কোভিড পরিষেবা ও রেলের নির্মাণ কাজ নিয়ে বৈঠকে পূর্ব রেলের জিএম

স্টাফ রিপোর্টার : পূর্ব রেলের জেনারেল ম্যানেজার মনোজ যোশী ভিডিও কনফারেন্সের মাধ্যমে ডিআরএম দফতরের মুখ্য অধিকর্তাদের সঙ্গে ফেয়ার্লি প্লেসে বুধবার এক বৈঠকে মিলিত হলেন। বৈঠকে উপস্থিত ছিলেন পূর্ব রেলের অতিরিক্ত জিএম অনিত দুলাত। এদিনের বৈঠকে কোভিডের তৃতীয় ঢেউ-এর ক্ষেত্রে রেল হাসপাতালগুলি কি কি আগাম ব্যবস্থা গ্রহণ করেছেন তা খতিয়ে দেখেন পূর্ব রেলের জিএম। কোনও রেল হাসপাতালে যাতে অক্সিজেনের অভাব দেখা না যায় তার জন্য ব্যবস্থা গ্রহণ করতে বলেছেন জিএম। অক্সিজেনের ঘাটতি মেটাতে প্রতিটি হাসপাতালে প্ল্যান্ট বসাতে বলেছেন তিনি। বর্ষাকালে রেললাইনে যাতে জল না জমে সেই বিষয়টির উপর গুরুত্ব আরোপ করেছেন তিনি। চলতি অর্থ বর্ষে পণ্য পরিবহণের লক্ষ্য মাত্রা যাতে পূরণ করা যায় তার উপর গুরুত্ব আরোপ করা হয়েছে। লকডাউনের জেরে যে সমস্ত মেইল ও এক্সপ্রেস ট্রেন বাতিল করা হয়েছিল তা অবিলম্বে চালু করতে বলেছেন তিনি। ৪৫ উর্ধ্ব ব্যক্তিদের টিকাকরণ প্রক্রিয়া সম্পন্ন হয়েছে সে বিষয়ে সন্তোষ প্রকাশ করেন জিএম। হাওড়া মহকুমা রেল হাসপাতালে ২৪ ঘণ্টাই ক্রিটিক্যাল কেয়ার অ্যাম্বুলেন্স পরিষেবা চালু থাকবে। চলতি অর্থ বর্ষে স্ক্র্যাব বিক্রি করে ৩৬.১১ কোটি টাকা আয় করেছে পূর্ব রেল। ডাবলিং প্রোজেক্ট সহ সমস্ত নির্মাণ কাজ দ্রুত গতিতে শেষ করতে বলেছেন জিএম।

নর্দার্ন রেলওয়ের লখনৌ ডিভিশনে প্রাক্-এনআই এবং এনআই কাজের জন্য কিছু ট্রেনের নিয়ন্ত্রণ

নর্দার্ন রেলওয়ের লখনৌ ডিভিশনের অন্তর্গত লখনৌ–বারাণসী শাখার বিভিন্ন স্টেশনে ডাবলিং সংক্রান্ত কাজে প্রাক-এনআই (১৮.০৬.২০২১ থেকে ২২.০৬.২০২১) এবং এনআই (২৩.০৬.২০২১ থেকে ২৫.০৬.২০২১) কাজের জন্য, নিম্নলিখিত ট্রেনগুলি নিম্নরূপ নিয়ন্ত্রিত হবে : • ট্রেন বাতিল : (১) ০৩০০৫ হাওড়া–অমৃতসর স্পেশাল (যাত্রা শুরুর তারিখ ১৬.০৬.২০২১ থেকে ২৪.০৬.২০২১) এবং (২) ০৩০০৬ অমৃতসর–হাওড়া স্পেশাল (যাত্রা শুরুর তারিখ ১৮.০৬.২০২১ থেকে ২৬.০৬.২০২১) বাতিল থাকবে। • যাত্রাপথ পরিবর্তন : ০৩০০৬ অমৃতসর–হাওড়া স্পেশাল (যাত্রা শুরুর তারিখ ১৭.০৬.২০২১) ট্রেনটি যাত্রাপথ পরিবর্তন করে লখনৌ–সুলতানপুর–বারাণসী জংশন হয়ে চলবে। সম্ভাব্য অসুবিধার জন্য দুঃখিত।

চিফ প্যাসেঞ্জার ট্রান্সপোর্টেশন ম্যানেজার

পূর্ব রেলওয়ে

শিমূলতলা স্টেশনে ট্রাফিক ব্লক

স্টাফ রিপোর্টার : ঝাঝা ও জসিডি শাখার শিমূলতলা স্টেশনে ডাউন মেইন লাইনে পয়েন্ট নম্বর ৮১বি কাজের জন্য ১৭ জুন ৪ ঘণ্টার ট্রাফিক ব্লক করা হবে। ৬৩৫৬৭/৬৩৫৬৮ আসানসোল ঝাঁঝা-আসানসোল মেমু ট্রেন জসিডি স্টেশন থেকে চলাচল করবে। যাত্রীদের অসুবিধার জন্য দুঃখ প্রকাশ করা হয়েছে রেলের তরফ থেকে।

মগরা স্টেশনে পাওয়ার ও ট্রাফিক ব্লক

স্টাফ রিপোর্টার : মগরায় রোড ওভার ব্রীজের কাজের জন্য ১২ থেকে ৩টে পর্যন্ত মগরা স্টেশনের আপ ও ডাউন লাইনে ট্রাফিক ও পাওয়ার ব্লক করা হবে ১৮ জুন। ০৩১০৫ শিয়ালদহ-বালিয়া এক্সপ্রেস স্পেশাল দমদম থেকে ডানকুনি থেকে বর্ধমান যাবে।

Govt approves proposal to roll out project to explore deep ocean for resources

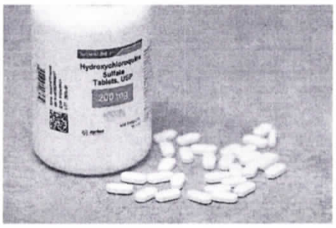
Prakash Javadekar

NEW DELHI, JUNE 16 /--/ The Centre today approved a proposal to roll out a "Deep Ocean Mission" to explore the deep ocean for resources and develop deep-sea technologies for sustainable use of marine resources. The decision was taken by the Union Cabinet at its meeting chaired by Prime Minister Narendra Modi, minister Prakash Javadekar told a press conference. "This will support the blue economy and take India into a new era," he said. The proposal for launching the "Deep Ocean mission" came from the Ministry of Earth Sciences.

Javadekar said under the mission, a mineral study will be conducted 6,000 metres deep in the ocean. The mission will also study the changes, if any, noticed due to climate change. Under the mission, he said, a study will be conducted on more deep-sea biodiversity. The minister said an advanced marine station will be set up for ocean biology under the mission.

There will also be an offshore thermal energy centre, which will help new emerging sectors. After the US, Russia, France, Japan and China, India will be the sixth country to have this kind of technology, Javadekar said. "There will be good opportuneities for our MSMEs and research. This will also help in our endeavour and vision towards an Aatmanirbhar Bharat (self-reliant India)," he added. The estimated cost of the mission for a period of five years will be Rs 4,077 crore and it will be implemented in a phase-wise manner, according to an official statement. "The estimated cost for the first phase for the three years (2021-2024) would be Rs 2,823.4 crore. The Deep Ocean Mission will be a mission-mode project to support the blue economy initiatives of the government. The Ministry of Earth Sciences (MoES) will be the nodal ministry implementing this multi-institutional ambitious mission," the statement said. The mission consists of six major components -- development of technologies for deep-sea mining and manned submersible, development of ocean climate change advisory services, technological innovations for exploration and conservation of deep-sea biodiversity, a deep-ocean survey and exploration, energy and freshwater from the ocean and an advanced marine station for ocean biology. "This mission is also directed towards capacity development in marine biology, which will provide job opportunities in Indian industries. In addition, design, development and fabrication of specialised equipment, ships and setting up of the required infrastructure are expected to spur the growth of the Indian industry, especially the MSMEs and start-ups," it added. (PTI)

Most drugs for treating adult Covid patients not recommended for kids: Govt guidelines



NEW DELHI, JUNE 16 /--/ Drugs such as ivermectin, hydroxychloroquine, favipiravir and antibiotics like doxycycline and azithromycin prescribed for adult COVID-19 patients have not been recommended for treating children, according to a government guideline issued on Wednesday.

In anticipation of likely intermittent surges in the number of COVID-19 cases, the government has come out with guidelines for operationalising Covid-care services for children. The recommendations include augmenting existing Covid care facilities to provide care to children with acute coronavirus infection. According to it, once vaccines are approved for children, those with comorbid conditions having more severe manifestations of COVID-19 and poorer outcomes should be a priority group for immunisation. About the treatment of children, the guidelines by the Union Health Ministry said most drugs used in adults such as ivermectin, hydroxychloroquine, favipiravir and antibiotics such as doxycycline or azithromycin have not been tested on children for prevention or treatment of Covid infection among them. "Therefore, these are not recommended in children." The guidelines stated it is anticipated that there may be intermittent surges in the number of coronavirus cases. "A combined effort from the private and public sector is needed to handle any surge (in cases) in the future after the withdrawal of the lockdown, school reopening or as a third wave over the next three to four months. The basic principles of equity and dignity of care should be followed," it said. The guidelines said estimates for additional bed capacity for pediatric care may be calculated based on peak daily cases in different districts during the second wave of the COVID-19 infections. From this, projections for pediatric cases and the number of admissions required can be derived, it said. "It is desirable to augment the existing Covid-care facilities to provide care to children with acute Covid. This will need additional pediatric-specific equipment, infrastructure and pediatric formulations. "Also, an adequate number of trained manpower -- both doctors and nurses -- should be provided. The health authorities should initiate capacity building programmes for appropriate pediatric care. In standalone paediatric hospitals, separate arrangements, for example, separate beds for paediatric Covid care need to be set up," the guidelines said.

It is desirable to designate specific areas in the Covid facilities for pediatric care and parents should be allowed to accompany the child there. "For children with Multisystem Inflammatory Syndrome who test negative for acute Covid, care has to be provided by the existing pediatric facilities. These facilities also need augmentation especially HDU and ICU services," it said. The document provides guidance about additional requirements for infrastructure, equipment and manpower. Noting that a majority of children have asymptomatic or mild illness and can be managed at home by parents, it said treatment for symptomatic patients include paracetamol for fever and monitoring conditions such as measuring respiratory rates, difficulty in respiration, oral intake and oxygen saturation. "In a community setting, ASHA and MPW should be involved for management of children at home and also monitor to assess the need for referral and admission," the guidelines said.

The document stressed on imparting training to community health workers for picking up the red flag signs.

Also, all stakeholders, including the community, should be educated by the information education communication. For improving the quality of care and for capacity building, the guidelines recommended hand-holding of district hospitals and other facilities by medical colleges. "A few centres may be designated as regional centres of excellence for Covid care and research. These centres can provide leadership in clinical management and training. Telemedicine could be harnessed for reaching out to a large number of facilities," it said. To ensure data collection at all levels and transmission from community to higher centres, the document recommended that a national registry be launched for pediatric Covid. "There is a need to encourage and facilitate research in the area of pediatric Covid and this could cover various aspects of management. Similarly, issues of optimal treatment for MIS-C need to be addressed by clinical trials, such as comparison of low dose with high doses steroids, comparison of steroids with IVIG and others," it added.

The guidelines said that based on sero-surveillance reports, COVID-19 infection in children above 10 years of age occurs in a similar frequency to that of adults, even though among the confirmed cases less than 12 per cent are individuals less than 20 years of age. "Children have less severe disease than adults. In the majority, the infection is asymptomatic or mildly symptomatic. It is uncommon to have moderate to severe Covid among healthy children," it noted. (PTI)

Senior minister Eshwarappa says some within BJP want CM Yediyurappa replaced

Nalin Kumar Kateel

BENGALURU, JUNE 16 /--/ Karnataka BJP president Nalin Kumar Kateel today once again ruled out the possibility of a leadership change in the State, even as senior Minister K S Eshwarappa acknowledged that a section within the party is of the view that Chief Minister B S Yediyurappa should be replaced. The statements have come as the BJP national general secretary in-charge of Karnataka Arun Singh's three-day visit to the State begins on Wednesday amid speculations in some quarters about leadership change. "There is no question of leadership change. Chief Minister Yediyurppa will remain in the post for the next two years," Kateel told reporters.

However, Rural Development Minister K S Eshwarappa conceded that some within the party are proposing that the Chief Minister should be replaced. "What you are saying is right, some have proposed that the Chief Minister should be changed, while a few others are proposing that he (Yediyurappa) should continue as the Chief Minister; a few have even gone to Delhi and come back," Eshwarappa said in response to a question. Eshwarappa, however, expressed hope that all issues would be resolved, as Singh would meet Ministers, legislators and MPs and elicit their opinion and share the same with the central leadership. Eshwarappa, also a former State BJP president, on March 31 met the Governor Vajubhai Vala and submitted to him a five-page letter on "serious lapses and authoritarian ways of running the administration" by the Chief Minister.

As part of his three-day visit, Singh would be holding a meeting with all the Ministers this evening, and during the next two days he would have one-on-one meetings with legislators and Ministers who want to meet him, and finally on Friday he would take part in the State BJP core committee meeting, party sources said. Speculations have been rife for some time now that a section of the ruling BJP is trying to push for unseating Yediyurappa. However, Singh had recently ruled out replacing the Chief Minister and asserted that Yediyurappa would continue in the top post. His visit comes amid growing disgruntlement among a section of BJP legislators like Hubli-Dharwad MLA Arvind Bellad and Tourism Minister C P Yogeshwar who have made visits to Delhi to meet national leaders and expressed the feeling of some legislators against Yediyurappa's style of functioning and requested them to rein in the Chief Minister.

Leaders like MLA Basanagouda Patil Yatnal and MLC A H Vishwanath have been embarrassing the government with their statements against the functioning of the government and the Chief Minister, alleging interference from Yediyurappa's younger son and state BJP vice president B Y Vijayendra in administration. Also, the governments Chief Whip V Sunil Kumar has publicly asked BJP leadership to provide a "platform, where legislators can air their grievances. This even as some BJP legislators are said to be pushing for convening a legislature party meeting, pointing at certain decisions taken by the government, its functioning, handling of the COVID crisis and alleged instances of corruption, among others. Amid all these activities and speculations, Yediyurappa had earlier said he would continue in the top post as long as the BJP high command has confidence in him, and he had no confusion about it. He subsequently asserted that there was no confusion in the State BJP on the issue of leadership and that he would work for the development of the State during the remaining two years of the term.

Earlier too, there have been speculations in some quarters that the BJP high command is mulling leadership change in Karnataka considering the 78-year-old Yediyurappa's advancing age.

Though the BJP had officially rejected outright such speculation in the past, it refuses to die down, with some within the party like senior MLA Basanagouda Patil Yatnal giving credence to it with his statements, setting repeated deadlines for Yediyurappa's exit. (PTI)

HC asks Delhi govt to respond to plea challenging decision to limit non-PDS beneficiaries

NEW DELHI, JUNE 16 /--/ The Delhi High Court today sought response of the Delhi government on a plea challenging its non-PDS guidelines putting an arbitrary' limit of 20 lakh beneficiaries for providing them dry ration. A vacation bench of Justices Navin Chawla and Asha Menon issued notice to the Delhi government and Centre on an application filed by NGO Delhi Rozi Roti Adhikar Abhiyan which said food grains be given to all the needy persons.

The application has also sought direction to the AAP government to modify the May 27 guidelines to the extent that it should not be a mere one time relief measure and that the beneficiaries may receive dry ration (food grains) for every calendar month until further orders.

The petitioner's counsel said the Delhi government has stopped distributing dry ration to non-PDS beneficiaries at several centres. The impugned guidelines (of May 27) have put an arbitrary limit of 20 lakh beneficiaries under the scheme. This limit of 20 lakh appears to have no rational basis whatsoever. The provisioning and the estimate of the number of persons who are in need of the benefits under the scheme ought to be based on the number of people who in fact had benefitted under a similar scheme last year.

In 2020, when the first wave of the COVID-19 pandemic occurred, pursuant the orders of this court , nearly 69.6 lakh persons, who did not possess ration cards, registered under the e-coupon scheme and were provided dry rations.

Therefore rations must be provided to all those who are in need, as also ordered last year, the plea, filed through advocate S Prasanna, said. It also sought to direct the authorities to provide for a helpline number for people to register complaints regarding problems with registering or availing benefits under the scheme and a mandate for nodal officers to place on the official website the action taken by them in that behalf within 24 hours of receiving a complaint.

The application has been filed by the NGO in its pending petition challenging the decision to link ration cards with Aadhaar. (PTI)

PM lauds mother for following Covid norms, isolating from child to protect him from coronavirus

NEW DELHI, JUNE 16 (PTI) Prime Minister Narendra Modi has hailed a mother of a six-year-old boy for her courage and positive thinking as she isolated herself from her son after contracting COVID-19. Pooja Verma, who lives in Sector-6 of Ghaziabad, tested positive for the coronavirus along with her husband, Gagan Kaushik.

Verma, her husband and their six-year-old son live in a three-bedroom apartment and after contracting COVID-19 in April, the couple made a tough decision and decided that all three would be isolated in separate rooms. This was not easy for the six-year old who longed for his parent's love while unable to understand what the coronavirus was or what Covid-related norms meant and what was the need for this isolation, Verma said. He kept on wondering what wrong had he done that he had to stay in a room separate from his parents, she said.

In a letter to the prime minister, she narrated her ordeal as a mother who had to stay away from her child, through a poem she had penned. The prime minister wrote back to her and while asking about the wellbeing of her family, said, "I am happy that even in difficult circumstances, you and your family have fought this disease by adopting Covid-compliant behaviour with courage." He said the 'shastras' have also taught us not to lose patience and to maintain courage in times of adversity. Lauding the woman's poem, the prime minister said it expressed the worry and anxiety of a mother when she is away from her child. Prime Minister Modi expressed confidence that with her courage and positive thinking, Verma will continue to move forward and successfully face any challenge that comes in life. Due to the strict isolation undertaken by the couple, their son did not contract COVID-19, Kaushik said. He said his wife and he have fully recovered. (PTI)

Third wave preparation: Delhi govt to train 5,000 youths as health assistants

NEW DELHI, JUNE 16 /--/ The Delhi government will train 5,000 youths to assist doctors and nurses as part of preparations for a possible third wave of COVID-19, Chief Minister Arvind Kejriwal said today. The health assistants or community nursing assistants will be imparted two weeks basic training in nursing and lifecare. The training will start from June 28 in batches of 500 candidates. "I believe this move will strengthen our preparation for the third wave of Covid. Our aim is to learn from experiences across the globe such as the UK where the third wave has emerged, and to be fully prepared," Kejriwal said in an online briefing. Training applicants need to have cleared class 12 and be at least 18-years-old. Online applications for training will be received on a first come, first served basis from June 17, he said.

The health assistants will be roped in whenever their services are required during the possible third wave. They will be paid for the days they work, the chief minister said. They will be trained in basic nursing, paramedical, lifesaving, first aid home care, sample collection, oxygen concentrators and cylinders operations and other such tasks, Kejriwal said. The initiative is being taken in view of shortage of medical staff witnessed during the first and the second wave of the COVID-19 pandemic.

The basic training will be imparted to the selected candidates by Indraprastha University (IP) University and nine medical institutes of Delhi, he said. The Delhi government has already undertaken preparations to tackle the possible third wave of COVID-19 like arranging oxygen plants, oxygen concentrators, oxygen cylinders, and oxygen storage tanks, Kejriwal said. (PTI)

Tourists delighted after Taj Mahal reopens after two months

AGRA, JUNE 16 /--/ A 40-year-old woman from Brazil was one of the early tourists to step inside the Taj Mahal premises as the monument reopened on Wednesday after being closed for around two months due to the Covid pandemic. Melissa Dalla Rosa shared with PTI that it was a "special moment for her to see the Taj Mahal during sunrise and being totally alone at the wonderful place". The Archaeological Survey of India had announced the reopening of all centrally protected monuments, sites and museums from Wednesday. However, the Agra administration capped the number of visitors at the Taj Mahal to 650 people at a time.

Melissa, who was on a nine-week Yoga tour in India when the lockdown was announced, said, "I came to Agra yesterday from Lucknow only to explore the city as I knew monuments were closed due to the pandemic. But I got information from locals that Taj Mahal will be reopened from Wednesday so I rushed to book my entry ticket." "I managed to book a ticket by afternoon and today, I came here very early and was the first tourist who stepped inside the premises," said Melissa. "The experience was magical. Thank you India for this opportunity," she said.

Another tourist, an Indian couple from Lucknow, shared that it was a pleasant experience as there were few tourists. "I've visited the Taj Mahal many times but today's visit was memorable. I booked tickets online and was able to see the most beautiful white marble mausoleum in the world," said Amir. "It was a 'waah Taj' moment as it looked so beautiful, birds were chirping, the sun was rising and the premises was clean," he added. Mamta Tomar, who travelled from Ghaziabad along with her family members, said they had been waiting for a long time to visit the monument. "Me and my other family members clicked photos from the central tank and captured every moment on our mobile phone," she shared. Tourists at the Taj Mahal were asked to follow Covid protocols and were thermal screened and sanitised before entering the premises. Masks were mandatory for everyone and a staff member was available to assist tourists book tickets. On the first day of its reopening, everyone seemed enthusiastic. Nearby shopkeepers were busy arranging items and cleaning their shops while tourist guides were also spotted at the Shilpgram parking with a smile on their face. (PTI)
