## **VIVANTA INDUSTRIES LIMITED'S STRATEGIC MOVE TO ACCELERATE GROWTH THROUGH INSTALLATION OF EV CHARGING STATIONS**

Vivanta Industries Limited is thrilled to announce a groundbreaking initiative aimed at shaping the future of sustainable transportation. In alignment with our commitment to environmental stewardship and technological innovation, we are embarking on a plan to Establish/ Assemble/ Install /Reinstall Electric Vehicle (EV) Charging Stations in & across Gujarat & open new markets in future.

### **KEY POINTS:**

#### **1. Scope of Project:**

- Installation of EV Charging Stations.
- Distribution for widespread accessibility in Gujarat.

#### **2. Strategic Importance & Benefits:**

- **Facilitating EV Adoption:** Vivanta Industries Limited aims to facilitate the adoption of electric vehicles by establishing a network of EV charging stations, making it easier and more convenient for EV owners to charge their vehicles.
- **Sustainable Mobility:** By promoting the use of electric vehicles, Vivanta Industries Limited is contributing to a more sustainable future by reducing carbon emissions and dependence on fossil fuels & Positioning Vivanta Industries Limited as a leader in the transition to green mobility.
- **Community Impact:** The installation of EV charging stations will have a positive impact on the community by encouraging the use of clean transportation and supporting the growth of the EV ecosystem & Capitalizing on the growing market demand for electric vehicles.
- **Accepting Applications:** Vivanta Industries Limited is now accepting applications and inquiries for EV charging installations. Interested parties are encouraged to reach out for more information on how to participate in this groundbreaking initiative
- **Revenue growth through increased demand for charging services.**

#### **3. Stakeholder Engagement:**

- Collaboration opportunities with government entities, businesses, and communities in franchise model

#### **4. Next Steps:**

- Engaging in partnerships and collaborations to expedite the project.
- Continuous communication with regulatory bodies for necessary approvals.

This strategic move reflects our commitment to driving positive change, both for our company and the communities we serve. We believe this initiative will not only contribute to a greener environment but also create new avenues for growth and innovation.
