IMPORTANT NOTES:

1. Explanatory statement pursuant to section 102 (1) of the Companies Act, 2013 in respect of the Special Business as set out in the Notice is annexed hereto and forms part of this Notice.
2. **General instructions for accessing and participating in the 34th AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting.**

As per the guidelines issued by the Ministry of Corporate Affairs ('MCA Circulars') and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January 2021 issued by SEBI (SEBI Circular) and in compliance with the provisions of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

MCA has issued General Circular No 10/2022 and 11/2022 in respect of clarification of holding of AGM & EGM through Video Conferencing (VC).

- MCA has issued so many circulars in 2020, 2021 and 2022 collectively named as MCA circulars in respect of holding of AGM through Video Conferencing and SEBI Circulars also in respect of holding of AGM through Video Conferencing.
 - And In the recent Circular No 10-11 dated 28.12.2022 MCA has extended Time period for holding of AGM / EGM for passing of Ordinary/ Special Resolution through Video Conferencing. Hence, we conduct this AGM through video conference for to protect the health of the Shareholders.
 - Members attending AGM through VC will be counted for reckoning the quorum under Sec 103 the Companies Act, 2013. The venue of AGM shall be deemed to be the registered office of the Company.
 - Members may note that to protect the health and safety of all the Stakeholders including Shareholders in view of the continuing Covid-19 pandemic, physical attendance of the Members is not required at a common venue and AGM can be held through Video conferencing (VC) or other audio-visual means (OAVM) in respect of the 34th AGM Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- a) In terms of the MCA Circulars since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be applicable for the 34th AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-Voting, for participation in the 34th AGM through VC/OAVM Facility and E-Voting during the 34th AGM.
 - b) In Compliance with the MCA Circulars and SEBI Circulars, the Notice of the 34th E-AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email addresses are registered with the Company Depositories. Members may note that the Notice and Annual Report 2023-24 will be available on the website of the Company at www.integraprofit.com, on the website of BSE Limited at www.bseindia.com and also on the website of CDSL at www.evotingindia.com.
 - c) Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed in this Notice.
 - d) CDSL will be providing facility for voting through remote e-Voting, for participation in the 34th AGM through VC/OAVM Facility and e-Voting during the 34th AGM.

- e) Members may join the 34th AGM through VC/ OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 12.45 p.m. IST i.e. 15 minutes before the time scheduled to start the 34th AGM.
- f) Members may note that the VC/OAVM Facility, provided by CDSL, allows participation of at least 1000 Members on a first-come-first-served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and auditors, etc. can attend the 34th AGM without any restriction on account of first- come first basis.
- g) Attendance of the Members participating in the 34th AGM through VC/OAVM Facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- h) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (“ICSI”) and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 34th AGM and facility for those Members participating in the 34th AGM to cast vote through e-Voting system during the 34th AGM.
- i) Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- j) SEBI HAS MANDATED SUBMISSION OF PAN BY EVERY PARTICIPANT IN THE SECURITIES MARKET. MEMBERS HOLDING SHARES IN ELECTRONIC FORM ARE, THEREFORE, REQUESTED TO SUBMIT THEIR PAN DETAILS TO THEIR DEPOSITORY PARTICIPANTS. MEMBERS HOLDING SHARES IN PHYSICAL FORM ARE REQUESTED TO SUBMIT THEIR KYC DETAILS TO THE COMPANY’S RTA.
- k) The Register of Directors and Key Managerial Personnel and their shareholding, Register of Contracts or Arrangements in which Directors are interested and other documents referred to in the Notice and explanatory statement, will be available electronically for inspection via a secured platform without any fee by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to integraprofit@gmail.com.
- l) Members are requested to notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
- m) As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in SH-14 as the case may be.
- n) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company’s RTA, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

- o) Non-Resident Indian members are requested to inform RTA / respective DPs, immediately of:
 - Change in their residential status on return to India for permanent settlement.
 - Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
- p) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- q) The Members can opt for only one mode of remote e-voting i.e. either prior to the AGM or during the AGM. The Members present at the Meeting through VC/OAVM who have not already cast their vote by remote e-voting prior to the Meeting shall be able to exercise their right to cast their vote by remote e-voting during the Meeting. The Members who have cast their vote by remote e-voting prior to the AGM are eligible to attend the Meeting but shall not be entitled to cast their vote again.
- r) A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on Thursday, September, 19 2024 ('cut-off date') shall be entitled to vote in respect of the shares held, by availing the facility of remote e-voting prior to the AGM or remote e-voting during the AGM.
- s) The Board of Directors of the Company has appointed M/s Vikas Verma & Associates, New Delhi as Scrutinizer to scrutinize the e-voting during the AGM and remote e-voting process in a fair and transparent manner.
- t) The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting and shall within 48 hours of conclusion of the AGM shall submit a consolidated Scrutinizer's report of the total votes cast in favor of or against, if any, to the Chairman or any other person authorized by the Chairman, who shall countersign the same and declare the result of the voting forthwith.
- u) The results along with Scrutinizer's Report, shall be displayed at the Registered Office and Corporate office of the Company and placed on the Company's website www.integraprofit.com and the website of CDSL immediately after the result is declared. The results shall be simultaneously communicated to the Stock Exchanges where the securities of the Company are listed. The resolutions will be deemed to be passed on the date of AGM subject to receipt of the requisite number of votes in favour of the resolutions.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on Saturday, September 21, 2024 9.00 A.M. IST and ends on Monday, September 23, 2024 5.00 P.M. IST. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, September, 19 2024 cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM No. 4

Based on the recommendation of the Nomination and Remuneration Committee ('NRC'), the Board of Directors at its meeting held on May 20, 2024, appointed Mr. Rajesh Kumar (DIN: 00042850), as an Additional Director designated as Non-Executive Independent Director of the Company, with effect from 20th May, 2024 under Section 149, 150, 152 and 161 of the Companies Act, 2013 ('the Act'), for a term of 5 (five) consecutive years from May 20, 2024 to May 20, 2029.

Pursuant to Sections 149 and 152 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014, it is proposed that Mr. Rajesh Kumar (DIN: 00042850), who meet the criteria of independence as provided in Section 149 (6) of the Act and Regulation 16 (1) (b) & 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), be appointed as Independent Directors of the Company, not liable to retire by rotation, to hold office for a term of 5 (five) consecutive years from the date of her appointment i.e. commencing from May 20, 2024 to May 20, 2029;

Mr. Rajesh Kumar (DIN: 00042850) is not disqualified from being appointed as Director by virtue of the provisions of Section 164 of the Act.

The Company has received consent and declaration in writing from Mr. Rajesh Kumar that he is not disqualified from being appointed as Director in terms of the provision of Section 164 of the Companies Act 2013. Further, a declaration to the effect that he meets the criteria of independence as provided in subsection (6) of Section 149 of the Act and the Rules framed thereunder and Regulation 16 (1) (b) of the Listing Regulations has also been received in this regard. In the opinion of the Board, Mr. Rajesh Kumar fulfills the conditions specified in the Act and the Rules made thereunder and the Listing Regulations for his appointment as Independent Director of the Company and is independent of the management of the Company

Having regard to the qualification, knowledge and experience, the appointment of Mr. Rajesh Kumar for the first term of five consecutive years as Independent Directors will be beneficial and in the interest of the Company.

A copy of the draft letter of appointment for Independent Directors setting out the terms and conditions, would be made available for electronic inspection to the members on sending request along with their DP / Client ID or Folio No. from their registered e-mail address to the Company at integraprofit@gmail.com.

A brief resume of Mr. Rajesh Kumar, nature of his expertise in specific functional areas, names of companies in which he holds directorships and memberships/ chairmanships of Committee of the Board etc. as stipulated under Regulation 36 (3) of the Listing Regulations and Secretarial Standards – SS 2 on General Meetings is provided in Annexure -I to this Notice.

Mr. Rajesh Kumar is not related to any Director or Key Managerial Personnel of the Company.

The Board considers that the continued association of Mr. Rajesh Kumar would be of immense benefit to the Company and it is desirable to continue to avail the services of Mr. Rajesh Kumar as an Independent Director.

None of the other Directors or Key Managerial Personnel and their respective relatives are, in any way, concerned or interested, in the resolution set out at the accompanying Notice.

Accordingly, the Board after satisfying itself with the independence of Mr. Rajesh Kumar in accordance with Section 149 (6) of the Act and the Listing Regulations, recommends the Special resolution mentioned at Item No. 4 of the Notice in relation to the appointment of Mr. Rajesh Kumar as Independent Director, for approval by the members as a **Special Resolution**.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

Integra Capital Limited (Formally known as Integra capital Management Limited) is a non-deposit taking Non-Banking Financial Company (NBFC-ND) registered with Reserve Bank of India. The company is registered with Association of Mutual Funds of India (AMFI) for providing one stop investment solutions to the investors. The situations will be improving and the economy as a whole is continuously recovering by the effects of securities market.

2. OPPORTUNITIES AND THREATS

Some of the key trends of the industry that are favorable to the company to exploit these emerging opportunities are: —

- Clients are more comfortable with uniform high quality and quick service and process across the enterprise.
- There are good prospects for expanding further activities in this direction.

Some of the key changes in the industry unfavorable to the company are:

- Heightened competition
- Increasing Compliances
- Attraction and retention of human capital
- Regulatory changes

3. RISK & CONCERNS

In line with the regulatory requirements, the Company has framed a Risk Management Policy to identify and access the key business risk areas and a risk mitigation process. A detailed exercise is being carried out at regular intervals to identify, evaluate, manage and monitor all business risks. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through a properly defined framework.

In today's complex business environment, almost every business decision requires executives and managers to balance risk and reward. Effective risk management is therefore critical to an organization's success. Globalization with increasing integration of markets, newer and more complex products and transactions and an increasingly stringent regulatory framework has exposed organizations to and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. The sustainability of the business is derived from the following:

Identification of the diverse risks faced by the company.

- The evolution of appropriate systems and processes to measure and monitor them
- Risk Management through appropriate mitigation strategies within the policy framework.
- Monitoring the progress of the implementation of such strategies and subjecting them to periodical audit and review.
- Reporting these risk mitigation results to the appropriate managerial levels.
- There is the risk of loss from inadequate or failed systems, processes or procedures. These may be attributed to human failure or technical problems given the increase use of technology and staff turnover. Your company has in place suitable mechanisms to effectively reduce such risks.
- All these risks are continuously analyzed and reviewed at various levels of management through an effective

information system.

4. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

During the year under review, since company is being working in a single segment therefore the specific performance does not stand eligible.

5. OUTLOOK

The presence of a stable government at the center will be a major catalyst in taking major decisions which would push forward the pace of reforms and thereby directly improving the macro-economic environment. It is now being forecasted that in the near future, the Indian economy will become the fastest growing emerging market.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has carried out the internal audit in-house and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorized, recorded and reported. Exercises for safeguarding assets and protection against unauthorized use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary, improvements are affected.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles in India. Further, the financial performance during the year under reference has been impressive in terms of sales. Even though there has been a decent increase in the turnover, the volume of profits has also increased as compared to last year.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

The Company had sufficient numbers of employees at its administrative office. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company enjoyed excellent relationship with workers and staff during the last year.

9. CAUTIONARY STATEMENT

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information, when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report, Management Discussion and Analysis and Corporate Governance Report, if we conclude, that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance as required under SA 720, 'The Auditor's Responsibilities Relating to Other Information'.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements.

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with standard of auditing(SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:
 - o Planning the scope of our audit work and in evaluating the results of our work; and

- To evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended 31st March, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls,

refer to our separate Report in “Annexure 2” to this report;

- g) No managerial remuneration for the year ended 31st March, 2024 has been paid / provided by the Company to its directors, hence no reporting is required under section 197(16) of the Companies Act, 2013.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) Management has represented that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to own notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement
- v. The Company has neither declared nor paid any dividend during the year. Hence, no reporting is required under rule 11(f) of Companies(Audit and Auditors) Rules 2014 read with section 143(3)(j) of the Companies Act, 2013.
- vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the

year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure “2” to the Independent Auditor’s Report

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Integra Capital Limited (“the Company”) as of 31st March, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (the ‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective companies’ policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the ‘Act’).

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing (‘the Standards’), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India

Note 33: Financial risk management

33.1 Risk management framework

The Company has established a comprehensive system for risk management and internal controls for all its businesses to manage the risks that it is exposed to. The objective of its risk management framework is to ensure that various risks are identified, measured and mitigated and also that policies, procedures and standards are established to address these risks and ensure a systematic response in

The Company has exposure to the following risk arising from financial instruments:

- a) Credit risk
- b) Liquidity risk
- c) Market risk

The Company has established various policies with respect to such risks which set forth limits, mitigation strategies and internal controls to be implemented by the three lines of defence approach provided below. The Board oversees the Company's risk management and has constituted a Risk Management Committee ("RMC"), which frames and reviews risk management processes

The risk management system features a "three lines of defence" approach:

1. The first line of defence comprises its operational departments, which assume primary responsibility for their own risks and operate within the limits stipulated in various policies approved by the Board or by committees constituted by the Board.
2. The second line of defence comprises specialised departments such as risk management and compliance. They employ specialised methods to identify and assess risks faced by the operational departments and provide them with specialised risk management tools and methods, facilitate and monitor the implementation of effective risk management practices, develop monitoring tools for risk management, internal control and compliance, report risk related information and promote the adoption of appropriate risk
3. The third line of defence comprises the internal audit department and external audit functions. They monitor and conduct periodic evaluations of the risk management, internal control and compliance activities to ensure the adequacy of risk controls and appropriate risk governance, and provide the Board with comprehensive feedback.

a) Credit risk:

It is risk of financial loss that the Company will incur a loss because its customer or counterparty to financial instruments fails to meet The Company's financial assets comprise of Cash and bank balance, Securities for trade, Trade receivables, Loans, Investments and Other financial assets which comprise mainly of deposits and unbilled revenues.

1. Corporate Information

Integra Capital Limited, referred to as “the Company” or “ICL” was incorporated in 1990, as a public company. The Company is incorporated and domiciled in India. The equity shares of the Company are listed on Bombay Stock Exchange. It is also registered with Reserve Bank of India as a Non-Banking Financial Company vide registration no. B – 14.00677 dated 26th September 2002 and is engaged in the investment business as non-banking financial company. Company name has been changed from Integra Capital Management Limited to Integra Capital Limited on the dated 10th October 2023. The registered address and principal place of business of the Company is 32 Regal Buildings, Sansand Marg, New Delhi-110001..

2. Material Accounting Policy

A summary of the Material accounting policies adopted in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

2.1 Statement of Compliance

The financial statements have been prepared on going concern basis following accrual system of accounting in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules 2015 and subsequent amendments thereto, read with Section 133 of the Companies Act, 2013 and other Accounting principles generally accepted in India.

2.1.1 Basis for preparation of financial statements

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Unless otherwise stated, all amounts are stated in thousands of Rupees.

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition or the amount of proceeds received in exchange for the obligation, or at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such basis except for, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value.

In addition, for financial reporting purposes fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs for the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 -Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 -Inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3- inputs are unobservable inputs for the asset or liability.

2.2 Use of Estimates

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience & other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In order to enhance understanding of the financial statements, information about Material areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most Material effect on the amounts recognized in the financial statements is as under:

a) Formulation of accounting policies

The accounting policies are formulated in a manner that results in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

b) Post-employment benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

c) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37 'Provisions, contingent liabilities and contingent assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.

d) Income taxes

Material estimates are involved in determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

2.3 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.4 Revenue recognition

The core principle of Ind AS 115 Revenue from contracts with customers is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity. Revenue excludes Goods and Service Tax (GST), Securities Transaction Tax (STT) and Commodity Transaction Tax (CTT) wherever applicable.

- a) Revenue from consultancy income is recognized on performance being satisfied at a point in time.
- b) Revenue from brokerage activities are recognized on services being performed.
- c) Revenue from sale of securities is recognized on the trade date of transaction.
- d) Interest Income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no Material uncertainty as to measurability or collectability exists.
- e) Dividend income is recognized when the Company's right to receive dividend is established.
- f) Profit or loss on sale of all Investments is recognised on date of sale, net of expenses. The cost of investments is computed based on weighted average basis.

2.5 Foreign Currency Transaction

Functional and presentation currency

Items included in the financial statements of entity are measured using currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

Where the difference is a pass through the lessee, the amount is received/ reimbursed to the lessee.

2.6 Employee Benefits

Defined contribution plan

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government/Company administrated Trust. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Defined benefit plan

The defined benefit plans sponsored by the Company define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. Gratuity is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of the plan is the present value of the defined benefit obligation net of fair value of plan assets at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income in the period in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed more than one-year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.7 Taxation

Tax expense comprises Current Tax and Deferred Tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Current tax is recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT) under the provision of Income Tax Act, 1961 is recognized as Current Tax in the Statement of Profit and Loss. Current Tax computed as per the normal provision of Income Tax Act, 1961 is lower than the MAT. Minimum Alternate Tax (MAT) credit is recognized as an asset only where and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

Deferred Tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

2.8 Property, Plant and Equipment (PPE)

An item of property, plant and equipment is recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Items of property, plant and equipment are initially recognized at cost. Subsequent measurement is done at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

De-recognition

Property, plant and equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on de-recognition of an item of property, plant and equipment are determined by comparing the proceeds from disposal, if any, with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

Depreciation

Depreciation on property, plant and equipment has been provided on the written down value method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

2.9 Intangible assets

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

De-recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains & losses on de-recognition of an item of intangible assets are determined by comparing the proceeds from disposal, if any, with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

Amortization

Software is amortized over 5 years on straight-line method.

2.10 Borrowing costs

Borrowing costs consist of interest expense calculated using the effective interest method as described in Ind AS 109 'Financial Instruments' and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs that are directly attributable to the acquisition, construction/development or erection of qualifying assets are capitalized as part of cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which necessarily take substantial period of time to get ready for their intended use or sale.

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalized. When Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalization of the borrowing costs is computed based on the weighted average cost of general borrowing that are outstanding during the period and used for the acquisition, construction/exploration or erection of the qualifying asset.

Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalization.

Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete.

All other borrowing costs are recognized as an expense in the year in which they are incurred.

2.11 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks, cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an inMaterial risk of changes in value.

2.12 Provisions, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance costs.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the financial statements.

2.13 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit", or "CGU").

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in profit or loss. Impairment losses recognized in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.14 Leases

At inception of a contract, the Company assesses whether a contract is, or contains a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company uses the definition of a lease in Ind AS 116.

Company As a lessee:

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative standalone prices. However, for leases of property, the Company has elected not to separate non – lease components and account for the lease and non – lease components as a single lease component.

The Company recognizes a right – of – use asset and a lease liability at the lease commencement date. The right- of – use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right- of – use asset is subsequently depreciated using the straight – line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right – of – use asset reflects that the Company will exercise a purchase option. In that case the right – of – use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right – of – use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate as the discount rate.

The Company determines its incremental borrowing rate by obtaining interest rates from various external financing sources and makes certain adjustments to reflect the terms of the lease and type of the asset leased.

Lease payment included in the measurement of lease liability comprises the following:

- Fixed payments, including in – substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in – substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right – of – use asset, or is recorded in profit or loss if the carrying amount of the right – of – use asset has been reduced to zero.

The Company presents right – of – use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities under the head non – current 'borrowings'.

Short – term leases and leases of low value assets

The Company has elected not to recognize right – of – use assets and lease liabilities for leases of low – value assets and short – term leases. The Company recognizes the lease payments associated with these leases as an expense on a straight – line basis over the lease term.

Company as a lessor

A lessor is an entity that provides the right to use an underlying asset for a period of time in exchange for a consideration. The Company, in cases, where it is a lessor, classify each of its leases as either a finance lease or an operating lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to the ownership of an underlying asset. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to the ownership of an underlying asset.

Finance lease:

At the commencement date of the lease, the Company recognizes assets held under a finance lease in its balance sheet and present them as a receivable at an amount equal to the net investment in the lease. Thereafter, the Company recognizes finance income over the lease term, based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

Operating lease:

The Company recognizes lease payments from operating leases as income either on a straight-line basis or another systematic basis if that systematic basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

2.15 Dividends

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

2.16 Material Prior Period Errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

2.17 Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.18 Statement of Cash Flows

Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of cash flows'.

2.19 Operating Segments

The Managing Director (MD) of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, "Operating Segments".

The Company has identified 'Investments' as its sole reporting segment

2.20 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.20.1. Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset.

Subsequent measurement

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the EIR method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at Fair value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to profit and loss.

Debt instrument at Fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to classify a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Securities held for trade

Securities held for trade are measured at fair value through statement of profit & loss.

Equity investments

All equity investments in entities other than subsidiaries and joint venture companies are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. The Company has decided to classify its investments into equity shares of IRCON International Limited through FVTOCI.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- (a) The rights to receive cash flows from the asset have expired, or
- (b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits and bank balance.
- (b) Financial assets that are debt instruments and are measured as at FVTOCI.

- (c) Lease receivables under Ind AS 17.
- (d) Loan commitments which are not measured as at FVTPL.
- (e) Financial guarantee contracts which are not measured as at FVTPL.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a Material increase in the credit risk since initial recognition. If credit risk has not increased Materially, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased Materially, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a Material increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

2.20.2. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortized cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the profit or loss. This category generally applies to borrowings, trade payables and other contractual liabilities.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risks are recognized in OCI. These gains/losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit and loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Derivative financial instruments

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts, cross currency swaps and interest rate swaps to hedge its foreign currency risks and interest rate risks of foreign currency loans. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken to statement of profit and loss. Where the derivative is designated as a hedging instrument, the accounting for subsequent changes in fair value depends on the nature of item being hedged and the type of hedge relationship designated. Where the difference is a pass through the lessee, the amount is received/ reimbursed to the lessee.
