PRESS TRUST OF INDIA
New Delhi, November 11

However, if found symptomatic for Covid-19 infections on arrival or during home quarantine period, they shall undergo testing and be treated according to laid down protocol.

Fight at final stage, should not let our guard down, says Mandaviya

STATING THAT THE fight against Covid-19 is at the final stage, Union Health Minister Mansukh Mandaviya on Thursday cautioned against letting the guard down before it is completely over and requested states to enhance the vaccination coverage and moti-

vate the over 12 crore beneficiaries who are due for their second dose to take it. During a virtual interaction with the health ministers of states and union territories, Mandaviya observed that the fight against Covid-19 is at the final stage, a health ministry statement said. —PTI

still remain in focus.

The existing guidelines (issued on February 17 with subsequent addendums) for international arrivals in India have been formulated taking a risk-based approach. In view

increasing vaccination coverage across the globe and the changing nature of the pandemic, the existing guidelines for international arrivals in India have been reviewed, the health ministry said.

Delta remains main variant of concern, says Insacog

DELTA VARIANT OF Covid-19 continues to be the main variant of concern and other variants of interest or concern are now negligible in sequencing data from India, the Indian Sars-CoV-2 Genomics Consortium (INSACOG) said.

The INSACOG said there is no change in the global scenario. "Delta, including B.1.617.2 (AY) and AY.x sublineages, continues to be the main VOC globally. As per WHO update, Delta has outcompeted other variants in most countries and there is now declining prevalence of other variants among SARS-CoV-2 sequences submitted to publicly available datasets or reported to WHO," it said. —PTI

Full cooperation from govt to SC panel: Vaishnav on Pegasus

PRESS TRUST OF INDIA
New Delhi, November 11

THE GOVERNMENT WILL fully cooperate with the committee of experts set up by the Supreme Court to probe allegations of snooping using Pegasus software, IT and Communications Minister Ashwini Vaishnav said on Thursday.

He said the government will provide infrastructure, manpower, laboratory facilities, and information needed by the committee to complete its probe.

On social media regulations, the minister said that while social media platforms have given people chance to express themselves freely, at the same time, misuse of technology has placed "a huge bur-

den of thinking" on where should the regulation be.

Speaking at 'Times Now Summit 2021', Vaishnav asserted that there has to be a balance between privacy and social responsibility.

"I would say, our policy will have to have our cultural roots, our needs, our realities in focus when we do the policy," he said, adding that the element of "trust" has to come in social media.

'Won't have airlines to board if fare limits are not increased'

PRESS TRUST OF INDIA
New Delhi, November 11

THERE WON'T BE any airline in India to board if limits on domestic airfares are not increased as oil prices have jumped from \$22 each barrel to \$85 in the last eight months, Union Aviation Minister Jyotiraditya Scindia said on Thursday.

At the 'Times Now Summit 2021', he said aviation turbine fuel (ATF) is about 40% of an airline's cost structure in the country.

Domestic air travel became costlier on August 12 this year when the Aviation Ministry raised the lower and upper caps on domestic fares by 9.83 to 12.82%.

The ministry had increased the lower limit for flights under 40-minute duration from ₹2,600 to ₹2,900 — an increase of 11.53%. The upper cap for flights under 40-minute duration was increased by 12.82% to ₹8,800.

On Thursday, Scindia said, "Look at what has happened to ATF prices. Oil prices over the last eight months increased from \$22 per barrel to \$84. So, the airline's cost structure has gone up by four times."

Climate finance isn't charity, says Bhupender Yadav at COP26: Environment and climate minister Bhupender Yadav says rich countries have an obligation, responsibility, duty and a 'vow' to provide climate finance to developing nations & should deliver on an unfulfilled promise to raise \$100 billion a year.

India flags two- and three-wheeler emissions focus: India has highlighted the need to focus on the emissions related to two- and three-wheelers alongside other vehicles as part of a zero-emissions target at the COP26 summit in Glasgow. —PTI
