With the revival of the private capex cycle, revenue grew across all lines of businesses. Segment Result was partially impacted by planned investments in business development, marketing, and other initiatives to support future growth.

## **Bonus Shares**

The Company is in its 80<sup>th</sup> year of business and has delivered exceptional financial performance in FY23. A modern Deep Freezer manufacturing plant in Wada was

commissioned. Further, a state-of-the-art Room Air Conditioner manufacturing facility in Sri City was commissioned by the Company's subsidiary, Blue Star Climatech Limited. To expand its global footprint, the Company has incorporated wholly owned subsidiaries in the US, Europe, and Japan. Overall, in FY23, with a record all-round performance, the Company has reinvented itself once again, and is on a high growth path. The Company has adequate accumulated reserves.

Considering the above, the Board of Directors has recommended a bonus issue of 1 (One) equity share for every 1 (One) existing equity share to the shareholders subject to necessary approvals.

### **Dividend**

The Board of Directors has recommended a dividend of Rs 12 per equity share of face value Rs 2 each for FY23. (FY22: Rs 10 per equity share of face value Rs 2 each.)

As and when the bonus issue is approved, **the dividend post bonus for FY23 will stand revised as Rs 6 per equity share** of face value Rs 2 each.

### **Outlook**

Vir S. Advani, Vice Chairman & Managing Director, Blue Star Limited adds, "We are delighted to report record financial performance in FY23. During the fiscal year, we improved our market share in all the businesses, commissioned the Deep Freezer manufacturing plant at Wada and the Room Air Conditioner manufacturing unit in Sri City, enhanced our R&D capabilities, deepened our distribution reach, and set up wholly owned subsidiaries in the US, Europe, and Japan in pursuit of expanding our global footprint. Blue Star is in its 80<sup>th</sup> year of operations, and as in the past, it has not only reinvented itself post the pandemic, but has emerged stronger."

"With the weather forecast indicating a strong summer combined with a strong carry forward order book for our B2B businesses, we are optimistic about the prospects for Q1FY24 and FY24."
