the same. On the positive side, if everything goes well along with timely rains and sunshine, we can expect a crop size of around 370-375 lakh bales.

The Central Govt. has increased the MSP for cotton by Rs.200/- per quintal taking it to Rs.6025/- per quintal. With the current prices of cotton seed and cotton bales and the bullish sentiment with very good demand for cotton yarn, the trade expects cotton prices to remain firm in the range of Rs.45,000/- per candy to Rs.48,000/- per candy.

If above predictions remain good, then it is expected that private ginners will be in the market and not CCI.

MARKETING :

With the lockdowns imposed by any governments the domestic demand has been severely dented, especially the knitting sector which has led to reduced demand for cotton yarn.

However while the exports markets have recently opened up, there is increased activity which has acted as savour for the loss in local demand. With vaccination process being accelerated lead with reduced covid positivity, things will be better in the coming days.

2. OPPORTUNITIES AND THREATS:

The future of Indian Textile industry is highly depending on availability of raw material at a competitive price. With the introduction of Hybrids and BT Cotton, the cotton production in India is increasing however, depends on timing and quantum of monsoon rains and it is expected that the supply of quality cotton will be comfortable in the coming season for 2021-2022.

Chinese exports of Textiles and clothing are declining especially to USA due to devaluation of currency, thus, provides an opportunity to India for improving its export performance. In long run, the prospectus of Indian Textile Industry is likely to be bright. However, there is a recession in international markets such as Europe and other Asian countries.

GTN INDUSTRIES LIMITED**MANAGEMENT DISCUSSION & ANALYSIS (Contd.,)**

However, fluctuation in cotton price, exchange rates, availability of labour are threats to the industry. Withdrawal of DEPB is another set back to the industry, however, new schemes are introduced which are in temporary nature. The availability of workers is also a problem.

Spinning units are highly capital intensive and has to maintain large Raw Material inventory levels due to its seasonality.

Your Company makes all efforts to have efficient inventory management and constant efforts are being made to monitor the inventory levels keeping in view of interest costs.

Your company has a system of assessing the risks on an ongoing basis. This includes an effective internal control and management reporting system. Further, the framework also captures the existing practices to manage commodity price risk, interest risk, and foreign exchange risk etc. An important aspect of this framework is to promote a balanced approach that considers risk and return.

Expect things to be better after September, 2021 when the european markets are back from summer holidays.

3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The Company is mainly engaged in the business of manufacture and export of cotton yarn and accordingly this is the only Single Reportable Segment.

4. OUTLOOK:

The Company continues to be an important player in the field of cotton yarn in medium and fine count segment yarns. There are good prospects for increasing exports of cotton yarn to Asian countries. The company is making all efforts to explore new markets apart from current markets.

5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that all transactions are authorised, recorded and reported correctly.

The internal control is supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

6. FINANCIAL AND OPERATIONAL PERFORMANCE:

Please refer director's report on performance review.

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

(INCLUDING NUMBER OF PEOPLE EMPLOYED) :

The Company recognizes the importance and contribution of its human resources for its growth and development and is committed to the development of its people. The company has been adopting methods and practices for Human Resources Development. With utmost respect to human values, Company served its human resources with integrity through a variety of services by using appropriate training, motivation techniques and employee welfare activities etc. Industrial relations were cordial and satisfactory As on 31st March 2021, the Company has about 745 (including casuals etc.) employees.

8. CAUTIONARY STATEMENT :

Statements made in this report describing the Company's projections, estimates, expectations or predictions may be 'forward looking predictions' within the meaning of applicable securities laws and regulations. Actual results may differ from such estimates, projections, etc., whether expressed or implied. Factors which would make a significant difference to the Company's operations include availability of quality raw cotton, market prices in the domestic and overseas markets, changes in Govt. regulations and tax laws, economic conditions affecting demand/supplies and other environmental factors over which the Company does not have any control.

INDEPENDENT AUDITORS' REPORT

To
The Members of
GTN Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of GTN Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	Auditor's response
<p>1. Textile Upgradation Fund ('TUF') Interest Rebate receivable</p> <p>Other current assets include interest rebate receivables of ₹ 213.89 lakhs (previous year) ₹ 408.91 lakhs) on term loans taken by the Company in earlier years under the "Textile Upgradation Fund" scheme of the Ministry of Textile, Government of India.</p> <p>These receivables include amounts which have not been disbursed to the Company on account of certain disputes regarding eligibility raised by the Ministry of Textiles <i>inter alia</i> including eligibility of rebate on second restructuring of loans and condonation of delay in filing of claims with the Ministry. These disputes are under resolution and the Ministry has appointed a third-party consultant for the same.</p>	<p>Audit Procedure performed:</p> <p>Our procedures for recognition and in response to the risk of timely recovery of the accruals in the financial statements, included the following:</p> <ul style="list-style-type: none"> Examining the eligibility criteria for receipt of rebate obtained a list of year wise break- up of the interest rebate receivables by the Company for all the financial years and discussing the status of the assessment of rebates receivable for all the financial years and the Management view on the expected time frame by which the rebates will be received.

GTN INDUSTRIES LIMITED

INDEPENDENT AUDITORS' REPORT (Contd.,)

Key Audit Matters	Auditor's response
<p>Management judgement is involved in assessing the accounting for interest rebates and particularly in considering the probability of a rebate being released and we have accordingly designated this as a focus area of the audit.</p>	<ul style="list-style-type: none"> Considering the status of the rebates received from other banks in the consortium and the adjustments, if any, done by the respective banks or financial institutions based on the report of the third-party consultant, while granting the rebate for similar or previous financial years. <p>Based on the above procedures performed, we did not find any significant exceptions to the accrual of Interest rebate receivables on TUF loans.</p>
<p>2. Power Subsidy Receivable Other current assets include power subsidy receivable of ₹ 384.19 lakhs as at 31st March, 2021 (Previous Year ₹ 384.19 lakhs) from the states of Telangana and Maharashtra as per the notifications issued by the aforesaid State Governments.</p> <p>Management judgement is involved in assessing the accounting for subsidies and particularly in considering the probability of a subsidy being released and we have accordingly designated this as a focus area of the audit.</p>	<p>Audit Procedure performed:</p> <p>Our procedures, in response to the risk of completeness of the accruals in the financial statements, included the following:</p> <p>We have examined the eligibility criterion for the availment of power subsidy and obtained a list of year wise break- up of the receivables by the Company for all the financial years.</p> <p>We had discussed the status of the assessment of subsidy receivable for all the financial years and the Management view on the expected time frame by which the subsidies will be released.</p> <p>Additionally, we have considered the status of the previous assessments and the adjustments, if any, done by the respective concerned authorities.</p> <p>Based on the procedures performed, those gave us a sufficient evidence to conclude that the subsidies have been accounted in terms of the notifications issued by various state governments.</p>

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial

INDEPENDENT AUDITORS' REPORT (Contd.,)

performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GTN INDUSTRIES LIMITED

INDEPENDENT AUDITORS' REPORT (Contd.,)

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 37 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses.
 - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 'A' TO THE AUDITORS' REPORT**ANNEXURE A REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF GTN INDUSTRIES LIMITED FOR THE YEAR ENDED 31ST MARCH, 2021.**

On the basis of our examination of the books and records of the Company carried out in accordance with the auditing standards generally accepted in India and according to the information and explanations given to us, we state that:

- i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- b) The property, plant and equipment are physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, the specified property, plant and equipment have been physically verified by the Management during the year and no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii) According to the information and explanations given to us, the management has conducted physical verification of inventory at reasonable intervals during the year. Inventory lying with third parties and in-transit have been verified by the management with reference to the subsequent receipt of goods. The discrepancies noticed on verification between the physical stock and book records were not material in relation to the operations of the Company and have been properly dealt with in the books of account.
- iii) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the reporting requirements of clause 3(iii) of the Order are not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the Company has not made investments, issued guarantees, given loans or issued any security to which the provisions of Section 185 and Section 186 are applicable, and accordingly, reporting requirements of paragraph 3(iv) of the Order are not applicable to the Company.
- v) In our opinion and according to the information and explanations given to us, no deposits within the meaning of directives issued by RBI (Reserve Bank of India) and Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder have been accepted by the Company. Accordingly, reporting requirements of paragraph 3(v) of the Order are not applicable to the Company.
- vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We are, however, not required to and have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) a) According to the information and explanations given to us and on the basis of our examination of records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and services tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, have been regularly deposited with the appropriate authorities. According to the information and explanations given to us there were no outstanding statutory dues as on 31st March, 2021 for a period of more than six months from the date they became payable.

GTN INDUSTRIES LIMITED

ANNEXURE A TO THE AUDITORS' REPORT (Contd.,)

- b) According to the information and explanations give to us and the records of the Company, there are no dues of income tax or goods and services tax or sales tax or wealth tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited with the appropriate authorities on account of any dispute.
- viii) According to the records maintained by the Company and information and explanations given to us, the Company has not defaulted in repayment of loans to banks and financial institutions. The Company does not have any loans from Government or dues to debenture holders.
- ix) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. In our opinion, the term loans have been applied for the purpose for which they were taken.
- x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing standards in India and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of such case by the management.
- xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Act.
- xii) The Company is not a Nidhi Company and hence, reporting under clause 3(xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards. Refer Note 39 to the financial statements.
- xiv) In our opinion and according to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and accordingly, reporting requirements under paragraph 3(xiv) are not applicable to the Company.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non- cash transactions with directors or persons connected with them as per the provisions of Section 192 of the Act. Accordingly, reporting requirements under paragraph 3(xv) of the Order are not applicable to the Company.
- xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 'B' TO THE AUDITORS' REPORT

ANNEXURE B REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF GTN INDUSTRIES LIMITED FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GTN Industries Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

GTN INDUSTRIES LIMITED

ANNEXURE B TO THE AUDITORS' REPORT (Contd.,)

- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, broadly in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021**NOTE 1: SIGNIFICANT ACCOUNTING POLICIES****1.1 COMPANY OVERVIEW**

The GTN Industries Limited (the "Company") is a public limited company incorporated and domiciles in India and has its registered office at Chitkul Village, Patancheru Mandal, Sanga Reddy District, Telangana. It is incorporated under the Companies Act, 1956 and its shares are listed on the Bombay Stock Exchange and National Stock Exchange (Delisted from NSE w.e.f. 22-3-2021).

GTN Industries Limited is engaged in the business of Spinning and Doubling of Yarn. The Company has its production facilities in the state of Telangana and Maharashtra.

1.2 BASIS OF ACCOUNTING

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements of the Company are prepared in accordance with the Indian Generally Accepted Accounting Principal (GAAP) on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- Certain financial assets and liabilities are measured at Fair value (refer accounting policy on financial instruments)
- Defined Benefit and other Long-term Employee Benefits,

1.3 USE OF ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Companies Act, 2013.

1.4 PROPERTY, PLANT AND EQUIPMENT & INTANGIBLE ASSETS**Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation (except Freehold Land) and impairment loss, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Capital Work-in-progress

Assets which are not ready for their intended use are disclosed as Capital Work-in-Progress.

Depreciation/amortisation:

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II of the Companies Act, 2013.

GTN INDUSTRIES LIMITED

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

Individual Assets costing less than Rs. 5,000 are fully depreciated in the year of purchase.

Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.

Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in Statement of Profit & Loss.

1.5 IMPAIRMENT OF NON FINANCIAL ASSETS

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a Group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

1.6 REVENUE RECOGNITION

The Company recognizes revenue, when or as control over distinct goods or services is transferred to the customer; i.e. when the customer is able to direct the use of the transferred goods or services and obtains substantially all of the remaining benefits, provided a contract with enforceable rights and obligations exists and amongst others collectability of consideration is probable taking into account customer's creditworthiness.

Revenue is the transaction price the Company expects to be entitled to. In determining the transaction price, the Company considers effects of variable consideration, the existence of significant financing contracts, non-cash consideration and consideration payable to the customer, if any. The Company considers whether there are other promises in the contract that are separate performance obligations to which the transaction price needs to be allocated.

Variable Consideration

If the consideration in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled to in exchange for transferring goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved.

The amount of variable consideration is calculated by either using the expected value or the most likely amount depending on which is expected to better predict the amount of variable consideration. Consideration is also adjusted for the time value of money if the period between the transfer of goods or services and the receipt of payment exceeds twelve months and there is a significant financing benefit either to the customer or the Company. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices. If stand-alone selling prices are not observable, the Company reasonably estimates those.

Revenue is recognized for each performance obligation either at a point in time or over time.

Sale of goods:

Revenues are recognized at a point in time when control of the goods passes to the buyer, usually upon either at the time of dispatch or delivery. Export sales are recognized based on the shipped-on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers. Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)
Other Income

Dividend income on investments is recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

1.7 GOVERNMENT GRANTS

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.

In case a non-monetary asset is given free of cost it is recognised at a fair value. When loan or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is recognized as government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.

1.8 INVENTORIES

Inventories includes Raw Material, Work-in-Progress, finished goods, Stores & spares, Consumables and Packing Materials and are valued at lower of cost and net realizable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw Material and Components – Cost include cost of purchases and other costs incurred in bringing the inventories to their present location and condition. Cost is determined using Specific Identification Method.

Finished/Semi-Finished Goods –Cost includes cost of direct material, labour, other direct cost and a proportion of fixed manufacturing overheads allocated based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average cost basis.

Stores, Spare Parts, Consumables, Packing Materials etc. – cost is determined on weighted average cost basis.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

Adequate allowance is made for obsolete and slow moving items.

1.9 FINANCIAL INSTRUMENTS
Financial assets - Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

GTN INDUSTRIES LIMITED

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)**(a) Measured at amortised cost:**

A financial asset is measured at amortised cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortised cost is calculated using the effective interest rate ("EIR") method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, gain or loss, if any, is recognised to Statement of Profit and Loss.

(b) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using EIR method. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to Statement of Profit and Loss.

(c) Measured at fair value through profit or loss (FVTPL):

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity Instruments:

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised in Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in the OCI. Amounts recognised in Other Comprehensive Income (OCI) are not subsequently transferred to Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised in Statement of Profit and Loss.

Impairment

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL.

The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

De-recognition

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities**Initial Recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Derivative financial instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair

GTN INDUSTRIES LIMITED

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

value, with changes in fair value recognised in Statement of Profit and Loss. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The Company designates their derivatives as hedges of foreign currency risk associated with the cash flows of highly probable forecast transactions and variable interest rate risks associated with the borrowings.

The Company documents at the inception of hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset cash flow of hedged items. The Company documents its risk management objective and strategy for undertaking various hedge transaction at the inception of each hedge relationship.

Cash flows hedge that qualify for the hedge accounting

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit & loss, except for the effective portion of cash flow hedge which is recognized in other comprehensive income and presented as separate Branch of equity which is later reclassified to statement of profit & loss when the hedge item affects profit & loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.10 FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

(based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.11 EMPLOYEE BENEFITS

The Company provides following post-employment plans:

- (a) Defined benefit plans such a gratuity and
- (b) Defined contribution plans such as Provident fund and Superannuation fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial(gains)/losses
- (b) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefits:

- (a) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.

GTN INDUSTRIES LIMITED

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

- (b) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.
- (c) Expenses incurred towards voluntary retirement scheme are charged to the statement of profit and loss as and when incurred.
- (d) Other benefits comprising of discretionary long service awards are recognized as and when determined.

1.12 LEASES**As a Lessee:**

The Company's lease asset classes generally consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)

The Company did not have any long-term leases, the adoption of this Standard did not have any impact on the loss for the quarter and year ended 31st March, 2021.

As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

1.13 FOREIGN CURRENCY TRANSACTIONS**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non-monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss.

1.14 TAXES ON INCOME

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. The Company

GTN INDUSTRIES LIMITED**NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)**

reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

1.15 PROVISIONS AND CONTINGENCIES

A provision is recognised when there is a present legal or constructive obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, and in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.16 CASH AND CASH EQUIVALENTS

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

1.17 CASH FLOW STATEMENT

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

1.18 BORROWING COST

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.19 EARNINGS PER SHARE

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

1.20 SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Managing Director as CODM which assesses the operational performance and position of the Company and makes strategic decisions.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021 (Contd.,)**1.21 RECENT ACCOUNTING PRONOUNCEMENTS****Amendments to Ind AS 116, Leases: Covid-19-Related Rent Concessions**

- i. The amendments to Ind AS 116 provides a practical expedient to lessees in accounting for rent concessions that are a direct consequence of the Covid-19 pandemic. As a practical expedient, a lessee may elect not to assess whether a covid-19 related rent concession from a lessor is a lease modification. A lessee that makes this election accounts for any change in lease payments resulting from the covid-19 related rent concession the same way it would account for the change under IFRS 16, if the change were not a lease modification. The practical expedient applies only to rent concessions occurring as a direct consequence of the covid-19 pandemic and only if all of the following conditions are met:
 - a) The change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change.
 - b) Any reduction in lease payments affects only payments originally due on or before 30 June 2021 (for example, a rent concession would meet this condition if it results in reduced lease payments before 30th June, 2021 and increased lease payments that extend beyond 30 June 2021).
 - c) There is no substantive change to other terms and conditions of the lease.
 - d) No practical expedient is available for lessors.
- ii. The lessees will apply the practical expedient retrospectively, recognising the cumulative effect of initially applying the amendment as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of the annual reporting period in which the lessee first applies the amendment.
- iii. The amendments are applicable for annual reporting periods beginning on or after the April 1st, 2020. In case, a lessee has not yet approved the financial statements for issue before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after the April 1st, 2019. The Company will not be affected by these amendments on the date of transition as there are no rent concessions provided for from the lessor.

Footnotes : Nature and purpose of reserves		
Amalgamation Reserve:		
Amalgamation Reserve was creted at the time of implementation of scheme of Amalgamation dated 01.04.2012. It is a non-distributable reserve in accordance with the provisions of the Act.		
Securities Premium:		
Securities Premium is created due to premium on issue of shares. This reserve is utilised in accordance with the provisions of the Act.		
Retained Earnings:		
The balance in the Retained Earnings primarily represents the surplus after payment of dividend (including tax on dividend) and transfer to reserves. It includes gain on recognition of equity component of compound financial instruments and revaluation of property, plant and equipment.

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd..)

(Rs. in lacs)

b) A reconciliation of the income tax amount between the enacted income tax rate and the effective income tax of the Company is as follows :

	2020-21	2019-20
Enacted income tax rate in India	29.12	29.12
Profit before tax	(826.93)	(490.84)
Income tax as per above rate	(240.80)	(142.93)
Adjustments:		
Impact of change in Tax rate applicable to the Company	(69.07)	(28.91)
On account of sale of Land and Building	-	220.55
Trading differences on account of disallowances as per the Income Tax Act.	39.98	(0.15)
Income tax as per profit and loss statement	(200.82)	48.56

c) The movement in deferred tax assets and liabilities during the year ended March 31, 2020 and March 31, 2021:

Deferred tax assets/(liabilities)

	As at 31st, March, 2020	(Credit)/charge in statement of Profit and Loss and OCI	As at 31st March, 2021
Deferred tax assets/(liabilities)	(2727.57)	56.73	(2670.84)
Property, plant and equipment			
Unabsorbed losses as per Income Tax Act, 1961	2480.52	153.12	2,633.64
Amount allowable on payment basis and others	64.18	(9.01)	55.16
Less: MAT Credit Entitlement	250.36	-	250.36
Total	67.49	200.83	268.32

32. FINANCIAL INSTRUMENTS

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The carrying amounts and fair values of financial instruments by category are as follows:

	Note	At Cost	Instruments carried at fair value		Total carrying amount(A+B)	Total fair value
			FVTPL	carried at amortized cost		
a. Financial assets

33. RISK MANAGEMENT - FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's activity expose it to market risk, liquidity risk, commodity risk and credit risk. In order to minimise any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures and interest rate swaps to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. The Company's financial risk management policy is set by the Managing Director and governed by overall direction of Board of Directors of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

GTN INDUSTRIES LIMITED

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.)

S.No.	Risk	Exposure arising from	Measurement	Management
A	Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments financial assets measured at amortised cost.	Ageing analysis Credit ratings	Credit limits and letters of credit and Performance guarantees.
B	Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
C	Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
D	Market risk – foreign exchange	Future commercial transactions recognised financial assets and liabilities not denominated in INR.	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
E	Commodity risk	Purchase of Raw Material	Fluctuation of Raw Cotton Price and Currency rates	Procurement and inventory strategy

A. CREDIT RISK

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty.
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- iv) Significant increase in credit risk on other financial instruments of the same counterparty.

The company categorises financial assets based on the assumptions, inputs and factors specific to the class of financial assets into High-quality assets, negligible credit risk; Quality assets, low credit risk; Standard assets, moderate credit risk; Substandard assets, relatively high credit risk; Low quality assets, very high credit risk; Doubtful assets, credit-impaired.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than one year past due. Where loans or receivables have been written off, the Company continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

Where recoveries are made, these are recognized in profit or loss.

59th ANNUAL REPORT

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.,)

Provision for expected credit losses:

Description of category	Category	Basis for recognition of expected credit loss provision		
		Investments	Loans and deposits	Trade Receivables
Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil	High-quality assets, negligible credit risk			
Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past	Quality assets, low credit risk		12 month expected credit losses	
Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong	Standard assets, moderate credit risk			Life time expected credit (simplified approach)
Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 180 days past due	Substandard assets, relatively high credit risk			
Assets where there is a high probability of default. In general, assets where contractual payments are more than 180 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 180 days past due	Low quality assets, very high credit risk		Life time expected credit losses	
Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. Where loans or receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Doubtful assets, credit-impaired		Asset is written off	

GTN INDUSTRIES LIMITED

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.)

Expected credit loss for loans, security deposits and investments:

As at 31st March, 2021

Particulars		Asset group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses	Financial assets for which credit risk has not increased significantly since initial recognition	Security deposits	415.69	-	-	415.69
Loss allowance measured at life-time expected credit losses	Financial assets for which credit risk has increased significantly and not credit-impaired or credit impaired	NA	-	-	-	-

As at 31st March, 2020

Particulars		Asset group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses	Financial assets for which credit risk has not increased significantly since initial recognition	Security deposits	415.54	-	-	415.54

59th ANNUAL REPORT

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.,)

Expected credit loss for trade receivables under simplified approach

a. Ageing of Trade receivables

(Rs. in lacs)

Due from the date of invoice	As at 31 st March, 2021	As at 31 st March, 2020
0-3 months	2624.85	2299.86
3-6 months	94.62	19.85
6 months to 12 months	18.91	0.26
beyond 12 months	15.07	111.87
Total	2753.45	2431.84

b. Reconciliation of loss allowance provision - Trade receivables

Opening provision	62.91	79.30
Additional provision made/reversal (Net)	-	(16.39)
Closing provisions	62.91	62.91

B. LIQUIDITY RISK

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Financing arrangements

The Company had access to following undrawn Borrowing facilities at end of reporting period: (Rs. in lacs)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Variable Borrowing -Cash Credit expires within 1 year	-	-

Contractual maturity patterns of borrowings

(Rs. in lacs)

Particulars	As at 31 st March, 2021		
	0-1 years	1-5 years	Total
Long term borrowings (Including current maturity of long term debt)	1717.90	7118.66	8836.56
Short term borrowings	8338.18	-	8338.18
Total	10056.08	7118.66	17174.74

Particulars	As at 31 st March, 2020		
	0-1 years	1-5 years	Total
Long term borrowings (Including current maturity of long term debt)	966.03	7107.53	8073.56
Short term borrowings	9176.36	-	9176.36
Total	10142.39	7107.53	17249.92

GTN INDUSTRIES LIMITED

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.)

Contractual maturity patterns of Financial Liabilities

(Rs. in lacs)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
	0-12 Months	0-12 Months
Trade Payable	3086.16	4112.64
Other Financial liabilities including Derivative financial liabilities	347.36	289.46
Total	3433.52	4402.10

C. MARKET RISK- INTEREST RATE RISK

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Exposure to interest rate risk

(Rs. in lacs)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Borrowings bearing fixed rate of interest	7879.43	7244.18
Borrowings bearing variable rate of interest	7734.01	8605.55

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax

(Rs. in lacs)

Particulars	2020-2021	2019-2020
50 bp increase- in profits	(28.52)	(22.82)
50 bp decrease- in profits	28.52	22.82

D. MARKET RISK- FOREIGN CURRENCY RISK.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Exports of the company are significantly higher in comparison to its imports. Foreign currency exchange rate exposure is partly balanced by exports of goods and prudent hedging policy.

Foreign Currency Exposure

Name of the Instrument	2020 - 2021		2019- 2020	
	Foreign Currency	INR	Foreign Currency	INR
Open Foreign Exchange Exposures - Receivable-USD	12.59	920.31	4.86	341.16
Open Foreign Exchange Exposures - Receivable-EUR	0.64	54.59	-	-
Open Foreign Exchange Exposures - Receivable-GBP	0.01	0.74	-	-
Open Foreign Exchange Exposures - Payable-USD	33.96	2483.07	30.55	2312.02
Open Foreign Exchange Exposures - Payable-EURO	-	-	0.100	7.92

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.,)**Foreign Currency Risk Sensitivity**

A change of 1% in Foreign currency would have following Impact on profit before tax:

Particulars	2020-2021		2019-2020	
	1% Increase	1% decrease	1% Increase	1% decrease
USD	(15.63)	15.63	(19.44)	19.44
EURO	-	-	(0.08)	0.08
Increase / (decrease) in profit or loss	(15.63)	15.63	(19.52)	19.52

Derivative financial instruments

The Company holds derivative financial instruments such as foreign currency forward to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally are banks. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the market place.

Name of the Instrument	2020-2021		2019-2020	
	Foreign Currency	INR	Foreign Currency	INR
Forward Sale-USD	14.76	1084.57	7.50	567.60
Forward Sale-EURO	-	-	2.34	193.94

The Company enjoys natural hedge to the extent of: a) Exports effected and b) Inventory held (being sensitive to exchange rate fluctuations). Although the Company believes that these derivatives constitute hedges from a economic prospective, they might not qualify for hedge accounting under Ind AS 109.

E. COMMODITY RISK

- a) Principal Raw Material for Company's products is cotton which is an agricultural commodity and thus, seasonal in nature. Company sources its raw material requirement from across the globe. Domestic market prices are also generally remains in sync with international market price scenario
- b) Volatility in raw cotton prices, currency fluctuation of Rupee vis-à-vis other prominent currencies coupled with demand-supply scenario in the world market and domestic market affect the effective price and availability of cotton for the Company. Company effectively manages and deals with availability of material as well as price volatility through:
 1. Widening its sourcing base
 2. Appropriate contracts and commitments
 3. Well planned procurement & inventory strategy

F. IMPACT OF COVID-19

As a result of the nationwide lockdown imposed by the Government of India, the operations of the Company were temporarily disrupted at its manufacturing facilities impacting production and dispatches from the second half of March 2020. The Company had resumed operations since last week of April / first week of May 2020 in compliance with the guidelines issued by respective authorities and is continuing to take adequate precautions for safety and wellbeing of its employees. In view of recent surge in Covid-19 cases, few states reintroduced some restrictions and the Company continues to be vigilant and cautious.

The Company has considered the possible impact of Covid-19 in preparation of these financial statements. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements. Considering the continuing uncertainties, the Company will continue to closely monitor any material changes to future economic conditions.

GTN INDUSTRIES LIMITED

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.)

34. CAPITAL RISK MANAGEMENT

- A The Company's objectives when managing capital are to
- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders
 - maintain an optimal capital structure to reduce the cost of capital

The Company monitors capital on the basis of the following Debt Equity ratio:

(Rs. in lacs)

Particulars	31 March, 2021	31 March, 2020
Total Debt	17174.74	17249.92
Total Equity	4575.79	5186.73
Debt to Equity Ratio	3.75	3.33

The Company expects its Debt Equity ratio to improve in the next financial year in line with the budgeted performance and profit for financial year 2020-21.

Company's capex plan has been largely funded through Long term loans availed. This capex plan will lead to higher production and consequent increase in revenues and profit which would assist the Company to repay its debt.

B. Net Debt Reconciliation

(Rs. in lacs)

	As at 31st March, 2021		As at 31st March, 2020	
	Term Loans	Working Capital Loans	Term Loans	Working Capital
Opening Net Debt	7107.53	9176.36	7906.08	8927.16
Proceeds from Borrowings	1228.90	-	-	249.20
Repayment of Borrowings	(1378.88)	838.18	(999.50)	-
Interest expense on Compound Financial instruments	161.11	-	200.95	-
Closing Net Debt	7118.66	8338.18	7107.53	9176.36

35. DISCLOSURE PURSUANT TO IND AS - 19 "EMPLOYEE BENEFITS"

i) **Gratuity:** In accordance with the applicable laws, the Company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity Plan provides for a lump sum payment to vested employees on retirement (subject to completion of five years of continuous employment), death, incapacitation or termination of employment that are based on last drawn salary and tenure of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date and the Company makes annual contribution to the gratuity fund administered by life Insurance Companies under their respective Group Gratuity Schemes.

The disclosure in respect of the defined Gratuity Plan are given below:

A. Balance Sheet

(Rs. in lacs)

Particulars	Defined benefit plans	
	As at 31st March, 2021	As at 31st March, 2020
Present value of plan liabilities	461.55	499.94
Fair value of plan assets	339.21	346.66
Asset/(Liability) recognised	122.34	153.28

B. Movements in plan assets and plan liabilities

Particulars	Present value of obligations	Fair Value of Plan assets
As at 1st April 2019	448.21	471.21
Current service cost	24.66	62.54
Past service cost	-	-
Interest Cost/(Income)	30.38	35.83
Return on plan assets excluding amounts included in net finance income/cost	-	-

Actuarial (gain)/loss arising from experience adjustments	(23.08)	(13.57)
Employer contributions	-	-
Benefit payments	(69.52)	(20.20)
As at 31st March, 2021	461.55	499.94

The liabilities are split between different categories of plan participants as follows:

- active members - 100% (2019-20: 100%)

The Company expects to contribute to the funded plan as and when required.

The Plan assets have been invested in Insurance managed funds.

C. Statement of Profit and Loss

(Rs. in lacs)

Particulars	2020 - 2021	2019 - 2020
Employee Benefit Expenses:		
Current service cost	26.75	24.66
Interest cost/(income)	9.02	7.50
Total amount recognised in Statement of profit & loss	35.77	32.16
Remeasurement of the net defined benefit liability:		
Return on plan assets excluding amounts included in net finance income/(cost)	(6.29)	(0.11)
Experience gains/(losses)	(24.54)	17.10
Total amount recognised in Other Comprehensive Income	(30.83)	16.99

D. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Particulars	As at 31st March, 2021	As at 1st March, 2020
Financial Assumptions		
Discount rate	6.50%	6.45%
Salary Escalation Rate	5.00%	5.00%
Attrition Rate	3.00%	3.00%

Demographic Assumptions

Mortality in Service : Indian Assured Lives Mortality (2006-08)

GTN INDUSTRIES LIMITED

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.,)

E. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

(Rs. In lacs)

Impact on defined benefit obligation	As at 31 st March, 2021		
	Change in assumption	Increase in assumption	Decrease in assumption
Discount rate	0.50%	(14.16)	14.96
Salary Escalation Rate	0.50%	(23.43)	(14.43)
Attrition Rate	0.50%	(37.30)	(39.53)
Discount rate	0.50%	(24.78)	27.64
Salary Escalation Rate	0.50%	40.49	(35.77)
Attrition Rate	0.50%	14.45	(15.60)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

F. The defined benefit obligations shall mature as follows:**(Rs. In lacs)**

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
0-4 years	6.31	8.83
4-10 years	21.54	22.51
10-15 Years	28.43	19.66
More than 15 Years	405.26	448.94

Compensated Absences: The Company permits encashment of compensated absence accumulated by their employees on retirement, separation and during the course of service. The liability in respect of the Company, for outstanding balance of leave at the balance sheet date is determined at actuals since outstanding leaves at the end of the year are not allowed to be carried forward.

36. EARNINGS PER SHARE (EPS)**(Rs. In lacs)**

Particulars	2020 - 2021	2019 - 2020
Profit after tax (PAT) available for equity shareholders before exceptional items	(622.49)	(1,471.79)
Profit after tax(PAT)available for equity shareholders (after exceptional items)	(622.49)	(544.35)
Weighted average number of equity Shares	17540378	17540378
Nominal value of equity Shares (In Nos.)	10.00	10.00
Basic & diluted earning per share before exceptional items (In Rs.)	(3.55)	(8.39)
Basic & diluted earning per share after exceptional items (In Rs.)	(3.55)	(3.11)

59th ANNUAL REPORT

NOTES TO THE IND AS FINANCIAL STATEMENTS (Contd.,)

37. CONTINGENT LIABILITIES

Particulars	(Rs. in lacs)	
	2020 - 2021	2019 - 2020
Disputed Income Tax demands	37.29	44.13
Disputed Customs Duty demands	-	18.69
Disputed Excise Duty demands	4.99	4.99
Disputed other dues (Gram Panchayat Tax, FSA charges, Non-agricultural Tax, Sewerage Cess etc.,)	69.59	75.12
Cross Subsidy charged by the Electricity Department	122.08	122.08
Arrears of Preference Dividend	0.55	0.56

Notes:

- The issues of litigation pertaining to Central Excise/Income Tax are based on interpretation of the respective Law & Rules thereunder. Management has been opined by its counsel that many of the issues raised by revenue will not be sustainable in law as they are covered by judgments of respective judicial authorities which supports its contention. As such no material impact on the financials of the Company is envisaged.
- Other issues are either in ordinary course of business or not of substantial nature and management is reasonably confident of their positive outcome. Management shall deal with them judiciously and provide for appropriately, if any such need arises.

38. COMMITMENTS
