# Nitish resigns as Bihar CM, recommends dissolution of assembly

PRESS TRUST OF INDIA Patna, November 13

Decks were cleared on Friday for the formation of a new government in Bihar with Nitish Kumar, who is set to return as the chief minister, handing over to governor Phagu Chauhan the resignation of his ministry and the recommendation to dissolve the state assembly, officials said.

The governor accepted the resignation and asked Kumar to continue as the caretaker chief minister till the new NDA government is sworn in.

Earlier, leaders all the four constituents of the NDA — Vikas (JD), BJP, HAM and Kiskesh Insaan Party had met informally at 1, Anney Marg, the chief minister's official residence, where it was decided that all the newly elected NDA MLAs will meet on Sunday and formally elect Kumar as their leader.

"The meeting will start at 12:30 pm on Sunday, November 15 where all further decisions will be taken," Kumar had told reporters later.

"These formalities have to be completed before holding its last meeting in the evening where a decision on the dissolution of the assembly, the tenure of which expires on November 29, will be taken."

"These formalities have to be completed before the formation of a new government.

Despite the BJP emerging as the largest party in the ruling alliance with 74 seats, 31 more than the JD(U), the top leadership of the saffron party, including Prime Minister Narendra Modi, has emphatically endorsed Kumar as the next chief minister.

He was declared the ruling coalition's chief ministerial candidate much before the election process had started.

Informed sources also said

**Governor Phagu Chauhan accepted the resignation and asked Kumar to continue as the caretaker chief minister till the new NDA government is sworn in**

The cabinet's recommendations will be forwarded to the governor whose nod will be followed by other steps leading to the formation of a new government, Kumar added.

At the cabinet meeting, which lasted barely 10 minutes, the chief minister thanked all his cabinet colleagues for their cooperation, said Rana Randhir, a BJP leader who held the cooperative portfolio in the dissolved cabinet and has returned as the MLA from Madhubani.

issues discussed at the informal meeting of NDA leaders included the representation of each constituent in the new cabinet and election of the assembly Speaker.

Speculation is rife that the BJP might push for an BJP or a Dalit as a Deputy CM though it was not clear whether the insistence was on replacing veteran leader Susil Kumar Modi, who has been holding the post for the most part since 2005, or replicating the experiment in adjoining Uttar Pradesh where two leaders share the post.

One of the names doing the rounds is that of Kaneshwar Chaudhary, a Dalit with deep roots in the Sangh who was famously chosen for laying the foundation stone at the Ram Jambhoomi in Ayodhya in the 1990s.

Supporters of Chaudhary, a member of the legislative council, lent credence to speculation as they were noticed chanting slogans to the effect on the streets of the city.

Meanwhile, the NDA which has three more MLAs than the magic figure of 122, received a shot in the arm when independent legislator from Chhokri Sunil Singh met the chief minister and extended support.

Singh is the son of Narendra Singh, a former state minister and powerful Rajput leader from Janmuri district.

## PM: Light a diya as salute to soldiers

PRESS TRUST OF INDIA New Delhi, November 13

ON DIWALI EVE, Prime Minister Narendra Modi on Friday appealed to the people to light a diya as a "salute to soldiers", saying words cannot do justice to the sense of gratitude for their exemplary courage.

"This Diwali, let us also light a Diya as a #Salute2Soldiers who fearlessly protect our nation. Words can't do justice to the sense of gratitude we have for our soldiers for their exemplary courage. We are also grateful to the families of those on the borders," he tweeted.

The prime minister also posted an audio clip of his recent 'Mann Ki Baat' broadcast in which he had first given a call to citizens to light a diya for soldiers in Diwali.

He had urged people to light a diya (lamp) while they celebrate the festival to honour security forces guarding the country's borders.

After Modi's appeal, the BJP urged people to post a photo with #Salute2Soldiers on social media.

"This Diwali, PM Narendra Modi has launched this special campaign to let us express our gratitude for our bravest of the brave soldiers. Ready to go to the past year with diya for our soldiers using #Salute2Soldiers on social media," the party said.

Since assuming office in 2014, the prime minister has been celebrating Diwali in different ways. He has spent time with soldiers in forward areas in states like Uttarakhand, Himachal Pradesh and Punjab, and the Union Territory of Jammu and Kashmir.

Though there is no official word about Modi's visit to any border post this Diwali, it is believed that he may keep up with this practice and spend time with soldiers in forward areas.

## Ahead of Diwali, Delhi's air quality 'very poor', likely to turn 'severe'

PRESS TRUST OF INDIA New Delhi, November 13

THE NATIONAL CAPITAL recorded its air quality in the 'very poor' category on Friday and it was likely to become 'severe' on Diwali night, according to government agencies.

Delhi recorded a 24-hour average air quality index (AQI) of 339. It was 314 on Thursday.

The neighbouring cities of Faridkot (319), Ghaziabad (382), Noida (337), Greater Noida (336) and Gurgaon (324), which fall in the National Capital Region (NCR), were also in the 'very poor' category.

The India Meteorological Department (IMD) said a fresh western disturbance was likely to increase the wind speed and improve the air quality in Delhi-NCR post-Diwali.

Light rain is likely to occur on Sunday under the influence of a western disturbance. It remains to be seen if it is enough to wash away pollutants, Kuldeep Srivastava, the head of the IMD's regional forecasting centre said.

"However, Delhi-NCR's air quality is likely to improve post-Diwali due to an increase in the wind speed. On Sunday, the maximum wind speed is expected to be around 12 to 15 km per hour," he said.

VC Som, the head of the IMD's environmental research centre, said calm winds and firecrackers emissions may push the air quality to the 'severe' zone on Diwali night.

Wind speed is expected to pick up thereafter and the wind direction will be east-south-easterly. There will be a significant improvement in air quality by November 16, he said.

The ministry of earth sciences' air quality monitor, SAFAR, said the PM 2.5 concentration in Delhi on Diwali is likely to be the 'lowest' in the last four years if no firecrackers are burnt.
