Subject: - Delhi High Court restrains HFCL in a patent infringement lawsuit filed by STL

Ref.: Scrip ID - STLTECH/ Scrip Code – 532374

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 this is to inform that Sterlite Technologies Limited ('STL' or 'the Company') has secured an ex-parte ad-interim injunction against **Himachal Futuristic Communications Limited (HFCL)** in a patent infringement litigation filed in Delhi High Court.

The Court has restrained HFCL, its subsidiaries, directors, servants, agents, licensee or any related/ parent companies, dealers, stockists and distributors and/or anyone claiming any right through any of them, restraining them, jointly and severally, in any manner, from making, manufacturing, using, offering for sale, selling, exporting and importing the optical fibre cables covered under the STL's Patent no. IN 335369 in India, as it may amount to infringement of the said Patent that is related to STL's Multitube Micro Cable technology.

The Court-appointed Commissioners visited HFCL premises on 19th Jan 2022 to verify the extent of the infringement and for appropriate seizure action. The Commissioners have taken samples of the infringing optical fibre cables for submitting before the Hon'ble court along with the report.

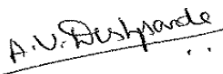

The product in question - STL's Multitube Micro Cable technology is a part of STL's optical networking solutions. This product was researched and developed in-house and has been integral to many large-scale digital networks built by STL's diverse customer base. The Company currently has a global patent portfolio of 678 protecting STL's innovative technologies across optical networking, system integration, 5G, and wireless solutions. STL is committed to protecting and stopping unauthorised use of its patented technology solutions by taking all possible actions in accordance with the law.

Kindly take the above on record.

Thanking you.

Yours faithfully,

For **Sterlite Technologies Limited**

Amit Deshpande
