Ambareesh: A people's person

OBITUARY: AMBAREESH MURTY (1971-2023)

AMBAREESH WAS A friend, guide, client, and above all, a great human being. We started our journey together and I have known him for more than two decades now. This indeed is a personal loss for me. It has saddened everyone who has known him closely.

Today, while we grieve this loss, I also believe it is very important to remember the legacy he has created over the years. To his friends and close associates, his contribution, passion, and influence have been way beyond just business. I have known Ambareesh since 1999, so our relationship is about 24 years old now. We became friends when he was a Cadbury

pavs and frankies and spent a lot of time working together. That's where we really bonded. Eventually, our friendship grew and so, we were often in each other's homes and our families bonded too. He never called me Imtiyaz.

I was always 'Imti' to him. It was when he was working at eBay that he had the idea of creating an online furniture business. We worked closely in the last 12 years since the inception of Pepperfry. My association with himwas more than just an outof-home communication partner. As his friend and wellwisher, it gave me great joy and pride to see how he successfully built Pepperfry as a leading furniture brand. I will always remember him as a risk-taker, willing to take big bets and unafraid to jump off a cliff.

He was a complete people's person, in both his personal and professional life. And that is why my memories of him are not so much about the work we did together or the

TECHNOLOGY MAJOR LEN-OVO does not see any impact from the government's recent restrictions on imports of laptops, personal computers (PCs), tablets and servers, Ajay Sehgal, executive director of India's

commercial business, told FE. The reason for Lenovo not being affected by the government's restrictions, which will be applicable from November 1, is that the company has its own PC manufacturing unit in Puducherry. Besides, the company also locally manufactures its tablet computers, in partnership with Wingtech Technology, at a plant in Tirupati, Andhra Pradesh.

"We are in discussions with the government with regard to escalating our make-in-India plans. The recent decision by the government is in accordance with increasing the manufacturing base in India and we are already doing that," Sehgal said.

"These manufacturing units as well as a strong supply chain ecosystem in India will also help Lenovo to leverage its 'pocket-to-cloud' strategy, which is providing a complete infrastructure portfolio to companies, including the data centre services, servers, storage, as well as managing their devices and other digital requirements," Sehgal added.

the company owns the Motorola brand, and has tied-up with Dixon Technologies for its manufacturing in India. "100% of Motorola's smartphones for India are made in India with a significant proportion being exported around the world," the company said. In India, Lenovo has the second-largest market share of 16% in the traditional PC market, which includes desktops, notebooks and workstations, as of March end, according to data by IDC. The company shipped around 470,000 units of PCs in the January-March quarter, a fall of 38% year-onyear owing to weak demand, according to IDC.

लगातार चौथी बार विधायक बने थे। फिलहाल 70 सदस्यीय राज्य विधानसभा में सत्ताधारी भाजपा के 46, कांग्रेस के 19 और बहुजन समाज पार्टी के दो विधायक हैं। दो अन्य विधायक निर्दलीय हैं। एक सीट रिक्त है।

झारखंड में डुमरी विधानसभा सीट पर मौजदा विधायक जगरनाथ महतो के निधन के बाद उपचनाव जरूरी हो गया था।

निर्वाचन आयोग के अनुसार, विधायक शमशल हक के निधन व प्रतिमा भौमिक के इस्तीफे के कारण त्रिपुरा की बाक्सानगर और धनपुर सीट पर उपचुनाव कराया जा रहा है, जबकि पश्चिम बंगाल में धुपगुड़ी विधानसभा सीट विधायक विष्णु पद राय के निधन के बाद खाली हुई है।
