Management Comments:

Commenting on the results, **Mr. Nikhil Nanda, Managing Director (JHS), said**, “Under the private label business, we are striving to add more clients at-least one every quarter. On the Brand side, there is a huge untapped potential in the Kids Oral-care category and we have been able to rightly identify the same. It gives me immense confidence that in less than six months of aquawhite being launched in Delhi market, it has become 2nd most preferred brand in kids oral-care in Delhi.

We are also aiming at enhancing our customer base and generating awareness about dental hygiene through various print and social media platforms. Our kids focused brand “aquawhite” understands the basic need of a kid and parent hence made the task of brushing more exciting and engaging with innovations like music and flash light in toothbrushes”. **Mr. Nanda added further.**
